

How Do I ... Talk to the Lord Personally and How does He Respond to my inquiries?

This article will give you some insight into how you can physically communicate with the Lord and have him answer you in real time. Many times on this website, you will see us say '[Go to the Lord and find out directly from Him...](#)'. This is the actual method that you can use to make contact and talk directly with the Lord Jesus Christ, the Holy Ghost, or the Lord of the Universe!! As you do this, you will be able to talk and get to know the Lord for REAL. The Lord of the Universe wants to know YOU, Christian, PERSONALLY, and this is a method you can use to do just that.

How exactly does God Talk to me personally?

It will depend on the method that the Lord has chosen for you. Many people who set time aside will communicate with the Lord by audibly talking to Him. Some will see visions. Others will have dreams that they will write down when they get up.

The most common way that the Lord communicates with a person is through what is called 'journaling'. This is when the Lord will contact a person, and say to them 'Write this down'. The person will then go and get a pad or a tablet and write exactly what comes to their mind, which is being fed to them by the Lord Himself. After the writing is over, the person can see that someone has communicated with them and left them something to ponder or to do.

Each person of the Godhead has their own distinct way that they will communicate with you, so you will know whom you were talking to. For example:

If the Lord Jesus Christ is talking to you, He will address you in this manner:

Hello Jim,

This is Jesus. Today I want you...

... and He will sign the exhortation with His name.

This is so you know that you are talking to Jesus and He will know all about you when He is writing to you. The message may be an exhortation, or it may be a command. The Lord Jesus Christ may want you to do something, so He lets you know what you need to do. You will always know who you are talking to when they address you, so there is no confusion.

If the Holy Ghost is talking to you, He will address you in this manner:

Jim,

I want you to do these things today. They are...

The Holy Ghost will provide you with a phrase to end your exhortation so that you will know it is Him. He usually says:

Let me know if you have any questions.

He then leaves the exhortation with the above phrase. I am thinking that since He has no real name, this will be His way to tell you that He is done with you and your exhortation for that period of time.

If the Lord of Hosts, Jesus' Father talks to you, He will start the exhortation as follows:

Son OR Daughter,

I have heard all of your pleas for help...

He will let you know that you are His child, as He will either call you by your name, or He will call you 'Son' or 'Daughter'. This is actually exciting, as He will know you and He will know what you will ask before you ask it. Now, so you will know, the Lord of Hosts will leave the exhortation much like the Holy Ghost, with a phrase which is something like this:

Remain in My Peace, saith the Lord of Hosts.

You will then know that the Lord is done talking to you at that point in time.

That is all well and good, but how do I get **STARTED** talking with the Lord?

To start a conversation with The Lord Jesus Christ and sit with Him and ask Him questions, you may start by **asking your question or making your statement articulating out loud**. You can use any of these sample statements:

“Jesus, is what I just read true?”

“Jesus, I don’t know if you are there, but I need help.”

“Jesus, I have been reading things about you, and I want to know from you if what I read is true.”

“Jesus, please help me.”

“Jesus, I am sick of these fools telling me to talk to you, so here I am.”

“Jesus, I am tired of church, so can YOU teach me what I need to know?”

It is recommended that you **go to a nice quiet place, ALONE, and speak normally**. The Lord Jesus Christ will hear you, even if you whisper. If you didn't already know, every word you have ever spoken in your life has been recorded for your judgment, so if those words that are going to damn you are heard by the Lord Jesus Christ, do you not think that the words you use to reach out to Him will NOT be heard?

C'mon, man.

Be serious.

You have to be earnest in your reaching out to the Lord, and you must NOT care that someone will think you are crazy because you are talking with yourself.

You are not, and who cares anyway? This is YOUR salvation at stake, not theirs. You are reaching out to the Lord Jesus Christ for YOU, as YOU alone will be judged for all of the things YOU did in this mortal body.

Be WISE, and speak to the Lord alone when you are going to communicate with the Lord Jesus Christ, and **not in a public place on a bus or park bench somewhere**. That is **showing off, and the Lord will NOT respond to that**. Your words, if they are in earnest, will be heard and the communication is Holy, as you are talking to a Holy God. Do NOT frustrate the grace of the Living God, and do not do stupid things to tempt God.

Above all – BE HONEST about how you feel about Him and do not try and hide anything from Him. Jesus has already seen the dirty things you have done, and He knows what you have done, how you did it, and who you did it do, and how much you got paid for it.

All He is waiting for you to do is to confess it to Him so He can start to clean you up.

If you follow the outline of what we have posted here, He will answer you and NOW you will be on the true road to salvation, knowing for **SURE** if you are going to make it or not, as Jesus would have told you.

Keep talking with Him.

Get to know Him and He will start to reveal Himself to you. Believe it or not, you will learn a LOT from Jesus, and that is the beginning of wisdom. You need to find out for yourself and work out **YOUR** salvation for **YOU**, as the scriptures tell us to.

Know that we actually LIKE Jesus, and you will to when you get to know Him, as He will freely give you things that you may need or ask for. In return, all you have to do is obey Him and follow what He is telling you. Jesus tells us in the word the following:

Matthew 11:28 - 30 - Come unto me, all ye that labour and are heavy laden, and I will give you rest. Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls. For my yoke is easy, and my burden is light.

Keep this in mind when you start your conversation with Jesus, and **take the man at His word.**

Also know that speaking with the Lord Jesus Christ WILL line up with the Word of God, so ask Jesus to show you what He is telling you with scripture, and He will. **Verify everything,** Christian, and make sure that what you hear from Jesus lines up with the Word.

Now that Jesus actually KNOWS you, He will open up doors for you. Jesus' Father, the Lord of Hosts, may decide to contact you personally, and it is always exciting to be able to talk directly with the Lord of the Universe. Also, the Lord Jesus Christ will, at His discretion, send you the Holy Ghost so you can be filled, taught and prepared for what Jesus wants you to do.

Yes, it is true – you cannot get into the Kingdom of God if you are NOT filled with the Holy Ghost. As an exercise, go ahead and ask Jesus about the Holy Ghost and take particular heed to what He says.

Work out how the Lord will communicate with you

You can use this template as a means of communication with the Lord, but you are also encouraged to modify it and personalize it so you will be able to communicate with the Lord directly. You may choose to ask the questions audibly, so the Lord can hear them, and the answers may be journaled, as He will have you write down what your answers are so you can study and meditate on them.

You may choose to write down your questions and the Lord may answer them audibly in a manner that is unique to you. It will all depend on what the Lord chooses for you. Everyone's communication with the Lord is different, so we have been asked to show you what to expect.

The benefit of this method we showed you is so you can see the progression of your walk with the Lord. He may tell you to go back to such and such a date and redo what He told

you to do. He may have you look over your journals so you can see when He told you something will come to pass and it does. For example, the Lord would have told you that you will be working at XYZ Company three months earlier when you had no job. You will be able to clearly see how the Lord has His hand upon you so you are able to live as He wants you to live.

This is the beauty of being able to talk personally to the Living God. Now when you do talk with God, **keep what He tells you to yourself, as that is for YOU and YOU ALONE to enjoy.** Only disclose what the Lord told you **IF He gives you permission to.**

Do not be like those on YouTube that have to make a video because they had a dream; that is throwing pearls in front of swine. Your communications with the Lord are HOLY and SPECIAL TO YOU, so work out your communication so that this is precious to YOU.

Now it is up to you to put into practice what you have read

Use these tips to start a relationship with Jesus. Reach out to Him and talk to Him about everything. You will be surprised at the responses you will get. You have to understand that Jesus knew you before you were born, so reconnect with Him and start talking with Him again in earnest.

You will be glad you did.

As always - **don't take our word for anything. Go to the Lord Jesus Christ directly and personally ask Him** if what is being posted is true or not, and go with that. Ask Jesus to show you what other things you can do to when you are being corrected. A lot of this sounds farfetched and incredible, but as you start on your walk with Jesus as His Disciple for real, **you will find out very quickly that it is all about the relationship you have with Jesus, The Holy Ghost and the Lord of Hosts.**
