

From the Admin -
Some observations and why I
was called to present these
articles in this manner

Last month, we posted a LOT of information about how to recognize the tricks the devil plays on everyone to get them to be out of order. Being in Order is one of the most important things that any Disciple of Christ can do as this is how the Power of the Lord Jesus Christ is manifested on earth. The things that the disciples did while they were on earth are STILL available to those whom are IN ORDER.

With that being said, I can see from the web stats that what I had posted offended and downright pissed a lot of people off, especially talking about how Once Saved, Always Saved is OUT OF ORDER. Also, the post on a Homosexual relationship was also a big winner for us, and many people did NOT like that either.

Let me clue you in, Christian.

I don't care.

It really does NOT matter what we say or post, because we are just proclaiming the Gospel as Jesus has commanded us to do. What IS important is what the Lord Jesus Christ and His Father, the Lord of Hosts thinks. THEY are the ones that have set the parameters of what being in Order is, **and they will ONLY honour what THEY deem as in Order**. The mere fact that we angered so many is a testimony to what we are posting on this site. We are giving you the unadulterated truth filtered through the Lord Jesus Christ and His Father, the Lord of Hosts, who will NOT allow things to be posted if they are not true to THEM. What 'they say' or what 'you heard' may be true to YOU, but it **is an abomination or OUT OF ORDER to the ones whom it matters the most**.

Many of you ladies did not appreciate the posts put up about a 'Bossy Woman' being out of order, but it is true - a loud, obnoxious woman IS OUT of ORDER as far as the Lord Jesus Christ is concerned. In our posts this month, we will deal with this issue and we will show what the Lord Jesus expects from a wife or a helpmeet. We are NOT saying that you need to be a doormat and let everyone walk all over you - NO; what we are saying is that if you REALLY explore what the Lord Jesus Christ wants for women, you would be pleasantly surprised. In our posts this month on how to rebalance a household that is out of order, **you will find that a woman has a VERY IMPORTANT role in the household, and that the Lord Jesus Christ will HONOUR that role more so than the man's role IF the woman will just stay in her role**. You will also find that if you are IN Jesus, meaning that you are a disciple of Jesus, you will be in perfect peace because He will engender that peace to you.

Many of you women are falling for the okie-doke that the devil promotes, and always know that the devil HATES women. You will hear about how the devil trumpets that a woman cannot teach or preach when in actuality **a woman is not allowed to SHEPHERD A CONGREGATION as a pastor or a bishop!!**

Where does it say in the Bible that woman cannot teach or preach?

It doesn't.

Women, you are being led down the path of destruction because **YOU are IGNORANTLY listening to what 'they' say - AGAIN.**

Have you **asked the Lord Jesus Christ YOURSELF** to see **if that is true or not?**

Well, women, have you?

Women, this is a prime example of **how YOU should be getting with the Lord Jesus Christ to find out for YOURSELF** and not listen to what 'they' say. We rail against those women who are in rebellion to the Lord Jesus Christ because that is what HE sees and this is what He is sending us to stand against. Also, **KNOW** what your role entails, women. **It does NOT mean you must cook and clean all the time, but it DOES mean that you can step up to the plate with the Lord Jesus Christ's blessing to help and compliment your husband to maintain your marriage and household.**

If you want to know what your role entails, ladies, go check out **Psalms 31** and compare that to your life. Better yet, sit and ask the Lord Jesus Christ to help you pattern yourself after that woman described in **Psalms 31** and not let 'them' tell you what your role SHOULD be. **Use this time to sit with The Lord Jesus Christ and have HIM direct you as to what you do in your role.**

So why did I go through all of this discussion about people being pissed off with this site?

It is because of these three things:

- **First - Many of you are NOT going to the Lord Jesus Christ and asking Him for yourself if what is posted is true or not.** You are still relying on what you heard in church, your youth group, your bootleg Bible study (that is a Bible study NOT led by the Holy Ghost), or what 'they' said and NOT finding out for yourself. If you did go to Jesus and simply ask Him if what you read is true, you would find out very quickly that what you 'heard' is leading you down the primrose path to YOUR destruction. **I explicitly have it posted on this website that you are NOT to take ANYTHING you see posted as the truth unless you verify it by running it by the Lord Jesus Christ FIRST.** This gives YOU the opportunity to sit and continue to ask the Lord Jesus Christ questions so you can get close to HIM and not mind what 'they' say you should do;
- **Second - What is being posted here for this month will REQUIRE that you are able to talk to Jesus Christ directly so He can help YOU with rebalancing your household so YOU and your household will be in order,** no matter if your kids go crazy, your best girlfriend sleeps with your husband, or your husband runs off with the office floozy who just happens to have more butt, boobs and thighs than

you do. What we will show this month is how you can get closer to Jesus so you will be able to get HIS protection and guidance in the darkness that is coming;

- **Third - many of you are still following MEN or WOMEN and NOT following The Lord Jesus Christ.** I have read many an article and many a comment where people are telling others that they 'follow' people like Paul Begley, or Sindu Sandahar, or Joyce Myers (to name a few). **Why are you making idols of these people and NOT following the Lord Jesus Christ?** Much of this has to do with the indoctrination that they received from the church world, where people will follow their 'pastor'. Never mind that we have Jesus **that we can talk to at ANY TIME** and He **gives His advice and guidance for FREE.** Many of these people you 'follow' are in it for the MONEY, and because people put their allegiance and faith in a 'guy', many are led astray. The Lord Jesus Christ commanded us to follow HIM, so why are we so enamoured by someone who 'has a word from the Lord'?

I bring up these points and the doctrine of once saved, always saved **because I actually LIVED this.**

- That was me out there 'following' people who supposedly knew The Lord Jesus Christ.
- That was me who listened to their 'advice'.
- That was me who bought their books, tapes, and DVDs.
- That was me that was out there fornicating and got divorced because I believed that I was saved no matter what I did.

These books and tapes that I got NEVER mentioned getting with the Lord Jesus Christ DIRECTLY to see if I was in the faith. Many of you are out there doing the same thing I did, spending your hard-earned money on all of this JUNK when you could have just asked Jesus yourself for what you needed and saved yourself time and money.

When the Lord Jesus Christ reached out to me to give me a 2nd chance, **He showed me that I was on my way to HELL.** The funny thing is this - all along the trail, I deluded myself into believing I was saved because I listened to what 'they' told me. I just KNEW I was saved, and I thought I could talk my way out of the 'few little things' that I knew I had done wrong. I was relying on the GRACE of the Lord Jesus Christ to get me through - after all, Jesus had extended His GRACE and I planned to use it when I needed it.

Can you see how IGNORANT I was?

- I was IGNORANT because **no one taught me HOW to ASK JESUS** if what I was doing was OK.
- No one ever pointed out to me that Jesus was my Lord and that **I was to serve HIM,** and not the other way around.

- I was always taught to only pray and I would get what I prayed for, because Jesus loved me, not knowing I had to pray and **I would get what was within His WILL**, and not mine.
- I had no idea of the power of prayer and thought the Holy Ghost 'is NOT for today'.
- Jesus was presented to me as some sort of 'dude' that **will do everything for me and all I had to do is believe.**

Doesn't that sound familiar, once saved, always saved person?

I am getting a little personal this month because I have been there, Christian, and I have done that. I had all of the 'preconceived' notions that the Once Saved, Always Saved crowd told me. **I have found out that 99% of it is NOT true, and the other 1% is an OUTRIGHT LIE.** I was pretty upset because **'they' said I was 'saved'** and **the Lord Jesus Christ said I was destined for HELL** - and I didn't even know it.

Whom do you think I believed?

It was then when I sat down, **shut up**, and listened to the Lord Jesus Christ, His Father, the Lord of Hosts, and the Holy Ghost. I did learn that I was **not only IGNORANT, but I was UNPREPARED.** **I firmly believe that it was because I was IGNORANT was why The Lord Jesus Christ had pity on me and decided to reach His hand out to me and save me from a burning hell.** I can NEVER repay Jesus for his kindness or grace; Through Jesus, it was Jesus' Father, the Lord of Hosts, who called me out to write these articles you see here today and to provide these website materials for others who were/are just like I was. All of this would NOT have been possible if Jesus did NOT take me on as His disciple.

The devil led me around by the nose for **almost 30 years** doing what he wanted to me, destroying relationships, marriages, and keeping me broke. **For 30 years I followed that fool devil** because I was IGNORANT and I did not know Jesus even though I made the 'confession of faith', calling myself a 'Christian'. **Now I have the chance to stand UP for Jesus because He stood up for me; I also have a chance to get SOME and FIGHT the devil with everything I have in me for what he did to me.**

This is why I have had this site ALWAYS point you to Jesus so you can ask HIM DIRECTLY what is true or not. What is even more interesting is that **many of you 'Christians' couldn't be bothered to verify ANYTHING.** Many of you want a 'word' from the Lord, but you cannot be bothered to sit and ask Him a simple question - 'Is what I just heard or read TRUE?'

Why is that, Christian?

As I said earlier, what we are going to talk about in the final Law and Order series segment is how you can **get Jesus to STEP IN and HELP YOU stay in Order** by YOU rebalancing your household so you can continue to enjoy the power and the protection of the Lord of Hosts, Jesus' Father. **NONE of what I am going to post this month will**

make sense NOR will you be able to get the protection that you will need IF you DO NOT KNOW JESUS PERSONALLY.

The Lord Jesus Christ is ONLY going to help and protect His own, Christian. If He does not know you, do you REALLY think that He is going to help you and empower you because YOU say so?

C'mon, man.

Be serious.

If you do NOT know the Lord Jesus Christ PERSONALLY, you are a liar and you are NOT born again, no matter what 'they' say.

Those of you who are under the Once Saved, Always Saved delusion are GOING to be LEFT OUT (this is why I included these types of households on the list of Out of Order households). In the coming days, **Jesus and His Father are ONLY going to protect and provide for those households that are THEIRS; they are going to give all others to the devil to do with as he pleases**, and the devil is going to enslave BILLIONS of people because they couldn't be bothered to ASK JESUS if what they 'heard' is true and get to know Jesus PERSONALLY for themselves.

That's right, Once Saved, Always Saved person. YOU will be turned over to the devil by the Lord PERSONALLY.

The new tactic that the devil is using is to get people to WALK AWAY from salvation in the Lord Jesus Christ and to go back to the law. We have an article on this which you can read again **here**. Many ignorant people who are 'Christians' are going back to the law because they are IGNORANT of the New Testament, or the new covenant which the Lord of Hosts instituted so there will only be ONE sacrifice - Jesus - so that people can be saved as long as they are IN Jesus.

But no.

Many are going BACK to the Old Testament and the old covenant that the Lord of Hosts has done away with for the New Testament and covenant. We have articles on covenants, which you can read **here**, and why a covenant is VERY important. You will also find that a covenant is CONDITIONAL, and that means that you have to fulfill your end of the covenant before the Lord fulfills His end. **If you did NOT spend time with the Lord Jesus Christ, you would NOT know ANY of this**, and you would go throughout your life ignorant of the devil's devices. **You then die and go stand before of Jesus to be judged UNPREPARED and be damned because you DID NOT SPEND TIME WITH HIM so He could PREPARE YOU.**

As you walk away from Jesus and try to follow the law (which NO man in HISTORY has ever completed perfectly except the Lord Jesus Christ), many will be cast into HELL. Why in the world would you try to follow the law when the Israelites NEVER kept the laws and 99% of them were damned? This is what the devil has for you, Christian, **if you do NOT KNOW THE LORD JESUS CHRIST PERSONALLY.**

Take the time to study how YOU can get YOUR household in order, Christian, and while you talk with Jesus, ask Him what He thinks. Ask Him the right questions. **Ask Him to tell you what would happen to you if He was to take His people TODAY - would you MAKE IT or would you be damned?** Many people will NOT ask that question, Christian, as they will HOPE to make it in. We have articles on all of this what you can use to build questions for the Lord.

Ask Jesus, Christian, and hear what He has to say. Many of you will be very surprised that the nice, sweet pastor you go to church to see is taking your money, sending you to HELL by NOT providing you with ANY spiritual knowledge of what is really going on around you. This is why the Lord laments that His people are destroyed because of a lack of knowledge (**Hosea 4:6**). The Lord Jesus Christ, His Father, the Lord of Hosts and the Holy Ghost will give you all of the knowledge and wisdom you can stand **IF you would just ASK!!**

Why is that so hard?

Why do people have so much trouble asking Jesus for HELP?

As always, **do not take my word nor anyone else's word for ANYTHING; you need to find out for YOURSELF if what is being said is true.** Find a nice quiet room or corner somewhere and ask Jesus to meet you there so you will be able to talk to Him for REAL. The things that are coming on this earth to America (especially) and the world will be mind-numbing, as the devil is going to make his move. Know how you can be safe under the Lord of Host's wings (**Psalm 91:1-3**), protected against the snares and wiles of the devil. Learn what YOU have to do to get your household in order even if your spouse does NOT want any parts of Jesus. Do this for YOU and your children, Christian, and listen and learn from Jesus.
