The Lukewarm Doctrine of Dr. Gene Kim

From the Lukewarm Christian series
www.getyouranswersonline.com

WARNING!!!

We will warn you that what we are presenting is going against the doctrinal teachings of many denominations. Many are going to excoriate this site because we are not following their doctrine. Many times, the people who are going to say we are teaching 'a false gospel' would be the ones that say that they have read the bible from cover to cover multiple times and will claim to be the 'authority' on the bible because they did that.

So, If you think we are full of it, that's fine. That is expected.

All we are asking for you to do is to read the content, **then go directly to the Lord Jesus Christ and confirm with HIM** what we have been posting. **Confirm with HIM** that the things that have been posted are true. **Confirm with HIM** that the conclusions are correct.

After you do that, **ask Jesus directly what YOU should do, and ask Him to lay out His plan for YOU. We do not care** what you think about us, Christian, nor do we care what you say about us. In the grander scheme of things, it does not matter. What matters is that we are presenting the gospel **UNFILTERED and not coloured by church doctrine**. What we are presenting affects **YOUR salvation**, and if you want to gamble with **YOUR salvation, that is on you**. You can blow us off if you want to, but like those **people who got killed in Texas at a church, you never know when your time will be up**. Hopefully, those people were on the road to salvation, working to get their sin off of their ledger and **not just believing that they were saved**. As we always say, and we will repeat here - **don't take our word for anything. ALWAYS confirm what you read and/or hear with the Lord Jesus Christ and do what He tells you to do.**

How do we know that the devil Has taken over the church?

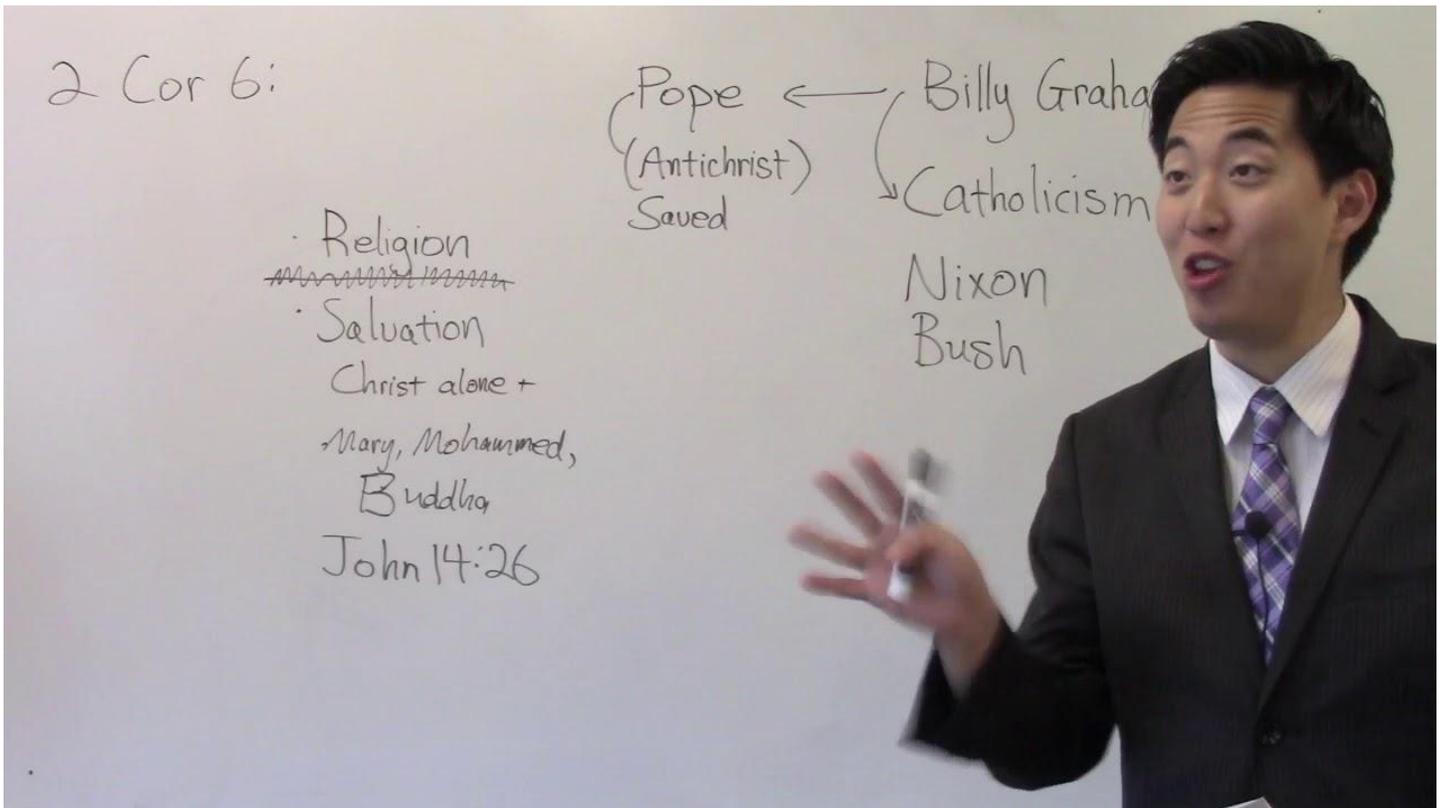

First of all, we are NOT seeing any teaching of the Holy Ghost. This is very prevalent in the Baptist Church, and you can see a well-known independent Baptist church pastor teaching his congregation that the Holy Ghost is 'not for today'. It is through the doctrine that these pastors are under that tell them that the Holy Spirit is 'not for today' and that people 'need not worry about that'.

We sincerely believe that these pastors, who are well known, are in ERROR. Does this mean that they are of the devil?

No.

But we can see they are misleading their congregations with their teaching, and **that teaching is based on Baptist doctrine, which IS of the devil.**

It is very obvious that both of these teachers have never been filled with the Holy Ghost, because if they were, they would know better than to teach what they teach. With that being said, it brings into question if these two teachers are really saved or not, as you CANNOT be saved if you teach against the Holy Ghost. Jesus wants everyone who follows Him to be FILLED with the Holy Ghost so they can be taught and prepared properly. This is a prime example of how the pastors in the pulpit are NOT Spirit filled, as these two are NOT. It is blatantly obvious to those who ARE filled with the Holy Ghost. We will take a look at these two teachers and show what they are doing wrong.

Example #1: Pastor: Dr. Gene Kim Disempowers his congregation

We this clip from a 'pastor' who is teaching his people that only the Apostles had the power to raise the dead, heal the sick, cast out devils, etc. We are going use the same scripture. Take a look at the clip [here](#). The clip is titled '**Who is Stealing Tongues, Healings and Visions?**', and the clip is 13 minutes long.

In this clip, you can see that the 'pastor' is disempowering the people listening to him by saying that you have to be an apostle to have the power to do what Jesus commanded his DISCIPLES to do.

In this context, the 11 remaining Disciples were being upbraided – scolded if you will – by Jesus for NOT believing the people that told them that He had arisen. Now there is something very subtle, but there, that this teacher is glossing over.

Notice that Jesus said 'in my name' – **he did NOT say 'in my name ONLY if you are an apostle'**. He said '**these things shall follow those who believe;** in my name (belter stated – authority) you shall raise the dead, heal the sick, etc.

We can tell that this **Dr. Kim guy is NOT Born Again and is NOT filled with the Holy Ghost.** If he was, he would know that the Holy Ghost is going to rest on those who believe in Jesus Christ and follow Him as Jesus gives to the person the AUTHORITY he needs to be able to do the miracles that He said they would do. It is the POWER of the Holy Ghost that will then flow through the person and the miracle will be done.

This man does NOT BELIEVE that the Holy Ghost is for today.

What you see here is a man who has a doctorate from the seminary, but **he does NOT have the Spirit of God resting on him.** This man, wittingly or unwittingly, has dismissed the POWER that Jesus has and **has totally dismissed the Holy Ghost, as he is telling people that they do NOT have this power unless they are an apostle.**

This is untrue.

This doctrine is what is keeping people lukewarm and docile, as no one is going to do any of these things that the Lord Jesus Christ has commanded His Disciples to do because they have been told that they do NOT have the power to do anything unless they are an Apostle.

So what are we saying there? We are saying that the Baptist Church:

- creates lukewarm Christians;
- creates Christians that are unarmed;
- creates Christians that are unaware of the war zone they are in;
- creates Christians that do not know how to fight the devil;
- creates Christians who do NOT know how to use their armour;
- creates Christians that do NOT know how to use the sword of the spirit;
- creates an environment where people will NOT fight back;
- puts all of the people in the church at risk;
- and keeps the people in the dark about spiritual things.

Now, you must understand that you cannot use carnal weapons to defeat a spiritual enemy. The devil will get his minions to do his dirty work for him, and they will, as they are carnal. If you try shooting the devil if he appeared in front of you, he would just sit and laugh at you. However, if you knew about your armour, you at least have the sword of the spirit on you, and if you know how to wield it, the devil will run away from you in his high heels as fast as he can.

The Pastors in the pulpit don't believe in the Holy Ghost

Now, it is counter-intuitive to think that a pastor, who is supposed to be the overseer of Jesus' flock, would be rejecting and refusing to teach about the Holy Ghost. As anyone who is a TRUE Christian would know, we desire to be filled with the Holy Ghost because that is the ONLY way we will be able to make it into the Kingdom of God. Those who do NOT have the Holy Ghost will NOT make it in.

Many pastors will downplay the Holy Ghost because they do not believe that the Holy Ghost is for today. They think that believing is enough. However, without the Holy Ghost, a Christian or Disciple will NOT be able to resist the devil, as we are Christians are also commanded to do. The Holy Ghost is the POWER behind all Christians, and Jesus only did the miracles He did because he was filled with the Holy Ghost.

Example #2: Dr. Gene Kim disempowers his congregation again and mocks the Holy Ghost

In this clip we will show you, here we have a pastor with a Baccalaureate, A Master's Degree, and a Doctorate in Theology in California. Normally, you would think that this guy would know what he is talking about, correct?

Well, we beg to differ.

In this clip, you will see how the pastor downplays the Holy Ghost, which grieves the Holy Ghost terribly. This is a short 8 minute clip, that you can see [here](#).

As you can see, this pastor has a theory on why he thinks that the Holy Ghost is not prevalent today. His 'explanation' is that the Holy Ghost manifestations were for the Jews only, because the Holy Ghost was demonstrated when Jews were around, as they were

looking for signs from the Lord. His theory that we do not see more manifestation of the Holy Ghost today is because we are walking by faith, so the signs are not needed.

You can see this explanation starting at the [02:46](#) mark.

Now, for those who know the Holy Ghost, **you will know that is the dumbest thing that has ever been uttered by a pastor.** The Holy Ghost is a person, and that person will ONLY go to those who the Lord Jesus Christ sends Him to. It does not matter if that person is a Jew or not. As God, who the Holy Ghost is, He is NOT a respecter of persons. This is a made up 'theory' that mixes the Bible with 'what makes sense'.

And this guy has how many degrees?

Also, the Holy Ghost is HOLY, and He will NOT go to any vessel that is unclean. Could it be that the reason why we do not see the Holy Ghost in full manifestation anymore **is because NO ONE is TEACHING about the Holy Ghost?** Could it be that 'pastors' like this one are **turning people AWAY from the Holy Ghost by declaring that 'it is not for today'?** Could it be **that the man-made doctrines of denominations, like the Baptist doctrine, and the doctrines of the Roman Catholic Church, have 'decided' that the Holy Ghost does not need to be taught?**

Who benefits from the Holy Ghost not being taught so He is NOT indwelt IN the Body of Christ?

At the [07:35](#) mark, **you can see this pastor mocking the Holy Ghost**, and this is where the danger is. He is telling you that speaking in tongues, and especially **raising the dead is a bunch of hooey**. He 'challenges' people who 'believe in that' to go and raise his dead grandmother. He straight out tells you that 'you are not to believe all of that'.

Why?

It is because this 'pastor' does not believe it. If you look in the comments in the comments section, you will see he tells one person the following (and this is a direct quote):

Yes sir. Anything that have to do with God's power directly being used physically by people is gone. God works through the spirit, not physical means now. And remember Jews are the physical nation gaining physical means, whereas Christians are spiritual. So in order to gain deliverance, it must be done through the armor of God.

What??? Does this make any sense to anyone who knows the Holy Ghost personally?

This is arrogance at its best, and this 'pastor' is in serious **ERROR**.

Who is this joker to tell anyone what they 'should' believe? The Gospel is 'proclaimed'; that means it is told, and it is up to the hearer to make up his own mind, as that is the FREE WILL that the Lord gives everyone and will not overstep. This guy is telling you that you don't need to believe that because, with all of my degrees, **you are to believe ME.**

This, Christian, is how people are led astray.

The Bible, throughout the scriptures, ALWAYS lets you to CHOOSE, one way or another. Choice is given to the hearer, and not for the proclaimer to force it down your throat. To further the point, the Lord of Hosts let all of the angels that wanted to follow satan to go with satan, and they were all expelled from the Kingdom of God.

You see, Christian, by this 'pastor' mocking the Holy Ghost like this, the Holy Ghost is grieved, and when He is grieved, there is a price to pay. A few years ago, John Belushi mocked the Holy Ghost on a skit for Saturday Night Live by 'speaking' in tongues. Less than 6 months later, John Belushi was dead. You see, Christian, you do not mock the Holy Ghost, as that action will cost you your life AND your salvation.

We also want you to see the abject disdain that the pastor has for the Holy Ghost. That visible disdain is hatred for the Holy Ghost's manifestations, and that just proves our point - this 'pastor' **does NOT KNOW JESUS CHRIST at all and therefore will NOT KNOW THE HOLY GHOST.** Yes, our multi-degreed 'pastor' **is probably not even born again.** Any Disciple of Christ knows that **you do NOT mock the Holy Ghost for ANY reason, as Jesus will NOT be happy.**

You do NOT want to be on the receiving end of an angry God. Pastor, go talk to those who rebelled with Korah (**Numbers 16**) and let Korah tell you how an ANGRY God opened up the earth and swallowed up the rebellious ones that followed him. All of their families, including their children and wives, their tents and their animals were cast whole into hell and the earth closed up after them.

This is who you are messing with, 'pastor'.

Here is another direct quote of this pastor's beliefs:

In that case, I'm in agreement with you. I do believe God can still do miracles. Otherwise, why else even pray? I just don't believe God using people to do miracles, because those are long gone. I only believe in God doing them.

Again, not to beat a dead horse, **the Lord Jesus Christ does things THROUGH HIS PEOPLE. How can a 'pastor' with many degrees miss that?** Why would the Lord Jesus Christ have a people in the first place if He doesn't work and manifest through THEM? Why would the Lord Jesus Christ spend so much time and energy to 'redeem' us from the

world if we are not going to be the vessel that Jesus uses to do His bidding? **What happened to giving your body as a living sacrifice, in Romans 12:1??**

And this man is a 'pastor'?

We do not care how many degrees he has, His mocking of the Holy Ghost was uncalled for and **anyone under this man's tutelage should leave as quickly as they can.** Not only is this man going to have to answer for his mocking and disdain for the Holy Ghost, **he is in grave danger of committing the unpardonable sin.** This man's disdain for the Holy Ghost is the reason why many people are going to be lost, as this is a man teaching doctrines of demons. You cannot spit on the Holy Ghost **and think that the Lord Jesus Christ is NOT going to come see you about that.**

Take a good look at this pastor now and pray for Him to be saved so He can repent before it is too late.

As a side note, **the same Holy Ghost that is 'not for today' has purposed us to specifically post this YouTube video in this article** so you can see those who have a **form of godliness but deny the power thereof.** Degreed or not degreed, this pastor **does NOT know the Lord Jesus Christ and certainly does NOT know the Holy Ghost.** We can tell you that the Holy Ghost is none too pleased by what has been shown. So, even though we excoriated Dr. Kim for his error, do we think that r Dr. Kim is evil?

Absolutely not.

However, if he ever gets filled with the Holy Ghost, then he will know that his teaching is error. It is possible that they had been told in the Baptist Seminary that the Holy Ghost is NOT for today, and they are just regurgitating what they have learned. You will find that the Bible and the Word of God has to be revealed to you when you study. IN other words, the Bible is a supernatural and very complex book, and if you read it on the surface, you NEVER get the real meat of the word and the meanings of the word unless the Holy Ghost reveals to you what He wants you to see.

Case in point:

In the Bible, when you look at what happened to Saul, the king, Baptist teachers will tell you that Saul made it to Heaven, as they are taking the letter. Now, all of us know that anyone who uses witchcraft is NOT going to make it to heaven, as witchcraft is a sin as rebellion (**1 Samuel 15:23**). In the scripture, we saw that Saul went and consorted with the witch of Endor to conjure up Samuel, as Saul had been cursed by the Lord of Hosts for disobedience. We see in scripture when the Spirit of the Lord Left Him as shown here:

1 Samuel 16:14 - But the Spirit of the LORD departed from Saul, and an evil spirit from the LORD troubled him.

In the Old Testament, the Spirit of the Lord would rest upon whom the Lord anointed, and the person would be given instruction to do things through a prophet. As you can see, when the Spirit of the Lord left Saul, Saul literally lost his mind. Now Baptist doctrine would have you believe that Saul made it to heaven, as the apparition of Samuel told Saul that 'he would be with me'. We know that Samuel was in heaven with the Lord, but who was Saul talking to? That person was divined up by the witch, so how could that be of the Lord of Hosts when He absolutely HATES witchcraft in any form or fashion?

Because Baptist doctrine will see the letter of the Word, it dismisses the SPIRIT of the Word, which makes the word alive. Also, because Baptist preachers are NOT truly Born Again (they say they are, but they are not because of the **Once Saved, Always Saved** doctrine) and they are NOT Filled with the Holy Ghost, they are teaching the Bible academically, and they need the Holy Ghost to reveal to them what He wants taught. Without the Holy Ghost, a person will NEVER understand what the letter is saying.

In the case of Dr. Kim, he is making up things to cover the inconsistencies that he cannot explain. This is why he talks a lot about 'dispensationalism' and why his theme is that 'the Jews required a sign' and now we do not need a sign, we just believe as Christians.

No.

It is because the Holy Ghost works in those Disciples that have Jesus' authority (which He will give to a Disciple freely if He chooses to). Didn't we see that when Jesus was walking the earth? Didn't Jesus give 70 people the authority to cast out devils, and those 70 did just that (**Luke 10:1-20**)?

Were all 70 apostles?

According to your teaching, they needed to be apostles, correct?

The answer is no, they were all people who believed on Jesus!! Jesus told the 12 disciples to make Disciples of men as they spread the Gospel.

This just proves that as long as those who believe on Jesus and follow Him, Jesus will give them the authority to cast out demons, just like we can do today.

Can't you see that by **NOT** teaching the Holy Ghost you have no **POWER** to resist the devil?

There are many who will perish because they have not been taught about Jesus correctly nor about the Holy Ghost. The Holy Ghost is the Spirit of God and the Spirit of Truth, and He would be warning those whom He is teaching to get out of the churches because the Lord Jesus Christ is going to destroy them very soon. Many are not hearing the Holy Ghost because they are yoked to and have given their allegiance to the doctrine of their denomination. **That doctrine of denomination is going to kill millions, and many will be lost because they never knew the Lord Jesus Christ personally.** The people have been blocked from knowing the Holy Ghost because their 'pastor' **has decided for them** that the Holy Ghost is 'not for you to worry about'.

Many people are unaware that there is a fierce battle going on around them. You can see the devil go around and enslave millions, as they have **no idea of how to combat this devil and how to protect themselves** with the armour and weapons of God as shown

in **Ephesians chapter 6**. They have no idea how to wield the Sword of the Spirit, and they have no idea how to protect themselves from attacks in their marriages and households. Many go through life and when they die and get judged, they are shocked by what Jesus tells them - '**Go away, I never knew you, you worker of iniquity.**'

Weren't these people going to church?

Why are these people deemed 'workers of iniquity'?

The Church is supposed to be teaching you how to become a Disciple of Christ, and with that teaching, you are to give yourself to Jesus fully, and then you are to pick up your cross and follow Him. This is not being taught; many are enslaved and then damned to hell because they were ignorant of what they should have been learning.

The good news is that Jesus is the God of 2nd chances, and **He has given many people a 2nd chance to get things right**. Jesus knows that many pastors are crooked and wicked, including the ones that are accusing others of being crooked and wicked. We are convinced that, in our opinion, **that pastor is NOT EVEN BORN AGAIN**. All you see from him is academic and book knowledge and his doctrine is NOT true much of the time. He doesn't teach that Jesus is the one and true way to get to the Kingdom of God; this pastor, along with a lot of the Baptist pastors, tout **once saved, always saved** as the way to be saved. Once saved, always saved is demonic and many are going to hell for eternity believing in that.

Isn't it funny how we have **pastors that are not even born again pastoring a church?** If they don't know Jesus personally, which they don't, then who sent them? Who put them in front of people to teach their doctrines? Who benefits if the people do not know about the Holy Ghost?

Christian, you have been duped.

You have been hoodwinked.

You have been hornswoggled.

You are being deceived by these 'pastors' and they are leading you away from Jesus Christ and leading you to hell where you will be damned.

Our Assessment of Dr. Gene Kim

This pastor is, by far, a SLAVE to the Baptist Doctrine. This pastor is a [Dispensationalist](#), and that doctrinal teaching is pure crap, in our opinion. Since we do not have all of the degrees that Dr. Kim has, **do NOT put much weight on what we are saying**; however, we **challenge you to take what Dr. Kim teaches and run it by the Lord Jesus Christ DIRECTLY and see what he says**. As a full disclosure, we are NOT trying to do a 'gotcha' on this pastor, but it is good to see where some pastors who are teaching churches are coming from. Based on our study, we can see that we do NOT agree at ALL with Dispensationalism, as we think that this doctrine is pure error.

So what did we see that caused us pause?

- **First, we were especially troubled in seeing that this pastor seemed to think that the Holy Ghost is 'not for today'**. In our expose on this pastor's clip, we minced no words stating that he was disempowering his church to NOT ask the Lord Jesus Christ for the Holy Ghost so they could fight the devil, as the Lord Jesus Christ commands all of the people following Him to do. How are you going to fight the devil and destroy his works if you do not have the Authority nor the Power to do so?
- **We can see the arrogant disdain that this pastor has for the Holy Ghost**. Normally, we would just move on if we see pastors who do not know the Holy Ghost say things against the Holy Ghost because they do not know any better, but we saw almost abject hatred for the Holy Ghost in this video.

- **We see the pastor mocking the Holy Ghost.** In one of the videos we have highlighted, we see the pastor mocking the Holy Ghost, and this is where we felt we had to say something and point this out. If you, pastor, don't like the Holy Ghost, that's fine, but to mock the Holy Ghost like that was unwarranted, and dangerous. It is **very obvious that this pastor does NOT KNOW THE HOLY GHOST**, and he has either not seen or has dismissed what happens when arrogant people go against the Holy Ghost. Now, in fairness to the pastor, he may have had some dealings with the Charismatic Movement in the past, and we could see why the pastor would have this sort of disdain. **However, the Holy Ghost IS the Spirit of the Lord, and mocking Him like that can get this pastor killed.**

- **We know that this pastor is NOT Born Again because he mocks the Holy Ghost.** We also know that this pastor ascribes to 'Once saved, Always Saved' doctrine, so that just proves our point. If this pastor ever does get to be Born Again for REAL, he will know that he made a mistake, and he will repent of blaspheming the Holy Ghost. We are praying that he does repent.

- **His teaching of the Holy Ghost with the Apostles is error.** According to this pastor, the Holy Ghost is for apostles, and he has made it a point to show that the apostles were the ones who had the power. Jesus gave the power to cast out devils to 70 other people when He was walking on the earth, so were they apostles as well? We submit that NO, they were not, but they also had the power that Jesus gave them. **This totally debunks the teaching that you have to be an apostle to be able to cast out devils.**

- **This pastor's spirit is wrong when he teaches.** Since this pastor does NOT know the Holy Ghost and is NOT filled with the Holy Ghost, **the spirit that you see in him is a spirit of arrogance, and that is probably what rubbed us the wrong way**, even if the teaching was error. We believe that this is the reason why we stopped to listen to what was being taught, because we always challenge ourselves to see if we be in the faith and sometimes we can be wrong and we are always looking to be in the faith and truthful. As we stated, we are always taking what we hear and running it by the Lord Jesus Christ. However, in this case, **the Holy Ghost Himself had us stop and take a look at this**, prompting us to write what you see here today.

- **What was taught and how the Holy Ghost was mocked did offend us as well as the Holy Ghost.** We were looking for instances where people in churches were disempowered so they did not have any power to fight the devil when we ran across these two teachings. Usually, if we see some boob on YouTube saying something that is not true, we laugh and move on. However, **our spirit was offended**, and as we read more into this, we could see that because the pastor does not believe that **'miracles are for today'** or that **'miracles are done by God only, and not people'**, he is **projecting this upon others to believe as he does**. In case you are wondering, the Lord Jesus Christ uses PEOPLE to do things through as He wills, just as the devil uses people to do things as he wills. To have a pastor say that only God does miracles and that He does not work through His people is not only disingenuous, but **it is error and arrogance when the Bible clearly shows that the Lord has ALWAYS worked through His people** – from Moses and the prophets in the Old Testament to the Disciples in the New Testament. What has changed? The vessels He uses!!

- **Because of this teaching, the people in the church that listen to this pastor will NEVER seek Jesus nor will they ever seek to be filled with the Holy Ghost.** This church that this pastor runs is powerless, and the people who 'follow' this pastor will be pointed to Baptist doctrine, **which is who this pastor's god is and NOT Jesus**. Never mind that the Lord Jesus Christ is the way, the truth and the life; never mind that we have an insane cherub angel running around unchecked because the pastor believes that the Holy Ghost is 'not for today', **when the ONLY way to fight that insane Cherub angel devil is with the AUTHORITY that Jesus Christ freely gives those who follow Him with the power of the Holy Ghost!** Now that this pastor has **'pooh-pooed'** the Holy Ghost, none of the people following this pastor will ever ask for the tools they need to fight this devil.

Frankly, we could care less about Dispensationalism, as that doctrine has a lot of pretty goofy things in it. We want to know what to do when we see a demonically-inspired person standing in front of us, heavily tattooed and drooling, that is aiming to chew our face off just because they can. **If you think that this is far-fetched, just go into your local Walmart and see what you find there.** Do you really think that that demon-infested person you see in Walmart is going to care about the 'rules' of Dispensationalism? **What about NOW, when we need power,** to deal with this demon infested person standing there peeing on himself right in front of you?

With the teachings that this pastor is giving you, **we sure hope you can run faster than Usain Bolt, because that is the ONLY defense you have.** If you were filled with the Holy Ghost, not only could you stand, but you could cast out that demon and save that person from a burning hell, as well as everyone else in the Walmart who will not know what to do.

As Followers of Christ, **we are commanded to STAND against the devil and make Him flee,** and you can only do that if you have more AUTHORITY and POWER than he has. If you were being taught correctly, you would know you have to ASK for Jesus' authority,

which He freely gives to His disciples and followers, and with the infilling of the Holy Ghost, you can then face the demons KNOWING that you have more power than they do and cast them out.

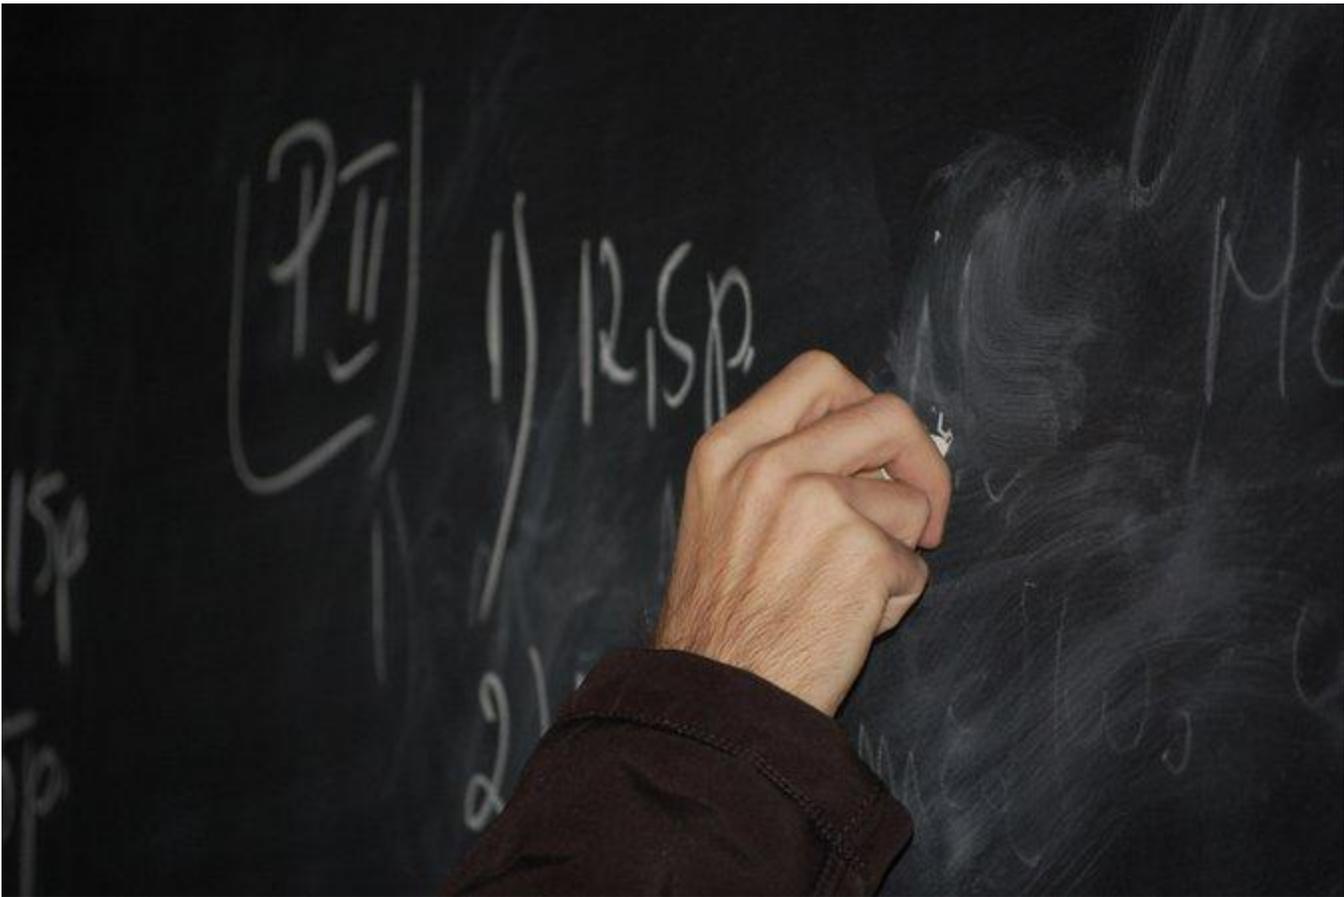

If you CANNOT cast out demons, then you are Lukewarm, and Jesus is going to vomit you out of his mouth and cut you off. Playtime is over, and as you can see, society is degrading faster each day we sit here. Are we going to wait until things get really bad before we get with Lord Jesus Christ who is waiting for His people to go to Him, get armed and be prepared to deal with the hell that is coming to the nearest Walmart near you?

No amount of talking about dispensationalism is going to help you when you need Jesus NOW to save you and your family from demonically inspired people. Now in fairness to Dr. Kim, he probably has NEVER been taught about these things, as most seminaries do not. Hopefully, he will become Born Again for REAL, get filled with the Holy Ghost, and have a change of heart (and attitude) from Jesus directly and go and find out what he can do to prepare his congregation for the hell that is about to come to a neighbourhood near you.

We challenge anyone reading this assessment to **go to the Lord Jesus Christ DIRECTLY and ask Him what He thinks.** The answer you get may surprise you.

We also challenge Dr. Gene Kim to do the same – go to Jesus in your prayer closet and ask Him directly if what we have posted is true or not. Shed off that Demonic Baptist doctrine crap and be for REAL with Jesus.

Those who teach are held To a higher standard

We point out a lot of things on this website, and we know that we BETTER have our facts straight and every 't' crossed and every 'i' dotted. We know that when we are judged by the Lord Jesus Christ, He is going to judge us harsher than others because **if we lead just one person astray, that could be it for us.** We also run everything by the Lord Jesus Christ before we post ANYTHING. We make sure that He is pleased with the content, the language, and the tone of what is being posted. Jesus or the Holy Ghost will have us change and rewrite something that is not right to them BEFORE we publish what we do.

As the ones who write the articles and maintain this site, we are not preachers or pastors; we are just regular Disciples of Christ that KNOW our Lord and Saviour Jesus Christ personally. We also know the Holy Ghost, as Jesus will send the Holy Ghost to all of those who wish to be His disciples. We have endured our time in the wilderness where we were stripped of all things worldly and then taught what the Holy Ghost wanted to teach us. This is how we know that many of these pastors, especially the Baptist ones, are NOT of Jesus. If they were at least born again, **they would know that Jesus is VERY protective**

of the Holy Ghost, and Jesus Himself will strike you down if you grieve the Holy Ghost. Many of us Disciples of Christ know that you do not fool around with Jesus, and you do not misrepresent Him, as you will have to answer to an angry Jesus, and that is NOT pretty.

Many of these pastors have no fear or reverence of the Lord Jesus Christ **because they are NOT OF JESUS CHRIST; they do NOT KNOW HIM.** These are the wolves in the church that the apostles have talked about. These are the people who are 'ravenous wolves' in sheep's clothing. These are the Joel Osteens and the Creflo Dollars of the pastoring world who are in it for the money and could care less about the people whom they are taking money from.

Repent Christian, and seek out Jesus so you can be saved properly

Now that you know why the Holy Ghost is shunned in most denomination churches and why the Holy Ghost will not go anywhere NEAR any of the others, **you have to go and seek out Jesus for yourself, Christian. GET OUT OF THESE CHURCHES because they do not have any power and they are NOT safe.** The Texas Shooting proved that, as we have written articles about the shooting itself (see our conclusions [here](#)) and about the aftermath of the shooting (see our conclusions [here](#)). Because the Holy Ghost was 'not for today', **26 people were killed in an attack that left 20 people wounded.** That church was unarmed physically and spiritually, and you can see how well that 'Baptist doctrine' worked to save those people who were attacked.

Because many do not know about the Holy Ghost, the devil is running roughshod over marriages and destroying them, as well as households, destroying them and enslaving all of the people in those households. How many young girls are now whores because they were enslaved by the devil (we cover one of the inroads to legally enslave your children in our article [here](#)). Did their parents know how to protect their children? (The answer is NO.)

How many young boys are being sodomized and through oral sex, are ejaculating into all types of mouths, male and female? Every other day, you read in the paper about young boys who are having sex with their older, married, teachers who were caught and arrested.

Why is this the case?

It is because the pastors are not doing their jobs leading people to Christ. Those young boys are being milked like cows and those teachers, male and female, are **drinking down semen so they can get power for their witchcraft.** You think Harry Potter was an accident? Do you think that Eddie Long sucked on ding-a-lings just because?

C'mon, man, be serious for once.

Seek out the Lord Jesus Christ, Christian, and give your life to Him so he can clean you up and set you straight. Become His Disciple, and you will be given His power and authority, if He deems you worthy, to stand against the devil and defeat him. Jesus will give you all of the weapons you need plus some to ward off the devil and make him flee in his high heels as fast as he can.

Until the current church is destroyed, we will continue to see the debauchery and filth that is all around us. It will be when the NEW church is formed and raised up when people will see Jesus in His majesty and power, and that new church will not roll over for the devil as this one has. This is coming, Christian, so get with Jesus and have HIM pick the church you go to so you can be assured that you will be taught and nurtured as you are supposed to.

Here is Our Challenge to you, Christian

OK, so you have read about how the churches are chasing off the Holy Ghost. We challenge you to go to Jesus directly **RIGHT NOW** and ask Him if what is shown here is true. Use this as a means to start a conversation with The Lord Jesus Christ and sit with Him and ask Him questions. Start with **(asking out loud):**

“Jesus, is what I just read true?”

He will answer you, Christian, and NOW you will be on the true road to salvation, knowing for **SURE** if you are going to make it or not, as Jesus would have told you. Keep talking with Him. Get to know Him and He will start to reveal Himself to you. You need to find out for yourself and work out **YOUR** salvation for **YOU**, as the scriptures tell us to.

As a part of your salvation, it is recommended that you **FORGIVE** the pastors and the churches that were sending you to hell. For many pastors, this is what they were taught in the seminary. **Many 'pastors' that pastor a church don't even know Jesus and are not authorized to be a pastor, as Jesus did not send them. Forgive them and pray for them** so they may escape damnation by repenting of their sin of misleading many people.

In closing, we want to give you an EXACT QUOTE we got from Jesus Himself:

"Disciples of mine will make it into my Kingdom; Christians will NOT."

Take heed, Christian, and **don't just blow this off**. What is being presented here is IMPORTANT!! Read and understand what the Lord Jesus Christ is saying to all of us. As we always say, **do not take anything we say as the gospel; ALWAYS confirm what you are reading or hearing by running it by the Lord Jesus Christ yourself**. Keep talking to Jesus and He will respond to you. Have Him explain WHY what is being said is true. Talk with the Lord Jesus Christ and get to know Him personally.

We will say this again:

We do not care what you believe, Christian, because it is **YOUR** salvation that is at stake. All we are saying is that you should **go to Jesus Christ directly and ask HIM what He thinks** and go with that truth. As we always say on this site - **don't take our word for anything. Go to the Lord Jesus Christ directly and personally ask Him** if what is being posted is true or not, and go with that.
