Last month, we went through some real drama as YouTube decided to close our account because they did not like the content we were posting. We went through a difficult time changing all of the links from You Tube to what you see on the website today. We explain what happened and why we had our “problems” with You Tube in an article that you can see [here](#).

Understand that we had already planned to transition off of YouTube as we were not happy with the determinations that they made about some of our content. However, we do acknowledge that we did push the envelope – a LOT – and we are not surprised by YouTube’s actions. You can get more information from the article and the two videos I made explaining the situation.

This month, we are going to concentrate on the **Book of Households**, which is a book of the households that the Lord of Hosts maintains that He governs.

So why is this book so important?

As many of you know and many of you are finding out right now, the devil likes to destroy households because he can then enslave the people he gets from those households. You can see this all around you - there are many people who are going through some things right now where they are losing their houses because they lost their jobs or something invaded their household and is causing the household to implode from within.

This is why the **Book of Households** is important.

In the article I have provided this month, we show you a very real scenario that many of you will be experiencing very soon, and that scenario is when the devil, who does control the money supply, has decided to contract the supply causing what is called a “correction”. This is when companies cut back to save money in their budgets and they start laying off people. If a person is not ready for this, they will find themselves bound and imprisoned by debt. This is when people are scrambling to find a job – ANY job – to make ends meet.

The devil does this periodically to enslave people so they are bound to him, but if you are in the **Book of Households**, you can protect yourself from the “corrections” of the devil. This is how it works:

- **You are eligible to get help from the Lord of Hosts by being a Disciple of Christ or a follower of Christ.** If you are Once Saved, Always Saved, you are NOT eligible. You have to be known by Jesus PERSONALLY, and if you are NOT filled with the Holy Ghost, you are NOT eligible for this assistance.
- **You need to be in order with Jesus, and if you are, the Lord of Hosts will entertain your request(s) of Him.** If you are NOT a Disciple or a Follower of Jesus who is filled with the Holy Ghost, this does NOT apply to you.

- **You can ask the Lord of Hosts to govern your finances and resources of your household.** That means you give ALL of your money and resources to the Lord of Hosts and He tells you what you are to pay for. You will also need to be obedient to Jesus and the Lord of Hosts and follow what the Lord is telling you to do.
- **The benefit of this arrangement is that your household is protected from any intrusions from the devil.** If the devil wants to take your resources from your household, he cannot because the Lord of Hosts blocks him from doing so.
- **If the devil tries to get around the Lord of Hosts by getting you to lose your job, for example, the Lord of Hosts will step in and restore what the devil has taken away.** You can also file complaints against the devil and get YOUR recompense from the devil taking your job in the first place.
- **As long as you are obedient and you are in good standing with Jesus, the Lord of Hosts will govern all financial situations that affect your household.** I can tell you from personal experience that this works, as the devil has been trying to destroy my household for YEARS. Every time that fool comes sniffing around to try and destroy my household, the Lord of Hosts steps in and sends the devil packing, which pisses the devil off that he cannot get to my household.
- **I am posting this article this month because I have been warned that there is a HUGE “Correction” coming and now is the time to prepare for it.** I would suggest that you get with Jesus and ask Him about this book that you CAN be a part of if you just ask, or go to the Lord of Hosts directly and ask Him to explain how all of this works.
- **Know that the Lord of Hosts will NOT entertain your request if you are NOT a Disciple of Christ or a follower of Christ that is filled with the Holy Ghost.** This excludes every single person who is Once Saved, Always Saved, every person who is in the denominational church who is following Church Doctrine as a Calvinist, a Dispensationalist or a Amenianist as they are NOT of Christ.

I give a scenario of how this will work when the devil decides to rip the household resources out from under you when you least expect it and how the Lord of Hosts steps in and kicks that fool devil in the behind every time. **I personally have been through a household resource “correction” 3 times within the past 10 years.** The first time I went through this, I was NOT prepared and the devil left me broke with NO MONEY to pay my mortgage. We had a little food, and that was enough to get us through and it was NOT easy. This is when the Lord of Hosts sat me down and explained all of this.

I added as a recompense to my prayers that people who are in trouble because the devil pulls the money out of their households be restored ten-fold and written in the book of Households while the devil was kicking my behind (I was ignorant of what the devil does, like many of you are out there). **The devil suddenly stopped bothering me and left me alone.** I found out later from the Lord of Hosts personally that His book of Households

was now **Books of Households** because of my prayers and He actually showed me the books that had been added. The Lord of Hosts was VERY pleased with the results of my prayers. Needless to say, the devil left me alone for a season because he knows that if a household is protected by the Lord of Hosts, he has NO CHANCE to destroy that household.

The devil is a dirty dog, and it pleases me to be able to kick the devil's behind once in a while.

The last offering we are making this month will be about the rapture, and we are going to show that **ONLY those who are Disciples of Christ or followers of Christ who are filled with the Holy Ghost are eligible for ANY sort of Rapture.** Many people think that just because they "believe" that they will be raptured out of here when Jesus makes the call, and many people are going to be left behind to deal with the devil without the Holy Ghost helping them.

You see, **the rapture is the recalling of the Holy Ghost from the earth,** and it is the Holy Ghost that is holding back the devil from doing what he wants to do, and that is to destroy all that he can. Many people in the denominational churches **will find out VERY quickly that they are NOT following Jesus and by NOT following Jesus, they are going to be left to deal with the devil without Jesus.**

Many people have no idea that they cannot overtake the devil because they do not have the authority to do so. **The Lord Jesus Christ will give you His authority to counter the devil ONLY IF you are a Disciple of Christ or a follower of Christ.** Again – Once Saved, Always Saved will NOT cut it. What are you going to say to those pastors who are promoting and pushing Once Saved Always Saved when you are left behind – with them – as Jesus is proving that the doctrine(s) they are pushing is a lie?

These are the things you can think about as you read and listen to the videos in our article on the Rapture.

As always don't take our word for anything. Go DIRECTLY to Jesus and get your confirmation from Him and then do as Jesus tells you. **It is YOUR salvation that is on the line, and it is up to YOU to get as close to Jesus as you can and stay close to Him.** I am doing what the Lord has asked me to do - Proclaim the Gospel and point people to Jesus. What you do after that is your business. Get with the Lord Jesus Christ directly, Christian, and get those questions answered as soon as you can.
