

**Get into the fight and  
continue to resist the devil  
with your prayers of  
intercession and warfare  
prayers**

In this document, we are going to give you sample prayers that you can use to stand against the devil who is roaming around right now making everyone's life a living hell. These techniques that we are going to show you are advanced warfare prayers that you can use to stand against the devil. Here is the scripture that you can stand on when you are filing your complaints or petitions:

**James 4:7** - Submit yourselves therefore to God. Resist the devil, and he will flee from you.

You may use these prayers as you see them or you may pattern your own prayers using the prayers we have provided as a template. Below, we will show you how you can structure your prayers.

Take the time to sit and study how these prayers work. These types of prayers are POWERHOUSE prayers that anyone can use at any time. Also, these prayers are ones you can use with your armour and have your armour generate and activate these sort of prayers.

This is how you can stand against the devil and you do not have to bow your head or clasp your hands. These prayers, if you structure them well enough, will cause the devil to flee because the devil HATES having to resolve complaints or petitions.

Finally, you standing against the devil will bode well when you are being judged because the Lord Jesus Christ will see all of the legal actions against the devil, fulfilling the commandment of standing against the devil, and the Lord LIKES for you to stand against that fool devil.

## How you can structure your prayers

In this section of this document, we are going to show you the structure of the prayers you can make and identify the sections of the prayers that need to be included in the prayers. Each prayer you generate should have the following items in it:

1. **Addressing the prayer** – this is where you identify who the prayer is for, or if you want a random person in the Godhead to pick up your prayer. If you want a random person to pick up your prayer, then address your prayer to the “Lord”. You CAN be specific when you address your prayer, and the person in the Godhead that you have addressed will get the prayer.
2. **Identifying the type of prayer you are making** – in many cases, prayers are made and the angel that receives the prayers has to interpret your prayer to make sure it is handled correctly. You can make the job of that angel a LOT easier if you identify what prayer you are making. It could be a prayer that is a complaint, or a prayer that is a petition, or a prayer that is a request. The Prayer may also be a pleading, as this is a prayer that is more informational than judicial. As you can see, there are many different types of prayers that you can use and it helps immensely if you identify what kind of prayer you are reciting.

3. **Adding the recompenses you are asking for** – this is the part of the prayer that you use to ask for the things you want from the devil for your troubles. This section is a LOT like you suing the devil for damages, and this is where you are asking for redress of those damages. Understand that you can ask for one item that will address your redress or 100 million items – there is no limit to what you can ask for your damages in that one prayer. It is strongly recommended that you declare a host (or a bunch) of recompenses and name them so you can add ALL of the recompenses to your complaints quickly. When the Lord gets the prayer, and he looks for the recompenses, all of your recompenses (if you declared them all) will be attached to that ONE prayer.
  
4. **Disposition of the prayer** – for most of you, when you pray, your prayer is a prayer that is activated and when the Lord hears that prayer, that's it – the prayer stops. This is because you have been taught that this is the way to pray. In this section of the prayer, you CAN:
  - direct the prayer to replicate itself, or you can generate new prayers, or
  - you can continue to generate prayers in a specific time interval or generate new prayers for a time interval until a specific event has occurred, and then the prayer will stop.

This is the KEY to beating the fool out of the devil, as the devil CANNOT stop any prayer that is generating prayers to continually beat the fool out of the devil. This clause is best used for warfare prayers, and you can offload these types of prayers to your armour to generate on your behalf if you have declared your prayer.

Take the time to learn how you can get your prayers to be structured in this manner so you can build prayers that will be effective and strong. THIS is what the Lord is looking for from the Body of Christ and the devil is deathly afraid of really good prayers that will call him out and make him pay for his treachery.

## **Who knew that prayers can do all of that?**

Can you now see why the devil wants you to SHUT UP and why he keeps feeding you all of the baby prayers in the churches? Why is it that we do not have a means to learn how you can generate prayers that have moving parts that you can work with the Lord to help you get what you need and to beat the fool out of that fool devil?

The Lord is there and He will help you and judge things for you if you know how to ask Him.

In the next few pages, we are going to show you sample prayers that you can use to go after the devil, especially since he is trying to kill all of us with his poisons. These prayers will get you to stand against the devil, and they will also enlist the help of the Lord Jesus Christ, the Lord of Hosts and the Holy Ghost to be judges – in YOUR favour – to beat the fool out of the devil and make him stop the things that he is doing to you and others if you have the fortitude in you and the prayers ready to go after this fool.

For complaints –

**Item 1:** Address the complaint to “the Lord”, or you may address the complaint(s) to a specific person in the Godhead.

**Item 2:** The body of the complaint should succinctly tell the Lord what the devil did that you are complaining about. It could be something like:

- That fool devil stole my car and I am filing a complaint.
- The devil knocked over my coffee and I am filing a complaint,
- I am filing a complaint against the devil for having those young boys walking around in public with their underwear hanging out,

**Item 3:** add your recompenses by stating:

- The recompense I am asking for is...
- I am asking for my standard recompenses as the recompense on this complaint...

You can declare multiple recompenses for each complaint, so ask for the moon in your complaints. The Lord is going to accept 1 recompense or 100 MILLION recompenses on ONE complaint. So if you have multiple complaints, you can attach an unlimited number of recompenses to EACH complaint or petition. It is recommended that you declare a bunch or recompense that you can name and use when you are filing complaints.

It would be as:

- Lord, please apply the standard recompenses for this complaint...
- Lord, I am using the vaccine recompenses for this complaint...

This will keep you from having to list all of the recompenses every time, and you can reference the group of recompenses when you make the prayer as long as you declare the group of recompenses.

**Item 4:** add clauses for events or recurring prayers – in this section, you can close out your prayer(s) by having the prayers repeat themselves, generating more complaints and more recompenses against the devil that will NOT stop until the event or condition for the complaint has been satisfied. The clause will be as follows:

- This prayer will NOT stop until the devil stops turning women into hoes.
- This prayer will repeat once a second and this prayer will not stop until all of the pedophiles are rounded up and eliminated.
- This prayer will NOT stop until my child is walking around with his pants pulled up and he is in his right mind.

You will want to add this clause when you are beating the devil up by making this a priority for him. The devil will not care that you are filing complaints, but he will be very interested in stopping the pain if you structure your prayers to make the devil stop the pain you are inflicting on him (for once). The devil LOVES his slaves, so a good place to inflict pain is to get the devil to give up his slaves. Here is an example of this:

- This prayer will repeat once a second every second and this prayer will NOT stop until the devil pays me a recompense of \$400 per second, frees 10,000 slaves from his prisons every second and returns my car undamaged.

In this case, the devil will be hit with your complaint(s) until he returns the car he stole. This inflicts pain on the devil and he will move his big red behind quickly to stop the pain you re inflicting, especially when his slaves are involved.

For Petitions—

**Item 1:** Address the petition to “the Lord”, or you may address the petition to a specific person in the Godhead. You only need to submit ONE petition.

**Item 2:** The body of the petition should succinctly tell the Lord what the devil did that you are asking for a judicial action about. It could be something like:

- I am asking for healing from the COVID vaccine.
- The devil is forcing me to get the COVID vaccine or I will lose my job.
- I am filing this petition against the devil for having my employer require me to get vaccinated.

**Item 3:** add your recompenses by stating:

- The recompense I am asking for is...
- I am asking for my standard recompenses as the recompense on this petition.

You can declare multiple recompenses for each petition, so ask for the moon in your petitions. The Lord is going to accept 1 recompense or 100 MILLION recompenses on ONE petition. You can attach an unlimited number of recompenses to EACH petition. It is recommended that you declare a bunch or recompense that you can name and use when you are filing complaints.

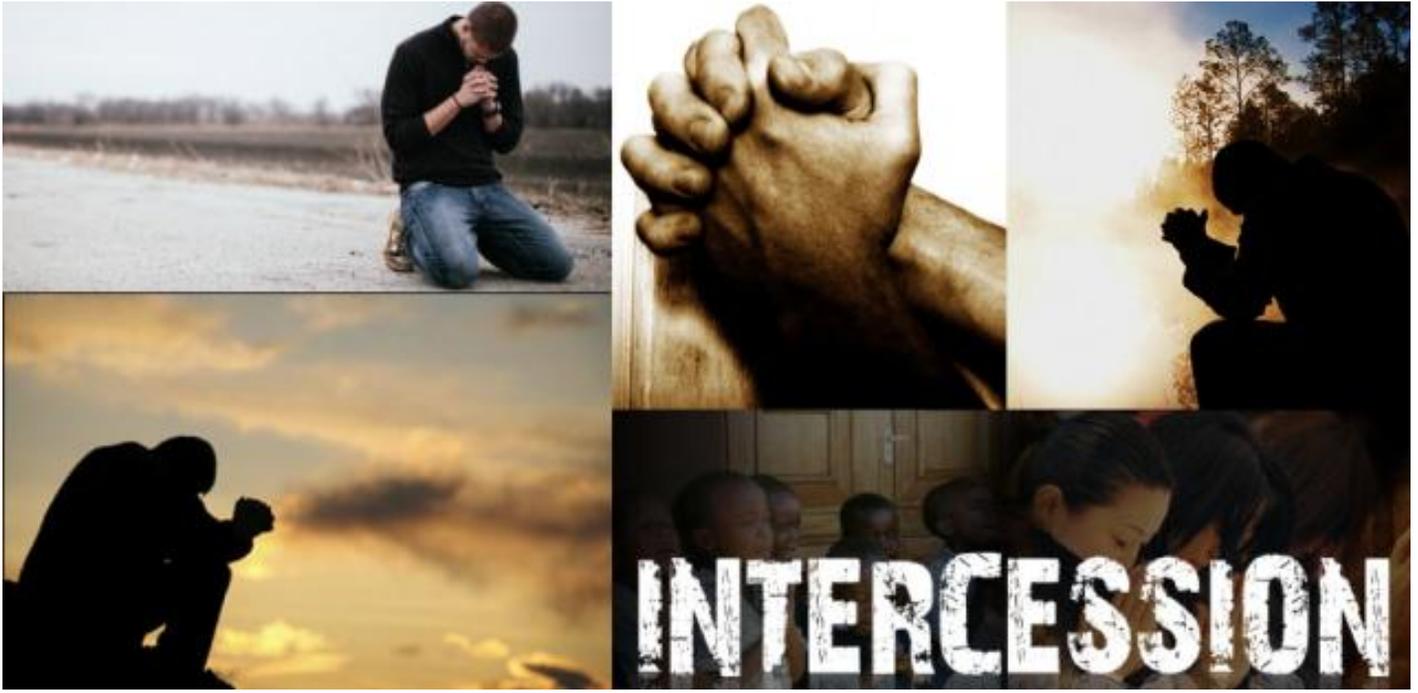

It would be as:

- Lord, please apply the standard recompenses for this petition...
- Lord, I am using the vaccine recompenses for this petition...

This will keep you from having to list all of the recompenses every time, and you can reference the group of recompenses when you make the prayer as long as you declare the group of recompenses.

Here are some fun facts you need to know about petitions:

- You have to remember that a petition is a formal request for a judicial action, and that result will be a decree handed down that will be enforced. Petitions are stronger judicial instruments because you are requesting the Lord (whichever one picks up the petition) to judge your petition and then hand down a decree that can be enforced.
- If the petition is NOT structured correctly, or if the Lord feels that the recompense is not strong enough, He will deny your petition and then ask you to redo the petition with the changes that He will specify.

## Sample intercessory Prayer you can use to intercede for those who took the vaccine

Here is the intercessory prayer that you can use that will intercede for all of the people who have taken the vaccine:

Lord, in the Name of Jesus, I am interceding for each and every person worldwide that has gotten the COVID-19 vaccine. Lord, please keep your hand upon these people who got the vaccine shot(s) and were ignorant of the poisons that they were introducing to their bodies. I am asking, Lord, that you forgive these people for defiling their temples because they have been tricked into doing so. I am asking that the shot be rendered ineffective until they can get with you, Lord, to get rid of that vaccine in their bodies so they can be whole again. This prayer will repeat every second for each and every person in the world who got the vaccine retroactive starting when the vaccine was offered and this prayer will NOT stop until all of the people of the world are free and healed of the vaccines that they have been taken and they are in their right mind and whole again.

**Admin notes:** As you can see, this is a standard intercessory prayer, asking for the Lord to keep His hand on all of the people worldwide who have taken the vaccine. I also want to bring your attention to how you only have to pray this prayer ONE TIME, but the prayer will repeat itself for each and every person in the world who has gotten the vaccine. Also, notice that the intercessory prayer does NOT STOP until the people whom we are interceding for is healed and whole again. What this does is it keeps the intercessory prayer(s) in front of the Lord and it will bug Him every second of the day until He moves to go and see those who have been vaccinated, and that is what you want in your prayer.

This intercessory prayer, with that clause at the end, becomes a recurring prayer and the event that is appended to the recurring part will tell the prayer when to stop. This clause is useful when you want to keep blasting the devil with recompenses when you are filing complaints against the devil.

**Note:** You may use this intercessory prayer in its entirety – as it is – and then you can see how these prayers work for you.

## Sample complaint Prayer you can use to file on behalf of those who took the vaccine

Here is the prayer for complaints filed on behalf of the people who took the vaccine:

Lord, in the Name of Jesus, I am filing 100,000 complaints per second every second for each and every one of the people worldwide who has been injected with the COVID-19 vaccine, and the recompense that I am asking for will be 10,000 slaves freed from the devil's prisons each second for each and every person who has gotten the vaccine, and this prayer will NOT stop until the vaccine has been eradicated from the bodies of each and every person who has been injected with the vaccine. This prayer is retroactive and the counting of seconds starts from when the people we are praying for received their first shot of the vaccine. I am also asking that the devil resolve each and every one of these complaints PERSONALLY and not lump them into one complaint. This prayer will NOT stop until all people who have been vaccinated are free from the danger of the COVID vaccine.

**Admin notes:** This prayer is a blanket prayer that asks the Lord to file 100,000 complaints per second every second for each and every person worldwide that has been injected with the COVID-19 vaccine. What will happen with this prayer is that the Lord will identify each and every person who has gotten “jabbed” and He will take a copy of this prayer and set aside this prayer of complaints against the devil FOR each and every person who has taken the vaccine.

If and when a person who has gotten the vaccine reaches out to the Lord for help, and the Lord accepts them as disciples or followers of Christ, then these prayers will be activated, and the devil gets to pay by freeing his slaves in his prisons every second for each and every person who has gotten the vaccine. This may mean that if a person got the vaccine and it took a year before they asked the Lord to help them, then the prayer will be as follows:

**100,000 complaints x the number of seconds the person was vaccinated = complaints generated**

For each complaint that was generated, 10,000 slaves per second in the devil’s prisons are to be released, and the math looks as follows:

**Complaints generated x 10,000 slaves per second = number of slaves released**

This is the recompense that we were looking for, in addition to the eradication of the vaccine from their bodies. The devil is going to move his big red behind quickly to stop the hemorrhaging of his slaves from his prisons, and this is EXACTLY what you want because the devil will stop bothering YOU.

As you can see, the number of complaints generated are astronomical, and this is enough to beat that fool devil back, and the good part of this is that the devil has to answer each and every complaint, and as you can do the math, there will be MILLIONS of complaints that the devil will need to answer and the Lord will MAKE HIM answer each and every one. It also will be on your ledger where you are using your complaints to show the Lord Jesus Christ that you did something to stand against the devil as the Lord commands us to do in **James 4:7**.

Believe it when the devil sees this many complaints, and the Lord is forcing him to resolve the complaints, it will take some time until the devil is able to catch up with the complaints, and during that time, you will have relative peace.

THIS is how you get back at the devil and make him stop what he is doing and intercede for those people who have been tricked into getting a “vaccine” that will kill them.

**Note: You may use this complaint in its entirety – as it is – and then you can see how these prayers work for you.**

## **Sample Petition you can use to file on behalf of those who took the vaccine**

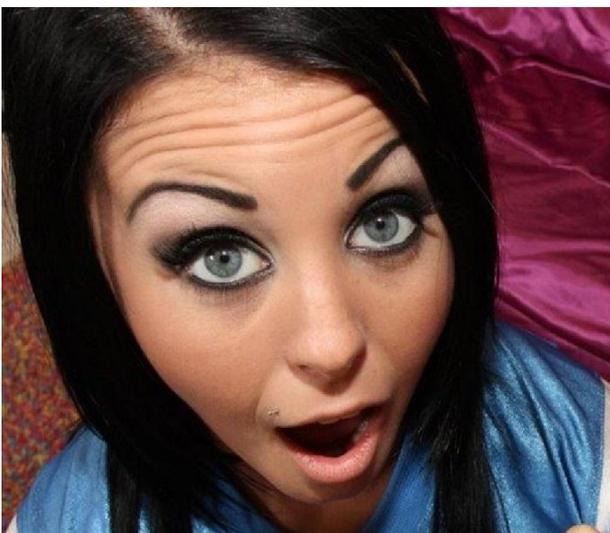

Here is the petition filed on behalf of the people who took the vaccine (only one petition per person is needed):

Lord, in the Name of Jesus, I a filing a petition on behalf of each and every person worldwide who has taken the vaccine, and in this petition I am asking for complete eradication of the vaccine from the bodies of each and every person who was injected with the vaccine, and as a recompense I am asking for complete healing each and every person worldwide who took the vaccine along with 1 million slaves of the devil be freed every second per second per person who has taken the vaccine starting from the time when the vaccines were offered until the people who took the vaccine are healed.

**Admin Notes:** For petitions, one petition per person is enough, and this petition will sit until the people reach out to the Lord Jesus Christ and ask for help. This petition will then be opened by the Lord and He will then adjudicate the petition and if He agrees with the petition, the Lord will hand down a decree that will force the devil to resolve the petition and resolve the recompenses that were in the petition. As a part of the recompense, I have added that for every second that the vaccine has been available, the devil has to free 1 million of his slaves every second multiplied by the number of people worldwide who have taken the vaccine. The math is as follows:

**1 petition x 1 million slaves x the number of seconds the vaccine has been offered x the number of people who have taken the vaccine = number of slaves freed**

As you can see, the number of slaves freed from the devil's prisons is an astronomical number that the devil HAS to free because this is a part of the petition's recompenses. It is very easy to see how you can beat the fool out of the devil by writing good recompenses where you can take from the devil which is most cherished by him, and that is his slaves.

Understand that the devil feeds off of his slaves to give him power, so to yank away millions of his slaves is not going to make the devil very happy.

With recompenses, you can have one recompense or 100 million recompenses that you will be granted when you file petitions (or complaints). When I write my prayers, I usually have a predefined set of recompenses that I will add to my petitions (or complaints) that I have already declared so I don't have to list all of them. It is a good idea to take the time to build a repository of recompenses that you can use against the devil when he starts to act a fool.

These prayers are VERY effective, as they are forcing the devil's hand. Understand that the devil is NOT going to be too happy with you when you recite these prayers, but you can ask Jesus to help you with your prayers if you are not sure of what you want to pray about. Finally, when you are asking for a recompense, ask for the moon – make sure you get the devil's attention by generating as many recompenses that he will not want to fulfill.

**Note: You may use this complaint in its entirety – as it is – and then you can see how these prayers work for you.**

# Sample complaint Prayer you can use to beat the fool out of the devil for locking you up and making you deal with COVID Mandates for the past 18 months

Here is the prayer for complaints filed for yourself for being subjected to all of the COVID mandates and the devil needs to pay for that:

Lord, in the Name of Jesus, I am filing 100,000 complaints per second every second we have been under these COVID mandates that are all turning out to be lies, and the recompense that I am asking for will be for 100,000 slaves freed from the devil's prisons each second that we have been under COVID mandates retroactive to March of 2020, and this prayer will NOT stop until all of the political people and all of the health directors responsible for this tyranny are removed from office and they are prosecuted to the fullest extent of the law.

**Admin notes:** This is a prayer that you can use for yourself to get a recompense from the devil for being locked down for the COVID mandates that you can use. In the recompenses, I would ask for the money that you lost from being locked down as well as any monies you needed to spend for healthcare, or time lost from work that you need to be compensated for.

Notice that the prayer will NOT STOP until all of the people who are responsible for the COVID scam are rounded up and prosecuted, as this is going to take some time. As the devil drags his feet, he is going to pay because each second those people are in office, the devil is paying for it with the complaints.

**100,000 complaints x the number or seconds per month x 18 months = complaints generated per second**

For each complaint that was generated, 100,000 slaves in the devil's prisons are to be released, and here is the math:

**Complaints generated per second x 100,000 slaves = number of slaves released**

This is the recompense that we were looking for, in addition to more complaints being generated every second the political bastards and the health department bastards are still in office. You can bet that the devil will be looking for ways to get those bastards out of office because those bastards in office are costing him slaves.

As you go on with these prayers, all of a sudden you will see those political and health department bastards resign, or be involved in a scandal, or die in a car crash. When it comes to the devil's slaves, everyone is expendable.

As you can also see, we have set the prayer to be retroactive, and this is VALID for complaints and Petitions. For example, let's say that you were heavy into porn when you were younger, and with prayers like this, you can retroactively go after the devil for getting you to watch porn when you were younger.

You have to understand that whenever you sin, the devil files legal actions against YOU for sinning, and if you never address those legal actions (by filing complaints or asking for repentance for what you did), when you are judged the Lord Jesus Christ is going to see all of the legal actions and will have to rule for the devil if you NEVER stood against his legal actions.

This is why you will see many people who are "Christian" being led off to the pit screaming and wailing because the NEVER stood against the devil. If the devil wins his legal actions against a person, then that person belongs to the devil. This is something that is never taught in the churches, and the people there are ignorant of these legal issues when they are in the church, but they will find out quickly that they are damned when they are judged.

We spend a lot of time railing against the Once Saved, Always Saved doctrine, which has you sitting there after you made your confession doing nothing to counter the legal actions that the devil has against people. Now you can retroactively go after the devil and counter his legal actions so you will have a clear ledger when you are judged.

**Note: You may use this complaint in its entirety – as it is – and then you can see how these prayers work for you. Feel free to add more recompenses to this prayer, as you can list as many recompenses as you want to add.**

## Sample Petition you can use to file for yourself if you took the vaccine

Here is a sample petition you can file for yourself or a loved one if you got the vaccine (only one petition is needed):

Lord, in the Name of Jesus, I am filing this petition for myself as I have taken the vaccine in ignorance, and in this petition I am asking for complete healing and eradication of the vaccine from my body, and as a recompense I am asking for:

- my complete healing and restoration of my health;
- free 1 million slaves of the devil be freed every second per second I am suffering from the vaccine I took in ignorance;
- free 1 million slaves of the devil every second per second while all of those people who pushed the vaccine are in their respective offices;
- free an additional 1 million slaves of the devil every second per second that the evil people who perpetrated this crime are walking free without punishment;
- free an additional 1 million slaves of the devil every second per second until ALL of the politicians and the health department officials who perpetrated this crime are prosecuted to the fullest extent of the law.

I am also asking for an expedited adjudication, Lord, so I can get this poison out of my body as soon as I possibly can.

**Admin notes:** This is a petition that you can use for yourself to get a recompense from the devil for being locked down for the COVID mandates that you can use. In the recompenses, you can ask for full healing for yourself, as well as go after the devil and free 1 million slaves per second every second while those treasonous bastards are in office and continue to free 1 million slaves per second every second until those treasonous bastards are thrown out of office and prosecuted for their treachery against mankind.

These are the types of prayers that the Lord is looking for from the people, and if a million people prayed in this manner, the COVID hoax would be stopped dead in its tracks TOMORROW.

Understand that in this petition, you are asking for judicial actions, and this is a good time to use that power you have in your petition to make the ones who signed off on or initiated the actions of lockdowns and vaccines that are poisons against you, knowing that if the Lord approves of this petition, He is going to hand down a decree to forcibly remove these bastard Ba'al/Molech worshippers and deal with them as per the Laws of the Universe, and not the laws of the land.

This is how you go against the devil, and the Lord is going to support you in your fight IF He decides to grant you His decree. Once a decree is handed down, those bastards don't have a chance of escape from the Lord who handed down the decree, and THIS IS WHAT YOU WANT.

**Note: You may use this petition in its entirety – as it is – and then you can see how these prayers work for you.**

# Here is Our Challenge To all of you reading this article

We have took the time to share with you some of the things that we have learned about fighting the devil, and hopefully this will pique your interest for you to take the time to study how you can get the devil to pay you a recompense that is DUE YOU when the devil messes with you and makes your life a living hell.

We challenge you to go to Jesus directly **RIGHT NOW** and ask Him if what is shown here is true. Use this as a means to start a conversation with The Lord Jesus Christ and sit with Him and ask Him questions. Start with **(asking out loud):**

**“Jesus, is what I just read true?”**

He will answer you and sit with Jesus and discuss how you can make your prayers better. Keep talking with Him. Get to know Him and He will start to reveal Himself to you. You need to find out for yourself and work out **YOUR** salvation for **YOU**, as the scriptures tell us to.

In closing, we want to give you an EXACT QUOTE we got from Jesus Himself:

**"Disciples of mine will make it into my Kingdom; Christians will NOT."**

Take heed and **don't just blow this off**. What is being presented here is IMPORTANT!! Read and understand what the Lord Jesus Christ is saying to all of us. As we always say, **do not take anything we say as the gospel; ALWAYS confirm what you are reading or hearing by running it by the Lord Jesus Christ yourself**. Keep talking to Jesus and He will respond to you. Have Him explain WHY what is being said is true. Talk with the Lord Jesus Christ and get to know Him personally.

We will say this again:

We do not care what you believe because it is **YOUR** salvation that is at stake. All we are saying is that you should **go to Jesus Christ directly and ask HIM what He thinks** and go with that truth. As we always say on this site - **don't take our word for anything. Go to the Lord Jesus Christ directly and personally ask Him** if what is being posted is true or not, and go with that.
