

Israel Conclusions

Question: Why is it that almost all politicians forsake America for Israel?

The short answer to this question is this:

It is because the Israeli Lobby has lots of money, and they have succeeded in getting these same politicians to draft legislation – and have it passed – where every politician HAS to give their allegiance to Israel or else they do not get the PAC money they need to win their office. Take a look at this graphic:

**MUST CHRISTIANS
STAND WITH
ISRAEL???**

Politicians can't get elected without publicly confessing their allegiance to Israel.

In fact, that allegiance must put Israel above America. Christians hold a similar belief, that somehow the nation of Israel represents God's chosen people and we must support them no matter what they do or how they treat their fellowman.

Must we support them while they malign and disparage our Lord and Saviour, and make mockery of His work and our beliefs? Must we support them as they kill and murder and partake in satanic exercises foreign to scripture? Must we help them bring back the very animal sacrifice temple service God Himself ended?

Must we support them as they do ungodly actions in the name of God, and must we give billions upon billions into their war coffers while our veterans starve and die on the street? Do we set aside our moral compass while they commit evil pretending to be doing God's will? Can they prove their heritage? Are they God's chosen still?

Can I get ONE scripture that supports any of this that doesn't make Jesus a liar?

Now, here is the scary part: there have been congresspersons that have fought this and lost their seat. Former Congresswoman Cynthia McKinney went so far as to bring this out into the open, but many Americans are so bewitched they did not listen. It was Cynthia McKinney that put herself on the line telling the American people that this was happening.

The American people did NOT care.

So, now we have it that every politician has to give their allegiance to Israel, in effect, yoking not only the politician, the state or area they represent to Israel, but the whole country to Israel.

Many of you are wondering why this is always the case, and now you know.

There is also a more scary reason why the politicians do this, and here it is:

The politicians are bought and owned by the Jewish Lobbies, and if they do not do what the Jewish Lobbies tell them, they are put out of office. By yoking the politician to the office by money, the Jewish Lobby is yoking America SPIRITUALLY to Israel, and by doing that, American is suffering under the curses that Israel is suffering under.

The biggest curse the America is suffering under is the curse of the sword. The sword in the Bible denoted war, and as you can see, as the Middle East has been a cauldron of trouble over the past 69 year that Israel has been there, there is now more violence and violent crime in America,. There is so much so that people are arming themselves, as society is starting to break down.

What is the Jewish Lobby's response to this?

It is to confiscate the guns.

Why?

So people will not go after the Jewish Lobby and kill them for what they have done.

History is rife with many countries that have kicked out the Jews, and this is mainly because of what they did in those countries. Now, we will only be free of the Jewish Lobby and their stranglehold on the American government if the people will rise up.

Unfortunately, the people will NOT rise up, as they are rocked to sleep, drunk on the wine of Israel's fornication, and unwilling or unable to do anything to get rid of the Jewish Lobby's forces.

IN other words, the Americans are fast asleep.

It is through the witchcraft of Israel and their Jewish confederates that did this, and now they have complete control over Americans, damning them by getting their government to support Israel financially and spiritually. It is just a matter of time before America is destroyed because of the curses it has inherited from Israel, as well as a host of other countries. America today is evil today because no one was willing to stand up and put a stop to the Jewish Lobby's power grab.

Here is Our Challenge to all of you:

We challenge you to go to Jesus directly **RIGHT NOW** and ask Him if what is shown here is true. Use this as a means to start a conversation with The Lord Jesus Christ and sit with Him and ask Him questions. Start with **(asking out loud):**

“Jesus, is what I just read true?”

He will answer you and NOW you will be on the true road to salvation, knowing for **SURE** if you are going to make it or not, as Jesus would have told you. Keep talking with Him. Get to know Him and He will start to reveal Himself to you. You need to find out for yourself and work out **YOUR** salvation for **YOU**, as the scriptures tell us to.

In closing, we want to give you an EXACT QUOTE we got from Jesus Himself:

"Disciples of mine will make it into my Kingdom; Christians will NOT."

Take heed and **don't just blow this off**. What is being presented here is IMPORTANT!! Read and understand what the Lord Jesus Christ is saying to all of us. As we always say, **do not take anything we say as the gospel; ALWAYS confirm what you are reading or hearing by running it by the Lord Jesus Christ yourself**. Keep talking to Jesus and He will respond to you. Have Him explain WHY what is being said is true. Talk with the Lord Jesus Christ and get to know Him personally.
