This month, we are in deep doo-doo because the Deep State is making its move to take over not only the United States, but the world. Now, what I am about to say will be harsh, but it is necessary because the church is made up of a bunch of pussified wimps that are AFRAID.

I have the right to say this because the devil tried to kill me because I would not shut up about Jesus and being a disciple or a follower of Christ. You can read about what happened to me [here](#).

As an FYI, I am doing fine. I still do not like taking the myriad of pills that are required of me (over 15 medicines daily), but I do it because Jesus has instructed me to continue with the pills until I am strong enough to not take them. I still have trouble walking sometimes, and I have my good days and bad days. I have gained a little weight back, but I am not 100% - yet.

So, as I have been convalescing, I have noticed that the Deep State is running roughshod over everyone worldwide. At least 10% of the people of the world have been “vaccinated”, and many have been injured and many have died from the "vaccine". My question is this – why are they wanting to vaccinate everyone so badly when this virus can be subdued with HCQ and Zinc? Yet, we see people lining up to get the "vaccine", not knowing what is even in the "vaccine" and what it will do to your body.

When I was in the hospital, there were bunches of doctors who wanted to rip out my kidneys because they found tumors there. In my case, the virus from the pneumonia I had shredded my heart, and caused by heart to pump only 25% of what it used to pump when I was healthy. Everyone knows that if the heart is pumping less, it will not profuse the kidneys with blood, so the logical course of action (in my mind) would be to strengthen the heart FIRST before you start ripping out the kidneys. Removing my kidneys would require me to be on dialysis 3X a week at 4 hours per session.

Coming to terms that I would die if I had complete renal Failure is very sobering, and for a guy who was in perfect health 3 months earlier to be debilitated like this, it will work on your mind. What I got out of this situation is that I was not afraid to die; in fact, I welcomed it because I would be rid of this meat suit that is malfunctioning and be with the Lord in my new glorified body.

I bring this up because I know the Lord Jesus Christ VERY well because I took the time to seek Him out when I was healthy. I had trouble breathing when I had the pneumonia; Jesus was there to help me breathe. It was the Lord of Hosts, Jesus' Father, who put me into the hospital (I did not want to go) because He knew the pneumonia virus was tearing up my heart and this was the only way to save me without killing me.

In the articles this month, I am going to point out the Fake, phony and false that people are tolerating because they **DO NOT KNOW JESUS FOR REAL**. **If those who call themselves "Christians" knew Jesus, they would not stand for the foolishness that is going on now, and they would have asked Jesus for instructions on what they could do to counter what the devil is doing now.** Right now, the devil is walking around BOLDLY doing what He feels like because the church is powerless and unprepared. If a demon manifested in front of church people, they would be the first ones out the door, and if there wasn't a door, they would make one, just like you see below.

- At what point did the church show the people that only through the authority of the Lord Jesus Christ can you stop the devil?
- At what point did the church show the people that there is only authority through Jesus - as a disciple or a follower of Christ – that is strong enough to send the devil packing?

The short answer is this: The church has FAILED to prepare the people so they will stand against the devil and make him run away in his high heels.

- **That means you don't wear a facemask**, as this is going to cause you respiratory and dental issues, as you are ingesting harmful bacteria from your mouth that grows and infects your mouth. Many dentists are reporting that people who wear a mask constantly are experiencing dental issues, including loss of teeth from bacterial growths on their gums.
- **That means you don't worry about social distancing**, as the Lord has told you in Psalms 91 that He has your back regarding pestilences.
- **That means you put aside the spirit of Fear**, as FEAR is the driving force behind the power that the devil and the deep state have over people.
- **That means you do not buy into the LIE that you wearing a mask** (that does nothing to stop a virus) is going to help save others and you will be selfish if you don't.
- **That means you run all of these things by Jesus FIRST** and then ask HIM what you should do and let Him guide you.

If you had asked Jesus about the COVID-19 virus, you would have known that this virus was nothing but a souped up cold/flu and to go on about your business. Since people don't know Jesus, they get caught up in the petty BS that these politicians put forward, listening to health officials that are not even following the science that they are supposed experts of.

Since the people are ignorant, the Deep State piled on the fear and the people cowered and did exactly what they wanted – NOTHING – and now this is where we are. **The Lord Jesus Christ is still sitting there, with His hands folded, letting the devil kick your teeth in because you would NOT seek Him out and ask Him what you should be doing.** Here is the interesting thing – Jesus is NOT going to lift a finger until you come to Him correctly and seek Him out. He is shaking the church and I am sure that He is very disappointed in what He sees.

I know I would be.

So, now, we are going to go through a hard time so people will seek Jesus out for help. What is sad is that the majority of people will just sit there and get their behind kicked by the devil and do NOTHING to stand up to him. It is through these hard times that Jesus will see who is His and who is not. The Lord of Hosts, Jesus' Father, has purposely made it so that through persecution and adversity His people are refined, just like one who heats gold ore to get rid of the dross – impurities – from the gold. Our impurities bubble to the surface when there is persecution, and the church is going to be persecuted because they have allowed themselves to be persecuted.

During this time of persecution, Jesus is only going to help those that are His – disciples and followers of Christ ONLY – and all others are going to suffer at the hands of the devil. This will mean famine, pestilence, hardship, lack – all of the things that could have been avoided if the church would have gotten the authority from the Lord Jesus Christ to stand against the devil.

As always, don't take my word for anything. Go DIRECTLY to Jesus and get your confirmation from Him and then do as Jesus tells you. **It is YOUR salvation that is on the line, and it is up to YOU to get as close to Jesus as you can and stay close to Him.** I am doing what the Lord has asked me to do - Proclaim the Gospel and point people to Jesus. What you do after that is your business. Get with the Lord Jesus Christ directly, Christian, and get those questions answered as soon as you can.
