Being in Order and Knowing
Jesus for REAL WILL open the
door for Supernatural Protection
From Jesus when you need it

This month, we are continuing with the teaching on Law and Order (**Part 3 of 5**) as this teaching will show you what we, as Disciples of Christ, should be focusing on. By now, you should realize that much of what is being taught has NOT been covered at all in any churches you have gone to or in any Bible study that you may have attended.

Why?

It is because these items and topics that we are covering have to be revealed to you by the Holy Ghost. If your church or your Bible Study is not led by or yielded to the Holy Ghost, you will NEVER see this kind of content. We know for a fact that 99% of 'denominational' churches **don't believe in the Holy Ghost, as they grieve Him terribly.** This is why many people who sit up in church are **ignorant** of the things that the Lord Jesus Christ wants us to know.

The mere fact that many of you have never heard of ANY of what is posted should give you a clue that **where you are 'worshipping' is NOT preparing you at all for any conflicts with the devil NOR is it preparing you for eternity with the Lord Jesus Christ.**

So why is ANY of what has been posted important?

As many of you know, **this site will ALWAYS point you to the Lord Jesus Christ for you to confirm what has been posted.** As you go to Jesus to confirm with Him what has been posted, this is a **GOLDEN** opportunity to just sit at Jesus' feet and learn from Him. Ask Him and you will get answers to your questions.

This is also a golden opportunity to get to know Jesus personally, as there are many terrible things planned for humankind in the next few years. Hundreds of millions of people will die through wars, famines, civil unrest, shootings and much more. Many of the people who will be caught in this and killed **will NOT KNOW THE LORD JESUS CHRIST PERSONALLY** and they will perish as He will send them away from His sight. The words **'Go away, I NEVER knew you'** will ring in the ears of many.

Many people will be helpless and will succumb to an insane cherub angel **who will have the LEGAL RIGHT to kill them** so they will go to Hell and the Lake of Fire with him. Very few will seek out Jesus and find out what He wants for them.

- How many people have to perish before they learn that **Jesus is NOT going to play with them?**
- How many people will need to perish before people realize that **this is a WAR ZONE here on earth?**
- How many people are going to perish before people realize that they need **POWER and AUTHORITY** to defeat the devil?

How many of you **will perish because you were just plain IGNORANT?**

You see, **the devil wants you to be stupid** so he will have a legal right to take your stuff, your manhood/womanhood, and then your life. There are rules and regulations that the devil must follow, and these posts that we have put up will show you how you can do as Jesus commanded us to do - to stand against the devil and cause him to flee.

I am going to challenge you, Christian, **to go through all of the instruments of Law that we have posted and ask Jesus personally if you have violated any of the laws and statutes** that the devil does not want you to know about. Many of you, **if you have been married more than once, have ALREADY violated some of the Lord's statutes** and you don't even know it.

If we didn't point this out, there you would be, in front of Jesus when you die, **doomed** because you broke a Vow that you had made years ago when you got married. **Did you know that breaking a Vow is punishable by DEATH?**

Now you know.

And that is only ONE thing that could be hanging you up that could cost you your salvation... so what about the others?

Did you also know that **those who are OUT OF ORDER will NOT make it into the Kingdom of God?**

Now you know.

The Lord **is not going to entertain ANYTHING from those who are out of order.** Being out of Order is being rebellious, and that sin of rebellion will NEVER see the Kingdom of God, and those who are rebellious will be sent away to where all the rebellious people are. **Rebellion is always put down VIOLENTLY by the Lord Jesus Christ.**

This is the reason why this Law and Order series is so very important. It serves the following purposes (as a recap):

- It gets you to talk to Jesus personally so He will know you personally.
- It gives you an opportunity to REPENT of any past sins and for Jesus to clear this from your ledger.
- It gives you an opportunity to get to know Jesus and what He is all about.
- It gives you an opportunity to become a disciple of Jesus, and not a 'Christian'. There IS a **BIG** difference (see why [here](#)).
- It affords you the opportunity to be filled with the Holy Ghost, whom Jesus will send to you if He so chooses.
- It affords you an opportunity to '**Get Right with God**', as you will obey what He says to do.

- It affords you the opportunity to use the authority that Jesus will give you to overcome the devil.
- It affords you the opportunity to be able to withstand the devil and stop him from destroying you, your household or marriage.
- It affords you the opportunity to prepare for eternity with Jesus so when you are judged, you will have most things covered and taken care of (see an article on how Jesus will judge you [here](#)).

You will NOT realize ANY power that the Lord Jesus Christ gives His disciples if you do not know Him PERSONALLY. Many of you reading this site right now will blow this content off, and you will regret it later, as you **will NOT be prepared** for the wars and famines that are coming against all of us. Many of you who THINK you are 'ready' by just 'putting on your armour' have NO IDEA that you are woefully unprepared for what is coming your way.

Why?

It is because you are down here, **clanking around in your armour, not knowing how to wield the weapons that the Lord Jesus Christ has given you to use against the devil.** Did you really think that you can just 'put on your armour' and be safe from the devil?

No.

You are NOT safe because you are now just a target with armour on it.

- Do you even know what you can do with that armour you have put on?
- Do you have any idea that the armour you 'wear' **is in itself an elegant WEAPON** that the devil flees from?

How would you know any of this if you were never taught?

Christian, time is running out for all of us. To deal with what the devil is going to unleash against humankind, **you will NEED THE SUPERNATURAL WEAPONS THAT THE LORD JESUS CHRIST HAS FOR US.** Without these weapons, we will lose against the devil and be lost.

You can ONLY get these supernatural weapons if you KNOW Jesus Christ personally and are filled with the Holy Ghost so you can be trained and prepared to be the vessel that Jesus will use against the devil. Know that you will **NEED the HOLY GHOST as He will empower your weapons that Jesus will give you.** Clanking around in your 'armour' unpowered is useless, and the devil will overcome you.

Yes, Christian, these are very strong words. In the remaining two parts of this 5-part Law and Order series, we will show you how you can resist the devil and overcome him, **but**

NONE of this will work unless you are a disciple of Christ and are filled with the Holy Ghost. What I have posted here today is something you will need to take into consideration while reading this site.

It is your choice, Christian, to heed what is being said or to blow this off. Blowing this off now is a mistake that you will regret, as the **devil WILL use supernatural weapons** to subjugate you, enslave you, and then eventually kill you. You will have no weapons to defend yourself at all.

Many of you are being subjugated RIGHT NOW, and the oppression that the devil is putting on you is palpable. **Many of you are TIRED of the constant barrage of attacks and are SICK and TIRED of taking blows from the devil.** Take heed of what has been posted and learn, under the tutelage of the Holy Ghost, how you can make the devil **LEAVE YOU ALONE** so you can live in peace.

Forget about any 'rapture', Christian, because we are ALL going to GO THROUGH very difficult times ahead. Get ready; be prepared. **ASK JESUS YOURSELF** what is true and what is not. **We NEVER care about what you think, because that is irrelevant;** Is what is posted TRUE? It is up to the hearer (or reader in this case) to confirm what they are reading. As we always say on this site - **don't take our word for anything. Get with the Lord Jesus Christ yourself and confirm with HIM what is being posted** and then do exactly as the Lord has you do. The Lord is about to move, and He is trying to get His people under His wings before He does.

So, belt up, strap yourself in, and get ready - get trained to FIGHT, soldiers of God. Jesus has raised the standard.
