

From the admin:
goodbye, 2019 – it's been real
and Hello 2020, we are going to
step up our game

Well, folks, it has been another year that has gone by very quickly. It seems like time is just flying by, and now we are gearing up for new challenges and new situations that those of us who are in the Body of Christ have to deal with.

With all of the drama with YouTube, we were able to get past that and put out more good, solid articles that those of you who are Disciples of Christ or Followers of Christ can really sink your teeth into. We have shined Jesus' light on the things that people do not want to talk about.

Recently, YouTube has revised their community guidelines, and yes, they did send us an e-mail to give us the new guidelines. Frankly, YouTube can keep their guidelines because we have been posting our articles without having to deal with censorship, as there is a certain amount of freedom that comes with having your own site.

The articles that we have been posting are very “in your face”, and this is what the Lord Jesus Christ wants. He wants us to stand up with HIM and face what is going on head up. Without YouTube, we can look at fetishes and porn and sodomite behaviours in ways that YouTube will not allow. We have put up warnings to let people know that the content will be graphic, but when you are looking at the devil's world, you have to accurately represent what is going on.

Many of you are a bit perplexed that a “Christian” site like this one has graphic and salacious content. Many of you have decided to go elsewhere because of that graphic content, and that is fine, as that is your prerogative. However, when you look at that content, THAT CONTENT is what people who are unsaved or lost look at DAILY, so to make a big deal about what has been portrayed is a fool's errand.

The Lord Jesus Christ wants to reach those people who are lost in porn, fetishes, Fornication, Masturbation, adultery and sodomite behaviours, and our articles do just that. We make it plain that following that path will lead to destruction and the lake of fire, and we offer methods for people to find Jesus so He can help them be free of the shackles of the devil and be restored to their right mind. We also guide people to Jesus so they can be free of the devil's prisons and enslavement.

The Lord Jesus Christ, in my personal time with Him, has let me know that there are many people who have read our articles that have salacious content who have reached out to Him for help, as there are NO other “Christian” sites that are dealing with the enslavement of the devil. Many others, especially the churches, are skirting the issues and they are telling people to “read their Bibles and pray”.

- How are you going to just “Read your Bible” when you have no guidance?
- How are you going to just “Read your Bible” when things need to be revealed to you?
- What are you going to pray about if you have no means of understanding what you are doing?

In our articles, we try to let you know that the Laws of the Universe deal with Order and Authority, and many of you are trapped in the morass you are in because you have NO understanding of these concepts. In 2020, we are going to revamp our Law and Order series so you can learn about the laws and how the Lord of Hosts runs His Universe and how to use the Laws of the Universe to our advantage. The devil uses these same laws to his advantage, and because 95% of the “Christian” world is IGNORANT of the laws that govern them, the devil takes advantage of many of you and he has wreaked havoc in your lives.

During the situation with You Tube, in the videos that I had made explaining what was going on so everyone would know (you can see those videos [here](#) and [here](#)), the devil tried to pull my resources for my household. Since I had sat with the Lord of Hosts and the Holy Ghost before when the devil tried to pull my resources before (the devil succeeded that time), I was ready for him and using the laws that the Lord of Hosts had me study, we – The Lord of Hosts and I – were able to revoke the authority the devil tried to use to get my resources for my household.

Now, if I tried to fight the devil on my own, I would have had my behind handed to me, as the devil does have more authority than I do. However, with my household being written in the Book of Households that is governed by the Lord of Hosts, the devil had HIS behind handed to him and my household did not lose ANY money even though the devil tried to get me to lose my job. I didn’t lose my job at all and I never missed a paycheque.

This is why I had posted the **Book of Households** as an article so those who are struggling against the devil can get the help they need to kick that fool out of their household and preserve their resources as I did. You will have to understand that the Laws of the Universe work on authority, and this is what the Bible is talking about when it says that The Lord Jesus Christ is “worthy”. A person is “worthy” when they have stood up against that fool devil with the Lord Jesus Christ and the Holy Ghost. A Person is “Worthy” when they are able to overcome the things the devil does to bind and enslave.

This brings me to the Armour that the **Lord Jesus Christ is giving to each and every one of His Disciples or Followers who will ask Him**. This Armour will remove the advantage that the devil has on most people – the flesh. You see, the devil uses the Sodomite spirit to titillate your flesh so he can control you. This armour that the Lord Jesus Christ is giving His Disciples and Followers will remove the flesh titillation and with the help of the Lord Jesus Christ and the Holy Ghost, those demons that the Sodomite spirit has put into people are cast out, and the Holy Ghost cuts the ties and bonds so a person watching porn or sodomite behaviours will NOT be affected by what they see.

This is enough for the person to be able to get FREE of the Sodomite spirit with the help of the Holy Ghost, and with this armour, people can STAY free IF they follow the guidelines and use the prayers Jesus gives with the armour.

So, this month, we have highlighted the **Book of Households** and the **armour that Jesus is giving to ALL Disciples and Followers who ask for it**. I feel it is important for

you to know that you CAN beat the Sodomite spirit (which will piss off the devil) as this armour will cause people to walk away from the porn, the sodomite behaviours and the shackles that the devil is putting on people. Understand that there are a LOT of people who profess to be “Christian” that are porn fiends, and the more debase and nasty the porn is, the better they like it – as “Christians”. We already know that over 50% of professing “Christians” look at porn on a regular basis, and they are unaware that not only are they in a prison of the devil’s choosing, but they are sodomites and they are NOT under the protection of the Lord Jesus Christ. As sodomites, these professing “Christians” are under the auspices and dominion of the devil.

This is why we are so vociferous against the **Once Saved, Always Saved** doctrine, as the people THINK they are saved, but they are not AND they are ALL sodomites.

Yes, I said it.

If you are **Once Saved, Always Saved, you are a SODOMITE and the devil rules over you.**

Finally, we have been pretty critical of the Christmas holiday, and our articles reflected that this month. What people do NOT know is that Jesus HATES this time of year, as those who profess to be “Christians” are turning AWAY from Jesus and the Holy Ghost and they are worshipping the Christmas Spirit. As you saw in our articles this month, Christmas is NOT what it is purported to be. Professing “Christians” in DROVES are turning away from Jesus to worship something the devil has cooked up which he put through the Catholic church to deceive the whole world.

In my quiet time with the Lord of Hosts, I asked Him why He has not made a bigger fuss about Christmas, as it does NOTHING for Jesus but offer Him lip service. **The Lord of Hosts told me something that chilled me to the bone –**

The Lord of Hosts says that Christmas is a litmus test that 95% of people FAIL and Christmas is ALWAYS a stumblingblock during judgment.

That’s right – most people **are committing spiritual fornication every Christmas and they don’t even know it.** The Lord of Hosts told me personally that since I have been vociferously against Christmas because it does NOT exalt Jesus, I am one of the few that has passed the litmus test and **Christmas is always a stumbling block** when people are judged. **There are many professing Christians in hell TODAY because they lied to their children about Santa Claus.** **There are even more professing Christians in hell TODAY because they NEVER got with Jesus to get their repentance for the lies they told to their children** and as we know from scripture, **there are NO liars in the Kingdom of God.**

People are LOST because of Christmas.

I figured that Jesus would give people a pass or have them lose some crowns or something because of Christmas, **but never in a million years did I think that people are losing their salvation because of it.**

That revelation chilled me to the bone.

So, since I do have this website, we are going to do all we can to alert people that they are going to be DAMNED because of Christmas, and you will see this highlighted throughout 2020.

We have a lot of work to do, and we do plan to have an index of the videos in the Kingdom Quickies warehouse ready in January. We have close to 1,600 videos total now, with a little over 1000 that have been produced and edited. In many of the articles that we have posted, you will see a LOT of videos that support the topics at hand.

We are going to leave up the “**Just Added**” section so you can get to the new stuff quickly, but know that each month, we start a new list. We are also going to continue with the “**Videos of the Day**” as we have gotten a very positive response to up putting up the new videos every day.

In closing, I want to thank all of you who are frequenting this site and know that we are going to continue to push the envelope as we did on YouTube. We are also going to put up articles that are helpful, as we will be going into detail about the Laws of the Universe and how Jesus, the Lord of Hosts and the Holy Ghost work as judges. Without the censorship of YouTube, we are going to be blunt and frank about other topics that may NOT be popular and we will step on a LOT of toes of people in the church world as we show what Jesus likes and does not like.

As always, don't believe a THING we are posting. Take what we have posted and run it by Jesus and use these articles to sit and converse with Jesus directly about what was posted, even if you don't agree. Talking to Jesus is VERY important, and because we KNOW that the current church world is EVIL, many people are sodomites – under the dominion of the devil – and they don't even know it.
