So what did we learn about porn  
and fetishes?

This month, I was able to share with you the bombshells that many people don't know or care about when it comes to porn and fetishes. So, to recap what we did learn this month, here we are:

- **We learned that Porn is a spiritual weapon of the devil, and this will explain why we, as humans, cannot resist porn.** Porn has a mind of its own, and it will call you, stalk you, enslave you and feed you when it is instructed to do so by the devil through the Sodomite spirit.
- **We learned that fetishes are open air prisons where the people are bound and enslaved by that fetish.** That fetish will also keep you enthralled with the porn that feeds that fetish, and as you continue to consume that porn that is feeding the fetish, the bonds and ties that are put on you by the devil tighten to the point that you CANNOT move or do anything.
- **We learned that almost everyone in the world has a fetish, and if you are under a fetish, you are under the dominion and the auspices of the devil as a sodomite, even if you are NOT a homosexual/lesbian or a "Christian".** Through fetishes, the devil has just about everyone in the world under his authority in one way or another, and that INCLUDES professing "Christians".
- **We learned that you CANNOT get free of the fetish(es) you have been assigned by the devil unless you have the help of the Lord Jesus Christ, the Lord of Hosts (Jesus' Father) or the Holy Ghost.** We can see why the devil does NOT want people to talk to the Lord Jesus Christ at all, as he knows that if a person starts to talk to Jesus that his reign and rule over that person is over.
- **We learned that the current denominational church that 99% of the people go to in the world are run by the devil, as the devil has made that church into a prison camp, binding the people to himself by having the people follow doctrine and NOT the Lord Jesus Christ.** Many people who THINK that they are OK with Jesus are NOT because they have defiling elements within them that they need to work with Jesus to get rid of.
- **We learned that those who profess to be Once Saved, Always Saved are under the dominion of the devil RIGHT NOW and they are NOT going to make it into the Kingdom of God because they are sodomites, and NO sodomite gets into the Kingdom of God.** It is also VERY evident that those who are Once Saved, Always Saved have fetishes that they would NOT have had resolved before their judgment, and as we have uncovered this month, NO person with a fetish will make it into the Kingdom of God.
- **We have learned that when you have a fetish, the devil will make SURE you are damned because that fetish will make you an idolator, a spiritual fornicator, an adulterer, a fornicator (whoremonger) as well as a sodomite.** The devil wants you good and damned so you will not make it into the

Kingdom of God, and if you do NOT get with Jesus to help you get rid of all of those defiling elements, you will NOT make it into the Kingdom of God.

I know that I rail on how the "**Easy Believe-ism**" and the **Once Saved, Always Saved** doctrines are of the devil, but you can clearly see that the road to the Kingdom of God is narrow, just as the Bible tells us in scripture:

**Matthew 7:13-14** -Enter by the narrow gate; for wide is the gate and broad is the way that leads to destruction, and there are many who go in by it. **Because narrow is the gate and difficult is the way which leads to life, and there are few who find it.**

Through this study, it became very evident to me that what people are following as 'Church people' is NOT accurate. The devil puts out many means to damn us so we are not able to make it into the Kingdom of God and many of us are so cavalier about salvation, sanctification and being a Disciple or a Follower of Christ.

**It is my assertion that even those who SAY that they know the way have NO IDEA of the treacherous road that all of us must travel to make it into the Kingdom of God.** The **Bible is absolutely correct when it asserts that the gate is narrow and it is difficult to make it into the Kingdom of God.** This will equate to about 1-3% of the people of the WORLD will make it into the Kingdom of God, and those who make it only do make it because they have followed the guidelines and the words/teachings of the Lord Jesus Christ to the letter.

This is a frightening thing to realize, as **many people THINK they are going to make it but will be tripped up by the devil because they have a fetish that they didn't think anything about.** The good news is that we have Jesus to ask questions of, and to get help in our walk as we endure to the end. This study was an eye opener for me, as I realized that what I THOUGHT is not so. I THOUGHT I was safe and good, and that if I walked the path the Holy Ghost put me on, I was straight - I was OK - and I would be able to make it with no problem.

**When Jesus had me do this study, I saw just how lost I was and how lost many people who are 'of God' are.**

- How many people have a fetish that they are dealing with that they don't even think about ?
- How many people knew that a fetish is a prison run by the devil?
- How many people know that if you have a fetish, you are under the dominion of the devil - as a sodomite?
- How many people are striving to get rid of all ties and bonds to the devil through sanctification?
- How many people are casting out the demons that live in them who like the fetish they don't do anything about?
- How many people realize that the fetish they won't talk about will keep them OUT of the Kingdom of God?

I have come to realize that **the Once Saved, Always Saved people are TOTALLY LOST** because they think they can make it into the Kingdom of God by 'sliding' in on a confession. I shudder to think of all of those people who are in hell today because they did NOT know the treacherous path they must walk and they did NOT consult with Jesus to help them through. As it says in scripture:

**Hosea 4:6 - My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children.**

This is ABSOLUTELY right.

As always, **don't believe a thing that I have posted.** Take what I have posted and shared with you today to the Lord Jesus Christ and ask Him to confirm what I am saying. Ask Jesus to show you what He showed me, and your eyes will be opened to what is really going on down here in this hellhole called earth, the prison planet.
