Normally, I add my editorial AFTER the headlines on this site, but this month, I am going to post things a little differently. You see, things are NOT getting better since last month's shutdown of the WORLD. People are still afraid of the coronavirus, but there is a lot more information coming out that is causing people to question the narrative that has been presented by the mainstream media.

We are also seeing YouTube removing videos that do NOT follow the narrative of the mainstream media. There are many people who have posted a lot of information on their channel regarding what they have learned about the coronavirus which is contrary to what is being shown on the news and their work is disappearing.

What I am seeing is that there is a nefarious plot afoot to enslave and "punish" those people who dare to speak out against the narrative being pushed. We are also seeing that the governors and mayors are NOT working with the President to get America opened again, and they are doubling down on their edicts that they have over their constituents.

So let's take a look at that for a moment.

Why are so many Democratic governors and mayors balking at opening up the United States economy and they are fighting President Trump? Many of these governors and mayors have set very strict rules for people to be interacting with others, and these edicts are being enforced by the police with fines and tickets.

People are now starting to protest these edicts, but many of the Democratic Governors and Mayors are doubling down on their executive orders, even if they are unconstitutional. Many are threatening people with arrest and jail if they do not follow what has been handed down.

You have to understand that the Democratic (and some Republican) Governors and Mayors are "all in" for the New World Order. They are all vying for a seat at the table when things are reordered. They want to be in positions of authority when nation states are done away with for economic zones, and this is the first step to get the populace to accept the new way of doing things.

This is nothing new, as President Obama was put in office to advance the LGBT agenda, making everyone into a sodomite, which is what is needed because the antichrist is going to be a sodomite. The plan was to then install Hillary Clinton as the 2<sup>nd</sup> act to complete the destruction of the United States as a Nation State so the new world order can be installed.

Then came Donald Trump.

Donald Trump is a statesman, and his thrust is to make America a GREAT nation state as it was in the past. Well, that has put a stumbling block in the way of the New World Order, and the Democrats HATE Donald Trump with a passion. We can see that they have done everything they could to try and destroy him – from the “grabbing the pussy” comment from back in the day, to obstructing everything that President Trump does legislatively, to bringing impeachment proceedings to get President Trump out of the way so they can proceed with their New World Order plans.

All of these attempts have failed.

So, the Democratic Party, along with the Deep State, cooked up this coronavirus (yes, it is man-made) and had it released to create a pandemic, all in an attempt to blame to deaths of the people on President Trump to turn the people away from President Trump to them. This is where we are now.

So, the Deep State/New World Order Satanists stole all of the resources for a whole month from most of the people of the entire world by shutting down the economies of the countries all over the world.

- Who has the power to do that?
- Do you really think that the Deep State can do anything like that on their own without help?

I submit to you today that the Deep State is using spiritual weapons to overcome and control those who are living on the earth today. They are shoving this New World Order down your throat – like it or not – so THEY can be in charge. The people of the Deep State are not intelligent enough to do this on their own – they have the help of the god of this world, Satan, who is orchestrating all of this for

his own purposes. How do we know this? The Bible tells us that Satan is the god of this world, as you can see in scripture here:

**2 Corinthians 4:4** -In whom the god of this world hath blinded the minds of them who believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine to them.

Now, many of you do not believe that there is a “Satan”, and that is fine. You can believe what you want to believe, but know that there are spiritual weapons being used to subjugate people so they will not resist and fall in line with Satan’s plans.

Here is the thing – spiritual weapons such as FEAR, Fetishes and PORN are being used, and humans have NO POWER to resist spiritual weapons. This is how the Deep State controls, and they butcher babies through abortion as a sacrifice to Ba’al (Satan) to get the power they want from Satan.

What we are facing right now is a spiritual conflict, as the Deep State is using the blood of butchered babies to power their quest for dominance over the people of the world. We can see this with the temple of Ba’al being erected in many major cities like New York. The butchering of babies through abortions has given the deep state great power, and many governors in many states have signed legislation to allow full-term abortions in that state.

I know that for the State of New York, **we have stood against the full term abortion law**, but the Governor of New York signed the bill anyway. We had a whole post on this that you can see here, so are we surprised that New York is suffering now from this coronavirus?

The truth of the matter is that **many of these Governors and Mayors are Satanists**, as Satan is their god, and Satan is taking very good care of his people. Satan is giving these people power, money, prestige, and all of the young children they can enjoy, as many of these Satanists are pedophiles who are having sex with young children and teens where they eventually kill them in satanic rituals.

So where is the church in all of this?

**The church has been disempowered by Satan because they are worshipping doctrines and they have turned away from the Lord Jesus Christ and the Holy Ghost, which has caused Jesus to turn away from them and turn these churches over to the devil to have.** If you are a part of the denominational church system or the Catholic Church, you are under the dominion of the devil and you are enslaved by the devil and **most of you have no idea that you are enslaved.**

On this website, we have taken great pains to show you HOW you are under the dominion of the devil, as we have shown you how the devil enslaves via the Sodomite spirit. We show you how **Porn** and **Fetishes** are the weapons of choice to make people into **sodomites** as they are under the rule of the devil, even though they THINK they are a Christian. I have taken the time to show graphically HOW the devil is making even those in the church sodomites, even if they go to church.

We are in a war, people, and the devil is playing for keeps. He is using spiritual weapons to enslave and dominate people because **he knows that you are ignorant of spiritual things and he knows that you do not have the authority to fight him when he puts spiritual oppression on you.** This is what we are seeing right now, but the Lord Jesus Christ has commissioned me to show you some things that you can use – RIGHT NOW – to push back against the devil and his minions.

**This month's posting will be to show you the things that your churches are NOT showing you that you need to know to be able to overcome the spiritual weapons the devil is using and to defeat those weapons to get yourself free with the Lord Jesus Christ's help, of course.**

People are rising up, but they are going to be slapped down hard by the Deep State because of their ignorance of spiritual matters. People are going to go against the mayors and governors who have set these draconian orders in place **by suing them in court, and that is a good thing.** However, you did NOT solve the problem with suing because **the devil will sacrifice those mayors/governors what are weak with others that are more wicked that the ones that have been removed.**

The Lord of Hosts and the Lord Jesus Christ will ALWAYS honour a person's choice, and the devil will just make you choose him. You can see that is the case with the governors and mayors because of the "rules" with social distancing, wearing masks, and the fear or being re-infected by the coronavirus.

What I am going to show everyone this month is that **you are suing the devil in the WRONG court system.** You have to understand that the devil is already judged by the Lord of Hosts, the Lord Jesus Christ and the Holy Ghost and **his fate is to be cast into the lake of fire.** **You will go with the devil if you do NOT engage the court of the Universe which is presided over by the Lord of Hosts (Jesus' Father), the Lord Jesus Christ, and the Holy Ghost.**

- I am going to show you how YOU can file complaints against the devil using the court of the Universe where the devil is also subjected to the rules of that court.
- I will show you how to file a petition where you can use this legal instrument along with complaints to get a decree that will garner you a recompense for all of the things that the devil has done to you, stolen from you or vexed you with.

Yes, the devil has to pay if he stole money from you, **and each and every one of you reading this post is DUE a recompense from the devil stealing your resources for the last 6 weeks,** and I will show you step by step what YOU need to do to get YOUR recompense due you since the devil stole from you.

- You will learn how to stop the Deep State in its tracks because you will have the power and authority of the Lord Jesus Christ which supersedes the power of the Deep State or the devil.
- You will learn about authority and how it is given.
- You will learn about power and why those with more authority have more power.
- You will learn why humans have NO power or authority, and this is why you need the Lord Jesus Christ as your saviour because He will help you overcome the devil using His power and authority.

This is the reason why being “Born Again” is so important, and this is why I have posted a lot of information on how **denominational doctrines are leading people away from the Lord Jesus Christ**. I have also posted a lot of information on **why you need to be filled with the Holy Ghost**, as the Holy Ghost is the **earnest of your salvation**, which means Jesus has put a down payment on YOU which He will come back later once you have matured to collect. **You will learn that you CANNOT be raptured or get into the Kingdom of God WITHOUT being filled with the Holy Ghost.**

So why hasn't your church talked to you about any of these things that you will see in the posts this month? It is because **your church is run by the devil**, and the devil is NOT going to show you how to do anything but be a good slave.

This month's post will be filled with a LOT of information and I have been authorized to release it so YOU will know what you need to do. You will NOT get this information on the first go, so since you have the time being under stay-at-home orders, read about what YOU need to do and you can get with the Lord Jesus Christ to guide you so YOU can push back against this devil for real.

Finally, I want to talk to those who have guns and ammo and are thinking about storming some of these governor's mansions to put a hurting on those evil people who are trying to take away your rights. **I have already posted that if you go without Jesus, you are going to have your ass handed to you and you will be killed. Take the time to get with Jesus and ask HIM to be your field general and let Him guide you and let you know when you CAN kill. This way, if you have to kill someone, that person's blood is NOT on your hands.** Going out and kill people with your guns MAY cost you your salvation.

If you have a conceal carry permit, **yield yourself to Jesus because, as you already know, if you fire at a person for ANY reason and your bullet goes through the target and hits an innocent person, YOU are responsible for harming that innocent person.** You are taught this when you got your conceal carry permit, so be smart and be governed by the Lord Jesus Christ while you carry your sidearm. You already know that the laws are set up to jam you up good if you are involved with any kind of shooting, even if the shooting is justified.

**As always don't take our word for anything.** Go DIRECTLY to Jesus and get your confirmation from Him and then do as Jesus tells you. **It is YOUR salvation that is on the line, and it is up to YOU to get as close to Jesus as you can and stay close to Him.** I am doing what the Lord has asked me to do - Proclaim the Gospel and point people to Jesus. What you do after that is your business. Get with the Lord Jesus Christ directly, Christian, and get those questions answered as soon as you can.
