

# We take a look at the witchcraft of Israel and how that witchcraft controls the masses

In this article, we take a look at the witchcraft of Israel and how that witchcraft is being used to control the masses. We can see that witchcraft in the fact that if anyone has a dissenting opinion about Israel, we see that there are legal and ecumenical means to shut them down and then shut them up so they will not say anything. We will have some examples of this, and then you can decide how YOU will deal with it.

# Introduction

In this article, we are going to show you the witchcraft that Israel projects upon the world. Even though they tell you that Israel is 'of God', they neglect to tell you which god they are of. After you read this article, you will see that Israel is of the god of this world, the devil, also known as satan, and they are using witchcraft to further their agendas.

As we have pointed out in other articles, we KNOW that Israel is of the devil because of their flag. We covered this in our article, '**What does the symbol on the Israeli flag stand for?**'.

- What person who is of God would put a **hexagram** on their flag?
- Do you really think that the Lord of Hosts, who is Jesus' Father, **would allow any of His children to follow an occult symbol?**

It was questions like the ones above that led us to see **that Israel is evil, and they are using witchcraft.** It is the knowledge of the scriptures that provided the light that we needed. **It is the LIGHT that scripture provides that uncovered a lot of what we have posted in all of our articles,** and now that our minds are clear after putting on the mind of Christ, we can clearly see that something is very wrong.

Witchcraft is nothing to play with, and it will destroy you if you do not have the power to resist it. In the closing of this article, we will not only give you warnings about witchcraft, but we will point you to the Lord Jesus Christ so He can help you prepare for what is in front of you. **You will NOT be able to resist the power of witchcraft by yourself; it is only with the Power of the Lord Jesus Christ, who will give you His power if you are a disciple of His,** that you can resist and overcome the power of witchcraft.

# What is witchcraft?

In this section, we are going to take a very close look at the word witchcraft and get a compound meaning that you can use in your later studies. We will only touch the surface of witchcraft here, and you can then take what you have learned and delve into it further in your own study time.

Let's go ahead and look up what **witchcraft** is. We will start with the definition of **witchcraft**:

noun

1. the art or power of bringing magical or preternatural power to bear or the act or practice of attempting to do so
2. the influence of magic or sorcery
3. fascinating or bewitching influence or charm

So let's take this definition as a base definition and go from there:

**witchcraft** is the art or power of bringing magical power to bear or the act or practice of attempting to do so using sorcery or fascinating bewitching influence or charm.

Since we have been led to this, let's look up magic and sorcery and see what that says:

noun

1. the art that, by use of spells, supposedly invokes supernatural powers to influence events; sorcery
2. the practice of this art
3. the practice of illusory tricks to entertain other people; conjuring
4. any mysterious or extraordinary quality or power the magic of springtime
5. like magic very quickly

adjective Also: magical

1. of or relating to magic; *a magic spell*
2. possessing or considered to possess mysterious powers
3. unaccountably enchanting; *magic beauty*
4. informal wonderful; marvellous; *exciting*

verb -ics, -icking or -icked (tr)

1. to transform or produce by or as if by magic
2. (foll by away) to cause to disappear by or as if by magic

This description of magic best describes witchcraft, so let's use this one:

- the art that, by use of spells, supposedly invokes supernatural powers to influence events; sorcery

Let's now use what we have learned about magic to get a more granular meaning about witchcraft:

**witchcraft** is the art or power, by the use of spells that invoke supernatural powers to influence events using sorcery or fascinating bewitching influences or charms.

All right, so far so good. Let's see what sorcery is and get the best definition we can:

noun, plural sor•cer•ies.

1. the art, practices, or spells of a person who is supposed to exercise supernatural powers through the aid of evil spirits; black magic; witchery.

OK, let's add this to our definition:

**witchcraft** is the art or power, by the use of spells that invoke supernatural powers to influence events of to bear using the arts, practices or spells of a person who is supposed to exercise supernatural powers through the aid of evil spirits and witchery using bewitching influences or charms.

Let's see what the word conjure gets us:

verb (used with object), con•jured, con•jur•ing.

1. to affect or influence by or as if by invocation or spell.
2. to effect, produce, bring, etc., by or as by magic: to conjure a miracle.
3. to call upon or command (a devil or spirit) by invocation or spell.
4. to call or bring into existence by or as if by magic (usually followed by up): She seemed to have conjured up the person she was talking about.
5. to bring to mind; recall (usually followed by up): to conjure up the past.
6. to appeal to solemnly or earnestly: I conjure you to hear my plea.
7. Obsolete. to charge solemnly.

verb (used without object), con•jured, con•jur•ing.

1. to call upon or command a devil or spirit by invocation or spell.
2. to practice magic.
3. to practice legerdemain.
4. to conspire.

noun

1. Chiefly Southern U.S. an act or instance of witchcraft or voodoo, especially a spell.

We can use this definition for conjure:

- to call upon or command a devil or spirit by invocation or spell.

Let's add it to our definition:

**witchcraft** is the art or power by the use of spells that invoke supernatural powers to influence events using the arts, practices or spells of a person who calls upon or commands a devil or spirit by invocation or spell to exercise supernatural powers through the aid of evil spirits and witchery using bewitching influences or charms.

OK. Moving on, let's see what we can add after looking up **spells**:

noun

2. a word, phrase, or form of words supposed to have magic power; charm; incantation: The wizard cast a spell.
3. a state or period of enchantment: She was under a spell.
4. any dominating or irresistible influence; fascination: the spell of fine music.

Looks like we can use this definition:

- a word, phrase, or form of words supposed to have magic power; charm; incantation: The wizard cast a spell.

Let's update our definition:

**witchcraft** is the art or power by the use of words, phrases or form or words that invoke supernatural powers to influence events using the arts, practices or spells of a person who calls upon or commands a devil or spirit by invocation or spell to exercise supernatural powers through the aid of evil spirits using incantations or charms.

Let's end this with incantations:

noun

1. the chanting or uttering of words purporting to have magical power.
2. the formula employed; a spell or charm.
3. magical ceremonies.
4. magic; sorcery.
5. repetitious wordiness used to conceal a lack of content; obfuscation:

and charms:

noun

1. the quality of pleasing, fascinating, or attracting people
2. a pleasing or attractive feature
3. a small object worn or kept for supposed magical powers of protection; amulet; talisman
4. a trinket worn on a bracelet
5. a magic spell; enchantment
6. a formula or action used in casting such a spell
7. physics an internal quantum number of certain elementary particles, used to explain some scattering experiments
8. like a charm perfectly; successfully

Let's add these two definitions:

- the chanting or uttering of words purporting to have magical power.
- a small object worn or kept for supposed magical powers of protection; amulet; talisman

OK, let's put all of this together:

**witchcraft** is the art or power by the use of words, phrases or form or words that invoke supernatural powers to influence events using the arts, practices or spells of a person who calls upon or commands a devil or spirit by invocation or spell to exercise supernatural powers through the aid of evil spirits using the **chanting or uttering words purporting to have magical power or small objects worn or kept for magical powers of protection.**

Let's clean this up so it is grammatically correct.

**witchcraft** is the art or power by the use of words, phrases or form or words that invoke supernatural powers to influence events using a person who calls upon or commands a devil or spirit by invocation or spell to exercise supernatural powers through the aid of evil spirits using the chanting or uttering words that have magical power or small objects worn or kept for magical powers of protection.

We think that this just about does it.

We encourage you to do your own word study and not just rely on ours. yes, we did take some license with these definitions based on the context. It would not make any sense to talk about things that are not relevant. We believe that we have done a pretty good job of getting a granular essence of what witchcraft is.

Now that you know what witchcraft is, what does the Bible say about witchcraft? In Israel's case, here are some fun facts that you should consider. We can see that somebody has put a **witchcraft symbol on their flag**, letting you know that the **state of Israel is bathed in witchcraft** (through the mystic Kabbalah), and any Christian or Disciple of Christ knows that the Lord of Hosts will have NOTHING to do with witchcraft, as the scriptures state:

**Samuel 15:23** - For rebellion is as the **sin of witchcraft**, and stubbornness is as iniquity and idolatry. Because thou hast rejected the word of the LORD, he hath also rejected thee from being king.

**2 Chronicles 33:6** - And he caused his children to pass through the fire in the valley of the son of Hinnom: also he observed times, and used enchantments, and **used witchcraft**, and dealt with a familiar spirit, and with wizards: **he wrought much evil in the sight of the LORD, to provoke him to anger.**

**Galatians 5:19-21** - Now the **works of the flesh** are manifest, which are these; Adultery, fornication, uncleanness, lasciviousness, Idolatry, **witchcraft**, hatred, variance, emulations, wrath, strife, seditions, heresies, Envyings, murders, drunkenness, revellings, and such like: of the which I tell you before, as I have also told you in time past, that they which do such things shall not inherit the kingdom of God.

So, what have we learned?

- **witchcraft** is as the **sin of rebellion**;
- **witchcraft** working/messing about with **witchcraft is a sin**;
- We can see from the 2nd example that **witchcraft angers the Lord**;
- **witchcraft will bring evil**;
- And lastly, we see that **witchcraft** is a work of the flesh;
- and those who do the works of the flesh will **NEVER see the Kingdom of God**.

With that in mind, who is the State of Israel's god?

We submit that it is Satan himself, as **the State of Israel is bathed in the spirit of satan** and NOT of the Lord of Hosts.

Be sure to take the time and **make sure you study these scriptures and get the FULL context of what the penalties were**, as we did NOT post the scripture in full here; we posted the good stuff. Spend some time looking at the context of the scripture and then ask questions of the Lord Jesus Christ to assist you if you have any issues.

# Identifying the witchcraft of Israel

The best way to identify the witchcraft that Israel projects is to question the following claims:

- Their right to the land that are on;
- Why there is a hexagram on their flag;
- Disputing their claims that they are the chosen people;
- And disputing that they have been blessed by the Lord of Hosts.

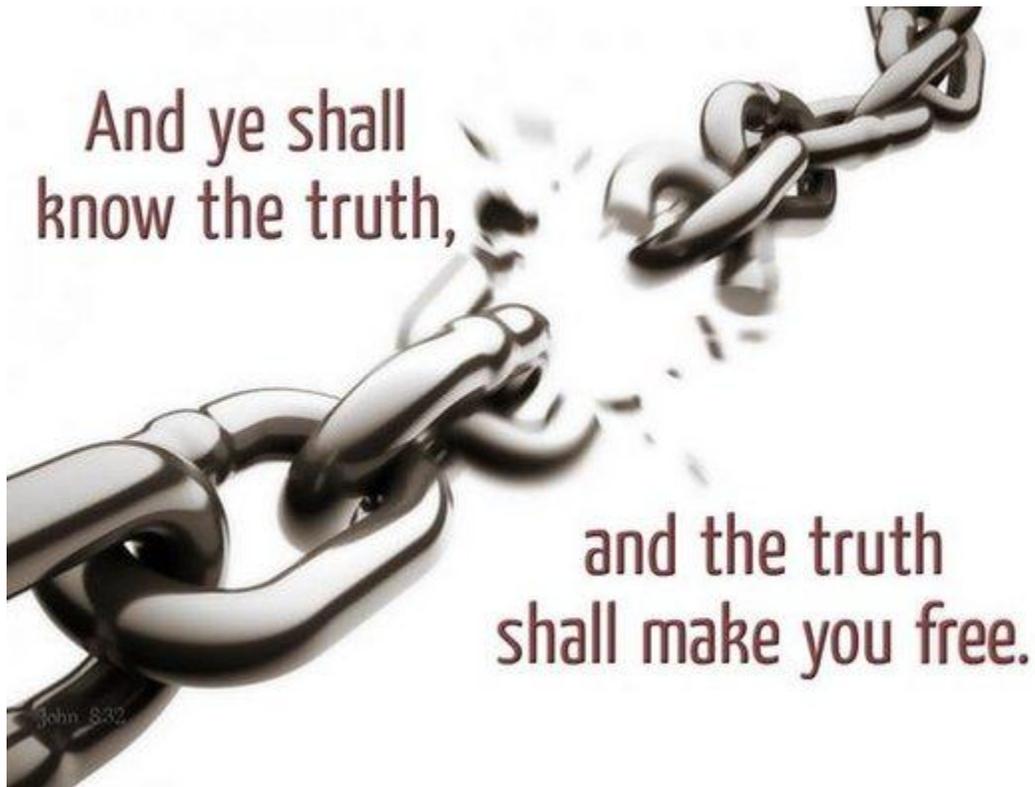

In our articles, we have done all of these things, but we want to let you know where the witchcraft is. If you ask a person if they support Israel, they will tell you '**Oh yes, we do, as we are being blessed because of this**'. If you ask the person to show you proof of being blessed, there is a force – something you cannot see – that all of a sudden hits you, and puts doubt into you mind that this is not something that you want to play with.

That is the witchcraft.

Here is another way you can identify witchcraft:

If you ask the people of Israel if they are God's chosen people, they will say, '**Oh yes, we are God's chosen**'. You will feel the pride that they have of being God's chosen, but ask them to prove that they are from the Bible, they will trot out **Genesis 12:3**. They will progress to tell you that since they are Abraham's seed, they are the chosen ones.

Now, challenge them and tell them that the seed of Abraham in the Bible that brings the blessings of Abraham is the Lord Jesus Christ, they will get offended. That offended-ness – if that is a word – is the witchcraft. The person you are talking to may be sincere; that is the fruit of the witchcraft, as the person doesn't know, **but something in them tells them to 'leave that alone' or 'don't mention that'**. They will then call you anti-Semitic or the devil, as the curse your name.

And ye shall  
know the truth,

and the truth  
shall make you free.

## The witchcraft covers the lie

In every case, whenever you confront the people to show you or to prove their claims, they cannot refute the truth, so there is misdirection into something else. They will call you:

- A false prophet
- Someone who has replacement theology
- Misguided and lost

You will never get a straight answer from them, and they will get mad at you. The person getting mad at you is the demon in them defending their territory, as they have enjoyed living the lie for many years.

Ask a person who puts Israel first about Jesus, and they will sidestep the question. Ask them how they can justify all of the killing and bulldozing of houses in Palestine, they stoically tell you that 'Israel has a right to exist'.

And the Palestinians don't?

**That is the witchcraft that covers the lie.** These people know that they cannot justify their actions, and they know that their actions are wrong, but they will stoically say that Israel cannot do any wrong and it was the Palestinians fault they were standing in front of bullets aimed at them.

The best example of the witchcraft covering the lie is the **lie about the hexagram on the flag.** Everyone knows that a hexagram is evil, so why is it on the flag?

**Here comes the lie:** 'That's a Star of David', they will say.

**You say:** NO, that is a hexagram, which is witchcraft.

**Here is the covering of the lie:** No it's not, and King David used this when he was in Israel.

**You say:** No, King David did not.

It was actually Solomon, King David's son, who adopted this because he was servicing 1000 vaginas. When did this man have any time to govern Israel when he was sexing everyone multiple times a day just to keep his harem and wives happy?

As the Bible tells us it was Solomon who let his heart be turned away from the Lord of Hosts because he could not lay off of the women. **Solomon's god was the vagina,** and Lord knows he saw plenty of vagina in his day. This is why He did not make it, and it was the strange gods that Solomon followed because he was led by his lust of vaginas of women that were pagan. As Solomon 'smashed' those vaginas of his concubine and wives, he was joined to all of the wives and all of their gods, which was driving him crazy.

# Israel's method of Witchcraft

Whenever you look around, the state of Israel is always having people do these things:

- Support or stand with Israel
- Follow Israel

In this section, we are going to take a good hard look at these words, as these words mean a lot more than it looks. On the surface, it looks pretty innocuous, doesn't it? It also hides the **true spiritual implications** of what Israel is all about. You see, Christian, the words you use can either save you or damn you, and we are going to show that the words that Israel uses are deliberate, and those word will bind you spiritually and eventually damn you.

So, you have to ask the questions, and we will do here:

- Why is it that Israel needs anything from the people?
- Why is Israel always asking for support?
- If Israel is of God, why are then NOT asking God to help them financially?
- If Israel is of God, then why are there dual American Israelis in Congress giving Israel 7-9 BILLION dollars a year?
- Don't you think that God could provide for Israel?
- Why does Israel want people to **follow** them? Why is that so important to the State of Israel?
- Why does Israel want people to **support** them?
- If they are of God as they say, why is it necessary for anyone to stand with Israel?

To answer these questions, it is better to understand what they are asking for. So we are going to drill down on the following terms:

## **support** **Follow**

Go ahead and see what the terms tell you and we will continue with our analysis in the next few sections.

## Support or stand With Israel

As you saw in the definitions of **support**, support does NOT mean support in the financial sense, but in the Spiritual sense, it is mean to **bind you to Israel and draw you away from the Lord Jesus Christ**. Here is what we mean:

In our study on the **Instruments of Adjudication**, you can see that there are certain spiritual laws that the entire Universe follows. The Lord of Hosts and the Lord Jesus Christ use these instruments to govern. What we have shown in the **Instruments of Adjudication** study is that terms such as **covenant, vow, pledge** and **oath** have very significant meanings to them. As you can see, if you make a **vow**, you are obligated by the Lord of Hosts to fulfill that **vow**, and there is a death penalty if you do not follow through.

You can also see that **by supporting an entity, you are giving yourself to that entity**. In other words, that entity becomes your god. As a 'Christian', you are supposed to be tied to and allied with the Lord Jesus Christ, as you made a **covenant** with Him when you were born again. You were to forsake all others, Christian, and **you were to ONLY have Jesus as your head**. It is through Jesus that you live and breathe, as He has redeemed you; you made a **covenant** with the Lord Jesus Christ, which is a solemn promise that you will follow Him and Him alone.

So, **if you 'support' Israel, what has happened to your covenant?**

**You are forsaking Jesus for the State of Israel.**

This is the trick.

**'So what',** you say. **'Israel is of God, and God is protecting Israel'.**

No.

They are being deceived because spiritually **you have turned away from the Lord Jesus Christ** and you have yoked yourself to Israel. **By making Israel your god, you are yoking yourself to that entity that controls Israel, which we know is the devil himself.** We can tell you definitively that the Lord of Hosts is NOT blessing Israel, and he is not even hearing any of their prayers.

Why?

- It is because Israel HATES the Lord of Hosts' Son, Jesus.
- It is because Israel is Satanic.
- It is because Israel is bewitching people by the MILLIONS.

You yoke yourself to Israel, you become an enemy of god, and that is because you have turned away from Jesus. What you see there is a means to bind you to Israel, who is evil.

How do we know this?

We can look at **their flag and see a hexagram, which is an occult symbol.** Ask yourself the questions, Christian. Would the Lord of Hosts have you support or be in covenant with a country that is flying an occult flag **when the scriptures clearly tell us that witchcraft is rebellion and NOT of Him?**

We can see that Israel is employing spiritual principles that few know or understand that is binding them LEGALLY to Israel, and since we know Israel is evil, **it is witchcraft being used to entice and bind those that it can.** We can see that by supporting Israel, we are **bound to Israel via a tie**, and that tie will include anyone who is bound to it in any plagues that Israel will be dealing with.

Also, in case you didn't know, **with the Children of Israel losing their inheritance, they are illegally on the land, as that land is not theirs.** In addition, **those Jews that hate Christ have curses on them that only the Lord Jesus Christ can remove.** By yoking yourself to Israel by supporting them, YOU are now under **the same curses that they are under.**

Since the Jews in Israel that hate Christ are under a curse of no Peace (see all of the curses on the Jews in our article '**Are the Jews cursed?**'), could it be that America is under that same curse? We see people getting killed and maimed in Chicago, and it doesn't seem as if anyone can stop it. The spirit of murder has been empowered in Chicago, and everyone is now scrambling to look for someone to blame. **Could it be that since America 'supports' Israel, that we are seeing that curse manifest?**

You need to be very careful of who and what you support, Christian, so go back and look at the definition of support again, and then go back to the **Instruments of Adjudication** and look up the terms that have been highlighted in the definition. Do your homework, Christian, and **you will see that you make a grave mistake if you support Israel.**

In fact, you should not support anything or anyone unless you run it by the Lord Jesus Christ first. Have HIM approve of you supporting Israel before you do so.

# Follow Israel

As you have seen in the definition of **Follow**, there is a very strong component there that will keep you or damn you. In case you need it, go ahead and open the definition of Follow **here** so you can get the essence as the meaning.

As you can see, when you 'follow' someone or something, **you not only give your allegiance to them, but you are yoked to them with a tie or bond.** As you probably already know from the study of the **Instruments of Adjudication** from our **Law and Order** series, a tie is something that is formed when you have given yourself to something or someone.

You have a soul tie with your spouse, as the two flesh became one when you consummated your marriage. Let's look at that scripture again:

**Ephesians 5:31** - For this cause shall a man leave his father and mother, and shall be joined unto his wife, and they two shall be one flesh.

Why is this the case?

**Ephesians 5:28-29** - For no man ever yet hated his own flesh; but nourisheth and cherisheth it, even as the Lord the church: For we are members of his body, of his flesh, and of his bones.

As you can see, if you are Born Again, you are members of the body of Christ; as we are IN Christ, we are JOINED TO Christ. Jesus is in us and we are in Him. This is what the parable of the vine was all about. This is a spiritual law, Christian, and you can see that those who have sex with others outside of marriage are rejected by the Lord Jesus Christ, and He is not going to let that into the Body of Christ. Whenever a person has sex outside of marriage that is called **adultery**. When there is illicit sex when a person is NOT married, that is called **fornication**.

Believe it or not, you can have **spiritual fornication**, and this does happen, as a tie is made to a spirit that **may be malevolent or benevolent to you that is NOT the Lord Jesus Christ**. **When you are Born Again, you are having spiritual intercourse with the Lord Jesus Christ**, and this is how He is able to clean you up and change you. You are grafted onto the vine, **and a tie is formed between you and the Lord Jesus Christ**. That TIE is what is keeping you alive, Christian, because if that tie was severed, you would die. If you hack off a branch from a tree, **the branch dies because it is not getting the nutrients that it needs from the tree**.

This same thing happened in the Garden of Eden with Adam. When Adam was made, and the Lord breathed life into Adam's nostrils, Adam became a living being:

**Genesis 2:7** - And the LORD God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul.

A TIE was formed between the Lord God and Adam, and Adam was able to commune with the Lord God through His spirit. This is why the Lord God gave Adam the task of naming all of the animals that we see today, as scripture tells us:

**Genesis 2:19-20** - And out of the ground the LORD God formed every beast of the field, and every fowl of the air; and brought them unto Adam to see what he would call them: and whatsoever Adam called every living creature, that was the name thereof. And Adam gave names to all cattle, and to the fowl of the air, and to every beast of the field; but for Adam there was not found an help meet for him.

Now how did Adam do that? Adam had the mind of the Lord God because of the TIE that he had with the Lord God. When Adam fell and died spiritually is when Eve got Adam to do the freaky stuff the devil did to her, breaking that tie to the Lord God and establishing a tie to the devil.

The devil is a DIRTY dog.

Eve was just the conduit the devil used to get to Adam, as the devil is very girly or matronly, and the devil knows that Adam would have **refused his offers and kicked him in his nibbly bits**. The devil had to **go through Eve and establish a tie with her**, which was done when the devil got his freak on with Eve, which transferred to Adam because he did not regard the Lord God and disobeyed. **As soon as Eve showed Adam the freaky stuff the devil showed her**, there was **a tie from Adam to Eve**, and since the devil already had a tie with Eve, he was able to control Adam as well.

Do you remember your parents telling you that when you have sex with someone who is NOT a virgin, **you are also tied and bound to all of the people THEY had sex with?** Now you can see why ties are being used to bind the masses and these ties are making them drunk.

Why?

Because Adam **followed** Eve, who **followed** the devil, and through the act of 'eating the fruit', better known as satan 'tapping that booty' of Eve (we believe this because they made aprons of fig leaves around their nether regions, but ALWAYS check with the Lord Jesus Christ before you believe anything we say), Adam was bound by the devil and lost his tie with the Lord God. It was through the Holy Ghost that the tie from Adam to the Lord God that was made, and **the Holy Ghost will ALWAYS leave if there is iniquity or uncleanness**, as He is Holy. Adam died that day, **as the tie to the Lord God, who was keeping Adam alive spiritually, was severed.**

When the Lord God told Adam that if he ate the forbidden fruit, he would die, this is just like pulling a branch off of a tree. The spiritual nutrients **stopped flowing to Adam, and he died spiritually.** You can see it took a while for Adam to die physically, but you can see that on a branch you hack off of a tree. It may appear to live for a while, but eventually it withers up and returns to dust (or it is good firewood to be burned).

**'So what is the point?'**, you ask.

When you **follow**, someone, **you turn your allegiance from one entity to another, and in this case, the allegiance Adam had with God was broken, so Adam's allegiance was to Eve.** Well, Eve's allegiance was with the devil after he joined himself with her (both spiritually and we believe physically). With the tie and allegiance to the devil, can we now see how Adam fell?

All of these laws are still in play today. If you follow someone, like a pastor, **you give your allegiance to that pastor through a tie that is spiritual.** Now if the pastor is a freak and he decides to have sex with the congregation, that pastor has established a **soul tie** as well as a **spiritual tie** to that congregation.

Can you now see that **by 'following your pastor' you are damning yourself to hell?**

In the case of Israel, those words – **follow Israel** – are damning Billions of people because they have no idea by saying those words **that they are yoking themselves to Israel.** They **have no idea that a tie has been formed;** they have no idea that they have turned away and forsaken everyone and everything else to be yoked to Israel, and that is the Lord Jesus Christ if they were Born Again.

It is **not an accident that the words 'follow Israel' are being used in the mass media and in churches** today. All who declare this are turning and yoking themselves to Israel forsaking all others. To solidify that spiritual fornication, witchcraft is being used to gloss over what has been done, and the victim is none the wiser.

Now when the victim gets in front of Jesus, Jesus is going to tell them '**go away, I never knew you, you worker of iniquity. I NEVER knew you.**' The person is going to protest – '**But Lord, did we not do things in your name?**' Jesus would be absolute right to tell them that he never knew them.

Why would Jesus say that?

It is because **there is NO TIE to Jesus, and Jesus is going to send you to be with the persons or entity you had a tie to.** These words are DANGEROUS, an Israel is using these phrases to bind and captivate the masses so they will NOT fight what Israel is doing. We already know that Israel is evil, but there are very few people who are standing up to her.

Why?

The masses are **hopelessly bound to Israel, and you are NOT going to fight what you are bound to.** What makes it even worse, the people bound are paying money to the entity that is damning them.

So what is moral of this?

**Be VERY CAREFUL of who you follow.** It would behoove you to **get with the Lord Jesus Christ RIGHT NOW and ask Him if there are any ties made that are not of Him.** Jesus will break the ties once you renounce them, Christian, and restore you with Him.

## **WARNING:**

Do not go up against this  
witchcraft without the  
permission of the Lord Jesus  
Christ

We are giving you this warning because it is important to inform you that under your authority in the Economy of God, you are at the bottom. You can see that in our

book **Understanding Authority**. To deal with this and deal with this effectively, you will need to have the following:

- The mind of Christ
- The authority and power of Christ

The biggest problem that people have when standing against Israel is that they do NOT have the power or authority to overcome the lies, and that is because you need to be:

- Born Again and a disciple of Christ
- Under The Lord Jesus Christ's Authority to overcome the power of the witchcraft.

Now, here is where things get serious.

You CANNOT play with this, Christian. We are telling to **leave this subject alone if you are NOT serious.**

What do we mean by that?

We mean that you **need to be Born Again and a Disciple of Christ**. Just that alone **will eliminate 97% of the people on the world, and ALL of the people who profess to be a 'Christian'**. As a Disciple of Christ, the Lord Jesus Christ would have sent the Holy Ghost to you and He would have gotten you through your wilderness experience so you are a proper disciple.

**If you do not know what we are talking about, then leave this alone.** You are not ready to confront witchcraft of this magnitude. We suggest that you **get to the Lord Jesus Christ and discuss this article earnestly**. It will take some time, but if the Lord Jesus Christ allows this, He will prepare you for this confrontation that all of the Disciples of Christ are preparing for right now.

**Do NOT try to confront Israel, those who defend Israel, or Those who ascribe to the Israel First doctrine without the express permission of the Lord Jesus Christ.** This is NOT a game, Christian, and you can get seriously hurt because you are not prepared or equipped to deal with this head on. No amount of talking is going to work, **as the witchcraft is blinding the minds of those who have fallen prey to this deception**. You can show them articles, **and they will not be moved**. It is only through POWER that you get from the Lord Jesus Christ Himself will make an impact with these people. **Jesus is NOT going to give you His power to combat Israel and their lies if you do not know Him personally.**

This is why this site has been raised up, and that is to get you to the Lord Jesus Christ DIRECTLY so He can equip you and send you for His purposes.

- You need **POWER** to drive off the devil that is controlling Israel and causing all others to be drunk and asleep.
- It takes **POWER** to clear your mind of the lies and see things as they are.
- You need **POWER** to get your household in Order and kick the devil in his nibbly bits if he decides to implode your household.
- You need **POWER** to keep the devil off your kids and to keep them safe.
- You need **POWER** to drive away the enslaving traps that the devil has out here for you.

You only get power **legally FROM the Lord Jesus Christ** and for His purposes and His purposes only. If you try to go outside of Jesus, you will be hung up.

What we are showing you today is NOT talked about in churches, and we encourage you to ask the pastors why this is not being taught. Ask the pastors why there is a spiritual war that you are unequipped for. **You are unarmed, vulnerable, and easy pickings for the devil and his cohorts**, and what you see today as 'church' is FAR from the church in the book of Acts. Today's church is dead, and the devil is running roughshod over everyone and everything because no one has the power to stop him. Many of you have stopped reading right here, as you think that what is being posted is crazy and part of the lunatic fringe.

- Didn't the Lord Jesus Christ tell you to 'be not deceived'?
- Didn't the Lord tell us to be sober and vigilant?

So what is your excuse, Christian?

We are always **telling you to NOT believe anything that we have posted**, and that goes for this article as well. However, we do encourage you **to go to the Lord Jesus Christ directly and ask about these things** that we have posted.

**'Is what these fools on this site posted true?'** , you can ask.

If you think that we are wrong, then go your way. **We are NOT here to convince anyone of anything**, but we are here to point you to Christ and have you talk with Him about us if you need to. If we **just get on your nerves** and you want to prove us wrong, then **go to Jesus and ask Him if what is posted is true**. If you **think we are blowing smoke out of our butts**, that is fine. The thing we will always harp on is **for YOU to check all of this out for yourself**. We could be totally wrong about everything, but if you believe it without checking it out, who is the fool?

Go to Jesus. Ask Him directly and wait for an answer. Many of you are deceived enough to say **'agh, it doesn't take all that'**. Actually, it does. What are you going to do when things go down that there is no explanation for? What are you going to do when a crazed person with superhuman strength confronts you? Will you know what to do? Will you know what to say? Get with Jesus and get right with Him while you can.

# Here is Our Challenge To all of you reading this article

Many of you who are reading this **are wondering what our problem is**. We have droned on and on about witchcraft with Israel and how the words they use are evil, as they are evil. Here is the thing, reader of this article: Our job, as Disciples of Christ, is to shine the light of Jesus on things that are not right so they are illuminated. We are NOT here to convince you of anything. We are not here to make you believe anything.

You can believe what you want. If you think we are wacka-doodles, then so be it.

However, that does not deter us from our job, which is to shine the Light of Christ on things He tells us to shine on, and then we tell you to NOT believe anything that we post, but to go to Jesus yourself and confirm what we have written.

Did you know that by asking Jesus DIRECTLY to help you, He will if you are sincere?

Now you know.

We challenge you to go to Jesus directly **RIGHT NOW** and ask Him if what is shown here is true. Use this as a means to start a conversation with The Lord Jesus Christ and sit with Him and ask Him questions. Start with **(asking out loud):**

**“Jesus, is what I just read true?”**

He will answer you and NOW you will be on the true road to salvation, knowing for **SURE** if you are going to make it or not, as Jesus would have told you. Keep talking with Him. Get to know Him and He will start to reveal Himself to you. You need to find out for yourself and work out **YOUR** salvation for **YOU**, as the scriptures tell us to.

As a part of your salvation, it is recommended that you **FORGIVE those that were sending you to hell**. For many, ignorance of what Jesus Christ is all about and what He does for people is NOT being shown. Ask the questions - why am I under a curse when I have not done anything to anyone?

In closing, we want to give you an EXACT QUOTE we got from Jesus Himself:

**"Disciples of mine will make it into my Kingdom; Christians will NOT."**

Take heed and **don't just blow this off**. What is being presented here is IMPORTANT!! Read and understand what the Lord Jesus Christ is saying to all of us. As we always say, **do not take anything we say as the gospel; ALWAYS confirm what you are reading or hearing by running it by the Lord Jesus Christ yourself**. Keep talking to Jesus and He will respond to you. Have Him explain WHY what is being said is true. Talk with the Lord Jesus Christ and get to know Him personally.

We will say this again:

We do not care what you believe because it is **YOUR** salvation that is at stake. All we are saying is that you should **go to Jesus Christ directly and ask HIM what He thinks** and go with that truth. As we always say on this site - **don't take our word for anything. Go to the Lord Jesus Christ directly and personally ask Him** if what is being posted is true or not, and go with that.
