

From the Admin -

For this special edition, we are going to shine the Lord's light on halloween - which is Idolatry - and then introduce to you what Christian Idolatry is and the idols Christians worship

Last month, we took a good hard look at **Lukewarm Christianity** and from our stats we saw that many people did at least take a look at what we had posted. I suspect that many of the people who read those articles dismissed them because they felt that they couldn't possibly be lukewarm.

Jesus tells us that we are to contend for the faith, and that means that **we are to constantly check ourselves and check with Jesus personally to make sure we are going in the right direction.** What helps immensely is that we can **ALWAYS** ask the Lord Jesus Christ and/or the Holy Ghost to guide us if we are off the path that we have been given to follow. Everyone's path is a little different, so there is no one set 'cookie - cutter' path that everyone is to follow. The path that all followers of Christ take is determined by Jesus and the Holy Ghost.

What the purpose of those posts was is to get you, Christian, **to question EVERYTHING that you have been told.**

**EVERYTHING.**

That includes what you hold to be true, as many of you have been told things that are incorrect. **Many of you are still celebrating Halloween,** and we are going to deal with that in this month's postings. In fact, what you see here today is a special posting, **as the articles on halloween you see are a stern warning to those 'Christians' that insist on celebrating Halloween.** As a follower of Christ, **you should know better** by now, as the Lord Jesus Christ has been reaching out to everyone to turn away from this.

Many Lukewarm Churches are still having a '**spookfest**', or some celebration of the halloween holiday, even if it has been 'christianized'. The people that go to these sort of churches are the people that the Lord Jesus Christ is trying to reach. **He is trying to get these 'Christians' to shake themselves and seek Him out so that they can be helped** before the hammer drops.

**'What hammer are you talking about?'**, you ask.

The Lord Jesus Christ is in the midst of separating the wheat from the tares, Christian, and **those who are still doing things that the Lord Jesus Christ hates will be separated off and they will NOT be helped when things start to turn sour down here on earth.** You see, we have been talking about how the Lord Jesus Christ is going to destroy the church world as we know it for almost a year now, **and those who are NOT following Jesus fully are going to be left out in the cold** with the devil. He is going to spit out those Christians that are NOT with Him FULLY and He is going forward with those who ARE with Him fully.

In some of my own research, I am starting to see that **many people who follow Christ are NOT celebrating Halloween, Christmas or Easter, and this is a GOOD thing.** I believe - this is my opinion, so take it for what it is worth - that those who turn away from

the major holidays - Christmas, Easter and Halloween - are passing the test that the Lord Jesus Christ is giving all of those who follow Him.

How do I know this?

**You have to question everything**, and many are. You are also to reach out to the Lord Jesus Christ and **get His approval of everything you do in your life**, and not just think that He will just approve of what you do. It seems that there are many followers of Christ that are doing just that - reaching out to the Lord Jesus Christ and then moving forward with things after getting approval from Him.

The Lukewarm Christians are continuing to go on **their feelings**, on **what 'they' say**, or on **what their parents did as a tradition**, not realizing that they are cursing themselves and their families by NOT getting the approval of the Lord Jesus Christ before they act. **How are you going to say you are a 'Christian' when you don't even follow Christ and do what He says to do?**

This is why the **Lukewarm Christian series** was so important, and you can go back to that series **here** if you want to take another look at it. This is the blueprint for what a follower of Christ is supposed to do.

So why haven't you heard of this before?

It is because **the churches are NOT TEACHING THINGS OF CHRIST**. Church is supposed to be a place to go to learn of Jesus Christ; they are supposed to be places where a person's spiritual walk is sharpened and honed through the interaction of the body of Christ and the Lord Himself, where iron sharpens iron, and all are better off because they have been refined by the Lord Jesus Christ through the church.

Sadly, this is NOT happening, and many are being taught how to be lukewarm, as we show you in our article **here**. It is through the Lord Jesus Christ's grace and mercy that He is trying to get those who are lukewarm to make a decision - get off of the fence and get into the fold with Christ or scatter against Christ with the devil. **No longer will the Lord Jesus Christ accept or tolerate those who are on the fence; He is going to turn His back upon those who are Lukewarm.**

What is even worse is that many Lukewarm Christians think that they are in the faith and are going along like nothing is wrong. In my articles, I harp on the **Once Saved, Always Saved** doctrine as **demonic and damnable** because I have actually lived that. I was one of those who were deceived into thinking that I could do anything I wanted and that Jesus would accept me because I made a confession of faith years ago. **I understand what it is like to be a lukewarm Christian because I was one for over 30 years.** I would boldly proclaim that I was a **'blood washed, born-again Christian'** not knowing that I was not even Born Again because of all of the sin that was hanging off of me. You can see my testimony **here**.

I believe that the Lord Jesus Christ, in His mercy, reached His hand out and pulled me out of a SURE eternity in Hell and the Lake of Fire because **He saw that I was IGNORANT and He wanted to save me because I was fervently ignorant.** Note that Jesus could have just left me in my delusion and damned me, **but He gave me one last chance to get this right.** When you have been given a lifeline to life from a sure burning hell, you take notice. I know I did, and I was as hard-headed as they come.

After Jesus saved me AGAIN, He started to point out what I was doing wrong.

- How could I be so deceived?
- How is it that what I was told by 'them' was all wrong?
- How was it I was **walking in the dark just KNOWING that I was right?**

This is where the Holy Ghost comes into play. Say what you want, Christian, but **the Holy Ghost is a LITERAL Godsend.** He taught me a lot; He showed me things in the Bible that I had read a hundred times and never thought twice of, like many of you Lukewarm Christians out there. Many of you boast that you have read the Bible cover to cover multiple times, but I know that you have NOT had the Bible revealed to you. **Once the Bible is revealed, you will NOT quickly forget what you have read and experienced.**

You see, Christian, **many of you that are Lukewarm have not EXPERIENCED the Bible, and this is the problem that many of you are suffering from.** This is where all of the bad doctrine comes from; if the Holy Ghost reveals the Bible to you, you are not prone to drawing conclusions that are not there. When I did my study on the **Once Saved, Always Saved** doctrine, it was the LITTLE things that the Holy Ghost revealed to me that convinced me that this doctrine was of the devil.

What were the things that the Holy Ghost showed me about the **Once Saved, Always Saved** doctrine?

If you take all of the scriptures that are used to defend **Once Saved, Always Saved**, you will see that a little thing called **OBEDIENCE has been conveniently left out of almost all of the scriptures that are quoted as proof texts** (check out our article on obedience [here](#)). The Holy Ghost also pointed out that **the promises in the Bible – ALL of them – are conditional.** The Bible NEVER gives **a promise without a condition.** This is what is hanging up most people, as they see the promise, claim the promise, and then walk in that promise **without realizing that the promise is only valid IF you fulfill the condition.**

This is what is also causing the problems with **Israel**, as the Jews or Zionists do not want you to see that the Lord of Hosts, Jesus' Father, **divorced Himself of the Israelites and Jews because of their disobedience.** The Lord of Hosts clearly told the Children of Israel that they could occupy the Promised Land IF they stayed obedient to Him, and you can see this in scripture (check out **Leviticus 26:27-39** specifically to see what I mean.

You can see this explained in our article **Israelites and Jews are NOT 'God's Chosen' [here](#)**.). We can clearly see that they did **NOT** obey the Lord of Hosts, and the Lord of Hosts has summarily scattered the children of Israel and the Jews from the Promised Land, making that land desolate, as well as get rid of the Levitical Priesthood as He ushered in the Lord Jesus Christ as humankind's propitiation and advocate.. We cover this in our **Israel series**, which you can see [here](#).

Along with the Halloween postings, we are going to talk about **Christian Idolatry** and the **correlation between Worship and Idols**. We are going to look at the **idols** that many of you are using and worshipping and you don't even know it. This is **why you need to question EVERYTHING that you see down here on earth**; you are to filter your complete life through what Jesus wants for you, and not just 'assume' that what you are walking in is of 'the Lord'.

After the Halloween celebrations are over, we are going to reformat the website to focus on idolatry. Although Halloween is an idol that many do celebrate, I wanted to post the warning that that I have been given from the Lord Jesus Christ about Halloween before Halloween hits, and if you are planning on celebrating Halloween, **STOP**. Celebrating Halloween is cursing you and you do not even know it. **The Lord Jesus Christ is going to turn His back upon all of those who celebrate Halloween, so take this as a stern warning from Him.**

Take what you have read and draw your own conclusions. **Do not take my word nor anyone else's word for ANYTHING**; **you need to find out for YOURSELF if what is being said is true**. Find a nice quiet room or corner somewhere and ask Jesus to meet you there so you will be able to talk to Him for REAL. Many of you will **cling onto what you have been 'told' by 'them'**; I really do not care what you come up with or what you think about me or this site, but I WILL always guide you to Jesus so you can ask HIM what is right and what is not.

**It is YOUR salvation that is on the line, and it is up to YOU to get as close to Jesus as you can and stay close to Him.** I am doing what the Lord has asked me to do - Proclaim the Gospel and point people to Jesus. What you do after that is your business. Get with the Lord Jesus Christ directly, Christian, and get those questions answered as soon as you can. .
