

From the Admin -  
Ignorance of God's Law and  
God's Order WILL cost you your  
life AND your salvation

This month, we are continuing with the teaching on Law and Order, as this teaching will show you what we, as Disciples of Christ, should be focusing on. We will also take a look at Hebrew Israelite phenomenon which is sweeping the nation right now. So, let's take a look at the items that we are posting for this month.

- **We will be tackling the question about the Godhead**, as there are many people who think that the Godhead is ONE God, or One God who is manifesting Himself in 3 ways. In this article, you will see our friends the Hebrew Israelites showing that they are worshipping ONE God, and are discounting the work on the cross by the Lord Jesus Christ. In fact, these people will try to go around the Lord Jesus Christ to get to 'Yahweh' even though the Lord Jesus Christ tells them that they CANNOT get to His Father except by HIM. The clip does show the false teachings and the fallacy that many of these people are following.
- **We take a look at this Hebrew Israelite movement** - In this 'movement', we take a look at why these people are so adamant about what they believe when they are NOT even doing what they purport to do. We ask the questions - **where are the sacrifices of the bullocks and the turtle doves**, Hebrew Israelites? If you are following the Law, **you have to do ALL of the law**, and as we know, only Jesus was able to follow the Law perfectly. Every other person has fallen short. This is why we have Jesus as our propitiation, as we can NEVER do what He did.
- **For the Law portion of the Law and Order series, we are looking at Pledges, Allegiances, Covenants, complaints and petitions.** This series is vital for Disciples of Christ to understand because all of these instruments of Law are used against us by the devil and His minions. **How many of you have given your allegiance to a flag or a country, ignorant of the fact that you have turned away from the Lord Jesus Christ and have given yourself over to another entity?**
- **How many of you have pledged yourselves to a fraternal order or to a secret society?** The devil has you ignorant of his devices, as you have given yourself to that entity, and not only have you given yourself, **you have formed a tie to that entity** you gave yourself to. Those who have pledged fraternities or sororities have no idea of who their 'god' is. There are many who have pledged themselves to a secret order, not realizing that whom they pledged to is NOT Jesus, and He will spit them out of His mouth when they are judged.
- **Everyone should know about covenants**, but many do NOT know that they can cut a covenant with the Lord of Hosts, Jesus Father, if they need something. You already have cut a covenant with the Lord Jesus Christ when you give your life to Jesus during the altar call. Many do not understand the gravity of a covenant, and those covenants that are cut by the Lord are eternal. Find out more about what you may have done in ignorance and get right with the Lord.

- **Petitions and complaints are legal instruments that the Lord deals with daily** concerning prayers from His people. Petitions are just that - they are requests for something, usually resources, food, money, etc. that the Lord processes as He sees fit. You can see in our article how the Lord processes prayers where you can take a rare look behind the scenes as to what the Godhead - all 3 of them - do with prayers and how they are handled.
- **Complaints are basically disputes that the Lord will adjudicate** and He usually issues a Decree when He makes His judgment. Here is the interesting thing we have learned about this - it is the devil, Satan, that issues complaints against you and I as Disciples ALL THE TIME. You have heard how the devil is our accuser, and how he is accusing us all day long in the presence of The Lord of Hosts, Jesus' Father. In the article about how prayers are processed, you saw that the devil will lodge a complaint against you for something that he has orchestrated. It is not like the Lord of Hosts doesn't know the devil does this; however, everything is handled in an orderly manner. Of the complaints lodged against the saints of God, **99% of them are thrown out or given to Jesus, who is there as our Advocate.** Some of the complaints do go through, and the Lord uses His discretion to hold back His Decree if there are people interceding for a person who may have committed a transgression.

**There are VERY FEW complaints lodged against the devil,** and the Lord of Hosts wants to see His people lodge more complaints against him. You see, many people are ignorant of the processes (hence, this is why I have been given permission to post this information) and they do not realize that you CAN stop the devil from stealing from you and making your life miserable. Take these articles that have been presented and go to Jesus or His Father directly and find out what you can do to make the devil's life a living hell. Know that if a Decree is handed down against the devil, **the devil HAS TO OBEY GOD and HE WILL HAVE TO MAKE RESTITUTION for what he has done** or stolen from you. **This is how you fight the devil,** people, and you don't just sit there and continue to let the devil do what he wants to you and you just 'take it'.

- **For the Order portion of the Law and Order series, we will show you why BEING IN ORDER is so important.** If you marry what we posted about Authority with what you learn about Order, you will see that the POWER and AUTHORITY of the Lord of Hosts Himself will rest on you, and the devil will have no means of being able to destroy your marriage or your household. The devil only understands one thing - POWER - and if you have more power than he does, he will run away in his high heels as fast as he can. However, if you have NO power or less power, the devil will bully you and make your life a living hell. Look around you - how many households are in Order? How many marriages has the devil destroyed by using one of his 'agents'? How many of you are perpetually broke, even though you work one or two jobs?

**The Lord Jesus Christ is ONLY going to help those who are HIS**, and if you are HIS, you better be in Order. These articles will show you what you are doing wrong in your households and marriages. These articles will show you why the fight against the devil starts at YOUR doorstep.

Use these articles to formulate questions so you will be able to sit with Jesus and **ask Him HOW you can be protected from the devil** when he comes around to try and destroy your household. **Find out how to right your marriage** and put it in order. **Find out how you can right your household if one or both of you fall** for Jezebel's tricks to destroy the marriage, and find out how you can kick her in her nibbly bits and make it 'uncomfortable' for her to sniff around your home.

These sorts of things are NOT taught in churches, and I have been commissioned to present these concepts on this web site - for FREE - **so many of you will learn how to stop letting the devil make a fool out of you**. Once you have engaged Jesus on how you can use these techniques to keep the devil off of you, He will, at His discretion, give you the authority to kick the devil in his nibbly bits and make him leave you alone.

There is a LOT of content here, Christian, so go through it slowly and carefully. Reserve your ire against us until AFTER you have **confirmed what you have read and seen on this website with the Lord Jesus Christ personally**. The whole goal is to get you to turn and go on the NARROW Road and off of the BROAD road to destruction.

We are going to step on some toes here, and that is OK. The main goal is to get you to **ASK JESUS YOURSELF** what is true and what is not. **We NEVER care about what you think, because that is irrelevant**; Is what is posted TRUE? It is up to the hearer (or reader in this case) to confirm what they are reading. As we always say on this site - **don't take our word for anything**. **Get with the Lord Jesus Christ yourself and confirm with HIM what is being posted** and then do exactly as the Lord has you do. The Lord is about to move, and He is trying to get His people under His wings before He does .

So, belt up, strap yourself in, and get ready - get trained to FIGHT, soldiers of God. Jesus has raised the standard.
