Question: Why is the music Industry run by Jews?

To answer this question. We will need to explain to you that the music Industry is a part of an apparatus that is in place and designed to keep people asleep and bewitched. The music is being used to change the people into animals, as they listen to the 'stars' who make records. Since satan is a music maestro, he is using the beats in the music to bewitch people and open their minds up to the suggestions that he wants to introduce. This is why you see many young men walking around with their underwear hanging out in the street with their pants pulled down. All of this is the apparatus of witchcraft, and we will best explain how this works using Pimp Juice.

So what is Pimp Juice, anyway?

For the uninitiated, **'pimp juice' is the semen of the pimp that the hoes (male and female) drink to bind themselves to the pimp.** This is the power that the devil gives the pimp, who will have both male and female prostitutes in his stable. The pimp will have his prostitutes perform oral sex on him, and when the pimp ejaculates, they (the male and the female hoes) drink and swallow the ejaculate or semen, **which binds the hoe to the pimp.**

'That's really DISGUSTING', you say.

We know that this is disgusting, but think about the filth that you ingest from your television every day.

What is the difference?

Through the power of pimp juice, the hoes will fight for the pimp as well as sell their bodies to do lewd acts, and they will give all of their money to the pimp, who tells them that he is their 'daddy'. The pimp cares nothing about any of these hoes except for the money that the hoes bring in. If the hoes fail to bring in the money that the pimp wants, they will be beaten and sent out to get the money. The pimp is in it for the money only, and he could care less about his hoes if they are NOT making money for him.

Through the music, all who listen to whatever genre of music are being turned into animals with the pimp juice of the music, and the people drink it down and are bound. Those of you that have children, be careful of what they are listening to. That music - rap, heavy metal, rock & roll - will turn your children into zombies. **That is the pimp juice of the music, making your child into a drooling idiot** that will slit your throat because you dared say anything to them. They get that spirit from the music, and that is the pimp juice of the devil to enslave not only your child, but your household and everyone in it.

Witchcraft is used in the record industry, as you know that the masters have spells put upon them, and through witchcraft, the minds of the people listening to the songs over and over again are slowly transformed into what the singer is singing about.

This is more evident with the advent of Rap music, as the beats captivate the people, and the rapper's words are incantations. The incantation that you see most often is one of calling a woman a 'bitch' or a 'hoe' and showing a lot of money, expensive cars and jewelry. What this does on impressionable young minds is change the mind to being a 'rapper' who hates women but loves his 'homies'. In effect, Rap music changes a young man into a homosexual, and this is because rap music is made by people who hate their mothers and/or had no father. These people turn into animals that cannot be reasoned with or talked to.

Many of you reading this have children that are victim to this witchcraft, and this is all propagated by the music.

Almost every 'singer' or 'star' that make records or DVDs has sold their soul to the devil so they will do what he wants them to do, and through those Jewish people who own and run the music Industry, the devil is controlling the masses. He uses the music to get people into altered states with their emotions, and once the devil has people in those altered states, the devil can do what he wants to the minds of those who enter in. The music are nothing more than a medium for transferring spirits into the people who listen to music that are not psalms, hymns and spiritual songs, those spirits that are being transferred are NOT holy.

How many times have you listened to a singer that just makes you LOVE that singer? How many of you have listened to Luther Vandross and wanted to go and have sex with your spouse or significant other afterwards? How many of you have listened to Sade as a 'smooth operator', and was literally bewitched by her voice?

This is an altered state brought on by the music. If you are in an altered state, then you have been bewitched. This is all witchcraft, and this is why you cannot break away from the music (or have a hard time doing so).

Here is Our Challenge to all of you:

We challenge you to go to Jesus directly **RIGHT NOW** and ask Him if what is shown here is true. Use this as a means to start a conversation with The Lord Jesus Christ and sit with Him and ask Him questions. Start with **(asking out loud):**

“Jesus, is what I just read true?”

He will answer you and NOW you will be on the true road to salvation, knowing for **SURE** if you are going to make it or not, as Jesus would have told you. Keep talking with Him. Get to know Him and He will start to reveal Himself to you. You need to find out for yourself and work out **YOUR** salvation for **YOU**, as the scriptures tell us to.

In closing, we want to give you an EXACT QUOTE we got from Jesus Himself:

"Disciples of mine will make it into my Kingdom; Christians will NOT."

Take heed and **don't just blow this off**. What is being presented here is IMPORTANT!! Read and understand what the Lord Jesus Christ is saying to all of us. As we always say, **do not take anything we say as the gospel; ALWAYS confirm what you are reading or hearing by running it by the Lord Jesus Christ yourself**. Keep talking to Jesus and He will respond to you. Have Him explain WHY what is being said is true. Talk with the Lord Jesus Christ and get to know Him personally.
