

**From the admin:
We are going to switch gears
and talk about other things
you need to know about this
month**

In our articles this month, we are going to change gears and look at a few things that most will not even talk about. **The first thing we are going to discuss is how the devil flexes on people, his slaves, and even the Christian church.** We are going to spend a little time talking about this, as the devil is on a rampage with his agenda – and that agenda will allow him to rule over humanity. **The devil is flexing ALL of the time, and nobody will stand up to that fool and slap him down.** We will show you what the devil is doing to mock us, as he always does, and he uses many means such as films, videos, the news, and music to make his points.

You see, the devil knows that no one is opposing him now as he advances his agenda, so this is a manifestation of his character – mocking – when he knows that he is going to get his way. **The churches are powerless because the devil has made sure they are powerless by introducing denominations and division within the body of Christ.** He has also dumbed down the people so they are not able to comprehend the Bible in any shape, form or fashion; they will NOT read the Bible because “its too hard”. He has put in pastors who are browbeating their congregations to NOT talk to Jesus directly and to “just read your bible”, putting the congregations at a disadvantage. **The devil knows that a person just “reading the Bible” will NEVER understand the Bible,** and then for those who reach out to their pastors to get understanding, he has made sure the people go to pastors that he (the devil) has placed in the pulpit so that they can be indoctrinated with doctrine and NOT learn about the Lord of Hosts, the Lord Jesus Christ or the Holy Ghost. **Everyone should know that you NEED the Holy Ghost to reveal the Bible to you,** and all of this is designed to keep people away from the Holy Ghost so that the churches will be pliable and malleable in the devil’s hands.

What a mess.

You already know, if you have been reading my articles and watching my videos, **that the Holy Ghost is a VITAL part of sanctification and salvation and that NO person can even be considered for the Kingdom of God if they are NOT filled with the Holy Ghost.** The churches are shunting aside the Holy Ghost and they are concentrating on their doctrine, which is mostly made up by some theologian or are traditions that have no basis in the Bible. The Catholic

Church is bathed in traditions, so can we really say that this church represents the Lord Jesus Christ?

With all of this mayhem that the devil has produced, we question WHY is it even necessary for the Lord of Hosts to grant the devil time to rule over humanity. Satan got kicked out of the Kingdom of God for his insurrection, so why does the Lord of Hosts even care what the devil does? As you will see, allowing the devil to rule over humanity is a means to get rid of the iniquities that the devil has put into humanity and it serves a purpose of allowing the devil to rule. Ruling and being like God is the devil's heart's desire, and the Lord of Hosts is going to allow this – even though it is for a short time (3.5 years). This will also pit the devil's puny forces against the forces of the Lord of the Universe, and everyone knows who is going to prevail in that contest.

We will then take a closer look at what happens when you “endure to the end”. We read the scripture and what we have been taught is that we are to “believe” until we die and then we will make it into the Kingdom of God.

- Is that REALLY what “enduring to the end” means?
- Why is “enduring to the end” important?
- Why do people always gloss over what those words mean (and they have a significant meaning)?

We will then show you in our articles and videos what you are in for. I will guarantee you that what the churches have told you is not accurate because **“enduring to the end” has a real significance on your walk on the path to salvation.** As you walk on the path of salvation, you are going to be subjected to some real persecution by the devil, and every person who professes to be a disciple or a follower of Christ is going to have to endure through this “sifting”. We take great pains to show you why this is done, why this is necessary, and how you can endure through your sifting when it is your time to be sifted by the devil. Know that this “sifting” is purification, as the sifting will bring up all of the iniquities in you that you can work with the Lord Jesus Christ and the Holy Ghost to get rid of.

Once you have studied what we have presented, you will know - beyond a shadow of a doubt - why the Once Saved, Always Saved doctrine is a doctrine of

demons. When you look at all of the instances where you are PERSONALLY working with the Lord Jesus Christ to work out YOUR salvation with Him, you can see the deception. Jesus is trying to tell us He will help prepare us for our judgment if we would just come to Him for help. When you are judged, and you are prepared, things would be a lot easier for everyone.

I cannot guarantee that you will make it into the Kingdom of God, but I can tell you that you will not be surprised or shocked by what happens when you are judged. The Once Saved, Always Saved doctrine has you sitting around doing nothing, and many of you are going to be shocked when you are judged and Jesus will tell you that He “never knew you”. Jesus would be absolutely right, as you would be unprepared and unable to enter the Kingdom of God as a Once Saved, Always Saved person.

Also know that when you are being sifted, you have to FIGHT the devil, and this brings up the last item of discussion this month. **I have been given the go ahead to discuss a new breed of disciple – the warrior class of disciples.** This class of disciples will not hesitate to step up to the devil and kick him in his nibbly bits, and they will not be afraid. You see, today’s “Christian” is afraid and is relying on Jesus to save their sorry behinds by rapturing them out so they will not have to go through any hardship. All they talk about is the rapture, and they cannot wait to be raptured out. They cannot wait until Jesus puts down the devil’s tyranny for them. They cry out to the Lord to help keep the devil off of them.

Now who told them that was the case? Who is putting into people’s mind and hearts that they should not have to go through any hardship and to do all they can to AVOID conflict with the devil?

I think you know the answer to that question.

This new warrior class will be a class of disciple who are filled with the Holy Ghost and they have their orders to stand against the devil in every way possible.

- **They know how to use prayers to pummel and punish the devil** whenever they are out and about;

- **They know how to bring legal cases against the devil in the Courts of the Universe**, where the Lord of Hosts, the Lord Jesus Christ and the Holy Ghost are judges in that court who will, at their discretion, adjudicate legal cases against the devil that will stop him from doing what he is doing to people;
- **They know how to use their armour**, getting their armour to generate prayers for them to change the atmosphere around them so the devil and his minions will flee.

These disciples will be a lot like the apostles in the book of acts, but they will be even more powerful because they would have been trained to do what the Lord Jesus Christ wants them to do. No longer are they content to be in churches where they are singing songs, dancing around like fools with smoking bunnions, blowing bubbles and acting a fool. They will be prayed up, prepared, and sent to oppose the devil and all of his various agendas.

We have revamped the website to show you articles on how you can prepare to be the new breed of disciple, showing you things that the Lord Jesus Christ and the Lord of Hosts has revealed to me regarding this. I have spent a lot of time in my prayer closet talking to the Lord about this, and they have given me a treasure trove of information that I am sharing freely to you on this website (and no, I am not charging \$29.95 for this information like many of these churches do).

For many of you, what we have produced and are showing is incredulous; many of you think that we are spending too much time watching movies. We use, for example, **the analogy of your armour being like the Iron Man suit to show you that you are nowhere near using the potential of your armour and that the operation of our armour is very similar to the operation of the iron man suit.** The churches are not teaching you anything about how to use your armour to pray, or to intercede, or to show you how you can do all of this and still be in line with the Bible.

We are showing all of that in our articles.

Finally, **I want to stress that talking and interacting with the Lord of Hosts, the Lord Jesus Christ and the Holy Ghost is essential and necessary.** The

Churches today have you talk to THEM about spiritual matters when you can also go directly to the Godhead if you have any questions or issues. I firmly believe that in the past 50 years, the church has been severely weakened because the seminaries saw a means to make money in the church world. **These seminaries are churning out people who are not even qualified to be a pastor – women, homosexuals, lesbians, drunkards and those who are NOT Born again – and they are promoting doctrine instead of the gospel of the Lord Jesus Christ.** I am convinced that a good number – over 70% of the “graduates from these seminaries – **are not even born again NOR have they been tapped by the Lord Jesus Christ to be an overseer of His church.** Many of these “pastors” are a part of fraternities or are heavily involved in Freemasonry, and they bring that luciferian Freemason trash into the church so that church is defiled and out of order.

If it seems like I am venting in this month’s editorial, you are right – I am. As I have administered over this website, I have run into heavy opposition to what I have allowed to be posted. When I do the research for the articles, it is very evident to see the contradictions of what the Bible says and what the churches are teaching. I see the persecution of churches, especially in Canada, and how they are unable or unwilling to use the tools the Lord Jesus Christ has provided all of his disciples and followers to oppose that fool devil. I see that many of these churches don’t even know how to fight the devil, and they just sit there, taking a butt-whipping from the devil, as they sing songs and make weak prayers to the Lord Jesus Christ to help them.

The Lord Jesus Christ is sitting RIGHT THERE waiting for these people to come to Him to get the preparation and the tools necessary to fight the devil and kick that fool in the nibbly-bits when he flexes.

It is frustrating to see this, and I have complained to the Lord Jesus Christ about this very subject. Of course the Lord Jesus Christ knows exactly what I am talking about, so He has given me the task of presenting the material that the churches will not present to YOU – free of charge – so you can get with the Lord Jesus Christ and the Holy Ghost to get up to speed and get prepared. Know that the Lord of Hosts is going to let things get worse to motivate the body of Christ to get up off of their behinds and get on the front lines and stand against the devil as they have been commanded to do.

I could have kept my mouth shut, and I could have coasted along to get into the Kingdom of God when I die. As many of you know, the devil tried to hasten my death (you can see the account [here](#)) because I just will not SHUT UP about the things that I have allowed to be posted on this website.

- Is what we have posted controversial?
- Is what we have posted graphic?
- Is what we have posted diametrically opposite of what you learned in church?
- Are we going to continue to push the envelope?
- Have we gotten the Lord Jesus Christ's permission to post these articles and videos?

The answer to all of the questions posed above is YES.

The whole goal of this website is to get you to THINK and then to get with the Lord Jesus Christ and ask questions about what we have produced. **I am not asking you to believe ANYTHING that I have allowed to be posted; it is up to YOU to do your own research, ask questions of Jesus personally, and then follow what He tells you to do.** Rest assured – if what I have allowed to be posted is untrue or in error, the Lord Jesus Christ PERSONALLY will have me pull those articles or videos down to fix them.

That's how I roll.

That's how we, as the Body of Christ, SHOULD roll.

As always, don't take my word for anything. Go DIRECTLY to Jesus and get your confirmation from Him and then do as Jesus tells you. **It is YOUR salvation that is on the line, and it is up to YOU to get as close to Jesus as you can and stay close to Him.** I am doing what the Lord has asked me to do - Proclaim the Gospel and point people to Jesus. What you do after that is your business. Get with the Lord Jesus Christ directly, Christian, and get those questions answered as soon as you can. Get more tips on how to talk to the Lord directly [here](#).
