

As you **GET IN THE FIGHT,**  
You can see how important your  
prayers are

This month, we have provided you with a lot of information as this issue with the abortion law in New York came up. In fact, there are other states that are looking to do the same exact thing that New York has done.

Why?

The devil is flexing, and 98% of the church world is hopelessly lost and powerless because they have been taught to be powerless and docile in their churches, arguing about Lordship Salvation and Once Saved Always Saved. You can see how everyone just sits there and no one will take up arms and fight that devil and stomp his guts out. I mean, the devil is telling them to their face that he is going to kill their children. Shouldn't that get some sort of response?

No.

We see the same old thing over and over again. When the church in Texas was shot up, did we see any Christians get their rifles and find out who did that heinous crime for real, and not believe that hapless patsy who was killed?

No.

In Florida, at that high school, we had 17 children killed. Do you REALLY think that the guy they caught really shot up a school killing all of those people?

C'mon, man, be serious.

That 'shooter' barely knows who HE is. Now, we have the devil telling you that he is going to kill your children, and there are NO churches standing up to do anything.

Why?

The church is docile, lukewarm and pussified.

That's right, I said it - **pussified**.

The Lord Jesus Christ is looking for those followers of Christ that will stand up and DO SOMETHING and not just SIT THERE waiting for the Lord to do all of the work. Most church people will run and hide and pray that the devil bypasses them so they can go on and do whatever it is they do.

As a side note, when we have life and death situations, do we really care about:

- dispensationalism?
- calvinism?
- the Tulip principle?
- What the Pope is doing?
- what pastor has a Bentley?
- Who has a 65 million dollar Jet?

The answer is not no, **but HELL no**. We need power; we need to know how to resist this devil and defeat him. THAT is what is most important. My language is a bit strong this month because we can see how **docile, weak** and **UNPREPARED** the church really is in real time. **GET OUT OF THOSE CHURCHES and get with the Lord Jesus Christ DIRECTLY** and get your instruction from Him.

Finally, Jesus has made it VERY clear that those who will not stand for Him will be cast out of His sight. It is not even a doctrinal issue, it is just plain common sense. **Do you really think that Jesus is going to accept those who refuse to fight for Him?** He is going to tell them **to GO AWAY and cast them into outer darkness, and slam the door to the Kingdom of God in their faces**. it is no wonder that the devil is flexing now; he knows that the people are **sufficiently pussified**.

What he has grossly underestimated are the ones who WILL stand up for the Lord Jesus Christ AND for those defenseless babies that have been butchered through abortion for the past 50 years.

- Who is going to stand for the babies that are killed?
- Who is going to fight the devil so these babies can live?

**It is BLATANTLY obvious that today's church will NOT.**

The Lord of Hosts was going to destroy the State of New York, but He has stayed His hand for NOW because of His children that are not afraid of the devil and will stand up to him. Those who are reading this editorial epilog MAY be those who decide they are going ALL IN with the Lord Jesus Christ and have put on their armour to go devil hunting,

This post this moth provides you with some things you need to know when you are going against the devil that has been tried and true. Get with Jesus, discuss with Him what YOU can do, and then get out there and do what Jesus tells you to do. We are commanded by

the Lord **to resist the devil and he will flee from you**; why are most of the church world NOT doing that?

They have been pussified.

**Take what I have posted and ask Jesus to confirm that I was talking to Him and what I have posted is true.** Sit with Jesus like I did and get information from Him that will blow your mind. You will see how infantile the churches are and their doctrines are foolishness compared to the Lord Jesus Christ, no matter how many degrees the pastor has. Jesus is NO JOKE, Christian. Get with Him today while there is still time.
