As you can plainly see, YouTube is not real happy with us, and many of the videos that we showed here were linked to YouTube. So, for the next few days, we are going to step up our efforts to replace all of the YouTube video links with our own. We expect to be back up and running by Monday, October 14th. We had over 850 videos on YouTube and another 600 we did not post on YouTube, so you can see the effort is going to be huge.

Once the sections are restored, we will post them here.

If you are visiting this website, thank you for that, and know that our message is NOT going to be silenced by YouTube or anyone.

Our content is not like any other "Christian" site. We have been explicit in showing the dirty deeds of the devil, so are we surprised that obstacles have been put in our way to shut us up? Are we surprised that the devil is trying to shut us down so you will remain ignorant of what he is doing?

This is the REAL spiritual warfare that goes on that the churches will NOT tell you about. This is the conflict that is going on all around you RIGHT NOW that you cannot see that is affecting everything you do and how you live. Know that we have no ill will against YouTube, as the decision was made weeks ago on our end to transition off of their platform. We do not fit their agenda, and our methods did NOT fit their "style".

It is what it is. We wish YouTube well as we part company.

Know that EVERY video -including the explicit ones - have been posted with the permission of the Lord Jesus Christ Himself. If you think that is not the case, you can ALWAYS get with Jesus directly and CONFIRM what I am saying. So don't take my word for anything - get with the Lord Jesus Christ DIRECTLY and check out what I am saying.

We will see you again in a few days.
