

From the Admin - Jesus has raised the Standard

It's a new year, and it's a NEW Day!! I hope that all of you had some time to relax and thank the Lord for getting us through another year. Last year was tumultuous for us, as we dealt with things with YouTube and recovered nicely after YouTube closed out account. You can see the culmination of what happened [here](#) and [here](#). I venture to think that we have more traffic on this website now than we did when we were on YouTube.

It is pretty obvious that this site does NOT mince any words and we state the obvious. We have a whole section on this website that deals with sodomites and why people who are sodomites are going to be damned which you can see [here](#), [here](#) and [here](#).

Today, we see that Jesus has raised the Standard, and I believe that Jesus is getting ready for battle. The Standard being raised is the rallying point for the troops, and the troops are those who are Disciples or followers of Christ ONLY. Jesus is going to shed off all of the **Lukewarm Christians**, all of the **Once Saved, Always Saved** people, all of the Easy believism people and all people who profess to be "Christians" but they are not because they are following **Another Jesus, Another Gospel and Another Spirit**.

Jesus is NOT playing around – He is going to call up for service all Disciples and Followers of Christ whom Jesus knows PERSONALLY because He sent the Holy Ghost to them. Jesus is going to exclude all others, and the Disciples and Followers of Christ are going to be given special armour and training to be ready for the fight that is coming.

In preparation for this battle, we are going to switch gears and go back to the basics on this website and we are going to take a good look at Prayer and how to pray effectively. We are going to look at prayer in a different light and we are going to show you that you have a LOT of options available to you when you are praying. The prayer that you see in the churches today is infantile – yes, I said it – and the Lord wants MORE from His Disciples and Followers. So, we have dissected what prayer is and what prayer does and we will show you different types of prayer and the properties of prayers that you can make to pray effectively.

These postings will require you to sit with the Holy Ghost to ask Him to explain to your what is going on and to help you tailor your praying for you. We will not take the time to explain a lot of things in these posts, as it will REQUIRE the Holy Ghost and the Lord Jesus Christ to sit and reveal to you some of the things that you will read and hear. Much of what you will see and hear you will NOT find in your local denominational church.

We are going to show that Prayer is a potent weapon against the devil. We are also going to show some properties of your armour that you did not know about. Next month, we will have a post of your armour and what it can do that you can read first before you go into more detail about prayer. Prayer and your armour are going to work hand in hand with YOU to get things done. The devil is going to back off of you because you dared to learn how to pray against him.

As far as the website is concerned, we are going to provide you with an index that you will be able to use to find the videos that you desire. As you already know, the videos are free for you to download if you want to dissect them and talk to the Lord Jesus Christ about them and what is said in them. We also know that those who vehemently disagree with what we are saying and how we are presenting what we are saying are downloading our videos, and that is OK too.

We encourage those who disagree with us to try and find where we are 'false prophets' and show that publicly. All we have to say to this is this - good. At least you are digging in and studying to show yourself approved, a workman needed not to be ashamed, RIGHTLY dividing the word. These people will find out that they have been following doctrine and NOT Jesus, and that digging will bear this truth out. We tell EVERYONE to NOT believe us for a reason - and that reason is for you to find out for YOURSELF what is true and what is not, and verify your findings by running what you found by Jesus FIRST before you publish.

So, this month, we are going to lay all of this out for you to ingest and get familiar with. We DO encourage you to sit with the Lord Jesus Christ and ask Him how all of this will work for you. Many people will not believe us, and that is fine – you need to go to the Lord Jesus Christ TODAY and confirm with Him about what is being posted.

As always don't take our word for anything. Go DIRECTLY to Jesus and get your confirmation from Him and then do as Jesus tells you. **It is YOUR salvation that is on the line, and it is up to YOU to get as close to Jesus as you can and stay close to Him.** I am doing what the Lord has asked me to do - Proclaim the Gospel and point people to Jesus. What you do after that is your business. Get with the Lord Jesus Christ directly, Christian, and get those questions answered as soon as you can.
