Warning

**This Book
Is for
Christians Only**

**If you are NOT a Christian,
Please put this book down.**

This book is not for you.

This book is a firsthand account of a husband that took on Jezebel and won. Jezebel is a nasty spirit that attacks marriages and households so she can rule over them, and it takes a strong man to stand up to this thing and kick her teeth in.

Learn what you can do to preserve your marriage and household when Jezebel strolls in. In this book, you will know that thing when she comes into your household. You will know how you can deal with her, and you will know how to get rid of her for good.

- The Jezebel spirit can be in a man or a woman, Christian, and we will discuss what the Jezebel spirit looks like as a woman. It is ugly, Christian, but this is an ugly spirit.
- Learn how you can, as a husband, stare that nasty spirit down and get her to leave you alone.
- Learn how to preserve your household if the Jezebel spirit is in your wife, mother-in-law, daughter, niece, grandmother or aunt.
- Learn how to cut Jezebel off and keep her cut off.
- Learn how to save the 'victim' that Jezebel Has taken over and return her to her right mind.
- Know what to do when you see that thing come at you.
- Learn how to pray to stomp the guts out of Jezebel so she will not want to come back to your household.
- Lear how Jezebel tricks her 'victims' in the first place and how to head her off at the pass

Once you are through with this book, you will be daring Jezebel to try and come against you so you can use the weapon(s) you have built against her to see he run off after you stomped a hole in her behind. This will also make you bold, as you will be looking for the devil as well so you can stomp a hole in his behind for sending Jezebel to bother your household and marriage in the first place. You will make them both pay, Christian, and they will leave you alone.

Beware, Christian, that hag will double back and try to take over an old 'victim' or a new 'victim' to vex your household. You will learn how to punch her in her eye and send her scurrying away. Be sure and share this with other men so they will be able to handle this hag when she attacks their households. It is a good read and a must for your library.

Stomping the guts out of Jezebel – Step by Step (Dealing with Jezebel expeditiously)

I will outline step by step how to deal with Jezebel and stomp her guts out. Use these steps as guidelines, as every situation is different, and, as always, get with the Lord Jesus Christ and confirm with HIM what you are doing before you do it. I tell you this because you MAY not have covered all of your bases yet.

Kicking the crap out of Jezebel will take a few months to do, Christian. You will need to make sure that you have everything covered first before you tangle with her. You should have your governance in order, as well as being filled with the Holy Ghost. Know your infractions, and you will need to have multiple hearings to dislodge Jezebel from the vessel she is in.

The bottom line, Christian, is that **we are going to isolate Jezebel and then cut her off**. Once you cut Jezebel off from the power she wants, she will drop the vessel she is using like an old pair of shoes and leave the vessel.

Now, how nasty is that?

If that vessel is big-mouthed, loud, boisterous and obnoxious, you can just imagine what will happen. While Jezebel is in the vessel, for example, Jezebel is running her mouth and someone who may or may not be saved but has had enough of this woman has a gun and wants to shoot her. Just as the trigger is being pulled, Jezebel will leave, and that poor vessel will be killed not knowing what hit her.

I firmly believe that when the vessels come to themselves, they have no idea of what Jezebel has said or done, but they see the wrath of the offended party, and then they get hurt – badly – all because of Jezebel. Now, I cannot prove that, but from what I have seen, the women that Jezebel takes over are in a sort of trance-like state when she leaves.

This is why Jezebel is so detestable.

You are fighting a Spirit, not the vessel

Always remember that the vessel is INNOCENT, and that Jezebel is using this vessel for her own gain, which is control and power. **You have to always remember that you are fighting the SPIRIT in the vessel and NOT the vessel**. You can always tell when Jezebel has taken over as she will be hyper sexed, usually using foul language as you have sex. Frustrate her, Christian, as you will be bound to that thing if you do have sex with the vessel, and you will be worse off. If you refuse the sex, which is another means of control, she will get mad at you and call you everything but a Child of God.

This thing will be cold, Christian. She will want to 'get off' as soon as she can, and will leave you hanging with your pickle out. Beware of this, Christian, and turn away from it and use your authority to STAND against it.

The Jezebel Checklist

Here is the recommended checklist that you can follow when you are dealing with Jezebel. This is on no way an exhaustive checklist, but you can follow this as a guideline. You may have more or less things added to this list.

- **Make sure you are saved and in Christ.** This is first and foremost, as this procedure will NOT work if you are NOT a disciple of Christ.
- **Make sure that you have given yourself fully to The Lord Jesus Christ.** That means you obey ALL of His orders to the letter, and you have given your body as a living sacrifice. If you do NOT do this, you will NOT have the authority that you need to deal with Jezebel.
- **Give all of yourself to The Lord Jesus Christ.** Give Him your household, your marriage, your kids, your checkbook – give Him everything so He will be able to govern you. When you do the bills, your first question out of your mouth will be: ‘What will you have me do, Lord?’
- **Make sure your household is on Order.** Confirm this with the Lord Jesus Christ, and get him to sign off on this checklist that this part is done. It is VERY important that your household is in order, as the Lord of Hosts will NOT recognize the household if it is not. If the Lord of Hosts does not recognize your household, **Jezebel will eat you alive.**
- **Ask the Lord of Hosts to govern your household and get your household written in the Book of Households.** What this does, Christian, is give you protection against any outside influences that Jezebel or the devil may employ to dislodge you from your position of authority. The outside influence may be a loss of a job, stealing from your paycheque by the devil, or a lawsuit that will try and kick you out of your home. If Jezebel or the devil try an outside entity to dislodge you, the Lord of Hosts will step in and provide you with protection and you will be eligible for recompenses. You may even call a hearing for usurpation of your authority, and you will win.
- **Make sure your marriage is in order.** Again, confirm this with the Lord Jesus Christ. This means that you, husband/father, have firm control over the household.
- **If your wife is out of order, sit your wife down and explain to her about household and marriage order.** You do not have to say ‘I am the man and you have to do as I say’; **NO**. Do NOT do that. Pick the behaviour that is rebellious, **and confront your wife about it.** Calmly sit down and tell her how the household order is supposed to be. If your wife decides to not conform to the order that the Lord set up, then have her tell you that she will NOT comply. That’s all you need, Christian. You will tell your wife that you will not discuss it anymore.

- **With your wife confessing that she is out of order, go to the Holy Ghost and ask Him to sever ALL ties with your wife and ask Him if He would step in as your helpmeet.** The Holy Ghost will tell you yes or no, depending on the situation at your home. If the Holy Ghost says YES, He will step in and He will cut ALL ties (except the soul tie) to your wife.
- **What this does is isolates and cuts off your wife from your household.** Be prepared to not have sex for months on end, Christian. You have to be stoic and steadfast in your resolve. If the Holy Ghost breaks all ties (He may leave the soul tie), then **you are NOT to have any sex with your wife**, as you are technically unyoked.
- **Any sex, even with your wife which you asked to be unyoked from, will be adultery**, and the Holy Ghost will leave you at that point, as He cannot tolerate sin. This will also anger the Lord Jesus Christ, as He has allowed this to get you to reconcile with your wife correctly, which would be under His governance.
- **The Holy Ghost will also govern the severing of the ties to the household and the marriage**, so ask Him if you need any assistance, or if you are dealing with temptation, or if you want to talk about your situation.
- **As the ties are severed, you will need to intercede and pray daily for your wife.** She will be extremely nasty, Christian, and when Jezebel manifests, you tell her – to her face – that she is on her own, and NOT under your authority. Tell Jezebel that she has no legal right to even be in your household, and you can then tell her to get lost or go somewhere. I guarantee this will start a fight between you and Jezebel, who is controlling your wife. As you assert your authority, step away from your wife, as Jezebel will start to rage and throw a fit. You will then IGNORE your wife, and not even address her (you don't have to, as you are not yoked).
- **When Jezebel leaves your wife and she is calm and will talk, tell your wife that you have severed all ties with her, and that she is in rebellion with Jezebel.** Tell your wife you will NOT tolerate nor will you address that hag Jezebel once she manifests, and tell your wife to make a choice as to what she is going to do. Tell your wife that she can tolerate Jezebel, but not in YOUR household. You will then walk away. Your wife will want to contend with you; ignore her and walk away from her. Continually pray to The Lord Jesus Christ that he will keep you separate from your wife, as you are in Him and you are in ORDER. You will pay the bills; you will make sure that all things household related will be taken care of. You will NOT have to eat or do anything with your wife. Always remember that you are sleeping with the enemy, Christian, so make sure you have secured all weapons in a matter that you know they are secured. This may mean getting a new safe, and you keeping the combination all to yourself.

- **During this split, you will also be praying and interceding for your wife.** When Jezebel leaves a person who she inhabits, they are left out in the line of fire. Your wife will come to herself after a while, as she will be able to identify and resist Jezebel when she comes upon your wife. When your wife comes to herself and casts out Jezebel, she is going to wonder why she is out in left field. **Jezebel will just get up and leave a vessel if she cannot get anywhere using it.**
- **All the while, you are ignoring your wife and her tirades.** The Holy Ghost will be there on-scene to govern you both as you go through this. The goal is to **cut off any aspirations that Jezebel has**, and this is best done with the man being in charge of the checkbook as well as the household. You will continue to intercede for your wife, as she will come to herself at some point.
- **Once your wife comes to herself, confirm this with the Holy Ghost** and do NOT move to reconcile until He gives you the go-ahead.
- **If your wife wants to continue in rebellion, talk with the Lord Jesus Christ and/or the Holy Ghost to see what your other options are.** They may have you divorce your wife, especially if she is not born again, as this is permissible. It will be the discretion of the Holy Ghost and/or Jesus Christ as to determine what you do next. Always know that YOU and your household are in order, and if the Lord Jesus Christ wants you to have another wife, that is up to Him.

Make sure that you get a recompense for every time that Jezebel assaults you. If you have to rebuke and bind her, do so, as she will become violent if the vessel will be able to withstand it. Most of the time, you are dealing with obnoxious, mouthy women who hate men.

DO not forget to get your hearings

Do not forget to get your hearings if things get extremely volatile in your household. That is NOT something you should tolerate, and if the vessel hits you, strikes you, or disrupts what you are doing, you are due a recompense.

As a warning – Jezebel will do all she can to get you angry enough to punch, hit, strike, or shoot the vessel. DO NOT fall for that, as it will get you hung up, which is exactly what that thing wants. The best thing to do is to WALK AWAY and ignore that thing when it manifests.

Ignoring Jezebel just frustrates it, Christian. It has a need to be seen and to be in charge. It will be loud and the cursing from her mouth will make a dog vomit. By walking away, you diminish its power and it cannot affect you as much. You make the Jezebel spirit manifested as a rejected spirit, and you can easily deal with a rejected spirit by rebuking it and casting it out.

Getting angry will only strengthen that Jezebel spirit, Christian. You will see that when everyone ignores it, and they do NOT give it attention, you will see it leave suddenly, as it cannot deal with isolation very well.

When you do step up to it and confront it face to face, it HATES Patriarchal authority, which is what you have, Christian. Expect it to try and take over your household by using words against you. The favourite tactic is to berate the target until they get mad. The best thing to do is to walk away and bind it if it tries to follow you. Stand FIRM on your patriarchal authority and you MAY tell it to shut up in the name of Jesus, using scripture to stand upon, using this prayer:

“In the Name of Jesus, Peace, and be still.” or “In the name of Jesus, be still and be quiet.”

The vessel will shut up and you can go on about your business.

Whatever you do, do NOT turn over the household checkbook

This thing will goad you into turning over the household checkbook, telling you that it can do a better job of taking care of the household. It will goad you by saying that if you give that thing YOUR paycheck, things will be in order.

That is a MISTAKE that many heads of household have made. Doing this will cut you off from the resources from the household and you will then be trapped, as you would have put yourself in a box. If the vessel tells you anything, tell it NO firmly and stand on YOUR Patriarchal authority through the Lord Jesus Christ.

This thing is cunning and it is sneaky, Christian. Your word to that thing will be NO, even for sex. Let it get frustrated; keep praying for the vessel. Learn how to eat and do things by yourself. Totally isolate your wife while holding down the household.

As you are putting up with Jezebel's crap, pray!!

Push back by activating your prayers that make her give up her slaves. You want to make it as uncomfortable as possible for Jezebel to stay in your wife. For example, you can set up an automatic prayer to run 24 hours a day every ½ minute until Jezebel lets go of your wife. You may use this prayer:

Lord, I am asking that Jezebel give up the following:

- **1 billion of her slaves every minute to you Lord, stripped of her authority;**
- **All freed slaves and vessels put under your authority, Lord:**
- **1 billion vessels delivered to you, Lord, stripped of Her authority;**

Please have Jezebel deliver those freed slaves and vessels to you and deposit them at your feet and that she has no dealings with or interaction with any of these slaves for 6 months after delivery. Please activate this prayer 1 million times per second every second until Jezebel releases my wife. Once my wife is released, Jezebel will have no contact or dealings with her ever again in the name of Jesus.

This prayer will make Jezebel start to weigh the price of having this vessel, and that is exactly what you want her to do. At some point, she will drop your wife as a vessel and leave because it is costing her too much to keep your wife. This is akin to capturing one vessel and having to give up 1000

vessels for that one. Now, Jezebel may be stubborn enough to go along with that deal, so do not discount that. At some point, she will leave, releasing your wife.

As you pray this prayer daily, it will make the fight interesting. You are not sitting here doing nothing; you are actively stomping Jezebel's guts out while she is trying to subject your household.

Finally, Christian, as a parting shot, you should continue to beat Jezebel with this prayer day and night until the Lord Jesus Christ Himself tells you to stop. Beat her into a pulp, Christian; show Jezebel NO mercy. At some point, Jesus will tell you 'enough!' and this will be the time you should stop.

Get into the FIGHT

After you have gotten right with the Lord and secured your household, you can continue your service to the Lord by getting into the fight. You already have experience casting out devils, and standing up to Jezebel; you are fiercely defending your household against all threats and you have overcome them. Your household is in order; your family is in order; there is peace in your household, and all defiling elements have been dealt with for now.

So what do you do?

Stay in the fight!!

You have already made a reputation for yourself and the demons will leave you alone because you have stood up to them! I'll give you an example of a household that has fought this fight.

The Granger household consists of a husband and a wife with no children (yet). The husband has battled with Jezebel, who manifested in his wife, and after a few battles, Jezebel is leaving the husband and the wife alone. Although Jezebel grumbles that the husband is too smug for her tastes, and she wants to cut off his balls and stuff them down his throat, she is all talk because she has no stomach to fight this man anymore for his household.

THAT is where you want to be, Christian.

The husband has had to teach his wife about casting out demons and how to defend herself against attacks by using her Recompensatory prayers, which she has used to beat off the offenders. The wife, now emboldened because she has seen her husband deal with the demons that plagued her, was afraid at first; now, she is, in her own words, "folding the demons like a cheap suit and stuffing them into a trash can". The wife overcame ALL fear of the demons that have plagued her since she was a child and now she is exerting HER authority as a member of a household that is in order and a marriage that is in order.

You see, when there is order, there is POWER, and the devil and his cohorts only recognize power. Do they have more power than you? You have an advocate in Jesus, as He will grant you the power and authority you need to continue the fight. Do what he tells you to do, and He will grant you the power you need plus more, if He feels you are worthy of it.

You do not have to be a preacher, or an apostle, or a bishop to continue the fight against the devil. You can take on roles that are important that you can comfortably do. As always, **take this to the Lord and ask Him directly** what you can do for Him.

Become a martyr

Another type of person who plays a role in the fight is one of a martyr. So what is a martyr?

A **martyr** is defined as:

1. a person who willingly suffers death rather than renounce his or her religion.
2. a person who is put to death or endures great suffering on behalf of any belief, principle, or cause:
3. a person who undergoes severe or constant suffering:

In the Bible, a martyr is defined as a witness.

You may say that a martyr is one that will give up his/her life for others willingly even if they get killed in the process. I would say that a martyr is akin to the Marines, as they storm the beaches and assault the enemy. The martyr corps will be the ones that will go back into the cities to rescue trapped saints of God when the devil cuts off all means of being able to escape when things collapse.

The martyrs are the ones that will assault the devil face to face, using weapons they have been specially trained to use. The martyrs know the score when they volunteer, and they are aware that every mission that they are sent on may be their last mission. They know that they can get killed at any time, and are willing to go where others are afraid to tread.

In the bible, most martyrs are killed by the enemy, but not before the martyrs inflict heavy damage to the devil's forces. The first martyr we read about is Stephen, and an account of his martyrdom is found in **Acts Chapters 6 and 7**. You can read about him in your own study time.

Notice how Jesus not only let Stephen get killed, as he was after Saul, who recorded this in **Acts 22:20**, but Stephen was a man who had great power and was full of the Holy Ghost (**Acts 6:8**). What did Stephen do that caused him to be brought up on charges that cost him his life? He proclaimed the gospel, healed the sick and cast out devils as Jesus has asked all of his disciples to do.

This is what I meant by being on the front lines. Stephen was unafraid to go and do the work that Jesus had for his disciples which was to confront the devil and use extreme prejudice to get those who the Lord wants out from the enslavement of the devil with POWER. He went into the belly of the beast unafraid and alone, and look what it took to bring him down.

I personally like Stephen and what he did. Stephen is the prototype of what a martyr will and can do. If Stephen alone did such a good job that the devil had to kill him, what do you think a whole corps of martyrs will do?

The devil so despised Stephen, he had him arrested on trumped up charges. During the trial, Stephen was so full of the Holy Ghost, that he actually glowed (**Acts 6:15**). I don't know about you, but THAT is the way I want to go when my time is up. Never mind the cowering bit; I want to step up to the devil boldly, stomp his guts out, shake the dust off my feet and then stomp his guts out again, just for good measure.

If you were ever in the military, and you have gone through the training, you would be a good fit for this job (even if you did not serve in the military, the Lord could use you if you ask Him). Not only will you get to fight the enemy face to face, hand to hand, up close and personal, you have a commander in Chief that is The Lord of Lords and King of Kings, and he does NOT forget the things that His Martyr corps does, unlike the armed services in America or wherever you are from. The martyr corps is the best of the best and full of the Holy Ghost. **The devil most fears the martyr corps because of the power they have in Christ.**

How do I know that the devil fears the martyr corps?

It is because the devil does not hesitate to kill them. You can see all throughout the book of Acts and Revelation that the martyrs are the ones that are killed.

Why?

The devil cannot stand up to the power that they have, so to save himself and his piddly little kingdom, the devil has them killed. The martyrs walk in and destroy the devil's kingdom, nuking everything and laying it to waste. The devil cannot stop them using his usual trickery, so he has them killed, usually by confederates who are religious.

In Revelations, you can see that the Harlot drinks the blood of the saints and the martyrs (**Revelation 17:6**). Why did the Lord make a distinction between the saints and the martyrs? It looks to me like the martyrs were more of a threat, as they normally destroy everything in sight that is demonic. Notice it is the Harlot, or the religious church, that is killing these people. We saw that in Stephen's time, and we will see it again during the end times.

Not everyone is cut out to be a martyr, but you can always **ask Jesus to put you in His martyr corps** or wherever He feels you would fit the best. If you like impossible missions against impossible odds, this is the place for you. As I said before, to all of the people who were in the military that were sent to hellholes like Afghanistan and Iraq, this is the place for you.

Get on your knees and ask and beg the Lord Jesus to clean you up for service. Ask him to train you in all of the weapons that are available to the martyr corps so you will be productive. Ask Jesus to clean you up so you are off of all of the 'chems' that the armed services give their members who are not useful to them anymore until they are discharged. If you do this, your PTSD will subside; you will also be able to get the blood of those you killed in the name of the military off of your hands so you will have peace.

You can then get your payback against the devil who was using you to bring over his hordes of demons to this realm using the death or sacrifice(s) of those you killed for the military, who care nothing about you. Look at the VA and then tell me I am wrong. The people you were fighting for has the military protect their pipelines and poppy fields so they can enslave more people with their drugs, and then they give you a medal for your service, even if you got hurt or injured during your service. This is a DIRTY deal that many have taken because that is the only deal they can get.

If you are going to fight, fight for a TRUE cause and kingdom. Ask Jesus to allow you into His corps.

This book is freely given

As you have read this book, it is filled with a lot of information about a lot of things. This book has been broken up into parts and those parts are also books that you can download for **FREE** so you can study the parts and get a better understanding of what the Lord is trying to tell you.

As was mentioned before, this book is **freely given to all who want it**.

This was done on purpose, Christian, so you will be able to get what you need when you need it. Better yet, you can download the portion you have questions on and ask the Lord yourself what this means.

As I stated before, the Lord of Hosts Himself has commissioned these books so you will get the unfiltered truth, and not a truth coloured by denomination, or seminary teaching, or by a 'scholarly look'. The language was pretty blunt in this book, and that will continue in all of the books you can **download freely**. Remember, the Lord of Hosts has sanctioned these books for YOUR edification, warts and all.

What we will do is to **ask for a free-will offering to be given** to the author for his time and energy to write this book, which is as follows:

2 Corinthians 9:7 - Every man according as he purposeth in his heart, so let him give; not grudgingly, or of necessity: for God loveth a cheerful giver.

If this book has been a blessing to you, then give an offering **if you feel led to** by the Lord of Hosts. If you do not want to give anything, that's fine too. I am NOT selling my books, Christian; I am giving them away as the Lord of Hosts has directed me.

The content of my books are not copyrighted, so you may go ahead and freely use what you have read, as all of this is in **your** Bible. Also, you are encouraged to make as many copies as you need or want to make to share with as many people as possible.

If you want to send the author a message, you can send as many e-mails as you want, as e-mails are free as well. You may send a letter if you so desire to the mailing address below. I **strongly encourage you to download the books, as that is free**. If you want a hard copy, please find a friend of a loved one who can help you download what you need and print it out for you. I am NOT 'selling books' or 'selling the gospel'. The Lord of Hosts made it clear that the books should be available to everyone at NO cost.

For those of you who want to argue about the content of the book – **don't waste your breath or your time**. If you don't like the book, or the language, then delete the book and go about your business. Since I didn't sell the book to you, what do you care?

Go somewhere. I am pleasing the Lord of Hosts, not you.

Take it to the Lord

As always, I encourage you to take what you have read and seek out the Lord of Hosts, or The Lord Jesus Christ, or the Holy Ghost and sit them down and ask if this is for real or not. Use these books to get closer to the Lord Jesus Christ, and start to reason with Him.

It will be up to **you** to talk directly to Jesus personally and get the understanding of the things you have read from Jesus directly.

Many of the topics that are brought up **should be taught in the Churches** so you will know the Lord Jesus Christ and be ready for when things get a little hot down here on earth. If your church is not teaching you how to be in Order or how to stay in Order, get out of there and go to the Lord Jesus Christ directly and get him to send you the Holy Ghost so you can be properly taught. **Being in Order is where the power is**, Christian, and you need the Power of the Lord Jesus Christ to defeat the devil and free your family and yourself. Do not waste 30+ years of your life getting beat down by the devil when you can stand against him.
