It is February already, and as you can see, 2020 is going by very quickly. In my quiet time with the Lord Jesus Christ, I was informed that our time is up and that very soon, the Lord is going to move to destroy the works of the devil. Right now, the threshold of sodomites has exceeded what the Lord expected, and those who are sodomites are going to be destroyed by the Lord personally.

I piped up and asked the Lord how He could destroy people who don't even know they are sodomites?

So, since I opened my mouth about that, **the Lord has commissioned me to highlight the sodomite behaviours that are an abomination to him and to exhort those who are sodomites to get with the Lord Jesus Christ and get right with Him TODAY.** You see, many people today have NO IDEA of what a sodomite behaviour is, and many are performing sodomite behaviours not knowing they are sodomite behaviours.

I will use oral sex as an example.

Today, **many people are performing oral sex not knowing that oral sex is a sodomite behaviour.** A majority of the young people out there who are going down on each other are SODOMITES, and they don't even know they are sodomites. It is one thing to be destroyed by the Lord if you KNOW you are a sodomite and you don't care what the Lord says, but the Lord doesn't just destroy people just because He doesn't like what they do. The Lord will warn people and if they don't listen to the warning, then they will deserve what they get as a recompense.

Right now, people are being warned about sodomite behaviours that they are performing that is putting them under the dominion of the devil as a sodomite, and we are doing our part that the Lord has assigned us.

We will highlight the sodomite behaviours that people are performing, **and know that NOT all sodomite behaviours are sexual. Many of the sodomite behaviours people are performing has to do with doctrines in churches, and these doctrines are making people into sodomites.** Understand that **a sodomite is a person who is under the dominion and the auspices of the devil; in other words, they are ruled over by the devil and they are NOT disciples of followers of Christ.** The devil's goal is to make the whole world a sodomite colony, and these are the methods that the devil uses to bind and enslave everyone, including YOU if you are not cognizant of what the devil is doing.

So, this month, we are going to spend a LOT of time talking about sodomites and sodomite behaviours. Some of the content is going to be hard to take; some of the content will be salacious and the videos will be as well. The whole goal is to warn you of what you are doing so you will make the conscious choice to change and get with Jesus or just continue what you are doing because you don't care what Jesus says or thinks. It is all about choice, and we are out of time. The time for debating this issue has passed – you are either going to get with Jesus and get right with Him or you are going to blow Jesus off and tell Him to go somewhere while you 'enjoy' your sodomite behaviours.

It is all about choice, and to be blunt, that is why you are going to choose what you are going to follow. When Jesus moves to deal with the scourge of sodomites, those who blow Jesus off are going to regret their decision.

I don't often get involved in posting warnings because they are mostly ignored by the masses and they are a waste of time to post. However, in this case, take heed to what is going on around you because if you don't you will NOT be prepared for what is coming. Jesus is all about being prepared, and He has already raised the standard to rally His people around Him. Our posts on sodomites has bought a little time and I sincerely hope and pray that people take heed and at least take the time to get with Jesus and get right with Him.

As always don't take our word for anything. Go DIRECTLY to Jesus and get your confirmation from Him and then do as Jesus tells you. **It is YOUR salvation that is on the line, and it is up to YOU to get as close to Jesus as you can and stay close to Him.** I am doing what the Lord has asked me to do - Proclaim the Gospel and point people to Jesus. What you do after that is your business. Get with the Lord Jesus Christ directly, Christian, and get those questions answered as soon as you can.
