

From the Admin -  
We have only scratched the  
surface with  
Christian Idols and Idolatry

This month, **we have just scratched the surface when it comes to idols and idolatry.** For our purposes, we have ONLY discussed the idols and idolatry that Christians are guilty of. Some of the 'normal' idols - like cars, big houses, airplanes, rings, gold, etc - we did not post as there would be over 1,000 articles. We also are keeping the articles short so you can get through and read them without having to sit for hours and hours. This is one of the things we decided to do because many of you are NOT going to sit down and read a lot of books online, even though with some of the topics the books would be quite complex.

What we have provided is just enough material so you can take what you have read and then get with the Lord Jesus Christ yourself and discuss what you have read. **All of this is designed to get YOU, Christian, to set some time aside for you and the Lord Jesus Christ so you can have something to discuss.**

When the Holy Ghost sat me down for the first time, He had me read the Bible straight through. Well, that was a disaster, and it was because I do not do well just sitting and reading. So, the Holy Ghost had revealed the Bible to me, and that is when things started to click. I was able to understand what the Holy Ghost wanted and He was able to teach me an awful LOT about the subjects we needed to go over.

I have designed this site to be a means for people to read articles that will take 5-7 minutes or less to ingest. I have provided the full scripture for what I am talking about, as that will make it easier for you to understand. You can then go right behind me and check out what I have found out and you and Jesus can discuss things that may be relevant to you.

What I want to really say is that the Holy Ghost will work with you and He will design a means of you being able to access scripture and topics so you can understand for YOU. The Holy Ghost will reveal to you a lot if you would just ask Him.

For example, I wanted to know **which scriptures there were that state that the Holy Ghost is our earnest or guarantee that we are truly saved,** and in less than 4 minutes, I had all of the scriptures. I needed them to check out a video I was watching where the person said they talked to the Holy Ghost, so I needed the scripture to verify what I have heard. **It is such a pleasure to study with the Holy Ghost, and I would recommend that all of you ask Jesus to send the Holy Ghost if you are not already filled with the Holy Ghost. The Holy Ghost is an AMAZING teacher, and I always look forward to studying under His teaching.**

Now that Halloween is over, we can prepare for the Christmas season. As you probably know, I have articles that are about the pagan celebration of Christmas, and why this holiday has NOTHING to do with the Lord Jesus Christ. I am seeing that many people are starting to wake up about the major holidays, and they are starting to turn away from them as they are pagan. Unfortunately, not enough people are turning away from the holidays that the devil has been promoting, so prayer is in order. I firmly believe that those who stop, sit down, and study everything that is put in front of them are passing the test that

Jesus has given all of us. I firmly believe that if we are celebrating a holiday, it better be to exalt Jesus and no one else. Although over 95% of the people who profess they are Christian will NOT make it in because they do not know Jesus, there is a larger remnant that WILL make it into the Kingdom of God because they EXAMINED EVERYTHING that has been put in front of them.

I still have family that think I am a total lunatic because I live and breathe for the Lord Jesus Christ, just as scripture tells us, but I don't care. Walking with Jesus is the best thing that has ever happened to me and I look forward to serving the Lord Jesus Christ every day.

It has been almost 15 months that this website has been active, and we have posted a LOT of articles (over 300 of them). The articles are somewhat harsh, as I have been railing on about [Lukewarm Christians](#), [Lukewarm Christianity](#) and how most Christian households are NOT in order. Once you put your household in Order, the Lord Jesus Christ DOES take a more active interest in the household. OF the things that I had posted, I personally used many of the techniques that I had posted because:

- The devil has tried to implode my household at least 6 times in the last year;
- The devil has tried to destroy my marriage 4 times in the past year;
- The devil has tried to wreck my finances 5 times in the last year, and
- The devil has tried to destroy a vacation that took me a year to plan.

In each of these scenarios, **the Lord Jesus Christ and the Holy Ghost had stepped in and have kicked the devil in his nibbly bits so he would leave me alone.** I was able to get the help I needed **during all of these attacks because my Household was in Order.** I used the articles that I have posted for my own household, so I am living what I have been posting for all of you. The scripture is right - Resist th devil, and he **will** flee from you.

I cannot stress how important it is to get in Order and remain in Order, Christian. Take heed of the articles about Order that we have posted, and you can find our articles on [Law and Order here](#). It was actually necessary to rebalance my household so the devil was not able to implode it. You can find the articles on rebalancing your household [here](#).

One of my pet peeves that I see with people who profess to be Christians is that 99.9% of the time, if they have questions, they are always running to and fro trying to 'get a word from the Lord' from some so-called prophet, or a person who had a vision or something. We have the king of Kings and lord of Lords sitting right there waiting for us to interact with Him, and yet almost ALL of the so-called 'Christians' ignore Him and try and find out information when they could just ask Jesus Directly.

I am of the opinion the fault lies with the church, as many people have been taught to ignore our Lord and Saviour Jesus Christ unless they need something from Him. Do you not think that the Lord would not know? Don't you think that Jesus might enjoy talking to

His people face to face, teaching them, building a relationship with them, so they will know how He is?

I think for December, I will have some articles posted on the issue of asking Jesus, so people can stop the madness. **You can ask Jesus ANYTHING at ANY TIME and it is FREE OF CHARGE, and it is wise to ask Him to confirm things because He is God!!** Why is it that so many people will run to a pastor or a so-called prophet asking them questions when you have the Lord who has ALL of the answers?

In closing, **I want to thank all of you for taking the time to read these articles.** The whole point of this website **is to lead you to the Lord Jesus Christ and then have you strike up a conversation with Him so YOU can be sure you take the time for YOU to work out your salvation with fear (reverence and awe) and trembling.** It is my sincerest desire and hope that you are doing what you can NOW to get with Jesus so you can make it in.

**I hear of so many people who are lost because their churches will NOT teach them anything,** and it is my fervent hope that **they run across these articles so they can at least learn to go and ask Jesus DIRECTLY if they have any issues.** At least they will be able to ask the right questions and hold onto their tithe money and use that money as the Lord Jesus Christ directs them to. We will be back for December's posting with more information about Christmas and we will do our best to dissuade people from celebrating a pagan holiday once again. Take the time to get with the Lord Jesus Christ and walk with Him as we go into the New Year.
