

The churches in the church world we see today are going to be destroyed by the Lord Jesus Christ Himself shortly -
Are you ready for that?

In our posts this month on [Lukewarm Christianity](#), you can see that the church today has many problems that can be overcome. We did our best to show that **the pastors in the pulpits today are NOT doing what the Lord Jesus Christ has asked of them**, as we have a whole generation of people **who do not know** the Lord Jesus Christ nor the Holy Ghost. Many have turned away from the church to become **Hebrew Israelites**, **Black Hebrew Israelites**, or a part of the **Hebrew Roots** movement, as they see wholesale corruption, debauchery, witchcraft and larceny in these churches where there should be prayer and worship of the Lord Jesus Christ.

In Jesus' day, He got so angry that He drove the moneychangers out of the temple with a whip, stating that His **house of prayer has been turned into a den of thieves**. We can see that **NOTHING** has changed; today, **many pastors are not shepherds of their congregation, but CEOs of a Corporation, also known as a 501 c(3)**. The church has **become a BUSINESS, and that business is also TAX FREE**. Many people are getting into the business of being a church, cashing in on the largess of the people in those churches while not providing the people in the churches with anything other than some cheap entertainment. In effect, **the House of Prayer that was the church has now become a den of thieves once again, as the people's spiritual needs are NOT being met**.

Right NOW, as you read this posting, **the Lord Jesus Christ is trying to get as many of His people OUT of these churches before He turns over the moneychanger tables once again**. You see, Christian, the Lord Jesus Christ has passed judgment on the church, and **He has found it lacking**. As soon as He gets His people **OUT** from these churches, **He is going to destroy ALL the churches in the church world as you know it. Do NOT be surprised when you see MILLIONS of churches closed down** and hundreds of millions of 'Christians' thrust out in to street with nowhere to worship. What will make it even worse is that many of these people **will have NO CLUE as to what to do, who to talk to, or how to worship the Lord Jesus Christ in Spirit and in Truth, as the scriptures tell us**.

What you see as church today will be destroyed – and good riddance to it. The current church, as we have shown in our posts, is run by satan and many are following his dictates instead of seeking out and following the Living God, The Lord Jesus Christ.

- Why is it that people have accepted all of the foolishness that we call 'church' today?
- How is it that we went from proclaiming the Gospel to [twerking](#) in the church just like the world does?
- Why is it that we are accepting [twerking](#) in the church in the first place?
- What is wrong with people who [twerk](#) in what is supposed to be a place of worship of the Lord Jesus Christ?

Have these people gone insane?

Sadly, the answer is **YES**. People are being driven insane by the devil and the current church does **NOTHING** to stand against this.

THIS is the problem, and **THIS** is why the current churches will be destroyed. **Do you really think that the Lord Jesus Christ approves of THIS in His house of prayer?**

C'mon man.

Be Serious.

The whole purpose of this post this month was to get you to **think**, Christian, and to then **seek out the Lord Jesus Christ DIRECTLY and ask Him to show you how HE wants you to approach and worship Him**. It is pretty obvious that the majority of the pastors in the church today are not fit to be nor were they called to be pastors in the first place. The root of all evil, money, has crept into the church and **turned good people into suckers, paying these pastors a LOT of money for nothing because they are ignorant of God's Word**. Many people go to church to LEARN about God's Word, as that is what churches were for, correct? **We trusted these churches to show us the way and they failed us**. In fact, they failed us so badly, many people have quit going to church and are trying to do things themselves.

That was our problem - **instead of trusting the Lord Jesus Christ and following His lead, we trusted the pastors** in the church. We did what **we** thought was right, and **we** ignored the leading of the Holy Ghost because **we were ignorant**.

The inherent danger ahead of us now is that we have people who don't have a bonafide teacher to guide them trying to make sense of the Bible, which is just causing more confusion. This is like a person who gets ahold of an anatomy book and then declares themselves to be a doctor with the ability to perform surgery. One misstep can cause the 'patient' to be harmed fatally.

The good news is that we DO have an advocate in the Lord Jesus Christ and a teacher in the Holy Ghost, as He will teach those whom Jesus sends Him to. It has gotten down to the point that we cannot and do not trust a pastor, who was supposed to be trained to teach and guide a congregation in Jesus' stead, so people are trying to do this themselves. As we have posted, **you need the Holy Ghost to lead your Bible studies** so you will not be led astray by an improper interpretation of what the Bible says. The danger is that people who are leading these Bible studies that do NOT know any better will go off on tangents and create their own doctrine just knowing that they are right and in the will of God when they are NOT.

I said all of that to say this:

While you can, **reach out to the Lord Jesus Christ and ask Him NOW what you should do and wait for His answer so He can guide you**. Do what you can to shed the practices of being Lukewarm and know the Lord Jesus Christ for yourself for REAL. **We have provided over 20 things you can do to make yourself right with the Lord Jesus Christ so He will recognize you and take you on as His disciple. Take the time to go through all of these items and ask Jesus if what you see is true**.

This is NOT going to be an easy road, Christian, and MANY will fall away and turn from Jesus. Many of you have never heard of what we have posted before; **this is exactly why we have posted it.** After each concept that we have re-introduced to you, you see that **we ALWAYS challenge you to take what you have read to the Lord Jesus Christ and ask Him to VERIFY what you have read or what we have posted.**

That is done on purpose so you will get into your heads that you are NOT supposed to just 'accept' what you have been shown, but it is up to YOU to search out the truth for yourself. It is blatantly obvious that your 'pastor' is not interested in helping you with anything; it is also blatantly obvious that church is NOT helping you at all. **Get into the mode of asking the question 'WHY?' whenever you see or hear anything church related.**

Many of you who are considered 'Lukewarm' **will perish because you would not check things out for yourself.** Many of you do not know HOW to check things out for yourself because you have never been taught. These articles I have had posted **are there to provoke you, Christian, so you will get off of the fence and start asking questions.** Many of the articles are provocatively written on purpose; we want to get you mad enough at what I have had posted so you WILL just ask Jesus to confirm what you have read.

Will you at LEAST do that for your own Spiritual health?

The Lord Jesus Christ has made it very plain that **He is going to vomit those who are Lukewarm out of His mouth and turn away from those who will NOT commit to Him.** Most Lukewarm Christians will NOT commit because they have been taught by these pastors to expect Jesus to do everything for them.

No.

You need to at least reach out to Jesus and then wait for His response to you. That is the LEAST you can do, Christian, especially if you consider yourself 'saved'. **To TRULY be saved, or Born Again, you not only have to confess you sins and repent of those sins, but you have to OBEY the Lord Jesus Christ's commandments to YOU.** It is through OBEYING what Jesus tells you to do that you are truly 'saved'; it is NOT following a bunch of rules on your own.

- It is NOT following a 'formula' that someone wrote down as to how you SHOULD be as a person who is 'saved'.
- It is NOT how 'they' tell you that you should talk or act;
- It is NOT throwing some money in a plate expecting you will get a 'reward' from god because you gave a little money;
- It is NOT jumping around like a fool acting crazy because you THINK you 'have the Holy Ghost';
- It is NOT going through rituals and 'steps' to be a 'Christian';

- It is NOT following some doctrine that some knucklehead made up in a seminary;
- It is NOT using 'church speak' which makes no sense at all;
- It is NOT saying 'praise the Lord' every sentence to sound 'holy'.

No.

It is a **REAL, NORMAL** relationship with the Lord Jesus Christ where you know Him **PERSONALLY** and He knows you because you **OBEYED** Him. **Those who hear His warnings will be those who KNOW Jesus personally;** those who **THINK** they know Jesus will perish once the churches are destroyed. The type of people who will be destroyed will be the **Once Saved, Always Saved** people who **THINK** that all you need to do is 'believe' to be saved, and unfortunately, there are a LOT of people who have been indoctrinated with this lie through **Baptist Doctrine**.

Jesus is going to build a NEW church that will be a lot like the Church in the book of Acts, and these people will be so filled with the Holy Ghost they will be glowing like angels. They will do the works that Jesus has for them, and the devil and his people are going to oppose those filled with the Holy Ghost. It is going to be a showdown, just like the showdown that Elijah had with Jezebel's 850 prophets. If you look at this story, **you see just ONE Holy Ghost filled Man of God stare down and defeat 850 prophets of Baal and WIN decisively with the POWER of the Lord behind him.** There was so much power that the people who were 'Lukewarm' – like the Lukewarm Church today – **FINALLY** bowed down and declared that the Lord that was behind Elijah was the **TRUE** God and then the rain came, as there was a drought in the land at that time.

- Do you think the devil has any chance against those filled with the Holy Ghost if ONE man with the Spirit of God can defeat 850 false prophets?
- What will the devil do when He sees **THOUSANDS** of Christians filled with the Holy Ghost, casting out demons left and right?
- What will the devil do when He sees **THOUSANDS** of Christians filled with the Holy Ghost, healing the sick right in front of hospitals, putting them out of business?

In closing, those of you that are Lukewarm Christians are going to have to make a choice – **either you gather with Jesus to become a disciple and follow Him, or you stand against Jesus.** Your days of riding the fence are over. **You will either FIGHT with the Lord Jesus Christ or you will FIGHT against the Lord Jesus Christ.** It is your choice, and if you decide to continue to sit on the fence, the choice will be made for you, as Jesus will spit you out and turn His face against YOU.

What is it going to be?

Take this time to consider what I have posted here today. If I make you sick, then good, **go to Jesus and complain to Him about me and this website.** If I seem 'self-righteous', then good – **file your complaint against me and this site and ask Jesus to resolve this issue between us.** The worst thing you can do is blow this off, Christian,

because if you do, you will be lost with the multitude that Jesus is going to spew out of His mouth and then turn His face against.

You do NOT want to be in the hands of an ANGRY God.
