

# Israel Conclusions

## Question:

**Why does it seem that there are always Jews in places of power and around the money?**

The answer to this question is pretty simple. The Jews are in places of power and influence because they are being exalted by the devil, satan. Here is reasoning:

The descendants of **the Children of Israel are LOST**, because **they were thrust out of the Promised Land and have lost their inheritance because of their disobedience, a thing that many Jews today don't want to talk about**. All of the 'success' you see with the Jews is the **power from the devil, also known as Satan**, and you see the Jews exalted in all that they do. If you look at it logically, why is it that .04% of the population, who are Jews, has more representation in areas of power and influence than any other group? Do you think that is an accident?

That leads to, by inference, that:

- The State of Israel was NOT brought to where it was by the Lord of Hosts, **but the Lord of Hosts allowed that so the end of the age could commence**.
- The 6-day war was NOT Michael the Archangel fighting FOR Israel, but internal squabbling by the devil's forces to set up a state that is his that he can use to control the world. Again, **the Lord of Hosts allowed this so the stage will be set for the antichrist**, which is in effect **a trap for the devil because once the age is ended, that fool will be locked up for 1000 years**.
- The acumen you see in world affairs – the money, the power, the prestige – **that has been given to the Jews by the devil because the devil controls the money of the world** as he is the god of this world. Is it an accident that ALL of the media companies and almost ALL of the banks are controlled by or run by Jews? If the devil controls the money, the devil is going to put in place those whom he trusts, and that is a logical conclusion to what we see in the world today.

Remember what the scripture showed when the devil tempted Jesus?

**Matthew 4:8-9** - Again, the devil taketh him up into an exceeding high mountain, and sheweth him all the kingdoms of the world, and the glory of them; And saith unto him, **All these things will I give thee, if thou wilt fall down and worship me.**

**Jesus refused**, and told the devil to go somewhere, as you can see here:

**Matthew 4:10** - Then saith Jesus unto him, **Get thee hence, Satan: for it is written, Thou shalt worship the Lord thy God, and him only shalt thou serve.**

**We believe that the devil made the same offer you see in Matthew 4:8-9 to the Jews, and since they were rejected by the Lord of Hosts for their disobedience, they took the devil's offer, as they were mad at the Lord of Hosts for rejecting them.** Now you see them lauded by the devil, as they are now his people. I also believe that the devil established the State of Israel to be a 'spiritual center' to project his control around the world. Now, I cannot definitively prove that, but it is a good postulation as to what is going on around the world today.

So, the short answer is this:

The devil is going to put people who he trusts in positions of power and influence so the devil will control the world. As you can already see, Jews run the banks that control the money, who are in turn owned by satan. The Jews are going to do what satan tells them to do, no matter if the policies are correct or not. If the devil wants a 'contraction' of the money supply, then there are layoffs and companies go out of business because the commerce world is interdependent. That is a ripple effect, where there is no business, there is no money; where there is no money, there is poverty and misery. All of this is done on purpose so the devil will kill, steal, and destroy. However, if you ever look at an economic downturn, you see that **SOMEONE ALWAYS SEEM TO HAVE MONEY**, enough to start a war (to kill people) and many times, these bankers finance both sides, as they get paid no matter what the outcome of the war is.

Meanwhile, many people are killed and impoverished, but it is **NOT** those who control the money.

Imagine that.

# Here is Our Challenge to all of you:

We challenge you to go to Jesus directly **RIGHT NOW** and ask Him if what is shown here is true. Use this as a means to start a conversation with The Lord Jesus Christ and sit with Him and ask Him questions. Start with **(asking out loud):**

**“Jesus, is what I just read true?”**

He will answer you and NOW you will be on the true road to salvation, knowing for **SURE** if you are going to make it or not, as Jesus would have told you. Keep talking with Him. Get to know Him and He will start to reveal Himself to you. You need to find out for yourself and work out **YOUR** salvation for **YOU**, as the scriptures tell us to.

In closing, we want to give you an EXACT QUOTE we got from Jesus Himself:

**"Disciples of mine will make it into my Kingdom; Christians will NOT."**

Take heed and **don't just blow this off**. What is being presented here is IMPORTANT!! Read and understand what the Lord Jesus Christ is saying to all of us. As we always say, **do not take anything we say as the gospel; ALWAYS confirm what you are reading or hearing by running it by the Lord Jesus Christ yourself**. Keep talking to Jesus and He will respond to you. Have Him explain WHY what is being said is true. Talk with the Lord Jesus Christ and get to know Him personally.
