This month, we are going to focus on the situation at hand – the lockdown of the WORLD and how the devil is making his move, along with his satanic cabal, to enslave the whole world so he can bring in the New World Order. We have already seen the biggest heist in world history, as households worldwide have been stolen from and people have lost their jobs and soon, many will lose their homes because they are not prepared to be out of work for any length of time.

So why is this happening?

This is happening because the Lord Jesus Christ is allowing it to happen. This is a time of bringing people back into the fold; this is a time of people looking to Jesus to help them in their time of need.

Unfortunately, the majority of the people will NOT respond to the open call of the Lord Jesus Christ and they will just surrender to the devil because they are afraid.

Fear is great motivator, and as you can see, people are walking around practicing social distancing – something that did not exist 2 months ago – and walking around with surgical masks on trying to not get the “coronavirus”.

The media has done its job by whipping up the fears of people with all of the people who will die of the coronavirus, telling us that MILLIONS of people will be killed by the common cold.

The common cold on steroids.

This is opening the door for governmental overreach, and we are seeing this in many places in the United States and around the world. People are not “not allowed” to interact with their families because of this virus. If you look on the label of your Clorox wipes, you will see that Clorox wipes kills the coronavirus.

So what are these guys talking about?

As we point these things out this month, we are going to point you to the Lord Jesus Christ so He can help you through this situation. We are going to explain that you CANNOT defeat the devil and his satanic cabal without help from the

Lord Jesus Christ personally. We are also going to admonish those who are “patriots” to get with the Lord Jesus Christ NOW and ask Him to prepare you for the conflicts that will be coming.

As always don't take our word for anything. Go DIRECTLY to Jesus and get your confirmation from Him and then do as Jesus tells you. **It is YOUR salvation that is on the line, and it is up to YOU to get as close to Jesus as you can and stay close to Him.** I am doing what the Lord has asked me to do - Proclaim the Gospel and point people to Jesus. What you do after that is your business. Get with the Lord Jesus Christ directly, Christian, and get those questions answered as soon as you can.
