

From the Admin -
Now that you have read what we
have posted about Israel, here
are my final thoughts

After doing this study on Israel, I have to admit that what I have had posted is the tip of the iceberg when it comes to Israel and what she does and stands for. In many cases, what we have posted is VERY inflammatory; many are NOT going to like the conclusions that we have come up with, and you are free to disagree if you so choose.

As with any topic that the Lord gives me to deal with, I have been VERY introspective of what He has shown me (walking with the Lord Jesus Christ will do that to you). Not only has the Lord Jesus Christ interacted with me as we dealt with these issues, but Jesus' Father, the Lord of Hosts, sat me down and talked to me about what He did in the Old Testament.

Like many of you, I am not a scholar of the Old Testament, and I do not profess to be. However, the Old Testament, through the revelation from the Lord of Hosts, provided many clues as to why things turned out as they did and why we have a New Testament - a new agreement - of redemption and reconciliation with the Lord of Hosts. In some of our conversations, I could almost palpably feel the hurt and sadness that the Lord had when He was dealing with the Hebrews from Egypt and the Children of Israel; I could almost palpably feel the annoyance that The Lord has with some of His children and what they do today.

The biggest thing that I took away from this experience is that **the Lord of Hosts and the Lord Jesus Christ are concerned about the IGNORANCE that many people have about them and the Word.** The Lord Jesus Christ is very aware of the dumbing down of the Gospel so no one will be able to hear it, and I can tell you definitively that when the Lord Jesus Christ moves to deal with that, it will be dramatic.

The other thing that I fought a lot with was witchcraft, and I found that many of the 'traditions' that men follow are steeped in witchcraft. **This is what I fought against when I would ask questions about things that just did not seem right** to me. When I asked the question(s), I would look to receive a definitive answer. So, let's take a look at the question I had about flag of Israel and what I had to go through to get my answers as an example.

When I asked the question **WHY there is a hexagram on the Israeli flag,** which I knew is an evil symbol, the Lord would NOT answer straightaway; He always waited. **Immediately** after I asked the question, my mind was bombarded with 'answers' that did NOT answer the question (which was our old friend - that fool the devil - who was bombarding my mind).

The conversation went something like this:

Me: Why is there a Hexagram on the Israeli flag?

The devil: That Is the star of David. What are you talking about? There is nothing wrong with that.

Me: Star of David? That looks like a hexagram to me. Who decided to put a hexagram, a witchcraft working symbol, on the flag of Israel?

The devil: You know, you cannot question what Israel does, as you will be cursed for that. Remember that the Israelis are the seed of Abraham, and if you question what Israel does, you are cursing Israel.

Me: what? (In my mind I was thinking - what is the fool talking about?)

The devil: You know, you are cursing Israel, and that is going to put a curse on you. Just accept what has been said and support Israel.

Me: you didn't answer the question. (I wanted to know and was not having ANY of that fool's misdirection)

The devil: there is nothing to answer. That flag is of the people of God. God is going to curse you if you continue on with these sort of questions.

Me: How is that the flag of God's chosen when there is a satanic symbol on the flag? (I was not letting that fool off the hook. I knew who the People of God are - those who are Born Again and follow the Lord Jesus Christ - so who was this fool talking about?)

The devil: you should not talk against the Jews, as they are God's chosen.

Me: How is it that 'God' is flying a witchcraft symbol? (This was a pointed question because I knew from the scriptures that God HATES witchcraft)

The devil: that's just how it is. Who are you to question what God does with His people?

It was at this point when the Holy Ghost told me to go and look up scripture concerning flags (also known as a 'standard') and symbols. It is here when I found out that those who follow flags are actually giving themselves to the entity they are following. Now, notice that the Lord has not said ONE WORD; He had the Holy Ghost reveal to me what was true.

I bring up this exchange because **I want to show how strong the witchcraft is whenever you question anything about Israel.** If the Lord had NOT shown me HOW witchcraft works, I would not know how to combat it. As I asked the questions, the Holy Ghost would show me scripture that would answer my questions. He also said NOTHING when I asked the questions.

Once I had made up my mind that I was going to follow what the scripture said, it was like the fog my mind was in lifted and I could see clearly **that the Israeli flag is EVIL and those who follow it – even innocently – are damned.** They are damned because **they are NOT following the Lord Jesus Christ!** As we have posted, the Lord Jesus Christ is NOT going to have His Disciples follow a satanic flag. He also clarified that **those who DO follow the satanic flag are Antichrist.**

The Lord Jesus Christ then guided me to some YouTube videos of Pastor John Hagee's church in Texas showing how the people were whipped up into a frenzy when **Pastor Hagee was telling them that they must support Israel to be blessed** (he is lying and damning his whole congregation to hell because of his lies). As soon as I finished watching those YouTube Videos, the Lord of Hosts finally spoke, and said to me:

These people are so deceived. Do they not know they are following the devil? Show them the error of their ways, son, and don't mince words.

In shock, and in awe of what the Lord of Hosts said, the Holy Ghost had me look up the word '**support**'. What you see posted is the leading of the Holy Ghost, as He guided me through the definitions and gave me a pretty fine granular meaning of the word. I added this to the website, and you can see what I came up with **here**. Through that exercise, I got to understand how the words show their intent, and I believe that the Godhead know all of the words in all languages to such a fine granular level that it would blow your mind. Unfortunately, that fool devil also knows all words in all languages with the same granularity as the Godhead, so he uses words to trick people into doing what he wants them to do.

How innocuous are the words **follow** and **support**? I can tell you when you drill down on these words, they do not mean what you think they mean. with that being said, I was shocked to find that **support** is actually a **vow**, an **oath** and a **covenant**, and if you remember our study on **Law and Order**, you will know that these are 3 of the most powerful Instruments of Adjudication that the Lord uses to govern.

With these Instruments, you can give yourself to another entity and not even know it (as many do, especially if you are in a Sorority or Fraternity. That **oath** you make and take turns you away from the Lord Jesus Christ and to the demon entity that is the Fraternity or Sorority; that demon god is now your God. When you die, you are damned because you are NOT of Christ, but of that demon god, which is idolatry. We already know that no idolaters make it into the Kingdom of God).

Many of you have made **oaths** or **vows** to an entity, but know that these instruments of Adjudication **carry the death penalty if you break them**. We see that people break these all the time, especially the marriage **vow**. A broken marriage **vow** can only be absolved through a personal conversation with the Lord Jesus Christ so He can clear any issues or iniquities concerning your **vow** from your ledger.

When I was able to compose myself, the Lord Jesus Christ then explained to me why He was so angry. He said:

All of these people think they are following me, but they are not. They are completely bewitched, and they have no idea that they are being led astray. What is worse, not one of these people asked me anything. I want you to keep telling people to come see me and ask Me what I think.

I am publishing this in my closing editorial because I want you to know that what I have posted has been run by the Lord of Hosts, the Lord Jesus Christ, and the Holy Ghost and they ALL approved of what has been said. Now, this is diametrically opposed to what many of you have been taught, been shown, or have understood. Many people just get along to go along, but they never ask the questions. Many people get comfortable with what they think the Lord wants but never take the time to ask Him directly.

I said all of that to say this:

- **Much of what you hear and all of what you see is a lie.** It is HEAVY divination and witchcraft that blankets the earth right now. It took the power of the Lord Jesus Christ and the Holy Ghost to clear the air so I could see clearly.
- **Many of you that are 'Christians' are believing lies and half-truths that are going to damn you.** What angers the Lord Jesus Christ the most is that most people are just paying Him lip service, but they NEVER ask Him anything. They never run things by Him; they just do what they THINK the Lord wants and hope that He will approve or agree.
- **Many of the Pastors who have churches will NOT address these issues or these questions regarding Israel.** The pastors are afraid of losing money, and if they stand against the Jews they could be made destitute by the Jews. These pastors are more afraid of the Jews and what they will do and say than the Living God who is telling them to proclaim the Gospel. You will have to research any questions you have about Israel on your own and go to the Lord Jesus Christ directly, bypassing these pastors, to get the answers to your questions.

So, to answer the question about the Israeli flag – **it is EVIL, as this is the flag that represents the State of Israel.** If the Standard or flag is evil, then, logically speaking, the state is evil. What the Zionists are telling you about Israel is **NOT TRUE.** It was Meyer Bauer, who changed his last name to Rothschild (red Shield), that had the Israelis in 1948 put the **hexagram** on the flag, as this was HIS seal. The symbol of Israel should be the **menorah**, as this was the symbol of the Hebrews and the Children of Israel in the past. **As you already know, the House of Rothschild is evil, and these people are Satanists (devil worshippers) and they are doing things to prepare the world for THEIR king, who is none other than Satan himself.**

This confirms the 2nd question – How is the Lord of Hosts **'blessing'** Israel?

The short answer – **The Lord of Hosts is NOT. Satan is 'blessing' Israel, telling you that 'god' is.** Which 'god' is Satan talking about? It is himself, as he is the god of this world!! See how that fool twists words to get what he wants? The devil is a dirty dog.

The miracles you see and what you see going on in Israel **is Satanically driven. The Lord of Hosts has NOT blessed Israel** because scriptures tell us that the **Children of Israel lost their inheritance because of their disobedience and were thrust out of the family of God. The only way any Jewish person can get their inheritance now is to become born again and follow the Lord Jesus Christ.**

THAT is the ONLY way and THAT is the truth.

I want to point out that as soon as I started to ask the questions about Israel, **the devil IMMEDIATELY came to 'defend' his property, which was the lie.** That fool also wanted to obscure the truth by trying to redirect me to what he said. That witchcraft the devil was divining was so strong it took a while to see clearly. When the Holy Ghost led me to the scriptures THAT is what cleared the fog. **The Word of God IS a mighty weapon and the devil cannot stand against it.** Once the fog in my mind was gone, I was able to logically think through the question(s) and get the answers I needed.

It is the **witchcraft** that is reinforcing the lie, wearing you down, so you will just 'accept' what 'they' say. When you do that, you are bound and you **WILL shut up and not talk about Israel or the dirty deeds that they do.** This is the predominate force that I dealt with.

- Why is it that SOMETHING did NOT want me to post articles on what they were doing?
- What was that force that fought me all of the time when I asked under my OWN power?

It was only when I asked Jesus to help me did the Holy Ghost stand up and guide me to what I needed to know. The takeaway on this:

- **I needed Jesus to break the spell that was being cast**, especially if you are talking about Israel;
- **Something or someone did NOT want me to ask the questions**, and to accept what has been told;
- **I could NOT break the spell under my own power or intellect.** I needed the mind of Christ to break through the crap so I could get understanding.

The biggest thing that the Lord showed me is that the descendants of **the Children of Israel are LOST. They were thrust out because of their disobedience, a thing that many Jews today don't want to talk about.** All of the 'success' you see with the Jews is the **power from the devil, also known as Satan,** and you see the Jews exalted in all that they do. If you look at it logically, why is it that .04% of the population, who are Jews, has more representation in areas of power and influence than any other group? Do you think that is an accident?

That leads to, by inference, that:

- The State of Israel was NOT brought to where it was by the Lord of Hosts, **but the Lord of Hosts allowed that so the end of the age could commence.**
- The 6-day war was NOT Michael the Archangel fighting FOR Israel, but internal squabbling by the devil's forces to set up a state that is his that he can use to control the world. Again, **the Lord of Hosts allowed this so the stage will be set for the antichrist,** which is in effect **a trap for the devil because once the age is ended, that fool will be locked up for 1000 years.**
- The acumen you see in world affairs – the money, the power, the prestige – **that has been given to the Jews by the devil because the devil controls the money of the world** as he is the god of this world. Is it an accident that ALL of the media companies and almost ALL of the banks are controlled by or run by Jews? If the devil controls the money, the devil is going to put in place those whom he trusts, and that is a logical conclusion to what we see in the world today.
- **The devil can (and does) 'bless' his people.** Many of you think that only the Lord can bless people, but now you know otherwise, as he does bless his people when they please him. If you let that sink in a bit, you can **see how the devil can masquerade as the Lord and perform miracles that many think are of the Lord,** but are not. **Didn't Jesus tell us that the devil can transform himself into an angel of light** and we are NOT to be deceived by this? We have to always be sober and vigilant, and the first step is to know your enemy so you are not taken by him unaware.

Remember what the scripture showed when the devil tempted Jesus?

Matthew 4:8-9 - Again, the devil taketh him up into an exceeding high mountain, and sheweth him all the kingdoms of the world, and the glory of them; And saith unto him, **All these things will I give thee, if thou wilt fall down and worship me.**

Jesus refused, and told the devil to go somewhere, as you can see here:

Matthew 4:10 - Then saith Jesus unto him, Get thee hence, Satan: for it is written, Thou shalt worship the Lord thy God, and him only shalt thou serve.

I believe that the devil made the same offer you see in Matthew 4:8-9 to the Jews, and since they were rejected by the Lord of Hosts for their disobedience, they took the devil's offer, as they were mad at the Lord of Hosts for rejecting them. Now you see them lauded by the devil, as they are now his people. I also believe that the devil established the State of Israel to be a 'spiritual center' to project his control around the world. Now, I cannot definitively prove that, but it is a good postulation as to what is going on around the world today.

The Lord of Hosts is going to judge Israel for ALL of the atrocities that she has committed, and He is going to destroy Israel as they will be numbered and found lacking. As it shows in scripture, 66% of the people in Israel will die, and it will only be when **that remnant repents and calls out to Jesus to help them** that Jesus will **come down and help them**. It will be at that time when the scales will fall from their eyes and the curses will be lifted off of the Jews who repented and they will accept Jesus as their Messiah. Hopefully the Jews will be smart enough to get with Jesus NOW to be saved and get their inheritance and not wait until the end time.

Before I close for this month, I want to emphasize that **Israel is using HEAVY witchcraft to mask what they are really doing**. Take a look at our article on **The Witchcraft of Israel** very closely, and you will see that this power is REAL. Many of you out there are convinced that 'The devil is defeated' and he is. **However, do NOT make the mistake of going up against Israel WITHOUT the Power of the Lord Jesus Christ resting upon you**. If you try and talk against Israel without the Power of the Lord Jesus Christ, you will be mowed down, marginalized and silenced.

I have posted what I have been able to find during my research time with the help of the Holy Ghost and the Lord Jesus Christ, and this is why my mind has been cleared to come up with logical and scriptural conclusions, which you can see **here**. Many of you will call me all sorts of things - a false prophet, a charlatan, a shaman, and some will curse me and this website because we are standing against 'God'.

No, I am not.

O foolish Christians, who has bewitched you?

Scripture states in Revelations that **the harlot rides the beast, and the people are drunk from the wine of her fornication**. I submit that **the wine is the witchcraft** that is putting almost everyone to sleep worldwide. That **pimp juice** that **Israel and everyone associated with Israel is feeding people through the media, the music, the news, the movies, the DVDs, the GMO foods, the chemtrails, and the schools that hate Christ** has put most of the world **into a drunken stupor**.

It seems only those who REALLY know the Lord Jesus Christ who are **prepared and powered up with His power and authority** are not buying what Israel is selling.

We have posted a LOT of information about Israel, and I know that there is no way you can ingest and absorb the information we have posted in one month. So, next month, **we will not only leave up the Israel articles, but we will take a critical look at the Church (especially in America)**. The Church has been taken over by Satan, and those of you **that are going to church currently are being hoodwinked and fleeced, as well as being completely unprepared for the things that are coming**.

I hope the articles posted will get you to THINK and then cry out to the Lord Jesus Christ to get the answers you will need. We will then **go back to the topic of Israel**, post a few more articles on what we have found, and then **make some final observations** before we move on to the next topic..

Know that The Lord Jesus Christ is judging everyone that is on the earth, and also know **that over 90% of the people He judges are sent to hell**.

That is a scary thought, isn't it?

I sincerely hope and pray that those of you reading this site **will take heed and get with the Lord Jesus Christ NOW** so you can be prepared for when you meet Jesus face-to-face when you die. The language we use on this site is pretty harsh, and sometime downright in-your-face, **but it is necessary to do this as the people of the world are asleep from the pimp juice that the devil is feeding everyone through television, movies, music, porn and church**.

Let's hope and pray you are awakened and you get to Christ NOW.

Now, I put all of this out there so **YOU**, the one who is reading this, can have something to go to the Lord Jesus Christ and talk about. Many of the end-time prophecies that you see and hear about are NOT true, but as I always say – **believe NOTHING that I say or have posted** – it is up to YOU **to go to the Lord Jesus Christ yourself and verify what you have seen or heard**. If you are getting angry with me because of what I have posted in my closing editorial, **that is YOUR problem and I feel sorry for you**. Do yourself a favour – **get with the Lord Jesus Christ and ask HIM about what you have read and do as He asks of you**.
