Alliance

An **alliance** is defined as:

noun

1. the act of allying or state of being allied; union; confederation
2. a formal agreement or pact, esp a military one, between two or more countries to achieve a particular aim
3. the countries involved in such an agreement

Here is how the Lord handles **alliances**:

An alliance is a pact or an agreement between two entities. The two entities have formed a tie that can be broken by declaring allegiance and alliance to another entity.
