

From the Admin -  
This month, we are going to end  
2018 creating more controversy  
and bring in 2019 trying to get  
YOU to seek out the Lord Jesus  
Christ Directly for answers and  
NOT your pastor or church

As you can see, the year has just flown by. Is it me, or is time actually speeding up? We have had a lot of events that have shaped our world and now we are going into 2019.

## 2019.

A few years ago, 2019 seemed like it was a LONG way off. Not anymore, as 2019 is right around the corner, and we still have the same mandate that we have always had with this website – to provide information that people can use in their quest to find and fellowship with the Lord Jesus Christ for REAL.

Over the past year and change, we have provided a lot of information for you to look at and peruse. This site is not like others, as we do have a LOT of articles that have been written that you can use to strike up a conversation with the Lord Jesus Christ so you can get to know Him better. **We are always stressing that it is YOUR responsibility to take what you have read and ask Jesus directly to see if what has been posted is true or not.**

Many of you have been brainwashed into following pastors, so-called prophets, so-called leaders, and so-called apostles of your church to get the answers **you may have about YOUR salvation that is YOUR responsibility.** In our postings in December, we will challenge you to go to the Lord Jesus Christ DIRECTLY for your answers, as we can see the church has failed us miserably by teaching and propagating doctrines of devils that are not even supported by the Bible.

Why is it that people will go around searching for 'someone' what 'has a word' that they can glean onto? **I can tell you why in one word – ignorance. The body of Christ today is IGNORANT of who Jesus is and they will NOT ask Him because they don't know.** They have never been challenged to ask Jesus for anything, except for some money, or a car, or a new house.

What the churches have spectacularly **failed to do is to teach Christ.** Many denominations are teaching their denominational positions and **they are NOT leading people to Christ.** This is why there are so many Lukewarm Christians today who THINK they are following Christ when in fact they are following a doctrine given to them by their church. You can see this in the number of **people who tithe**, giving up 10% of their salary, **thinking that they are following God and His dictates when they are being rooked and railroaded. How many people are giving away their resources to the devil** and they think it is God? How many are following this 'Religious Correctness' of the 'Sacred names Movement' calling the Lord of Hosts 'Yahweh' and Jesus 'Yahshua'? **How long are we going to put up with the madness of church** and NOT even ask Jesus if what we are doing is OK with Him?

The question is – **WHEN ARE WE GOING TO START TALKING WITH JESUS ASKING HIM IF ALL OF THIS 'STUFF' WE ARE DOING IS CORRECT OR NOT?**

This month, we are going to break up the webpage into 4 parts.

- **The first part will be about Christmas**, and there will be articles on that which you can take to the Lord Jesus Christ and ask Him if celebrating Christmas is something that He wants His followers to do;
- **The second part will be more idols that Christians worship**, and we will include some of the more traditional idols like money, cars and houses. We also will put up articles about worshipping Music, Movie and Sports stars, as many Christians want to break into the acting or movie business, not knowing how Satanic these industries really are;
- **The Third part will be articles on how people miss out on the Lord by NOT asking Jesus about anything.** Jesus desires a personal relationship with YOU, Christian, and you have to go to Him correctly so you can get to know Him and He can get to know you. The Churches have done a TERRIBLE job of showing **how important it is for those of us who follow Christ to KNOW the Lord Jesus Christ INTIMATELY. Many professing 'Christians' THINK they are 'safe' and that they will make it into the Kingdom of God because they made a confession of faith; They have NO IDEA that they entered into a covenant with the Lord Jesus Christ, and He expects YOU to keep your end of the covenant.** We will talk about this more and lead you to Christ so you can get right with Him;
- **The Final part will be about the Holy Ghost and how most denominations downplay or omit any talk about the Holy Ghost at all.** The Holy Ghost is VITAL to a person who professes to follow Christ **as you CANNOT get into the Kingdom of God without Him.** We will show why **many of you who THINK you are 'saved' are NOT** and you will be turned away from the Kingdom of God because you are NOT filled with the Holy Ghost. Contrary to popular belief from your pastor and churches, you were NOT filled with the Holy Ghost when 'they said' you are saved, and we will show you why that is the case. **Many of you have been going on THINKING you are saved for many years with your church and you are NOT even saved,** according to what the Bible says.

We will close this year by redoubling our efforts to get YOU, the one who is reading this editorial, to start to seek out the Lord Jesus Christ by asking Him directly to confirm what you have been told by your pastor and your church. You will be surprised at the compromises that many of you have made concerning the Gospel that Jesus does NOT approve of. Since you are NOT asking Him anything, or you are ASSUMING that Jesus will 'be ok' with what you are doing, you are on the broad road to destruction, all the while thinking that you are doing the will of God.

It is a shame that we see the pastors and the churches NOT doing their job and many people are headed to hell because of this. It is my fervent desire to try and save those who I may be able to save by pointing them to the Lord Jesus Christ so they can do what He says, and not what some preacher or pastor says to do. It is blatantly obvious that the majority of pastors and churches are NOT edifying the Body of Christ, but are compromising and misrepresenting the Gospel and many people daily are being thrown into Hell because they were IGNORANT of what the will of the Lord Jesus Christ is.

**We have taken the time to index all of our articles so you can go and find what you're looking for** on a particular subject. You may not agree with what we say, or what conclusions that we have drawn, but that is OK; **it is up to YOU to find out for yourself. It is up to YOU to seek Jesus out for YOUR salvation**, and not trust YOUR salvation to a pastor or a church that mainly only wants you money and has not prepared you for anything except damnation.

Take what you have read and draw your own conclusions. **Do not take my word nor anyone else's word for ANYTHING; you need to find out for YOURSELF if what is being said is true.** Find a nice quiet room or corner somewhere and ask Jesus to meet you there so you will be able to talk to Him for REAL. Many of you will **cling onto what you have been 'told' by 'them'**; I really do not care what you come up with or what you think about me or this site, but I WILL always guide you to Jesus so you can ask HIM what is right and what is not.

**It is YOUR salvation that is on the line, and it is up to YOU to get as close to Jesus as you can and stay close to Him.** I am doing what the Lord has asked me to do - Proclaim the Gospel and point people to Jesus. What you do after that is your business. Get with the Lord Jesus Christ directly, Christian, and get those questions answered as soon as you can. .
