

From the Admin - Where have we been?

Editorial for **June, 2019**

After posting about the evils of Easter, the Lord Jesus Christ pulled me aside and showed me that He wants to start cleaning house in the churches of the world that claim to be His. It has been a journey, along with constant attacks from the devil, and now I am back to continue the work that I have been given to do after being in combat against the devil for the last month.

This month, we are going to concentrate on the **Once Saved, Always Saved** doctrine that many denominational churches follow, and we are focusing on the Baptist churches. There are MILLIONS of people who believe that doctrine, and this month we are going to challenge you to not only take a VERY close look at that doctrine, **but to CONFIRM you are truly saved by going to the Lord Jesus Christ directly.**

About 2 years ago, I did an in-depth study on the **Once Saved, Always Saved** doctrine and found it to be evil (like most things that people accept as church these days). So, when I inquired of the Lord about this, He showed me some things that I am going to share with you this month.

The Lord showed me that this doctrine of **Once Saved, Always Saved** is demonic **because the PASTORS are telling people that they are saved, and Jesus has NOT accepted them.** This is a HUGE error that is costing MILLIONS of people their salvation and sending them to hell for eternity.

How can a pastor live with himself if he is giving the wrong information to the people in his church?

The Lord then showed me that the **pastors who are following this doctrine are NOT EVEN SAVED nor are they called by Him to be a pastor.** This was the biggest shock, as you would think that a person who is a pastor would have a pipeline to the Lord Jesus Christ. It seems that many of these **Once Saved, Always Saved** pastors **are NOT EVEN CALLED TO BE PASTORS, and THEY (the Pastors) ARE NOT EVEN SAVED!!!**

How can you tell people that they are saved when you are not saved yourself?

During this time of teaching for me, we saw a prominent Independent Fundamental Baptist pastor step down because of alcohol and infidelity issues. So we have a pastor, who was teaching and preaching about **Once Saved Always Saved** fall. I am sure that pastor feels that he is going to the Kingdom of God once he repents, but what about the people he was pastoring?

I am NOT impugning this pastor because being a pastor is a very difficult job, but we have to see the obvious here. If this pastor stepped down, this will PROBABLY save his soul when he is judged by Jesus, as he should NOT have been in that office as the bishop or overseer in the first place. As a person who is a pastor, or a person who teaches, **we are judged harsher because we are in positions of influence.** How harsh is the judgment going to be when a pastor is judged and he was teaching **Once Saved,**

Always Saved to his church and he finds out **that ALL of them are in hell TODAY because of his teaching?**

Now here is the thing that I learned spending some time with Jesus and the Holy Ghost concerning the **Once Saved, Always Saved** doctrine. I found out that:

- The **Once Saved Always Saved** doctrine is carried by a Religious Spirit
- That religious spirit will ALWAYS point people AWAY from Jesus
- That religious spirit will ALWAYS carry a doctrine of some sort that has been cooked up by the devil
- That religious spirit will ALWAYS offend the Holy Ghost and replace itself as the Holy Ghost in a church
- That religious spirit will get people to believe that the Holy Ghost is 'Not for today'
- People begin to worship the DOCTRINE and NOT Jesus, which is idolatry
- That religious spirit will tell people that the doctrine is from Jesus when it is not

So, the Lord Jesus Christ is focusing on the **Once Saved Always Saved** doctrine because many people are ignorant of how insidious and dangerous this doctrine is. Many churches follow this doctrine, which is also known as Calvinism, and they swear that Calvinism is of the Lord Jesus Christ when it is not.

Jesus knows that many people are ignorant of how dangerous and damnable this doctrine is, so He is spearheading a rescue mission for those who are ignorant of this danger. What Jesus is asking me and people like me to do is to challenge the people who are **Once Saved, Always Saved** to **go to Him DIRECTLY and confirm their salvation with Him so He can set them straight.**

I know that when I go against this religious spirit that many people are going to call me all sorts of things - a false teacher, a false prophet, a knucklehead and a lot of other things that include profanity and swearing, which just confirms the religious spirit in people **that is damning people by the millions.** I am going to be true to the mission that Jesus is sending me on to get to as many people as I can and let them know that **they need to confirm their salvation with Jesus personally** because **NONE of them are saved.**

We have made a series of videos that we will highlight this month that will confront people who are **Once Saved Always Saved** and let them know that **they are NOT EVEN SAVED and that they are going to be damned because they would have wasted their time doing nothing believing that they have eternal security and not getting cleaned up by the Holy Ghost and getting their new nature put in them by the Holy Ghost so they can get into the Kingdom of God.**

We are going to point all of that out so people can re-evaluate their salvation. Jesus has already said that He is going to walk away from those who are vehemently following this doctrine and move on, turning these people OVER to their desires, as shown in scripture which states:

Romans 1:28-32 - And even as they did not like to retain God in their knowledge, **God gave them over to a reprobate mind**, to do those things which are not convenient; Being filled with all unrighteousness, fornication, wickedness, covetousness, maliciousness; full of envy, murder, debate, deceit, malignity; whisperers, Backbiters, haters of God, despiteful, proud, boasters, inventors of evil things, disobedient to parents, Without understanding, covenantbreakers, without natural affection, implacable, unmerciful: Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them.

This is the beginning of the reformation of the church, as the saints are going to be those who follow Jesus and the sodomites will be those who go to church.

I will also show a video series of videos where we address **the end times conflict of saints vs. sodomites**, and how what you see today as church will be pitted against the real saints of God who will be filled with the Holy Ghost. These saints will NOT compromise and they will NOT back down and accept what the devil is dishing out.

This is the preparation for a VIOLENT conflict, as the saints who are filled with the Holy Ghost are going to stick their fingers in the faces of those who are going to church just like John the Baptist did to Herod, who was the king at the time, and told the king it was not lawful for him to marry his brother's wife, Herodias. She got wind of what John the Baptist was saying, and she plotted to kill him, especially since she was queen and she didn't want to give that up for anything.

When the opportunity arose - which was when her nasty, skanky, sleazy daughter Salome danced for the king, and titillated his flesh to the point where he promised her half of his kingdom, Herodias told her skanky daughter to ask for John the Baptist's head on a plate, and Herod, who promised Salome up to half of his kingdom in front of his boys had to come through (to save face), so he ordered John the Baptist beheaded.

Now what kind of woman would ask for the head of a man on a plate?

This is the type of people the saints are going to be dealing with, and this is why the conflict will be violent. Know that Herodias is sitting in hell TODAY for what she did to John the Baptist, and these are the people who the saints will be martyred by, as being martyred is a witness against those who are doing the dirty deeds the saints are pointing out. Know that both Herod and Herodias had to pay for their treachery as John the Baptist's beheading was a witness against them both. This is what is coming, as the treachery will become worse and worse, and the real saints of God are NOT going to blink or budge.

After this month's articles, **take it upon yourself to sit with the Lord Jesus Christ and ask Him to explain some of the things that you will be reading about this month**. Much of what you are going to hear about will be incredible to you, but it has always been there right in front of your face. You will need the Holy Ghost to reveal some

of these things to you, so if you are filled with the Holy Ghost, ask Him to explain the nuances of prayer and why it is so important. We are going to go DEEP into the things of the Lord this month, Christian, so sit down and get yourself ready!

It is YOUR salvation that is on the line, and it is up to YOU to get as close to Jesus as you can and stay close to Him. I am doing what the Lord has asked me to do - Proclaim the Gospel and point people to Jesus. What you do after that is your business. Get with the Lord Jesus Christ directly, Christian, and get those questions answered as soon as you can. Get more tips on how to talk to the Lord directly [here](#).
