A word from an ANGRY God
And the price America will pay
for her insolence

Editorial for **April, 2018**

In my quiet time with the Lord, we talked about the Omnibus Budget Bill that was signed into law by President Trump. The Lord of Hosts was pretty angry, and He gave me a message to post on this website for April. The message is as follows:

America had a chance to continue to get my blessings but she has turned away and has embraced my enemies and is fornicating with them.

As you already know, the American government has continued to fund the **abomination known as abortion** in its new omnibus bill against my warnings and exhortations against this. Every day, America has butchered and slain many whom I had plans for. Their cries of pain and their blood cry out to me day and night for vengeance and for justice; I hear those cries and I will not tolerate these cries anymore.

I am very ANGRY, son. America is very similar to the Israelites, as they have taken my largess for granted. America has taken my blessings and have ignored my warnings as they have reveled in what they wanted to do instead of being obedient to Me.

Many people in America are praying, son, and many more are needed. As with Nineveh, America is facing that same fate. This is a clarion call for my people to seek my face for protection, instruction, and preparation for what I will do to America.

No longer will I have my hand upon America, **as I will ONLY protect and provide for my people and my people only.** I am going to turn over America to the devil to chasten her for her insolence to me. Only through repentance of the American people will I relent from my wrath against this nation; only through the lawful changes I asked for will I relent from the punishment that America will receive.

Through my providence, your president has been able to keep his enemies at bay, but now your president has turned his face from me because of the pressure he is under. Like Saul, your president is making the wrong decisions because he is being buffeted and he is not seeking me out.

This clarion call is for my intercessors to intercede for your president. America will NOT escape the chastisement that is coming, but I will entertain the intercession that my people will make for your president and your nation to stave off the plagues that will befall this nation. Like Aaron and Moses interceding for the Israelites, I will stay my hand and wrath once this wrong has been righted.

I know that many Americans do NOT support abortion and their tax monies are being used for evil against their will. I know that many people do not agree with the war mongering that is being funded and carried out in their name. This is why it is very important that those who are Disciples of my Son, Jesus, to stay close to their

Saviour and Lord. This is why those who disagree with how their monies are being used by their government take heed and get with my Son Jesus NOW before things really start to deteriorate. It is imperative that you get your households and marriages in Order NOW before it is too late. When my wrath hits America, I will only spare those who are mine and who are in Order. All others will feel my wrath and I will NOT hear their cries for mercy until my wrath has been appeased.

As I did with Sodom and Gomorrah, I will hear intercessory prayers for the righteous. Plead and intercede for those who may not know better. Just as those innocent babies are being butchered, I will require a life for a life for each of those babies with MY recompense as this is due Me. I am requiring a 7-fold recompense for those who have been butchered by the laws of the land.

Who is going to stave this calamity?

I will get my recompense, and in My wrath many will die at MY hand. Only those whom I know personally through my Son will be spared and many others will perish. As this is Passover, only those under the Blood of Jesus will be spared and I will allow the destroyer to destroy marvelously in America until my wrath is appeased.

Yeah, that was my reaction as well. All I could think about was where were the 'spiritual advisors' and why weren't they out in front of this? What in the world are those guys doing?

My answer - absolutely nothing.

I am almost totally persuaded that these 'advisors' **don't even know the Lord and are not born again**. If they were, they would have 'advised' President Trump correctly. I am not under any delusion that Washington is a place where they do anything for the people, but in this case, these spiritual advisors should have been able to hear from the Lord directly and then advise President Trump **on how to NOT piss off the Living God**.

It is my contention that the Lord expected President Trump to cut the spending for Planned Parenthood in this budget and then repeal the abortion law at a later time. Unfortunately, President Trump did not follow what the Lord asked him to do. President Trump **COMPROMISED** when the Lord told him to take care of the issue. Now, because of that, America is going to get spanked and spanked **HARD** by the Lord personally.

President Trump made a mistake.

As you can see in the message, the Lord is calling on His intercessors to intercede for President Trump to get him to see and recognize what the Lord wants him to do. It looks like President Trump is surrounded by yes men and snakes, but the Lord still wants to work with and through him. It is going to take HEAVY intercession and prayer to assuage the WRATH of an Angry God.

America is going to be spanked, and there is NOTHING that will stop the spanking; however, with heavy intercessory prayers from ALL of us who know Christ, that will help turn God's wrath away from America. It is the WRATH that we really need to be concerned about.

So, the following day, during our quiet time, I pushed it a little and I asked the Lord of Hosts why this punishment was so harsh. Here is what He said to me:

Since your president did NOT stop [the funding of Planned Parenthood] as I had instructed him, the blood of millions of babies will be on his hands that I will require of him when he is judged. Although he buried in the bill the clause where no funding will be spent on abortions, he left in the 'compromise' provision I told him NOT to leave in. This provision will be twisted and skewered so other things can be brought in using this provision as a basis. THIS is what made me angry.

You are correct, son, that his 'spiritual advisors' are useless, mostly because they do not know my Son Jesus at all. This is why I have called for MY intercessors to intercede for your president, as he is being attacked left and right. There have been multiple attempts made to kill him, as many of his transports have been sabotaged and I have been keeping him alive. Melania is terrified of this environment as she can see the treachery all around her as she protects her son. Even your president's children are being attacked, and some have given themselves over to the devil to advance his agenda.

It is for this cause that America will NOT escape my wrath and there WILL be a price to pay. I am giving you this information so you can write your article for next month's webpage, son. Give a balanced overview of this, son, so that your readers will be able to better understand what is going on. I have already given the destroyer permission to destroy America, son, and that will NOT be stopped. It will be through intercession where my hand will be stayed AND when the funding of abortions is removed. I want my people to put pressure on the American Government to overturn the abortion law so my wrath will be satisfied.

So, here is my overview - President Trump disobeyed the Lord of Hosts and now America will be spanked because of that. The Lord has called on HIS intercessors to intercede for President Trump. America is going to be chastened for its disobedience to the Lord, as He hates abortions. The chastening is LONG overdue, and we have exhausted the patience of the Lord of Hosts by NOT doing anything to get rid of the law that is killing babies. Now, the Lord is asking those who are His to intercede and put pressure on the lawmakers to overturn the abortion law(s) in the land.

Unfortunately, the chastening is going to cost a lot of people their lives, especially if they are NOT Disciples of Christ. Many people who go to church will be unprepared for the chastening that will be coming, and they will perish. The Lord is ONLY going to provide protection, instruction and guidance for His children only, and He will NOT be hearing any cries other than repentance. The Lord will stay His hand and turn away His wrath from America if the abortion laws are repealed and Planned Parenthood is completely defunded.

May God have mercy on the American people.

For the uninitiated, I want you to notice that the Lord of the Universe talks to His people **conversationally**. It is like you are talking with your parents - with reverence and respect. As you walk with the Lord Jesus Christ, you can access and talk to the Lord of Hosts, Jesus' Father, and He will disclose things for you to do as He chooses. In this case, as you can see, the Lord Himself told me to go ahead and write an article concerning why He was so angry. You can see that when you do ask the Lord for wisdom, He will liberally give you what you ask for with His blessing.

Now that you know that America is going to get spanked and spanked hard, I hope this will give you a glimpse into how you conduct yourself with the Lord Jesus Christ and His Father when you seek Him out. The Holy Ghost will make SURE that you address the Lord as a KING, and not like He is your best friend. He is not. The Lord is ALWAYS addressed properly, and proper respect and reverence is given.

I can only pray and intercede for President Trump, as it is my fervent prayer and hope that he **asks the Lord of Hosts for forgiveness for making his mistake**. If you look in the Bible, Moses never did see the Promised Land, and the Lord of Hosts was angry with him because he made a mistake. You can see this in scripture here:

Numbers 20:1-10 - Then came the children of Israel, even the whole congregation, into the desert of Zin in the first month: and the people abode in Kadesh; and Miriam died there, and was buried there. **And there was no water for the congregation:** and they gathered themselves together against Moses and against Aaron. And the people chode with Moses, and spake, saying, Would God that we had died when our brethren died before the LORD! And why have ye brought up the congregation of the LORD into this wilderness, that we and our cattle should die there? And wherefore have ye made us to come up out of Egypt, to bring us in unto this evil

place? it is no place of seed, or of figs, or of vines, or of pomegranates; neither is there any water to drink. And Moses and Aaron went from the presence of the assembly unto the door of the tabernacle of the congregation, and they fell upon their faces: and the glory of the LORD appeared unto them.

And the LORD spake unto Moses, saying, **Take the rod, and gather thou the assembly together, thou, and Aaron thy brother, and speak ye unto the rock before their eyes; and it shall give forth his water, and thou shalt bring forth to them water out of the rock: so thou shalt give the congregation and their beasts drink. And Moses took the rod from before the LORD, as he commanded him. And Moses and Aaron gathered the congregation together before the rock, and he said unto them, Hear now, ye rebels; must we fetch you water out of this rock? And Moses lifted up his hand, and with his rod he smote the rock twice: and the water came out abundantly, and the congregation drank, and their beasts also.**

And the LORD spake unto Moses and Aaron, **Because ye believed me not, to sanctify me in the eyes of the children of Israel, therefore ye shall not bring this congregation into the land which I have given them.**

Did you catch what just happened there?

The Lord of Hosts told Moses and Aaron **to SPEAK to the rock for the water**. Moses and Aaron **STRUCK the rock 2 times with the rod/staff**, disobeying the Lord. Now, remember, in those days, you didn't have forgiveness like you have now through Jesus today, so by disobeying the Lord, Moses and Aaron **COULD** have lost their lives, as the Lord would have killed them on the spot if He so chose to. **They made The Lord ANGRY by disobeying Him and NOT doing what they were told to do.**

What was the punishment?

Banishment from the Promised Land. As you read on, Moses and Aaron never did make it in. It was only Caleb and Joshua - 2 people - out of all of the millions of people who the Lord freed from Egypt that made it into the Promised Land.

Notice that disobeying the Lord brings a harsh punishment and you can see the same thing here with President Trump. Since President Trump did **NOT** do what the Lord told him to do, the blood of millions of babies will be on his hands and that America is going to be spanked and spanked hard.

You do **NOT** want to have to deal with an **ANGRY** God. You can see God's anger with Planned Parenthood in an article that we have written **here**. There is nowhere you can hide when you have and **ANGRY** God on your six.

And for those of you **that insist on following the law** and NOT following Jesus as His Disciple, THIS is what you have to look forward to. You have a God that will execute punishment upon you for breaking only ONE of the laws that you have to keep, and there are 613 of them total. **Break one, and you have broken them all**, opening yourself up **to punishment or even death** if the law states that is the punishment. There is NO REPENTANCE for you through Jesus Christ because **YOU have chosen to follow the law.**

So what is it going to be, Hebrew Israelites?

So what do we do now?

The best thing to do now is to cry out to Jesus and ask for help!! Get right with the Lord by asking Him what you should do. I am under no delusion that everyone is going to do this, but it is a good start. You will need to talk to the Lord Jesus Christ for YOURSELF, and this will help your situation. There will be many people in your family, household, or job that will scoff at this. It is not wise to scoff at an ANGRY God, so do what you can to get yourself right with the Lord.

The Lord also mentioned about getting in ORDER, so it would be wise for you to ask Jesus about this as well. Over 95% of households worldwide are **OUT OF ORDER**. I have had posted on this website our **Law and Order** series, that you can read and use to find out what you need to do. It is suggested that you talk to the Lord Jesus Christ first about all of this, and then let Him guide you to what documents or scriptures you will need to know or follow to be in Order. You can use the documents provided on this website to get some understanding about Order, **but have Jesus step you through the process**. I really do not care if you learn about Order from this website, but YOU do need to understand it and get in order for YOU. That is the most important thing.

As always, **don't take my word for anything**. It is up to you **to get with the Lord Himself and VERIFY what I have posted here**. From this point forward, it **is probably wise to verify ALL that you are hearing and seeing with the Lord Jesus Christ or with the Lord of the Universe** and make sure you are in the Faith. Also, I would suggest you look up the words that the Lord of Hosts uses in the message He has sent us. My command of English is excellent and I have an extensive vocabulary, but even I had to look up some of the words that the Lord used. This is the real deal, people, and it would be wise to take heed.
