

Kingdom Law Legal Vocabulary:

Hearing, Hearings

A **Hearing** is defined as:

1. an opportunity to be heard : to grant a hearing.
2. an instance or a session in which testimony and arguments are presented, especially before an official, as a judge in a lawsuit.
3. a preliminary examination of the basic evidence and charges by a magistrate to determine whether criminal procedures, a trial, etc., are justified.

In short, a hearing is where you, Christian, can go directly to The Lord of Hosts and ask for redress or recompense against the devil for the mischief he has done against you, your family, your marriage, and your household. This is a tool that you can use the FORCE the devil to give back what he has stolen, or to get redress for something he has broken or destroyed. You can force a recompense for something he has done against a family member, wife, husband or child. You can force the devil to leave you and your household alone by making him give up something he holds dear.

How can I request a hearing?

To be able to force the devil to leave you alone or to return what he has stolen, **you will need to request a hearing.** You do this through prayer, and you can pray to have a hearing for whatever the issue is. That prayer is converted to a petition when it is received in Heaven. Here is a sample prayer that you can use to ask for a hearing:

Lord, in the Name of Jesus, I request a hearing to argue for my recompense and redress for (insert incident description here). I ask that you please allow me to bring this before you as soon as possible for a speedy resolution. I thank you, Lord, in Jesus' name.

The prayer does not have to be long; just state the case in the prayer and it will be converted into a petition. You may list one or many infractions in your prayer. I would suggest that you make the prayer for a hearing immediately after the incident so you do not forget it. ALWAYS, out of respect, **thank the Lord for Him hearing your prayer and taking your petition.**

Through that complaint, a Christian may request a hearing for a complaint conveyed through the prayer then just made. Either the Lord of Hosts, or the Lord Jesus Christ, or the Holy Ghost will look over the complaint, and then they will either approve or reject the complaint based on the criteria they see fit to use.

If a hearing is granted, then the complainant (that's you, Christian) will face the defendant in the audience of the Lord of Hosts. The Lord of Hosts will ask the questions as to what the complaint was about and why the complainant is before Him. The Lord of Hosts will judge the complaint based on scripture, the Kingdom laws, and the nature of the complaint.

Since a Christian will lodge the complaint, the defendant will be Satan himself, and yes, he lies even when he is confronted with people catching him stealing from them. In addition to getting recompensed as scripture dictates (**Numbers 5:7. Exodus 22:4-7**), you are allowed to ask for a recompense for your troubles.

What is the purpose of the hearing?

This is where you get to stick it to the devil, as it is recommended that you go after something he holds dear to him and have the Lord of Hosts violently take it away from him. For example, you can ask that the devil stop all prostitution activity in your city for a month, or have all of the abortion clinics shut down for a year. The Lord will determine if He will accept those recompenses or not, so it would not hurt to ask for them.

The beauty of this is that you can ask for recompenses in a Recompensatory prayer. In this prayer, since it is freely given and the devil has to fulfill it, you can ask for anything in that prayer. The prayer can be one item of 100 million items; all of that is in one prayer. The Lord of Hosts will allow one Recompensatory prayer per infraction, and the devil usually ends up paying for his mischief if you call him out.

Since the devil does NOT have enough authority to override the Lord of Hosts, the devil MUST do as the Lord of Hosts tells him to. The devil is running around creating havoc and we can stop him COLD by asking for a hearing and making him give up something he wants or needs.

Why are Christians NOT using this tool?

It is because they didn't know they had a tool like this to use.

The Lord of Hosts encourages His children to come to Him if the devil is stealing or trying to kill them. You don't have to take the devil's crap when you have an advocate who is your Heavenly Father. Wake up, Christians.

Steps to request a hearing

There is a method of getting the devil to pay for his mischief against you, your family, and your household. Follow this method:

1. **Identify what the devil has stolen from you, done to you, destroyed, or messed up.** You may document this if you like. It can be anything that he has done, no matter how small. If he has hurt you, your spouse or your child, **DEFINITELY** call for a hearing to make him pay for what he has done.
2. **Talk to Jesus and ask for a HEARING.** Jesus will grant you a hearing if He feels that it is warranted. A hearing is where you will go in front of the Lord of Hosts and you will tell Him what went on, what the devil stole, did to you, destroyed or messed up, and what you want as your recompense and in what quantities. This is a **REAL** hearing, and you will get to see how the Lord of Hosts runs His kingdom first hand.
3. **You will be asked to prepare your Recompensatory prayers.** We will get to what this is in a minute.
4. **You will be summoned to appear in front of the Lord of Hosts to argue for your recompenses that you have asked for.** The Holy Ghost will sometimes take you to the throne room to argue for what is due you, and sometimes He will not. It will all depend on what is going on.

Recompense

I will give to each what is due, whether good or bad

What is a Recompensatory prayer?

A Recompensatory prayer is a prayer that asks for recompense or redress for a transgression by the devil that he WILL repay because the Lord of Hosts forces him to.

For example, let's say that the devil causes a dish to break in your hand and it causes blood to flow from your cut on your finger. That is an offense that you can get a hearing for, as the devil is only allowed to vex you, not draw blood (the Lord of Hosts is BIG on this). The Lord of Hosts expects YOU to bring it up, even though that body has been cut or defiled; He then takes it from there. Remember – the body is a temple and the Lord will destroy anyone who defiles His temple (**1 Corinthians 6:19**).

As you write what you want as your recompense, it may be one item or 100 trillion items in the prayer asking for redress **per infraction**. So, if you were diligent, and you wanted to write a prayer of what you want as your redress with 1 million items in it, you can write that prayer and every item will be heard by the Lord of Hosts. If you have 3 infractions, then you can have 3 million prayers that the Lord of Hosts WILL approve (if he approves them all) that will force the devil to repay you with a 4-fold increase.

In a lot of cases, you can ask for personal things, like healing, getting the devil out of your pocketbook, getting him off of your kids, or having the sicknesses that plague you or your family removed. If the Lord of Hosts accepts these prayers, then these are prayers that will force the devil to withdraw.

This is a real chance to really bludgeon the devil – beat the snot out of him - because you can ask for ANYTHING as a recompense. It is usually recommended that you make the devil pay by giving up something he holds near and dear. As you search the scriptures, you will find out that the devil wants souls – as many as he can get – to damn them and take those souls to the lake of fire with him (**Revelation 20:10**). When you get to write Recompensatory prayers, go after what the devil holds nearest and dearest to him.

For example, you can ask that all abortions worldwide stop for a 1 month period and the women who want abortions get the counseling they need from the Lord Jesus Christ so they will not have the blood of murdering their child on their hands. You can have a prayer where you ask the Lord to force the devil to give up 1 billion of his slaves and deliver them to Jesus' feet, not allowing the devil to influence or blind their minds for 1 month. You can get creative and ask for a prayer to be repeated multiple times until the devil releases a person or takes away a sickness he put on the person.

A prayer like this would be as follows:

“Lord, I am asking for all abortions to be stopped for a 24 hour period and all monies given for abortions that day worldwide be confiscated from the devil and given to the mothers who wanted an abortion so they will have the resources to raise their child under your guidance. Please repeat this prayer 100,000 times per second every second until my Father's cancer is gone and he is completely healed, my Mother's diabetes is gone and she is completely healed, and my grandmother's blindness is reversed so she can see.”

You will be amazed at how fast things will change around you when you are forcing the devil to back up off of you. This is why he wants to shut the mouths of real Disciples of Christ because he knows that **we will NOT shut up** and it will cause him a lot of pain when we pray. The biggest thing the devil hates is a praying Christian, especially one that is forcing him to repay what he stole from them. The proceeds he stole from you, Christian, is what he gives to his children so they can live high on the hog and continues to dominate and repress people like you.

How do you think that the devil supplies babies to his minions who abuse them and kill them in rituals? He steals them from people like you and me (especially Christians) as they are 'easy' targets and then gives them to his demonic servants.

Make your prayers count

When you write your Recompensatory prayers, make them count. Always remember that the Lord is looking for his children to produce fruit for the storehouse. This is what the parable of the talents is all about. When you pray, find out what treacherous things the devil is doing and pray the opposite. Pray for something that will produce fruit.

As an example, here is a prayer that will produce a LOT of fruit:

Lord, please draw all 1.2 Billion Catholics in the world to yourself based on the authority of your word in **John 12:32** and have them repent and turn away from Catholicism to be disciples of Christ and be saved; please have the Vatican return the money it stole from former Catholic parishioners and return the stolen money to each and every one of them with a 4-fold recompense, and please repeat this prayer 1 million times per second, every second until there are no more Catholics left in the world.

We all know that this prayer will draw a LOT of Catholics away from the Vatican, and it will run a LONG, LONG time. It will also keep the devil busy trying to keep his slaves from being taken away from him so he will have a kingdom to rule over. Not all Catholics will repent and give their Lives to Jesus, but you can be sure a large chunk of them will. This prayer, if activated, would get the Vatican's attention, as they will publicly make a push to

get more people to convert to Catholicism. You would know that your prayer is working, as you can see the results of the prayer you made.

If you are not sure of what to pray for, ASK!! Ask the Lord if He wants you to pray for someone or a group of people; ask Him if he wants to remove a scourge from a particular place. Ask Him if he wants prayer to clean up a neighbourhood, or to expose the witches and/or warlocks in the neighbourhood who are casting spells on the neighbourhood.

Ask The Lord Jesus Christ or the Holy Ghost what you should be praying for and write these things in the prayer. As noted before, **there is NO LIMIT to what you can pray for in your FREE prayer making the devil stop bothering you and your household.** Make him pay redress for ALL of the heinous things he did to you. May the devil pay redress for all of the times he made you sick. Make the devil pay redress for all of the people he steals from daily, and this will produce fruit for the Lord of Hosts, as He is looking for this from the prayers of His children. Get with the Lord and ask them what they want you to pray for, as you have a free prayer that will come to pass because the Lord of Hosts is forcing the devil to step aside.

What you'll find is that you will be daring the devil to do something so you can bash his skull in with these Recompensatory prayers. You will start to dare him to drop a plate in your household without your permission so you can get your hearing and make him pay for it. This will make you **bold**, Christian, **and you will not fear the devil, and the devil will know it.** You will NOT want to shut up, and you will draw closer to the Lord of Hosts and the Lord Jesus Christ as you will start to pray more and work with them to produce fruit for the Kingdom.

That is where you want to be, Christian.

This is what happens in the hearing

Here are the things that will happen in the hearing that you have just asked for when you are summoned:

1. **You will be in the audience of the Lord of Hosts, The Lord Jesus Christ, and the devil.** The Holy Ghost will get you to this audience. If you ask Him, He may even take you directly to the throne room so you can see the Lord of Hosts in His splendor and glory; if He does, you will not see the Lord of Hosts Face, but you will see what the room looks like and get a glimpse of what is around you. Holy Ghost and Jesus will be with you.
2. **The Lord of Hosts will ask you why you are in front of Him.** You will respond and explain why you are asking for the hearing, and the reason is usually a transgression that you caught the devil doing against you, your family, or your household. This is a regal affair, so you will answer the Lord of Hosts with respect and with dignity. The Holy Ghost will 'remind' you if you are out of order. Even if you are upset with the devil, you will be calm and answer the questions succinctly. There is no hi-fiving in front of the Lord of Hosts. You will have the decorum of a person who is addressing a King, because you are.
3. **The devil will deny everything (he always does).** You will also get a few choice words out of him as he will curse you because you are calling him out.
4. **The Lord of Hosts will then submit a decree that will approve all of your recompenses for your prayers against the devil's transgressions.** When a decree is issued, the devil MUST comply. The devil really hates that. However, the

Lord will on occasion, make changes to the recompenses you have asked for or deny them altogether if they are not sustainable or relevant to what the devil does.

5. **The devil is then forced by the Lord of Hosts to give up what was asked for in the recompenses that were presented and sealed with a decree.** He will do it grudgingly, but he will comply. Now, after that, the devil may want you kill you because you called him out, but then again, when DOESN'T the devil want to kill you?

You have to understand that **the devil does not respond to anything other than raw POWER.** The devil WILL comply when the Lord of Hosts orders him to. The good news is that the Lord of Hosts is OUR Heavenly Father, and as a Father, he is going to protect his children, no matter what. What was just described is a bludgeon that you can use over and over cave in the devil's skull so he will leave you and your household alone.

Now, this also works for if there is bodily harm done to you or harm to your household. Your bodies are temples of the Holy Ghost and Jesus Christ, so your bodies do NOT belong to you. Yes, you clean the bodies of all of the disgusting things that emanate from it, but your bodies belong to the Lord; they are HIS property.

There have been instances where the devil will go after your spouse or children, causing them to fall or get hurt because he is mad at you. If that happens, immediately make your case to Jesus and ask for a hearing. The devil has been allowed to vex you, but not hurt you IF you know Jesus personally. When you employ this technique, you need to know what the transgression is when you ask for the hearing. You will then write Recompensatory prayers to get your due recompense.

Know that you can get a recompense for anything that the devil and his minions do to you. If someone vandalizes your home or your car, get your hearing for your recompense. If things are thrown down in your home, get your hearing and recompense. If there is money missing from your paycheque, ask for a hearing and get your recompense. If someone is threatening you bodily harm, get your hearing and your recompense.

When you get your hearing, you MAY go after the things that the devil has stolen from you, deeds done to you or things he has destroyed in the past when you did not know any better. This is a **retroactive recompense**, and it is allowed. Usually the Holy Ghost or Jesus will review the transgression and what you want as your recompense and they will correct you if what you are asking for as recompense doesn't make sense. On occasion, you will be given a recompense to argue for that is not your own, but given you by the Holy Ghost or Jesus himself, if they see something that needs to be dealt with.

Use your hearing and prayers to help others around you

It is suggested that you write Recompensatory prayers for OTHERS who cannot do for themselves or do not know how to get the devil out of their households. The whole idea is to produce as much fruit as you can for Jesus and the Lord of Hosts. They will let you know if you are on track or if you are missing the mark; the Lord of Hosts Himself may contact you directly to show you the fruit you are producing. It will be at His discretion, but He will notice if His children are producing fruit for His kingdom.

You will find great joy in seeing the captives freed, and if enough people start praying in this manner, you will see widespread changes in how things are going around you. The devil will be angry, and he will take it out on his slaves (the devil is like that – cruel). He will beat them and then send the demon horde out to stop the prayers as the prayers are wrecking his plans.

This is when you should expect to see the spiritual warfare break out into the natural, as it will be Saints (Disciples of Christ) against the Sodomites (the devil's children). And the warfare will be vicious.

The Lord encourages these hearings

Christian, know that the **Lord of Hosts encourages you to use these prayers to get your redress and to get your hearing** when you need it. He has actually commissioned this book to show you that He wants **YOU to push back against the devil** and He will help you do just that. Heed his words, Christian, and seek Him out and talk with Him about your situation. This will get you closer to the Lord, as you will go through together against the devil.

Here is Our Challenge to all of you:

We challenge you to go to Jesus directly **RIGHT NOW** and ask Him if what is shown here is true. Use this as a means to start a conversation with The Lord Jesus Christ and sit with Him and ask Him questions. Start with **(asking out loud)**:

“Jesus, is what I just read true?”

He will answer you, Christian; use this as an opportunity to start the conversation with the Lord Jesus Christ. Keep talking with Him. Get to know Him and He will start to reveal Himself to you.

You need to find out for yourself if what you support or believe is true, and what better way to find out than to ask the Lord Himself? You need to find out for yourself and work out **YOUR** salvation for **YOU**, as the scriptures tell us to.
