

HOW THE HOLY SPIRIT COMFORTS US

John 14:26 But the Comforter, which is the Holy Ghost, whom the Father will send in my name, he shall teach you all things, and bring all things to your remembrance, whatsoever I have said unto you.

Ask the Holy Ghost to Help you with your Bible Studies

As you begin your study in the Word, many people make the mistake of trying to read the Bible like it was a novel or manual. This is normal, as this is how anyone will approach reading a book. Many people start with the Bible in Genesis, and read through to Revelation, not completely understanding what the Bible is.

The Bible is a supernatural book that has the ability to change your nature from what it is now to what the Lord of Hosts and the Lord Jesus Christ wants it to be. This book is also a covenant – an agreement – that the Lord of Hosts has given mankind so mankind can be reconciled to Him.

Yes, that's right, reconciled.

The devil, also known as satan, had usurped the authority of the earth from Adam because of His disobedience. As you read in Genesis, the Lord God gave the authority of the earth to Adam, and it was Adam's responsibility to govern the earth. Adam started out well as he did name all of the animals and beasts of the sea; he even named his helper, Eve, calling her a woman, or better stated, 'from the womb of man'. This is the reason why a woman can never be greater than a man.

Anyone reading the Bible without someone guiding them will get lost very quickly. This is why the Lord Jesus Christ has provided every disciple of Christ with a helper who will give them information that will help them understand the Bible.

So why is the Bible written in the way it is today?

It is so the Lord of Hosts can communicate with mankind without the devil getting in the way. You see, we are in a war zone, and the devil's minions are all around and in mankind, trying to do whatever they can to keep mankind from the Lord of Hosts. So the Lord of Hosts has sent a book that will guide mankind to Him to be reconciled with Him, but it has to be presented in such a way that the devil will not know that the Lord of Hosts is communicating with mankind.

If you remember from the gospels, the Lord Jesus Christ often talked in parables – little stories that conveyed a meaning, but if you did not know the meaning, the story would be foolishness to you. As the Lord Jesus Christ did when He was walking on the earth, he often communicated very deep spiritual truths to His disciples using parables. If you also remember, the disciples would always need to ask Jesus to explain the parable so they would understand what He was teaching them.

Today, with the Bible, we still need the truths of the Bible explained to us, but since Jesus is not here to explain these things to us, He has sent the Holy Ghost to unlock the hidden mysteries of the Bible. Once the Holy Ghost shines His light on the scripture, what you see when you read the letter is transformed to Spirit that speaks to your spirit when you are reading the Bible.

On its face, if you read the Gospels, for instance, you see Jesus performing miracles. Well, for the uninitiated, these are 'nice stories' of a kind man. However, when you get the Holy Ghost to illuminate the scripture, you can see that Jesus was fighting in a war with unseen, invisible beings that control the world through people. You see beings that have feelings, wants, needs and appetites that you would never see if the Holy Ghost did not show them to you.

You can think of the Bible as one big giant parable with many pieces that are scattered all over the book. This book is so powerful that not only does it define itself; it allows you to see the whole human experience through stories, poems, and narratives of events that we can track in secular history. The real secrets of the Bible are hidden from those who are NOT of the Lord Jesus Christ, and we can see that people have added their own spin on what they have read because they have NOT had the revelation of the Bible from the Holy Ghost.

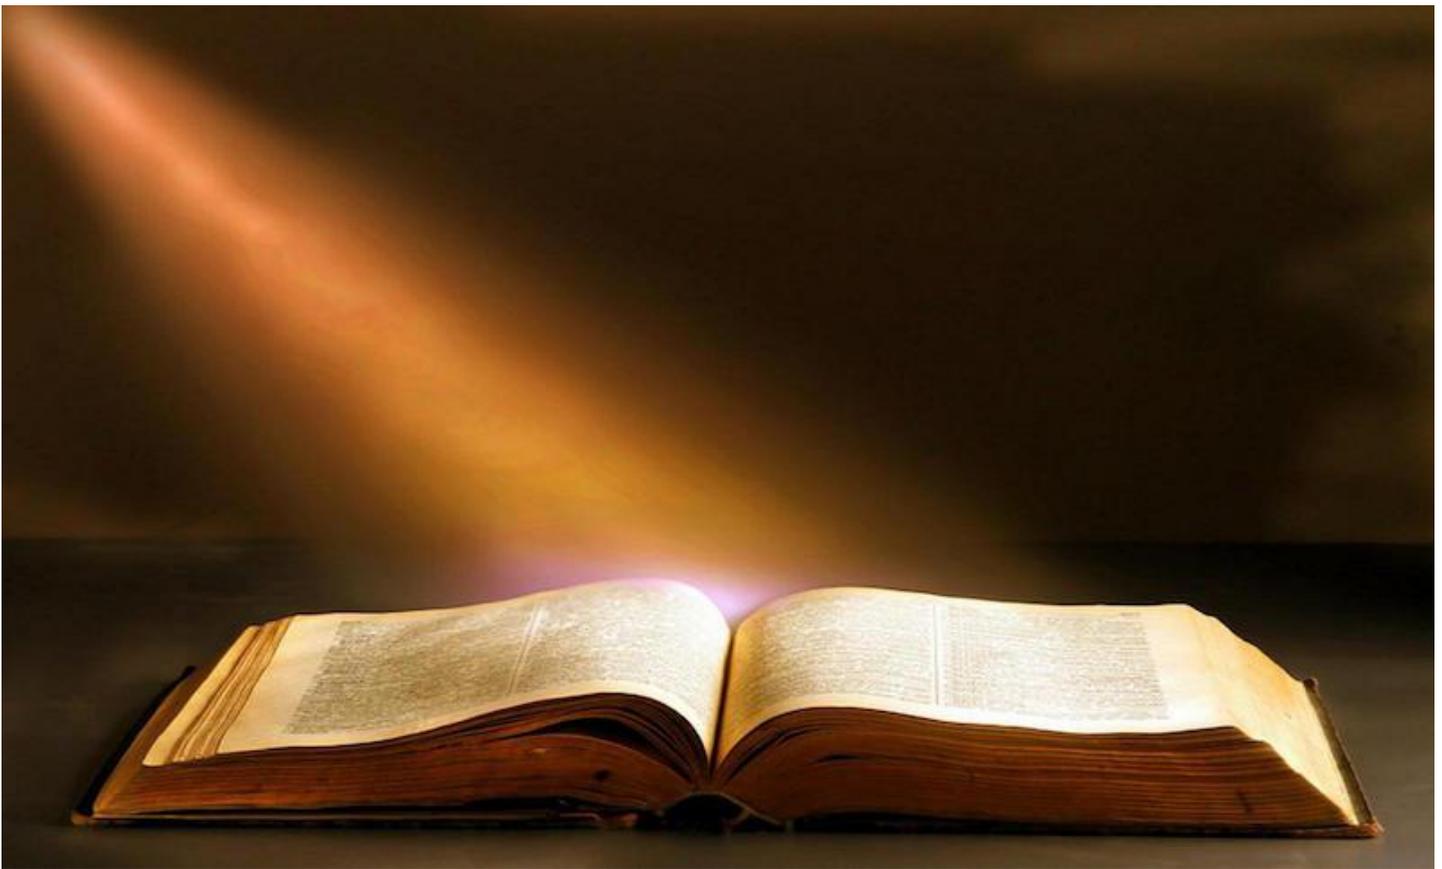

For example – there are many people who read what was done in the Old Testament and then decide themselves that this is what they need to do now, when the Bible plainly tells people that the Lord Jesus Christ is the Lord of the Sabbath. That means you do NOT have to follow the rules of the Sabbath IF you are a disciple of the Lord Jesus Christ. Many people ignore that which is written, and then go down a path that the Lord Jesus Christ

did NOT intend for them to go.

This is also why we have so many 'doctrines' that many churches follow that are not even necessary or true. We have a doctrine called Once Saved, Always Saved, taken from promises made in the Bible, which tell you that all you need to do is believe in Jesus and you will be saved. What these doctrines do NOT tell you is that you need to be OBEДИENT to the Lord Jesus Christ FIRST so He can clean you up so you can make it into the Kingdom of God. Why do so many people just 'believe' they are saved? It is because the interpretation of the scriptures lacked the anointing of the Holy Ghost, which the proponents of **Once Saved Always Saved** think is NOT for today.

The scriptures clearly show you that when Jesus was filled with the Holy Ghost, He was driven into the wilderness where He fasted for 40 days, and then was tempted by the devil personally. Has anyone ever wondered why the Lord Jesus Christ was 'driven' into the wilderness, as the scriptures tell us? How is it that Jesus had to be 'driven' in to the wilderness and tested and any old person can just 'confess and believe' to be saved?

It takes the Holy Ghost to show people that the process of salvation does INCLUDE the Holy Ghost. Also, as we can see, Jesus did NO miracles until He was filled with the Holy Ghost. If Jesus is our example, and if Jesus got filled, don't you think that we need to be filled as well, just like Jesus was? This is why Jesus asked the Lord of Hosts to send the Holy Ghost for Him while He was being crucified to fulfill the penalty we should be serving.

You would NOT know any of this if you just read the scriptures. The Holy Ghost makes the scriptures come alive, and one paragraph in the Bible will have enough spiritual food in it to last you 100 years. This is how dense and rich in spiritual knowledge that the Bible has. You would never know that the story of how the Chaldeans surrounded the Israelites and starved them out, as you read **in Ezekiel 39**, could also be a battle plan. You would never know when Jesus cast out devils from the man in the Gaterenes and gives you knowledge about the demons in the man, as there was a legion of them in one person, and how demons can drive a person insane.

So what, you say.

What's the point?

Listen and learn, Christian.

The point is that **you will need the Holy Ghost** to help you with your Bible studies. It is very frustrating when you have no one to help you understand what is going on in the scriptures.

This is where people turn to the pastors and teachers that they THINK know what is going on, and then they are led astray because they have no way to verify the interpretation that the pastor or teacher gives. Many times, the teachers will not just teach the Bible, they will teach a doctrine that may have nothing to do with the Bible at all as a part of the Bible study. Pastors will teach doctrine, like tithing, to get you into the church as a 'member' and then expect you to tithe 10% of your salary to them. This is the 'normal' progression of most churches, and even after you become a member, the pastors will want you to believe them and NOT study the Bible for yourself.

You want to make SURE that you are learning what the Bible has for you to learn so you will NOT be deceived. It is always good to discuss what you have learned with the Lord Jesus Christ or the Holy Ghost so they can tell you if you are on the right path or not. This will also keep you from being drawn out into strange doctrines that sound like they are of God, but are not.

So, to defend against deception, as it is running rampant down here, these are the suggested steps to take when you are studying your Bible:

- **Ask Jesus to show you which Bible version that you will need.** This way, you will be comfortable with the version and you will be able to be taught correctly. Many people turn to the King James Version, **but you should listen to what the Lord Jesus Christ tells you to do and follow HIS instructions.**
- **Ask Jesus to guide you to the church He wants you to go to.** Once Jesus does this, He will show you what He wants you to know and guide you to the pastor(s) or teacher(s) He wants you to learn from.
- **Ask Jesus to send the Holy Ghost to you so He can teach you.** This is where you get filled with the Holy Ghost, and He will indwell you and guide you in all that you do. The Holy Ghost is the 3rd person of the Godhead, and it is His job to raise and train all of Jesus' disciples. **The Holy Ghost will ALWAYS point to Jesus** and illuminate Jesus' words, so keep this in mind when you are being taught.
- **Invite others to your Bible studies ONLY when you have permission from the Lord Jesus Christ or the Holy Ghost.** This way, you will know that they approve of you having Bible studies and they can guide you and interdict if you are going the wrong way.
- **If you are invited to a Bible Study, make sure you get Permission from the Lord Jesus Christ or the Holy Ghost FIRST.** This way, if the Bible Study is a ruse for some cult, or for some guys to get into a woman's pants, the Lord Jesus Christ or the Holy Ghost – or both – will tell you NOT to attend. As you are looking for knowledge from the Lord, they will jealously guard you from any scams, tricks, or traps that are out there.
- **Ask questions and then run the answers by the Lord Jesus Christ.** This is how you can evaluate a teacher or a pastor, as well as get confirmation for things that you have been taught. Be persistent; ask Jesus or the Holy Ghost to show you what you need, and always be honest with them.

As with all of these books, **do NOT believe a word we are telling you. Go to Jesus and ask HIM to verify all that we have put in this book**, and then do exactly what He tells you to do. It is up to you, Christian, to work out **YOUR** salvation using **YOUR** Bible, **YOUR** concordance, and getting the answers that **YOU** need so you can be sure you will make it into the Kingdom of God. You have an advocate in the Lord Jesus

Christ in that you can ask Him to teach you and you can learn FOR FREE what He wants you to know. This is how you can be set free and STAY free, Christian.

Here is Our Challenge to all of you:

We challenge you to go to Jesus directly **RIGHT NOW** and ask Him if what is shown here is true. Use this as a means to start a conversation with The Lord Jesus Christ and sit with Him and ask Him questions. Start with **(asking out loud):**

“Jesus, is what I just read true?”

He will answer you, Christian; use this as an opportunity to start the conversation with the Lord Jesus Christ. Keep talking with Him. Get to know Him and He will start to reveal Himself to you.

You need to find out for yourself if what you support or believe is true, and what better way to find out than to ask the Lord Himself? You need to find out for yourself and work out **YOUR** salvation for **YOU**, as the scriptures tell us to.

Get into the FIGHT

After you have gotten right with the Lord and secured your household, you can continue your service to the Lord by getting into the fight. You already have experience casting out devils, and standing up to Jezebel; you are fiercely defending your household against all threats and you have overcome them. Your household is in order; your family is in order; there is peace in your household, and all defiling elements have been dealt with for now.

So what do you do?

Stay in the fight!!

You have already made a reputation for yourself and the demons will leave you alone because you have stood up to them! I'll give you an example of a household that has fought this fight.

The Granger household consists of a husband and a wife with no children (yet). The husband has battled with Jezebel, who manifested in his wife, and after a few battles, Jezebel is leaving the husband and the wife alone. Although Jezebel grumbles that the husband is too smug for her tastes, and she wants to cut off his balls and stuff them down his throat, she is all talk because she has no stomach to fight this man anymore for his household.

THAT is where you want to be, Christian.

The husband has had to teach his wife about casting out demons and how to defend herself against attacks by using her Recompensatory prayers, which she has used to beat off the offenders. The wife, now emboldened because she has seen her husband deal with the demons that plagued her, was afraid at first; now, she is, in her own words, “folding the demons like a cheap suit and stuffing them into a trash can”. The wife overcame ALL fear of the demons that have plagued her since she was a child and now she is exerting HER authority as a member of a household that is in order and a marriage that is in order.

You see, when there is order, there is POWER, and the devil and his cohorts only recognize power. Do they have more power than you? You have an advocate in Jesus, as He will grant you the power and authority you need to continue the fight. Do what he tells you to do, and He will grant you the power you need plus more, if He feels you are worthy of it.

You do not have to be a preacher, or an apostle, or a bishop to continue the fight against the devil. You can take on roles that are important that you can comfortably do. As always, **take this to the Lord and ask Him directly** what you can do for Him.

Become a martyr

Another type of person who plays a role in the fight is one of a martyr. So what is a martyr?

A **martyr** is defined as:

1. a person who willingly suffers death rather than renounce his or her religion.
2. a person who is put to death or endures great suffering on behalf of any belief, principle, or cause:
3. a person who undergoes severe or constant suffering:

In the Bible, a martyr is defined as a witness.

You may say that a martyr is one that will give up his/her life for others willingly even if they get killed in the process. I would say that a martyr is akin to the Marines, as they storm the beaches and assault the enemy. The martyr corps will be the ones that will go back into the cities to rescue trapped saints of God when the devil cuts off all means of being able to escape when things collapse.

The martyrs are the ones that will assault the devil face to face, using weapons they have been specially trained to use. The martyrs know the score when they volunteer, and they are aware that every mission that they are sent on may be their last mission. They know that they can get killed at any time, and are willing to go where others are afraid to tread.

In the bible, most martyrs are killed by the enemy, but not before the martyrs inflict heavy damage to the devil's forces. The first martyr we read about is Stephen, and an account of his martyrdom is found in **Acts Chapters 6 and 7**. You can read about him in your own study time.

Notice how Jesus not only let Stephen get killed, as he was after Saul, who recorded this in **Acts 22:20**, but Stephen was a man who had great power and was full of the Holy Ghost (**Acts 6:8**). What did Stephen do that caused him to be brought up on charges that cost him his life? He proclaimed the gospel, healed the sick and cast out devils as Jesus has asked all of his disciples to do.

This is what I meant by being on the front lines. Stephen was unafraid to go and do the work that Jesus had for his disciples who was to confront the devil and use extreme prejudice to get those who the Lord wants out from the enslavement of the devil with POWER. He went into the belly of the beast unafraid and alone, and look what it took to bring him down.

I personally like Stephen and what he did. Stephen is the prototype of what a martyr will and can do. If Stephen alone did such a good job that the devil had to kill him, what do you think a whole corps of martyrs will do?

The devil so despised Stephen, he had him arrested on trumped up charges. During the trial, Stephen was so full of the Holy Ghost, that he actually glowed (**Acts 6:15**). I don't know about you, but THAT is the way I want to go when my time is up. Never mind the cowering bit; I want to step up to the devil boldly, stomp his guts out, shake the dust off my feet and then stomp his guts out again, just for good measure.

If you were ever in the military, and you have gone through the training, you would be a good fit for this job (even if you did not serve in the military, the Lord could use you if you ask Him). Not only will you get to fight the enemy face to face, hand to hand, up close and personal, you have a commander in Chief that is The Lord of Lords and King of Kings, and he does NOT forget the things that His Martyr corps does, unlike the armed services in America or wherever you are from. The martyr corps is the best of the best and full of the Holy Ghost. **The devil most fears the martyr corps because of the power they have in Christ.**

How do I know that the devil fears the martyr corps?

It is because the devil does not hesitate to kill them. You can see all throughout the book of Acts and Revelation that the martyrs are the ones that are killed.

Why?

The devil cannot stand up to the power that they have, so to save himself and his piddly little kingdom, the devil has them killed. The martyrs walk in and destroy the devil's kingdom, nuking everything and laying it to waste. The devil cannot stop them using his usual trickery, so he has them killed, usually by confederates who are religious.

In Revelations, you can see that the Harlot drinks the blood of the saints and the martyrs (**Revelation 17:6**). Why did the Lord make a distinction between the saints and the martyrs? It looks to me like the martyrs were more of a threat, as they normally destroy everything in sight that is demonic. Notice it is the Harlot, or the religious church, that is killing these people. We saw that in Stephen's time, and we will see it again during the end times.

Not everyone is cut out to be a martyr, but you can always **ask Jesus to put you in His martyr corps** or wherever He feels you would fit the best. If you like impossible missions against impossible odds, this is the place for you. As I said before, to all of the people who were in the military that were sent to hellholes like Afghanistan and Iraq, this is the place for you.

Get on your knees and ask and beg the Lord Jesus to clean you up for service. Ask him to train you in all of the weapons that are available to the martyr corps so you will be productive. Ask Jesus to clean you up so you are off of all of the 'chems' that the armed services give their members who are not useful to them anymore until they are discharged. If you do this, your PTSD will subside; you will also be able to get the blood of those you killed in the name of the military off of your hands so you will have peace.

You can then get your payback against the devil who was using you to bring over his hordes of demons to this realm using the death or sacrifice(s) of those you killed for the military, who care nothing about you. Look at the VA and then tell me I am wrong. The people you were fighting for has the military protect their pipelines and poppy fields so they can enslave more people with their drugs, and then they give you a medal for your service, even if you got hurt or injured during your service. This is a DIRTY deal that many have taken because that is the only deal they can get.

If you are going to fight, fight for a TRUE cause and kingdom. Ask Jesus to allow you into His corps.

This book is freely given

As you have read this book, it is filled with a lot of information about a lot of things. This book has been broken up into parts and those parts are also books that you can download for **FREE** so you can study the parts and get a better understanding of what the Lord is trying to tell you.

As was mentioned before, this book is **freely given to all who want it**.

This was done on purpose, Christian, so you will be able to get what you need when you need it. Better yet, you can download the portion you have questions on and ask the Lord yourself what this means.

As I stated before, the Lord of Hosts Himself has commissioned these books so you will get the unfiltered truth, and not a truth coloured by denomination, or seminary teaching, or by a 'scholarly look'. The language was pretty blunt in this book, and that will continue in all of the books you can **download freely**. Remember, the Lord of Hosts has sanctioned these books for YOUR edification, warts and all.

What we will do is to **ask for a free-will offering to be given** to the author for his time and energy to write this book, which is as follows:

2 Corinthians 9:7 - Every man according as he purposeth in his heart, so let him give; not grudgingly, or of necessity: for God loveth a cheerful giver.

If this book has been a blessing to you, then give an offering **if you feel led to** by the Lord of Hosts. If you do not want to give anything, that's fine too. I am NOT selling my books, Christian; I am giving them away as the Lord of Hosts has directed me.

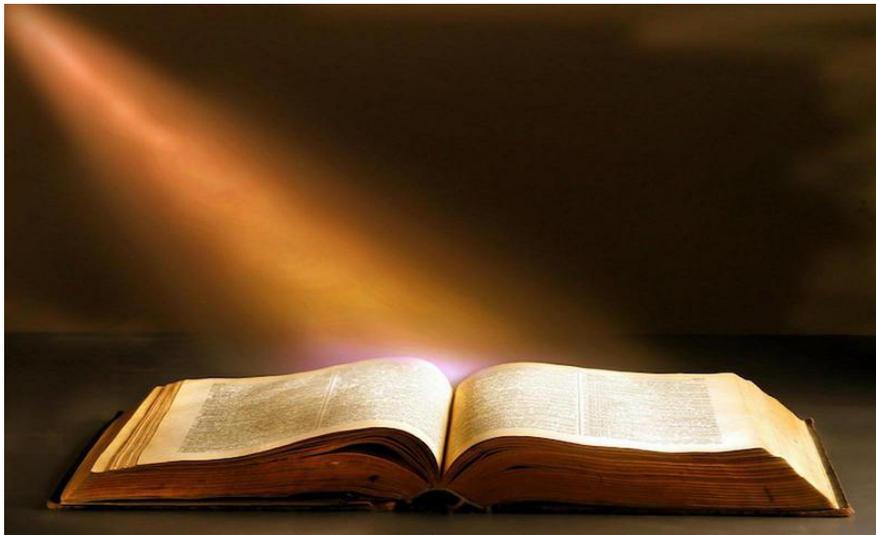

The content of my books are not copyrighted, so you may go ahead and freely use what you have read, as all of this is in **your** Bible. Also, you are encouraged to make as many copies as you need or want to make to share with as many people as possible.

I **strongly** encourage you to **download as many copies of the books that are available** on our website as you can. **The downloads are free.**

If you want to send the author a message, you can send as many e-mails as you want, as e-mails are free as well. You may send a letter if you so desire to the mailing address below. **I strongly encourage you to download the books, as that is free.** If you want a hard copy, please find a friend or a loved one who can help you download what you need and print it out for you. I am NOT 'selling books' or 'selling the gospel'. The Lord of Hosts made it clear that the books should be available to everyone at NO cost.

For those of you who want to argue about the content of the book – **don't waste your breath or your time.** If you don't like the book, or the language, then delete the book and go about your business. Since I didn't sell the book to you, what do you care?

Go somewhere. I am pleasing the Lord of Hosts, not you.

Take it to the Lord

As always, I encourage you to take what you have read and seek out the Lord of Hosts, or The Lord Jesus Christ, or the Holy Ghost and sit them down and ask if this is for real or not. Use these books to get closer to the Lord Jesus Christ, and start to reason with Him.

The books are constantly revised and there is new content that is added to our website. If you want to be alerted when we add new books, you may sign up for our alerting service by adding your e-mail address. We can then send you an e-mail when something new is posted.

All we are saying is that **you**, Christian, should take what you read from these books you can freely download and bring these topics **up to the Lord Jesus Christ Himself and get your verification of what is being presented**. It will be up to **you** to talk directly to Jesus personally and get the understanding of the things you have read from Jesus directly.

Many of the topics that are brought up **should be taught in the Churches** so you will know the Lord Jesus Christ and be ready for when things get a little hot down here on earth. If your church is not teaching you how to be in Order or how to stay in Order, get out of there and go to the Lord Jesus Christ directly and get him to send you the Holy Ghost so you can be properly taught. **Being in Order is where the power is**, Christian, and you need the Power of the Lord Jesus Christ to defeat the devil and free your family and yourself. Do not waste 30+ years of your life getting beat down by the devil when you can stand against him.
