What is the 'Book of Households'?

The Lord of Hosts maintains a book on just about everything and everyone that He has created. We know about the **Book of Life** and that if your name is not written in that book, you are not allowed to enter Heaven, and you will be consigned to the Lake of Fire for eternity. We know about the **Book of Martyrs**, as the people who are in this book would have given up their lives for the furtherment of the Gospel of Jesus Christ.

So what is the **Book of Households**?

It is a book of all of the households that have given themselves to the Lord of Hosts to govern. In this case, when the household is governed by the Lord of Hosts himself, the devil has no legal jurisdiction to access, bother or try and destroy that household.

The

only way the devil can **breach a household** is by:

1. Getting someone in the household **to invite him in**, usually through sin or discord;
2. Getting the head of the household **to abdicate his role** as the head of the household;
3. Causing **the marriage of the head of the household or the Helpmeet to collapse**, which brings the household out of order;
4. Getting **one of his agents to infiltrate the household** and cause discord from within.

The benefits of having the Lord of Hosts govern the household are:

1. The **devil will not likely steal** from the household, as the Lord of Hosts controls the household resources;
2. The head of the household **can get redress through hearings** and Recompensatory prayers which the Lord of Hosts will rule upon;
3. The Lord of Hosts **will bless that household**, as His power will flow through the household, possibly helping others who are oppressed;
4. The Lord of Hosts **will alert the head of the household of any breaches or threats** against the household, so the head of the household can prepare for the attack;
5. **Peace** in the household.

The biggest benefit is that you will be able to go boldly before the Lord of Hosts and take back what the devil has taken from you. Since the devil is not going to recognize anything but Power, you have an advocate with the Lord of Hosts to get back what the devil has taken. Through you asking for a hearing, you can get the Lord of Hosts, if He so chooses, to force the devil to leave you alone and get redress for what he has done to you.

The devil absolutely hates this, Christian, as he knows that he will lose. The devil has to do what the Lord of Hosts tells him to do, and now you know how you can defeat the devil

and make him leave you alone. This whole procedure is outlined in my books '**Kingdom Law: the Lord's Legal System**' and in '**Stand up and Fight!**', both of which you can download for free. I would strongly suggest that you download a copy of both books and study them so you will be prepared to fight the devil and keep him out of your household.

This is where the real battle is

The devil's goal is to destroy as many households as he can while he can. Many households will be destroyed because they lack the power and the protection of the Lord of Hosts and the Lord Jesus Christ. Their authority **MUST** rest upon your household so you will be protected from the devil and his hordes.

That will mean that each person in that household must give their lives to the Lord Jesus Christ fully, and that means that all decisions should be run through or by the Lord Jesus Christ first. By doing this, and by obeying the commands from The Lord Jesus Christ, you become a Disciple of Christ, and as a disciple, the Lord Jesus Christ's authority will be given to you (**Matthew 9:6-8**). You will need to learn how to walk in, talk in, work in, move in and live in the authority of the Lord Jesus Christ, and that will include stomping the devil's guts out and making him run in his high heels as fast as he can away from you **when you confront him.**

Also, the head of the household will need to be a Disciple of Christ, and he will give over to the Lord of Hosts full governance of that household. That means any decisions that the head of the household makes will be run by the Lord of Hosts first. That includes all decisions financially, as the devil is always trying to topple households by pulling the financial rug out from under their feet. The Lord of Hosts will not stop it per se, but the head of the household can call for a hearing in front of the Lord of Hosts to take back from the devil what the devil tries to steal from the household and get redress and a 4-fold recompense.

The Lord of Hosts also provides insight into what is going on around the household. He may tell the head of the household to start to store food, water, and firearms (yes, guns) if He sees that the household needs these things. He will tell the head of the household what he needs to do to avoid the traps and snares that the devil will lay out for the household and the occupants within the household. If it is necessary, and if the Lord of Hosts wants to, He will even provide a detail – huge angels with flaming swords – to each and every one of the household members so that if the devil tries to kill them, they have protection.

I bet you didn't know that.

Now you do.

The detail will not say a word to you, but they will manifest and be there if the devil is acting a fool and trying to kill you. As a child of the Living God, **The Lord of Hosts will protect His own and His own only**. Don't take my word for any of this, Christian. Get with the Lord Jesus Christ and the Lord of Hosts and find out for yourself if I am telling the truth or not. Talk to them directly and ask them to explain what I have been saying to you.

You need to stop walking around down here unprotected, Christian. The devil prowls around seeking whom he can devour (**1 Peter 5:8**) and he will show up at your doorstep at some point in time. Will you be able to give the devil the right foot of fellowship after you stomp his guts out, or will you just be a victim?

The Lord of Hosts is a Father

You have to remember, Christian, that the Lord of Hosts will NOT recognize any person as His son or daughter if they are NOT in Jesus Christ. Jesus told you this directly (**John 14:6-7**) and so did the Lord Himself when He told mankind to heed His Son's words (**Matthew 17:5**). **He is going to take care of His Children**, Christian, when the civil war starts in America and the other conflicts around the world commence.

As an example, as this fits into why it is a good idea to have your household in the Lord's **Book of Households**, let's say that there is a war, and the devil is going around destroying everything. Household after household is destroyed by the soldiers that the devil sends. Women, boys, young girls, the cat, the dog, the bird – all are pillaged and raped by these soldiers.

Every household that does NOT have the protection of the Lord of Hosts will fall.

Guaranteed.

Why?

It is because the people in the household and **the household has been numbered, found lacking and Out of Order**, so therefore the Lord will let the devil have that household. Only those households that are in order and found in the **Book of Households** will be saved, as the Lord knows that His children are in those households.

You have heard the prophecies people have put on You Tube. Who do you think will be the households that will be ill prepared for the coming conflict? Whose households will have what they need to stand and withstand the devil as they go forth and gather all of the people that the Lord of Hosts wants to gather in the Great Harvest?

The sad part of this is that the majority of households of 'Christians' will be found lacking and they will fall and the occupants, who will be repeatedly raped, will end up in FEMA camps. They did not heed the warnings nor did they prepare for what is coming. This is what the people who happened to see the civil war and the invasion of America saw in their visions. The people who were destitute and desperate were the ones who did not get under the protection of the Lord of Hosts (**Psalms 91:2-3**) and stay there.

It is a sad situation, Christian.

Use the time you have left, Christian, and get with The Lord Jesus Christ and start walking IN Him daily. Then you will be able to get the Lord of Hosts to put your household in the **Book of Households** so you will be governed by the Lord of Hosts in very austere times.

As always, **take NOTHING that you have seen here in this book as the truth.** It is **YOUR responsibility to study and check out everything that you see and hear**, and you have an advocate in the Lord Jesus Christ who will help you if you would just ask Him.

Take this upon yourself, Christian, as **YOU** need to get **YOUR** Bible, **YOUR** concordance, **YOUR** dictionary, **YOUR** pens/pencils, **YOUR** notepad and then **YOU** need to seek out the Lord Jesus Christ and ask Him to help **YOU** so **YOU** can make it into His Kingdom, since it will be **YOU standing alone in front of Jesus** when **YOU** are being judged.

It is **YOUR** responsibility to make sure **YOU** are in the faith and that **YOU** have completed **YOUR** sanctification during the sanctification process and **YOU** have gotten **YOUR** forgiveness and **YOU** have repented of all of **YOUR** sins before **YOU** are judged by Jesus.

Scripture tells us that hell will enlarge itself to accommodate all of the people who will be sent there because of idols like the pope, as you can see in scripture here:

Isaiah 5:14 - Therefore hell hath enlarged herself, and opened her mouth without measure: and their glory, and their multitude, and their pomp, and he that rejoiceth, shall descend into it.

Take this as a warning, Christian, as the Lord Jesus Christ is NOT desperate for people, as **there were only 8 people** who got on the ark before the flood, and **only 2 people** from the Hebrews from Egypt made it into the Promised Land.

Be wise, and stay IN Jesus so you are not lost.

Here is Our Challenge to you, Christian

We challenge you to go to Jesus directly **RIGHT NOW** and ask Him if what is shown here is true. Use this as a means to start a conversation with The Lord Jesus Christ and sit with Him and ask Him questions. Start with **(asking out loud):**

“Jesus, is what I just read true?”

He will answer you and NOW you will be on the true road to salvation, knowing for **SURE** if you are going to make it or not, as Jesus would have told you. Keep talking with Him. Get to know Him and He will start to reveal Himself to you. You need to find out for yourself and work out **YOUR** salvation for **YOU**, as the scriptures tell us to.
