

From the Admin -  
Starting this month, we are going  
to **GET INTO THE FIGHT** by  
showing you things that you are  
**NOT** learning in church that you  
can use to resist the devil as we  
have been commanded

It is now 2019, and we are into a new year that promises to be as exciting as 2018. This year, we are going to concentrate on dealing with getting into the fight against the devil. Fighting the devil is a bit more involved than just putting on some armour; we are going to show how the devil actually subjugates us LEGALLY by using some of the rules and laws of the Universe that the Lord of Hosts presides over. We are going to take a look at the laws that govern the fight FIRST, and then we are going to get into how we can take the fight to the devil and not just sit and take his crap.

What your church does NOT teach you is that the Universe is an orderly place that is presided over by the Lord of Hosts, the Lord Jesus Christ and the Holy Ghost. EVERYTHING that goes on is presided over by the Godhead, and even though we know the Lord Jesus Christ as the 'Lamb of God', He is also a JUDGE. **The Lord Jesus Christ will judge every single one of us who profess to be a 'Christian', and He is going to judge us on our attention to what He has told us,** as well as making sure we are sanctified and **fit to be able to enter into the Kingdom of God.** Many professing 'Christians' are going to be left out because they listen to doctrines like '**Once Saved, Always Saved**' and do NOTHING to sanctify themselves so they are able to get into the Kingdom of God or they are ignorant of what the scriptures say about what the Lord Jesus Christ expects. Many people are not going to make it because they do not know what it takes.

Starting this month, we are going to launch a series called **Get into the Fight**, and this series deals with training and instruction on what the Lord Jesus Christ expects from us. Unfortunately, many people are in a fight but they do not know it. We have an insane Cherub angel that is leading the fight to make sure that every one of us is damned, and he has been doing a good job of making sure that people do not know what is required.

In a nutshell, **our salvation is OUR responsibility**, and we are charged to seek Jesus out to get what information we need to make SURE we are going to be able to make it into His Kingdom. **The first and foremost thing that followers of Christ or Disciples of Christ MUST have to make it into the Kingdom of God is to be filled with the Holy Ghost.** You CANNOT make it into the Kingdom of God if you are NOT filled with the Holy Ghost.

I'll repeat what I just said: **You CANNOT make it into the Kingdom of God if you are NOT filled with the Holy Ghost.**

**Period.**

Many denominations and church doctrines tell you that all you need to do to make it is to confess with your mouth and believe that you are in; **they are in error because they NEVER tell those they are teaching that they MUST be filled with the Holy Ghost.** Many people are out there right now, **thinking that they are saved, but they are not.** Scripture tells us that we **need to have the earnest – or guarantee – of the Holy Ghost to be able to make it into the Kingdom of God.** We will explore this first,

because all of our posts hereafter **are going to require you are filled with the Holy Ghost.**

You will see that **if you are NOT filled with the Holy Ghost, you CANNOT fight the devil at all.** This is why the devil has made sure that the Holy Ghost is NOT taught in churches and that the Holy Ghost is disempowered. Many denominations, **especially the Baptist denomination, tell you that the Holy Ghost is 'not for today'.**

The Baptists are wrong.

**DEAD wrong.**

The Holy Ghost absolutely IS for today, and I shudder to think of how many people are in hell today because they were never filled with the Holy Ghost because some pastor told them that they didn't need Him. Once we get past that, we are going to show you how prayer is used to get things moving in the Universe that the Lord of Hosts and the Lord Jesus Christ preside over.

- PRAYER is the force that moves things;
- PRAYER is the way we communicate with our Lord;
- PRAYER is the way we can take judicial actions against the devil;
- PRAYER is the way to kick the devil in the nuts and send him screaming as he runs away from you.

Once we get past the instruments of adjudication, which are things like **vows, swears, covenants, allegiances, alliances, ties and oaths**, we are going to show you how you can use these things to go after the devil and tie him up legally.

You see, **the devil is using the Court System of Heaven to legally stomp the doo-doo out of us**, and now we are going to **use that same legal system to stop the devil cold in his tracks.** Always know that the Lord of Hosts controls the devil, and the devil CANNOT mess with us without getting permission from the Lord of Hosts directly. What the Lord of Hosts, Jesus' Father, and the Lord Jesus Christ is waiting for you to do is to seek them out so they can show you HOW you can oppose the devil. **Many people in today's church world have NO IDEA that they are to do this, so they sit there and take the devil's beatings and do nothing to oppose the devil**, even though **we are commanded to do so by the Lord Jesus Christ in scripture.**

This is a **9-part series** that we are going to present, and it is a LOT of information that you will need to study to get through. **You will need to get to know the Lord Jesus Christ personally and you will need the Holy Ghost to empower you or else you will have NO power to oppose the devil, and you will be damned because you do not oppose the devil.**

Take the time to read through all of the information presented carefully and go to Jesus and ask Him to help you understand what you need to do. Pace yourself and understand what we are showing you so you can kick the devil out of your homes, your households and your marriages and stay in Order so you will have the power and favour of the Lord of Hosts resting upon you and the Holy Ghost's power flowing through you.

This study is NOT for everyone, and not many people are going to get what we are talking about without the intervention of the Lord Jesus Christ. Always remember – **your salvation is YOUR responsibility, Christian, and YOU are going to be held responsible for what YOU did. If you don't do anything to secure your salvation, you are going to be lost.** All of us have to do SOMETHING to secure our salvation, and the sanctification that we go through in the salvation process is VERY important, no matter what the **Once Saved, Always Saved** crowd tells you. It is NOT just that we have to confess our sins and make Jesus our Lord, it is that **we have to DO SOMETHING to SECURE our salvation as we walk WITH Jesus via the Holy Ghost.**

Church has really screwed up a LOT of people, Christian, and many people are going to be lost because **they sat in a church for 30 and 40 years and they do NOT know the Lord Jesus Christ at all.** Here is an opportunity to learn what Jesus wants you to learn, but YOU have to reach out and seek out Jesus to get this incorporated in your life.

**It is YOUR salvation that is on the line, and it is up to YOU to get as close to Jesus as you can and stay close to Him.** I am doing what the Lord has asked me to do - Proclaim the Gospel and point people to Jesus. What you do after that is your business. Get with the Lord Jesus Christ directly, Christian, and get those questions answered as soon as you can. . Get more tips on how to talk to the Lord directly **here**.
