Covenants

A **covenant** is defined as:

1. an agreement, usually formal, between two or more persons to do or not do something specified.
2. Law. an incidental clause in such an agreement.
3. Ecclesiastical. a solemn agreement between the members of a church to act together in harmony with the precepts of the gospel.
4. the conditional promises made to humanity by God, as revealed in Scripture.
5. a formal agreement of legal validity, especially one under seal.
6. to enter into a covenant.
7. to promise by covenant; pledge.
8. to stipulate.

Here is how the Lord of Hosts handles a **covenant**:

A covenant is a solemn promise between the Lord of Hosts and a person, provided that a person fulfills conditions of the agreement between them and the Lord of Hosts.

The Lord of Hosts cut many covenants

You can see there were MANY covenants in the Old Testament that the Lord of Hosts entered into. The most prominent covenants are:

- **The covenant with Noah**, where the Lord of Hosts agreed to never destroy the earth by flood again (**Genesis 9:11**, but the story starts in **Genesis 6**);
- **The Abrahamic covenant**, where The Lord of Hosts promised Abraham that he would become the ancestor of a great nation (**Genesis 17** and **Genesis 21**);
- **The Mosaic Covenant**, where the Lord of Hosts said that the Israelites would reach the Promised Land and occupy it (**Exodus 12**);
- And the most well-known covenant, which is **the New Testament**, where the Lord of Hosts promised salvation to those who believe in Jesus.

There are a lot of side-covenants that you can find in the Bible as well. Here are a few:

- When the prophet **Samuel's mother, Hannah**, who had a barren womb, gave her son Samuel back to the Lord of Hosts to do with what He wished with the child in exchange for her having a child in **1 Samuel 1**;
- **Abraham bargaining with the Lord to save Lot and his family** from Sodom and Gomorrah in **Genesis 18**;
- **King Solomon asking for Wisdom from the Lord of Hosts**, as he was granted favour for being the son of King David (**1 Kings 4** and **1 Kings 5**).

You can cut your own covenant with the Lord of Hosts

The fact of the matter is that you CAN, Christian, **ask for a covenant between you and the Lord of Hosts or you and the Lord Jesus Christ** for your particular issue.

I bet you didn't know that.

Now you know.

As you saw in the passages earlier, a LOT of side covenants were cut between people and the Lord of Hosts.

So who says **YOU**, Christian, cannot do the same thing?

The devil does not want you to know that because now he cannot subjugate you if you are under a covenant with Jesus or His Father. You will follow the same tenets of the agreement that the Lord of Hosts always follows, and that is **IF** the Lord of Hosts does something, **THEN** you will do something.

An example of a covenant that YOU can use today

Let's say that you have high blood pressure (and many of you do because you eat things that are almost food). You are taking pills to control your blood pressure, as the doctors tell you to do. You are not getting any better, and you are gaining a LOT of weight because of the side effects of the pills you are taking. You see yourself gaining weight at a rapid rate, causing the doctors to up your dosage of the blood medicine pills because your blood pressure goes higher because you are gaining weight.

So, Christian, what do you do?

Most Christians will do exactly as the doctor says, and in a few years, will need to take insulin because their pancreas will stop working as they battle the weight. Then they will die because of complications of high blood pressure, which will be a stroke or a heart attack. Hopefully, that person who is suffering would have repented and not died in their sins.

There is another option, Christian.

You can go to the Lord of Hosts or The Lord Jesus Christ **DIRECTLY** and tell them your situation. You tell them that you do **NOT** want to take any more pills, and you want to be healed of these maladies you are suffering from.

I am quoting a real case, Christian, so here is what the Lord of Hosts told this person (let's call the person George):

He said: "George, No, I will **NOT** heal you of your blood pressure issue. However, **IF** you exercise and lose the weight, I will make sure you do not have a stroke, heart attack or contract diabetes. I am telling you 'NO' because you have bad eating habits and if I just heal you, you will revert back to those habits. You will fight this the rest of your life, George."

I can tell you that George was not too happy with the response He got. However, the Lord of Hosts came back to Him and explained why He decided as He did:

He said: “George, I want you to fight this as it will instill some discipline in you with your eating and exercising. By having to oppose something, it makes you stronger, and I want you to be healthier and stronger, as I have other plans for you.”

George came to realize that the Lord of Hosts was ABSOLUTELY RIGHT, and George started to rejoice and praised the Lord for His kindness and grace.

I bring up this case because many of you are suffering from hypertension and diabetes, and are resigned to think that you are to only take pills (which do not solve the problem, but mask the symptoms long enough for your to have to take more medicine). **You have NOT gone to your Heavenly Father or The Lord Jesus Christ to see if THEY can help you through your problem.**

You are taking the pills for a problem within you. If the Lord Jesus Christ is the healer and redeemer, so **why are you NOT talking to Him and making a deal with HIM to get yourself better?** Why are you solely relying on the devil’s dictates when you have a Heavenly Father and a High Priest in Heaven who advocates for YOU??

I am NOT saying that you should just drop your medicine and tell the Lord you want to be healed; that’s foolish, and you are tempting The Lord of Hosts when He has told you NOT to (**Deuteronomy 6:16, Isaiah 7:12, Matthew 4:7, Luke 4:12**). What I am saying is that you can go to your Heavenly Father and work out a deal with Him so you can get the healing you need. All you need to do is ask Him and He will tell you what He will do for you and what He wants YOU to do.

The Mechanics of a covenant with the Lord of Hosts

In the following passages, I am going to show you what the Lord of Hosts always does when he cuts His covenants. Let’s take a look at a very famous scripture and pull it apart:

2 Chronicles 7:14 - **If** my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; **then will I** hear from heaven, and will forgive their sin, and will heal their land.

Look at the highlighted words. You will ALWAYS see in a covenant with the Lord of Hosts this structure. Notice that the statements are conditional, which means the Lord of Hosts will do something that you want of need **IF** you will do something that the Lord of Hosts wants you to do.

For those who do programming, what is shown is a classic IF... THEN statement, which looks something like this:

IF <event> (is TRUE)

THEN

Do these things

ENDIF

(Note: The ENDIF is there to let the compiler know that this is the end of the statement when it is translated into machine code for the computer to do the instructions. In some programming languages, the ENDIF is left off and substituted by a period or a slash ('/').)

Not all of you can do programming or care to or do programming, but this is logical construct that is used ALL the time. Let's show it this way, so it is easier to understand:

IF Chloe cleans her nasty room
THEN Chloe can go outside and play for 2 hours
(or) **ELSE** Chloe is grounded for a week
ENDIF

Let's take **2 Chronicles 7:14** and put it into our structure so you can see what I mean:

IF my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways;
THEN [I will] hear [them] from heaven, and will forgive their sin, and will heal their land.

Parents, when you deal with your children, you may not have known that you were using a logical construct that the Lord of Hosts has given you to use so you can raise your child properly. The Lord of Hosts is a logical, orderly being, and you will see as you continue to read this book how He maintains that logic in everything He touches.

Let's look at some other scriptures and you will see the same thing:

Exodus 8:21 - Else, if thou wilt not let my people go, behold, I will send swarms of flies upon thee, and upon thy servants, and upon thy people, and into thy houses: and the houses of the Egyptians shall be full of swarms of flies, and also the ground whereon they are.

Here is the same scripture within our structure we built:

IF thou wilt not let my people go
THEN behold, I will send swarms of flies upon thee, and upon thy servants, and upon thy people, and into thy houses: and the houses of the Egyptians shall be full of swarms of flies, and also the ground whereon they are.

Here, you see an implied 'THEN' in the scripture. This is Moses physically talking to Pharaoh, but it is really the Lord of Hosts speaking through Moses communicating with Pharaoh.

Here is another example:

Numbers 21:2 - And Israel vowed a vow unto the LORD, and said, **If** thou wilt indeed deliver this people into my hand, **then** I will utterly destroy their cities.

Here is the same scripture within our structure we built:

IF thou wilt indeed deliver this people into my hand,
THEN I will utterly destroy their cities.

And another:

Jeremiah 23:22 - But **if** they had stood in my counsel, and had caused my people to hear my words, **then** they should have turned them from their evil way, and from the evil of their doings.

Here is the same scripture within our structure we built:

IF they had stood in my counsel, and had caused my people to hear my words,
THEN they should have turned them from their evil way, and from the evil of their doings.

And another:

Genesis 18:26 - And the LORD said, **if** I find in Sodom fifty righteous within the city, **then** I will spare all the place for their sakes.

Here is the same scripture within our structure we built:

IF I find in Sodom fifty righteous within the city,
THEN I will spare all the place for their sakes.

And yet another:

Exodus 21:28 - **If** an ox gore a man or a woman, that they die: **then** the ox shall be surely stoned, and his flesh shall not be eaten; but the owner of the ox shall be quit.

Here is the same scripture within our structure we built:

IF an ox gore a man or a woman, that they die:
THEN the ox shall be surely stoned, and his flesh shall not be eaten; but the owner of the ox shall be quit.

There are at over **300** of these statements in the Bible (Old and New Testament). I point this out because there are so many instances where the Lord of Hosts and even The Lord Jesus Christ say this and cut side covenants with regular people.

So what's the point?

In your quiet time with the Lord, talk to Him about what is bothering you. Make a deal/cut a covenant with Him to get healed, or to get rid of belly fat, or whatever you may need. **You can cut a deal with the Lord, if He will accept it, to keep the devil out of your homes, households, and your finances**, as you fight the devil. Let the LORD dictate the terms of the deal you have cut with Him. You will find that the Lord is VERY fair in how He makes deals when He cuts a covenant and you will be better off after the covenant is cut.

Cutting a covenant with the Lord is an Honour

Make sure you keep your end of the deal, Christian, as you are dealing with the Lord of the Universe. It is an HONOUR to have that sort of personal attention with a being that creates universes. You will also see the softer side of the Lord of Hosts, as He will refer to you as 'son' or 'daughter', and He will absolutely mean it. As a Son or Daughter of the Most High God, that carries a lot of weight and authority throughout the universe.

So, how do you become a Son or Daughter of the Lord of Hosts?

You need to be in The Lord Jesus Christ – and know him personally – and then Lord of the Universe adopts you as His own (**2 Corinthians 6:17-18, Romans 8:15**).

IF You are in Jesus and personally know Him as your Lord and Saviour

THEN the Lord of the Host of Heaven adopts you as His child (as a son or a daughter)

You cannot get a better deal than that.

The devil's covenants are puny compared to the Lord of Hosts

In comparison to the Lord of the Universe, can you now see how puny and pathetic the devil is? All he can offer you is 'stuff', as much sex as you can stand with gorgeous women and men, and money, putting six and 7 figures behind your name, **which he takes back through taxes**. Have ever noticed **how many celebrities have gone to prison for tax issues?** Even when they pay the money owed, as in Wesley Snipes' case, he STILL went to prison for 6 years.

That's the devil at his best.

You have many people cutting blood covenants with the devil, killing their own family members for money.

How sick is that?

If you want to be a **millionaire** in the million dollar club, **you will have to give up someone you love**. If you want to become a billionaire and be in the billion dollar club, you will need to do debase things that would make a dog vomit as well as kill a few of the people you dearly love to be in the group that the devil will deal with personally.

Politicians have sold their souls to the devil so they can have money, fame and power. **Many of them are Satanists**, and they HATE the Lord Jesus Christ and are thieves and pedophiles. These are the same ones the devil has ruling over you, Christian. When the politicians die, they may get a street named after them, or even an aircraft carrier named after them if they are especially wicked; where they end up is no JOKE, and you would not wish where they are or will be on your worst enemy.

So, for all of you out there that want to be rich and famous, beware of what you aspire for. Some advice – **ask the LORD what He wants you to do or what HE wants you to study. He will guide you and show you what is best for YOU.**

You will have to give up a LOT of yourself and kill a few of your family members to get to that point. **Why do you think that these celebrities are always taking drugs?** It is because they have sold themselves to the devil, and the devil is requiring them to do things that are so debase that they need the drugs **to numb themselves just to live and operate**. Of course, the devil provides the drugs so when they die, they go to hell right with him.

Always know, Christian, you have FREE WILL and you do NOT have to take a deal the devil wants you to take. He cannot force you into it, but he can trick you into it. The same with the Lord of Hosts – He will not force you to take a deal nor will He trick you into one. The Lord of Hosts wants you to willingly go along with His will, and if you don't, then there is no deal.

So if the devil appears in your dreams promising you 5 figures behind you name, call on the Lord Jesus Christ to help you resist the devil. How many 'rappers' have sold their souls to produce the trash they are producing now, when they could have been doctors and lawyers who could have helped others? They smart enough to know better, but they decided to 'Rock the goat' because of the money the devil is flashing in front of them.

Hopefully they will wake up before it is too late.

An example of a covenant with the devil

Whitney Houston was one who made a deal with the devil, and the devil provided her with riches, fame, fortune, glamour, power and Bobby Brown, who was always in and out of trouble (**Bobby Brown was the devil's agent that the devil used to get Whitney**). She gets hooked on drugs (with Bobby Brown), and dies in her sin; she is now in hell with that beautiful voice she had which was a gift from God Himself for her to praise Him.

So what happens next?

Whitney Houston's only daughter seemed to be a part of that deal, because she too ends up dead just like her mother, in hell, as she died way too soon in her sin. I am sure Whitney is heartbroken that her only daughter, whom she loved dearly, is paying for her sin, as she had to give up someone she loved to satisfy her contract with the devil.

Where is the devil's agent now?

Bobby Brown is married again and still having children. I guess that is his reward. Notice how he just slipped out of the limelight? The devil's agents do that – they disappear and then resurface where they are not known or are protected so they can live out their lives.

The devil is low and a dirty dog.

So why didn't the Lord of Hosts or The Lord Jesus Christ help Whitney?

She made a deal with the devil, and the Lord will NOT break a deal with the devil, even if it is to the detriment of the person in the deal. **Whitney herself needed to break the deal by renouncing the deal** with the devil, give up all of the riches and fame, humble herself, and beg Jesus to be the Lord of her life. If Jesus would have accepted her, then and only then could she have made a deal with Jesus to save her daughter, as He would have been able to protect her and possibly save her.

She didn't do that.

She found out that the deal she made was a bad deal, and she couldn't get out of it. **Why didn't she cry out to the Lord Jesus Christ for help?** Repentance is a wonderful thing, and although Whitney would have had to give up all of the wealth and riches, she would not be in hell today. Neither would her daughter, as ALL of her 'people' failed her, and she died in her sin.

Christian, this is NOTHING to play with. The devil plays for keeps and he kills when he feels like it.

Whitney and Bobbi are gone today because they did not have the protection of the Lord Jesus Christ, as they both turned away from Him. They found out too late that they made a bad decision and now there is no redemption for either of them.

Learn from the lesson that Whitney Houston didn't.

Get saved and stay saved in Jesus Christ.
