

From the Admin -  
This is NO JOKE:  
The Lord wants you to be ready  
and prepared for what is coming

It is a rare privilege to be able to speak to you directly twice on this website this month. I have endeavored to let the site content speak for itself, as there is a LOT that I have had posted that pertains to the Laws and Order that the Lord of Hosts has set up for His Kingdom that He has so graciously shared with me, and now I share that with you.

So, from this point forward, everything pertaining to the Law and Order series that will be posted in the last 2 parts of this 5-part series (part 4 and part 5) **will NEED to be revealed to you by the Holy Ghost. If you are NOT filled with the Holy Ghost, NOTHING will make any sense to you and you will not understand what is being posted.** Also, **you will NEED to be able to talk with the Lord Jesus Christ so He can revealate to you what He wants YOU to do.** These two things will be requirements that you MUST fulfill so you will be able to get what the Lord Jesus Christ is telling you.

**If you do NOT know the Lord Jesus Christ, we can introduce you to Him** by clicking [here](#). **If you are NOT filled with the Holy Ghost, you can petition Jesus for the Holy Ghost** by clicking [here](#). The Lord Jesus Christ will contact you and talk to you directly IF you are serious about wanting to know what He wants for YOU.

Many of the articles posted make the assumption that you are at least a Christian, so you are familiar with who the Lord of the Universe is, who Jesus Christ is, and who the Holy Ghost is. Many of you who are reading this are unaware that things around you are changing for a reason, and it is going to be a shock to many as to what happens here on earth. Many of you will, at that time, do what you can to save yourselves and possibly save you family.

I say possibly because many will be looking to save themselves and many will leave their families behind to fend for themselves. I am not under any delusion that things are going to get better down here on earth, because I know they will not. There is a cataclysmic shift that is about to occur that will shake everyone living today to their very core.

But there is more.

As you already know, the United States is 20 TRILLION dollars in debt. Most are concerned about us paying all of that back so we are not in debt to anyone. But have you considered to WHOM we owe that money to?

- Have you considered that if we owe that money, then who LENT that money to the United States?
- What person or persons have more than 20 TRILLION dollars that they can 'lend' to a COUNTRY?
- How come we never hear about that person?
- How come we do not know to WHOM we 'owe' this money to?
- Can we now see the wisdom of the Lord gives us a Jubilee year every 7 years where debts are FORGIVEN?

We spend all our lives working and making money so we can purchase the things that we want. However, we are also saddled with a tax burden that never seems to go away.

- Why is that?
- Who is the one saddling us with that burden?
- Why is it that you and I ALWAYS owe money and we are NEVER free from that obligation, even when we die?

I brought this up to the Lord one day during our quiet time and He showed me that we are in an EVIL world and those who are saddling you with the debt are evil. He also showed me that many of us just 'go along to get along' and are unaware of the great battle that rages around us.

The Lord also showed me that **MILLIONS are going to perish because they do not know how to fight the devil and they are ignorant of His laws and statutes.** (See **Hosea 4:6**). This is why I have had this series on Law and Order posted so that those who are asking these same questions I am asking can get some answers. The Lord also pointed out that because of the sin of America, chiefly the 3,000 abortions that America performs DAILY, He was going to turn away from America and give it over to the devil to destroy.

You saw that this was the case in the last election. We had **Hillary Clinton**, who is as evil as they come, being put up as a 'viable' candidate, notwithstanding **the trail of bodies of the people whom she has had killed that follow in her wake in her quest for power.** It was blatantly obvious that she was being put into the office of President to complete an agenda that unknown and unnamed people wanted. Many Americans were preparing during the Obama Administration by purchasing guns (LOTS of guns), food and ammo (ammunition), as it was thought that he would destroy America and plunge America into the New World Order. Many joked that former President Obama was the best gun salesman - **EVER.**

**Donald Trump** was a JOKE to these people, and **he was supposed to LOSE the election, and the coronation of Hillary Clinton would go on as planned.** It was believed that what Obama did NOT accomplish, Hillary would be able to accomplish during her 2 terms as president; this was the sodomite-lesbian 1 -2 punch that America would NOT have survived, as we would have been living under the curse as was prophesied in **Isaiah 3:12.**

Then something happened.

The Lord decided to give America a reprieve – a last chance – to get right with Him. This is because there are still **a lot of people in America who have been interceding for America to repent of her sins,** and in His mercy and kindness, **the Lord of Hosts has decided to give America one last chance to REPENT and to walk with Him in all that He wants us to do.** Those people who had been begging God to save America and

restore her to her former glory as a TRUE Christian nation for YEARS have been heard by The Lord and **He has granted their prayers.**

I go through all of this to say that we now have a chance to get right with the Lord of Hosts, Jesus' Father, the Lord Jesus Christ and the Holy Ghost **for real and not to waste any more time.** It is also well known that if Hillary ever did get into office, this website would be banned; **anyone talking about the Lord Jesus Christ would be hit with 'Hate Speech' sanctions** and dragged off to jail and detained. **Many of you Christians out there would deny Christ just to save yourselves from being thrown in jail.** Many who would defy Hillary would be 'SWATTed' and dragged off to jail if they weren't killed.

(For those of you who don't know, being 'SWATTed' is defined as from wikipedia):

Swatting is the harassment tactic of deceiving an emergency service (via such means as hoaxing an emergency services dispatcher) into sending a police and emergency service response team to another person's address. This is triggered by false reporting of a serious law enforcement emergency, such as a bomb threat, murder, hostage situation, or other alleged incident.

The term derives from the law enforcement unit "SWAT" (Special Weapons and Tactics), a specialized type of police unit in the United States and many other countries carrying military-style equipment such as door breaching weapons, submachine guns, and automatic rifles. A threat may result in the evacuations of schools and businesses. Swatting is described as terrorism due to its use to intimidate and create the risk of injury or death.

(I have linked some articles on 'swatting' [here](#), [here](#) and [here](#) so you can see for yourself. You can google more articles on your own time).

Yep, all of this would be happening under Hillary.

I actually did NOT vote for Trump, nor do I really care about Trump or any of those Satanists in the American government, **but I am in AWE of the Lord of Hosts at how He stepped in and told Hillary 'NO'.** The Lord made Hillary's campaign look like a bunch of bumbling fools. **Hillary was supposed to be a 'shoo-in'** and this is why she never prepared herself for any issues with her campaign; **she was told she would just have to show up and then be coronated as President, or Queen of America. The ballot box stuffing and dirty tricks employed by her party and by her campaign was supposed to be enough to get her the Presidency.**

The Lord of Hosts told Hillary **'NO'** and then told her to **sit down and be quiet.**

To this day, you can see that Hillary is defiant and still continues to try and make herself relevant, in light of the fact that she has sold out America with her treasonous actions and deals **that the Lord is exposing RIGHT NOW.** It is obvious that Hillary was promised a

seat at the New World Order table and would do anything, **including stealing BILLIONS from countries like Haiti and selling off land and Uranium to the highest bidders worldwide for the billions she needed for her campaign, killing anyone who was bold enough to try and stop her** on her quest for power. It is coming out now that during her stint as Secretary of State, **she was cutting backroom deals selling off everything she could for her own gain using YOU, the American people AS her collateral.**

Hillary is downright evil, just like her father the devil.

Now you can see why the Lord of Hosts Himself has allowed Trump to get into office to give us TIME to get ourselves ready for the huge fight that is coming.

'What huge fight?', you say.

It is blatantly obvious that there is a push to confiscate guns, as the people who are perpetrating these 'attacks' are trying to make you afraid so you will not resist (Note: **FEAR is a spiritual weapon that cannot be overcome by carnal means**). They want you, Mr. and Mrs. America, to let THEM govern you in the way THEY see fit, and that means that you must cow down to them.

The latest shooting in Florida shows that these people who are putting this on are willing **to shoot and kill YOUR children to advance their agenda using YOU to ask for your own destruction because you are afraid.** By using FEAR, they know that most people will go to their elected representative to clamour for laws to ban guns, which is exactly what they want you to do.

This is also the case in Las Vegas, where 'THEY' say one guy with a bump-stock AR-15 killed 58 people from 490 yards away. Anyone who knows anything about firearms knows that what is being presented is malarkey. Through FEAR, and through mind controlled people who have been brainwashed into believing that 'The Police will take care of that and protect me', they are clamouring for gun confiscation.

(Another note: **There were police officers there in the school to protect the students, and 17 were killed. How did that police protection work out for those people who were killed?** Do you REALLY think that the police have an obligation **to protect YOU if they didn't protect those who really needed it?** The Supreme Court says that police have NO obligation to protect you, as you can see in these articles [here](#), [here](#) and [here](#). You can google more articles in your own space time).

Say what you want, but with America as heavily armed as it is right now, those people who want to take over will NEED to get the guns out of the hands of the people so they can rule. All we need to do is look at articles on gun confiscation over the past 110 years to see what is really planned for those who do give up their only means of protection and

look at the outcome. See what I am talking about [here](#), [here](#) and [here](#). You can google more instances of this in your own study time.

I bring this up because many of you are only focusing on the **PHYSICAL** fight you see in front of you. What about the **SPIRITUAL** fight that is raging behind the scene that is spilling into the physical?

The Lord of Hosts and His Son, the Lord Jesus Christ, have provided this reprieve so you, Christian, can prepare for the **SPIRITUAL** battle that continues to rage on all around you. These forces are fighting right now, and the Lord is encouraging those who are Disciples of Christ to get into the fight. The Lord Jesus Christ has **SPIRITUAL** weaponry that He wants to outfit for ALL of His Disciples, but there are not many Christians or Disciples that are **READY** to get into the fight. The Disciples of Christ know better and they are getting with Jesus to be prepared, but the majority of Christians out there have no clue as to what I am even talking about right now.

This editorial is for you, Christian. The Lord Jesus Christ and the Lord of Hosts have commissioned me to present this material so YOU will go to THEM and start asking questions during this time of reprieve so you too can be prepared to represent Christ in this fight. You too will become Disciples of Christ, stripping off what 'the churches' have told you. The Lord Jesus Christ wants YOU to be informed, prepared, and ready to be sent into the fight to save those who would be saved.

**Since the churches are NOT teaching you what you need to know**, and they are overrun by sodomites, lesbians, women in rebellion to the Lord of Hosts Himself, rife with apostles, prophets, prophetesses and bishops **that the Lord Jesus Christ did not send**, The Lord Jesus Christ is separating those who will follow the church from those who will follow Him and He is going to **destroy 'Church' as you know now** and replace those apostate churches with His church of Disciples who will not only worship in spirit and truth, **but will walk in the POWER of the Holy Ghost**.

The Lord is preparing His Army, Christian, and when that Army moves, they will turn the world upside down for Christ like you have never seen before. These articles are posted so you will **PREPARE**, Christian, and so you will go through the necessary steps of salvation and sanctification so you will be a proper vessel that the Lord Jesus Christ can use against the devil as we move out.

**The Lord Jesus Christ is going to leave behind** all of the **lukewarm Christians who are nothing but 'churchgoers'**, who will be sitting up in a church somewhere, ever learning, but not even knowing Jesus personally. **All of the 'Once Saved, Always saved' people will be left behind**, as they are **NOT walking with Christ, denying the Holy Ghost** in their churches, **disempowered by their 'pastors' who HATE the Holy Ghost**, and they are unprepared for anything of the Lord. The Once Saved, Always Saved crowd will **rue the days that they have wasted on this doctrine**.

All of the people **who do not have the right spirit in them, which is the Holy Spirit, will be left behind.** This is why it is important for you, Christian, to be filled with the Holy Ghost, and that can only happen if you become a Disciple of Christ and follow Him. The Lord Jesus Christ will send the Holy Ghost to you and the Holy Ghost will take you into the wilderness to prepare you for the conflict to come.

The Lord of Hosts knows that you need this time to prepare, Christian, **so He has provided the time you need so you can be prepared and readied.** The Lord Jesus Christ **has the weapons of our warfare that are NOT carnal that He will freely give you IF you come to Him, ask for them and then follow Him so you can be properly trained.**

If you think this is all a bunch of junk, Christian, then answer these questions:

- What are you going to do when you lose a good portion of your 401K or IRA because of a currency reset?
- What are you going to do when you **CANNOT** recover what you have lost from your retirement account(s)?
- What are you going to do when your **LIFE SAVINGS** are **GONE FOREVER** when someone hits 'enter' on a keyboard?
- What are you going to do when you have no money for food?
- What are you going to do when you have no money for gas for your car?
- What are you going to do when you have no means of getting to work?
- What are you going to do when those who did not prepare come to your door begging for food?
- What are you going to do when you run OUT of food and the stores are closed and NOT restocked?
- What are you going to do when the police crackdown on 'dissenters'?
- What are you going to do to protect yourself & your family from looters and thieves?

As you will read next month, taking money from a household through a job loss or an economic catastrophe is one of the devil's most used means to subjugate and enslave, as he removes the resources from the household, and the household implodes because the household runs out of money. We will highlight this and a few other tricks that he uses to enslave, subjugate, oppress and then kill those who are unprepared to resist him.

**If you are NOT prepared to deal with the devil spiritually, you will NOT be able to stop him or resist him when that subjugation comes into the natural.** However, if you get with the Lord Jesus Christ NOW and get prepared, you at least have a fighting chance.

This editorial is a little longer than I wanted it to be, but you will need to ask the questions that have been posed. **Get with the Lord Jesus Christ and ask Him what He wants YOU to do,** Christian. **Get out of those denominational churches and go DIRECTLY to the Lord Jesus Christ for your orders.**

I already know that over 90% of you that are reading this will think I am a lunatic and that God is 'Love' and that this is NOT going to happen in America or anywhere else because we 'Love' the Lord. I am OK with that because **I am here to be a witness for the Lord Jesus Christ and my job is to PROCLAIM what I have been told to proclaim, and then it is up to YOU, Christian, to go to the Lord Jesus Christ and confirm what you have just heard.**

**I am not here to sell you on ANYTHING, or to sell you ANYTHING. I have no agenda, nor am I promoting anything, nor am I trying to get money from you. I am only proclaiming what the Lord Jesus Christ is having me proclaim, and we are using this website to make that proclamation.** I am having posted what He is giving me to post so YOU, Christian, can study to show YOURSELF approved, a workman needing not to be ashamed, so the Lord can use YOU for His purposes. You need to get this for YOU and your household so YOU will be ready.

Take heed, Christian, and take advantage of the time given to be prepared.
