

From the Admin -
This month we are looking at
Israel to answer
Questions that no one wants to
answer

This month, we are going to take a good hard look at **ISRAEL**, as this topic is NOT what you think it is. I have been given this topic because many of you have idolized Israel, not knowing what you are idolizing. Many of you think that if you do not toe the line with Israel, you will be cursed by the Lord Himself.

Has anyone asked the question WHY we need to support Israel?

- Why is it a MUST to support a land that is thousands of miles away from us?
- Why does Israel always seem to be fighting with its neighbours?
- Why does America spend Billions of Dollars supporting Israel every year?
- Why do we have dual Israeli-American citizens in Congress?
- Why is it that Israel's interests are put ahead of American Interests?
- Why is it that almost all politicians forsake America for Israel?
- Why is it that they are the chosen ones?
- Why does it seem that Israel gets away with murder for some of the things that she does?
- Why do pastors push so hard for Christians to 'support' Israel?
- Why is there a 'Judeo-Christian' ethic ?

These are the questions that many want to ask, but are afraid to.

Why?

They do not want to seem as they are 'anti-Semitic'.

As you know with this website, we always go where people do not want to tread; we run what questions we have by the Lord Jesus Christ to get His take. I understand that there is a very strong agenda out there that tells us that we MUST agree with Israel, Jews and Jewish principles. In fact, many of you are enamoured by what the Israelites in Israel are doing and are fascinated at their success.

We have many cities and municipalities that send their police chiefs to Israel for training in the best way to police the streets of America. What has happened is that the police are less police and more military, as it is in Israel. The tactics that are being used in Israel are now being used by the police on our city streets.

Has anyone asked WHY this is necessary?

Why is it that Israel has the preferred method of policing? Why didn't the police chiefs go to Germany, or Switzerland, or Sweden to get that training? I firmly believe that there is an agenda that we are not privy to that is being used for some reason, but what reason could that be?

We have Christians of all stripes saying that we MUST support Israel because if we do not, we will be cursed. Here is the Scripture where Abraham is given that promise by the Lord of Hosts that many people use to justify their thinking:

Genesis 12:3 - And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed.

OK, fair enough, but who is the Lord of Hosts talking to here?

- Is He talking about all of the nations birthed by Abraham's loins or is He just talking about Abraham's family THEN?
- Since many in Israel claim to be Abraham's seed, does this promise apply to them?
- What about the Lord of Hosts going to Jacob and making a similar promise?
- Do you think that the Lord of Hosts has forgotten what promise He made to Abraham?
- Will the Lord of Hosts bless a nation that is destroying others?
- Will the Lord of Hosts bless a nation that is constantly fighting with its neighbours?

The same argument can be made about the United States of America, as that country has done MANY heinous things to other countries over the years. Is the Lord of Hosts blessing the United States of America and turning a blind eye to the heinous things that it has done to other countries?

I brought all of these questions to the Lord of Hosts and the Lord Jesus Christ, and I must tell you that **I was quite shocked at what answers I got.** I also got some information that I did NOT expect to hear concerning Israel in particular.

It seems that the **Lord of Hosts and the Lord Jesus Christ are very upset that people who profess to be 'Christians' are idolizing Israel as a bastion of hope and righteousness for the world and they are giving their allegiance to Israel and turning away from Jesus.** My spirit was troubled by this, and this is why I reached out to find out what is really going on.

On this website for this month, we are going to look at all of the questions raised and deal with them head on. **Many of you will not like what I will have posted on this site because it will assault what you have been TOLD to think about Israel and what she does.** Many of you are enamoured by the 'mystic' qualities that the Israeli people seem to have, as many of you have enjoyed and have been entertained by these 'mystic' qualities by watching people on television. Ziva David from NCIS comes to mind.

Using plain logic, we are going to deal with the questions that make no Biblical sense. **How is it that the Lord of Hosts is 'blessing ' a country that has a majority of people in it that absolutely HATE His son Jesus?** Didn't Jesus tell us that if we hate HIM that we hate His Father? Didn't Jesus tell us that if you see Him you see His Father?

These things are just not adding up, and we are going to deal with all of these questions this month. We are going to look at how those who do support Israel **are missing out on THEIR relationship with the Lord Jesus Christ** by worrying about what Israel does. As you will see, **Israel HATES The Lord Jesus Christ**, so what business does any 'Christian' have with a place that HATES their Lord and Saviour?

Let me be clear - I am **not going to delve into the politics of Judaism** or get too deep into the mindsets of those who are in these environments. **My goal is to shine the Light of Christ on how Israel is affecting the Body of Christ**, and why the Lord is upset about what He sees. We are going to look at the errors or triumphs of the Body of Christ, and I am not going to post much about any injustices that people will complain about. **As far as the questions about Israel and the Palestinians, I am NOT going to cover that.** All I will say is that the Palestinians who are saved need to get with the Lord Jesus Christ and cultivate a personal relationship with HIM and have HIM intervene on their behalf. Only Jesus will be able to solve THAT problem.

You can take what you have read and draw your own conclusions. **Do not take my word nor anyone else's word for ANYTHING; you need to find out for YOURSELF if what is being said is true.** Find a nice quiet room or corner somewhere and ask Jesus to meet you there so you will be able to talk to Him for REAL.

Many of you will come to the same conclusions that I have come to; **many of you will not, and you will cling onto what you have been 'told' by 'them'**. I really do not care what you come up with or what you think about me or this site, but I WILL always guide you to Jesus so you can ask HIM what is right and what is not. **It is YOUR salvation that is on the line, and it is up to YOU to get as close to Jesus as you can and stay close to Him.** I am doing what the Lord has asked me to do - Proclaim the Gospel and point people to Jesus. What you do after that is your business, and when I am in front of Jesus being judged, I can tell Him that I did EXACTLY what He sent me to do - I told them.
