

From the Admin -  
We did such a good Job  
Whacking the Hornet's Nest last  
month, we are Upsetting the  
Applecart this month

This month, this website is continuing to talk about Salvation and what it entails. We are going to look at the Kingdom of God, and look at new Disciples going into their rest from the perspective of The Lord of Hosts, Jesus Father, Jesus and the Holy Ghost. How do they view all of these souls who are going into their rest? How have they prepared a place for all of these people in the Kingdom of God?

We have dedicated this month's site to dealing with:

- Salvation - the parable of the vine
- Salvation - How Jesus is going to judge us when the time comes
- The Holy Ghost is a Patriarch, and those who say He is not are skating on thin ice
- Lukewarm Christians - who they are and how they get that way
- Christians v. Disciples - who are we REALLY?

There is no doubt that we are going to upset the apple cart, trample on a few more raw nerves, and stomp on more 'traditions', as traditions are there to bind you. I also have no doubt that many of you will vehemently disagree with what is being posted. I am OK with that because as a Disciple of Christ, I am compelled to share the **UNVARNISHED** gospel to all who will hear it, even if it offends you.

It is our intention to put our spotlight on 'demon'-inational teachings (yes, that was done on purpose to show where the teachings originate) because many of these teachings are **error**. We do that so those who can see the error will be able to free themselves FROM the error.

- **We take good look at the parable of the vine**, and how important that parable is to understanding salvation and what it entails;
- **We take a look at what happened at the Baptist Church that got shot up in Texas**, and how important it is to be full of the Holy Ghost so when the devil runs up on you, you are able to bind him and stomp his guts out. We see that since it was a Baptist Church, the pastor, under the Baptist Doctrine, was unarmed and so were the people in the church, as they could not resist the devil even if they wanted to because that doctrine diminishes the power of the HOLY Ghost;
- **We issue a stern warning to those who think the Holy Ghost is a 'she'**. You are skating on VERY thin ice, Christian, because this is aggrieving the Holy Ghost. You will need to repent of this NOW before it is too late;
- **We take a good look at what Jesus is going to judge us on**. The Lord Jesus Christ was kind enough to allow a look at His decision process, and the results will surprise you. You will now know why 98% of all Christians will NOT make it;

- **We take a look at how Lukewarm Christians are formed**, and remind all of you that the Lord Jesus Christ is going to spew out of His mouth those who are lukewarm. We will show this and show you how to get 'all in' for Christ;
- **We take a good look at the institution of Christmas, Santa Claus** and where he comes from, and our conclusions that you can see for yourself;
- And last, but not least, we contrast a **Christian** vs. a **Disciple**, which is who Jesus taught and sent out into the world to proclaim the Gospel. Notice He did not send 'Christians'; He sent DISCIPLES. There is a stark difference between Christians and Disciples, and we will take a look at that as well.

There is a LOT of content here, Christian, so go through it slowly and carefully. Reserve your ire against us until AFTER you have **confirmed what you have read and seen on this website with the Lord Jesus Christ personally**. The whole goal is to get you to turn and go on the NARROW Road and off of the BROAD road to destruction.

We are going to step on some toes here, and that is OK. The main goal is to get you to **ASK JESUS YOURSELF** what is true and what is not. **We NEVER care about what you think, because that is irrelevant**; Is what is posted TRUE? It is up to the hearer (or reader in this case) to confirm what they are reading. As we always say on this site - **don't take our word for anything. Get with the Lord Jesus Christ yourself and confirm with HIM what is being posted** and then do exactly as the Lord has you do. The Lord is about to move, and He is trying to get His people under His wings before He does.

So, belt up, strap yourself in, and get ready - this is going to be even rougher than last month.
