

**From the Admin -  
Learning how to use the  
Armour of God is a MUST for  
all Disciples or Followers of  
Christ**

We took the time this month to present you with how you can use your armour to help you with your walk with Jesus. There is a whole lot more to this posting, but we wanted to give you some ideas about what this armour is and what it is all about.

I think we made our point about what the church is NOT telling you and we thank the Lord Jesus Christ for allowing us to show what we have been shown. Jesus tells us the following:

**John 14:12** - Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father.

Jesus tells us that we will do greater things than what He did when He was on the earth, and I believe that the use of our armour is the key to this passage. We have already shown you that you can talk with your armour, have your armour pray for you as a proxy, and generate and trigger prayers for you depending on the event. I am sure that Jesus has new things that He will show us once we have mastered what He has already shown us.

I think my point about the church not preparing us has been substantiated, and hopefully this post will stimulate some thought and possibly compel others to start asking the questions to get what Jesus wants for us when we are fighting the devil.

# A word about the death of Justice Ruth Bader Ginsburg

Finally, in the United States, **Justice Ruth Bader Ginsburg died at the age of 87.** When you look at her work and her life, as a judge, Ruth Bader Ginsburg was EVIL. She was the catalyst for abortions and she upheld the laws that would keep abortions going. This justice was also one who advocated for women to be outside of the home and for LGBTQ rights, all of which is an abomination to the Lord Jesus Christ.

After looking at this woman's record and the things she did, I can definitively say that this Justice did NOT make it into the Kingdom of God. I want it on the record here that **I do NOT want to see anyone go to hell.** Years ago, I had a dream where I was out in the harvest, going to people who were pretty messed up - some had no face, or limbs, were maimed, but my job was to go and minister to save those people who were at death's doorstep. Many of the people vomited on me, and there was blood and guts everywhere; these people were 2 steps away from death, and I was charged to go minister to these people and save them as best as I could, no matter how they looked.

**To this day, I can see the faces of those people who were cast into hell because they would NOT yield to the Lord Jesus Christ, even before death.** I remember talking to Jesus about this, and He told me that there are many people who reject Him even when death is imminent. I remember in my dream where I was pleading with people **"ask Jesus to forgive you"**, and they would not. They were stoic and unyielding, and I saw these people being cast into hell.

When I saw pictures of Justice Ruth Bader Ginsburg, **I saw the same stoic, hardened, unrepentant spirit in her face as I saw in the faces of the people in my dream. The Democrats are using this woman to gain power, and I do not believe - not for one second - that she said "it is her wish for her to be replaced after the election".** I am SURE she was in horror when she saw where she was going to be for eternity.

Even **Anton LeVay**, the leader of the Satanic Church in California, **screamed in horror when he saw where he was going for eternity.** I know that people who are going to hell suddenly see that this horror is going to be with them forever, and although some do hate the Lord Jesus Christ enough that they are "glad" they are going to hell, most realize that they have been punked by the devil as they are cast into hell. The screams are haunting.

I don't care what Justice Ruth Bader Ginsburg did in her life, **but I do NOT want to see ANYONE cast into hell.** I don't even want to see my worst enemy going to hell, and this is how I feel about this. Many people want to kill the BLM and Antifa people, but even them - **I do NOT want to see them go to hell either.** We saw a BLM/Antifa guy named Gavin in Austin get shot as a young man and he is in hell today because of his affiliations with BLM/Antifa. Gavin was the guy who was walking around with his AK-47 and raised it on a motorist who just happened to be a Sergeant in the Army.

Wrong move.

I said all of that to say this - the Lord Jesus Christ has opened my eyes to the horror that is hell, and He has put in my heart the heart of a servant that is willing to serve Jesus by helping others get to Jesus. That is why I go so hard against the **Once Saved, Always Saved** doctrine that over 90% of the denominational churches are pushing. My job, with this website, is to help people get to Jesus **if they would just drop the church indoctrination and reach out to Jesus for real.** Many will not, and **it pains me to see**

**those who could have been saved cast into hell because they believed a lie that could have been resolved in 5 minutes or less IF they had reached out to Jesus DIRECTLY and asked Him questions.**

We cannot save Justice Ruth Bader Ginsburg, as she has made her choice to hate the Lord Jesus Christ, and is now **burning and being tortured by the same devil who blinded her mind** from the love of the Lord Jesus Christ. I do know that there will be many more people who will be cast into hell, and I will probably see some of them go - for real - and I do NOT want to see that again.

Not ever.

This is the motivation behind the endless hours I spend in consultation with the Lord Jesus Christ on what to post and what scriptures I am going to use. This is the fuel that pits me against denominational doctrines in these churches and I do my best to wake people up with the content. I cannot force people to be saved, but I CAN continue to be one of the voices that will cry out, trying to get people to at least talk to Jesus one-on-one so that they can make an informed choice. This is why I was so critical of those churches in California who are being vexed by the State of California. This is why I was so harsh against John McArthur and his church because they should know better but are being blinded by church doctrine that is going to get them NOTHING from the Lord Jesus Christ.

**As always don't take our word for anything.** Go DIRECTLY to Jesus and get your confirmation from Him and then do as Jesus tells you. **It is YOUR salvation that is on the line, and it is up to YOU to get as close to Jesus as you can and stay close to Him.** I am doing what the Lord has asked me to do - Proclaim the Gospel and point people to Jesus. What you do after that is your business. Get with the Lord Jesus Christ directly, Christian, and get those questions answered as soon as you can.
