The Lukewarm Christian: Pastor Steven Anderson disempowers his church

WARNING!!!

We will warn you that what we are presenting is going against the doctrinal teachings of many denominations. Many are going to excoriate this site because we are not following their doctrine. Many times, the people who are going to say we are teaching 'a false gospel' would be the ones that say that they have read the bible from cover to cover multiple times and will claim to be the 'authority' on the bible because they did that.

So, If you think we are full of it, that's fine. That is expected.

All we are asking for you to do is to read the content, **then go directly to the Lord Jesus Christ and confirm with HIM** what we have been posting. **Confirm with HIM** that the things that have been posted are true. **Confirm with HIM** that the conclusions are correct.

After you do that, **ask Jesus directly what YOU should do, and ask Him to lay out His plan for YOU. We do not care** what you think about us, Christian, nor do we care what you say about us. In the grander scheme of things, it does not matter. What matters is that we are presenting the gospel **UNFILTERED and not coloured by church doctrine**. What we are presenting affects **YOUR salvation**, and if you want to gamble with **YOUR salvation, that is on you**. You can blow us off if you want to, but like those **people who got killed in Texas at a church, you never know when your time will be up**. Hopefully, those people were on the road to salvation, working to get their sin off of their ledger and **not just believing that they were saved**. As we always say, and we will repeat here - **don't take our word for anything. ALWAYS confirm what you read and/or hear with the Lord Jesus Christ and do what He tells you to do.**

This pastor is helping the devil take over the Christian Church

First of all, we are NOT seeing any teaching of the Holy Ghost. This is very prevalent in the Baptist Church, and you can see a well-known independent Baptist church pastor teaching his congregation that the Holy Ghost is 'not for today'. It is through the Baptist doctrine that these pastors are under that tell them that the Holy Spirit is 'not for today' and that people 'need not worry about that'.

We sincerely believe that these pastors, who are well known, are in ERROR. Does this mean that they are of the devil?

No.

But we can see they are misleading their congregations with their teaching, and **that teaching is based on Baptist doctrine, which IS of the devil.**

It is very obvious that both of these teachers have never been filled with the Holy Ghost, because if they were, they would know better than to teach what they teach. With that being said, it brings into question if these pastors are really saved or not. Jesus wants everyone who follows Him to be FILLED with the Holy Ghost so they can be taught and prepared properly. This is a prime example of how the pastors in the pulpit are NOT Spirit filled; It is blatantly obvious to those who ARE filled with the Holy Ghost.

Example #1: Pastor Steven Anderson disempowers his church

Here is an example of a teaching that disempowers people in the church. Watch this clip [here](#). The clip is only 4 minutes long.

In this clip, which is named '**Do Christians Have Power To Cast Out Devils?**', the pastor talks about casting out demons and healing the sick, **saying that this is not something that is for Christians to worry about, even though it is diametrically opposed to scripture**. In fact, the Lord Jesus Christ commands Disciples of Christ to use His Name (or better stated, authority) to cast out devils and to heal the sick. Every Disciple of Christ has that authority as long as that Disciple is IN Christ.

So why is the pastor saying that this is NOT for a 'Christian' to worry about?

We firmly believe that it is because of **Baptist Doctrine**, as that doctrine seems to teach that supernatural acts are NOT for today. You can clearly see that the devil is using all of the supernatural means he can to subjugate and enslave people **every day, and we are**

not to use the weapons that the Lord Jesus Christ has given us to fight that supernatural being because it is not a part of 'their' doctrine?

That doesn't even pass the giggle test.

If we were in a fight, we would want to know how to use ALL of the weapons at our disposal, including the ray guns, laser weapons or even a rock if we could use it to defeat that fool from disturbing our lives.

The fact of the matter is that we, on earth, **are in a WAR ZONE and we BETTER get whatever weapons** - laser weapons, ray guns, bombs, grenades - and whatever else we can lay our hands on - to protect us from an insane Cherub Angel that roams around down here looking to steal, kill and destroy something or somebody, preferably a 'Christian', as he HATES 'Christians' more than he hates humans. We better NOT be walking down here unarmed when the enemy is prowling around, and yet we see a pastor collecting all of the weapons people have and is sending the people out into the street **unarmed** when the enemy is just waiting to pick people off and kill them!!

It takes supernatural weapons to ward off a supernatural being. It takes POWER to make the devil leave you alone, as the devil ONLY recognizes & respects POWER. That power comes from The Lord Jesus Christ, as we have HIS authority to stomp the devil's guts out.

This is one of the main reasons why most 'Christians' **will NOT fight** the devil. They will sit there and get their head caved in by the devil and just take it and NOT protect themselves, as they are waiting for the Lord to protect them. Never mind that the Lord Jesus Christ has the weapons that you will need to fight the devil which He will give freely to all people that are IN Him if they would just ask Him for them. These are classic lukewarm Christians attitudes that the Lord Jesus Christ is going to spew out from His mouth.

Example #2: Pastor: Steven Anderson disempowers his church again

Here is another clip from the same pastor disempowering his church. Watch the clip [here](#). The clip is a little less than 3 minutes long.

At the end of the exhortation, can you see how the pastor pooh-poohs the Acts of the Apostles? From that exhortation, if we did not know any better, we would think that you had to be an apostle to be able to have any supernatural gifts manifest in your life. At the end, he equates the supernatural gifts that Jesus gives us as 'Theater' and 'showmanship', and mentions a well-known charlatan as an example.

What did the pastor just do?

He just disempowered these people and made them think that anything that is supernatural is NOT a 'normal' part of being IN Jesus Christ. He has literally **shackled and bound those people and they are now enslaved.** Instead of guiding his people to the Lord Jesus Christ, and telling them to get with Jesus and do as He asks them, the **pastor has literally shut down ANY means for the people to get anything from Jesus because now they will NEVER ask!!**

Also, the title of the clip is "**Why Christians Do Not Have Apostolic Powers**". The power (or authority) that the Apostles had is the **SAME POWER** (or authority), every Disciple of

Christ has, as this is given to the Disciples by the Lord Jesus Christ Personally. **It is WITH Jesus' authority that these things are done THROUGH the Disciple via the Holy Spirit, who provides the power!!**

What does scripture say about this?

Mark 16:14-19 - Afterward he appeared unto the eleven as they sat at meat, and upbraided them with their unbelief and hardness of heart, because they believed not them which had seen him after he was risen. And he said unto them, Go ye into all the world, and preach the gospel to every creature. He that believeth and is baptized shall be saved; but he that believeth not shall be damned. **And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues; They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover.**

Looks to us that Jesus commanded the disciples to cast out devils, as it DOES show in the scripture above. It also takes POWER that the Lord Jesus Christ will provide to his disciples, as we can clearly see here. Can you now see why the Lord asks us to give our bodies as a living sacrifice (**Romans 12:1**)? It is through the body of Christ that the power manifests. This pastor **has no idea that he has turned OFF the power that this portion of the body of Christ needs to fight the devil!!**

We can now see that this church **has NO power** (which is the Holy Spirit) or authority, and if that church was stormed by the devil, **they would be defenseless because they would have NO POWER to resist the devil!!** This is a prime example of how church doctrine that people are following disempowers them. **This is how you become a lukewarm Christian.**

The only thing we would tell anyone that is a part of that church or congregation is to **get OUT of there and go to the Lord Jesus Christ directly and get what He wants for you**, and not what this church is peddling. This is a classic example of how a pastor is turning his congregation into lukewarm Christians - **and he doesn't even know that he is!!**

The Pastors in the pulpit don't believe in the Holy Ghost

Now, it is counter-intuitive to think that a pastor, who is supposed to be the overseer of Jesus' flock, would be rejecting and refusing to teach about the Holy Ghost. As anyone who is a TRUE Christian would know, we desire to be filled with the Holy Ghost because that is the ONLY way we will be able to make it into the Kingdom of God. Those who do NOT have the Holy Ghost will NOT make it in.

Many pastors will downplay the Holy Ghost because they do not believe that the Holy Ghost is for today. They think that believing is enough. However, without the Holy Ghost, a Christian or Disciple will NOT be able to resist the devil, as we are Christians are also commanded to do. The Holy Ghost is the POWER behind all Christians, and Jesus only did the miracles He did because he was filled with the Holy Ghost.

Can't you see that by **NOT** teaching the Holy Ghost you have no **POWER** to resist the devil?

There are many who will perish because they have not been taught about Jesus correctly nor about the Holy Ghost. The Holy Ghost is the Spirit of God and the Spirit of Truth, and He would be warning those whom He is teaching to get out of the churches because the Lord Jesus Christ is going to destroy them very soon. Many are not hearing the Holy Ghost because they are yoked to and have given their allegiance to the doctrine of their denomination. **That doctrine of denomination is going to kill millions, and many will be lost because they never knew the Lord Jesus Christ personally.** The people have been blocked from knowing the Holy Ghost because their 'pastor' **has decided for them** that the Holy Ghost is 'not for you to worry about'.

Many people are unaware that there is a fierce battle going on around them. You can see the devil go around and enslave millions, as they have **no idea of how to combat this devil and how to protect themselves** with the armour and weapons of God as shown

in **Ephesians chapter 6**. They have no idea how to wield the Sword of the Spirit, and they have no idea how to protect themselves from attacks in their marriages and households. Many go through life and when they die and get judged, they are shocked by what Jesus tells them - '**Go away, I never knew you, you worker of iniquity.**'

Weren't these people going to church?

Why are these people deemed 'workers of iniquity'?

The Church is supposed to be teaching you how to become a Disciple of Christ, and with that teaching, you are to give yourself to Jesus fully, and then you are to pick up your cross and follow Him. This is not being taught; many are enslaved and then damned to hell because they were ignorant of what they should have been learning.

The good news is that Jesus is the God of 2nd chances, and **He has given many people a 2nd chance to get things right**. Jesus knows that many pastors are crooked and wicked, including the ones that are accusing others of being crooked and wicked. We are convinced that, in our opinion, **this pastor is NOT EVEN BORN AGAIN**. All you see from him is academic and book knowledge and his doctrine is NOT true much of the time. He doesn't teach that Jesus is the one and true way to get to the Kingdom of God; this pastor, along with a lot of the Baptist pastors, tout **once saved, always saved** as the way to be Born Again. Once saved, always saved is demonic and many are going to hell for eternity believing in that.

Isn't it funny how we have **pastors that are not even born again pastoring a church?** If they don't know Jesus personally, which they don't, then who sent them? Who put them in front of people to teach their doctrines? Who benefits if the people do not know about the Holy Ghost?

Christian, you have been duped.

You have been hoodwinked.

You have been hornswoggled.

You are being deceived by these 'pastors' and they are leading you away from Jesus Christ and leading you to hell where you will be damned.

Our Assessment of Pastor Steven Anderson

This pastor is very passionate about what he is doing, and we can see that in his presentations. Unfortunately, we have also seen how this pastor will NOT teach about the Holy Ghost, not show his people in his church how to fight, and he sticks closely to the Baptist Doctrine which we have found is blasphemous to the Holy Ghost. We can safely say that the Holy Ghost is NOT going to be anywhere near this church.

With all of that being said, **we actually LIKE this pastor**. He has the guts and the zeal of one who loves Jesus, but he is lacking in these areas:

- **This pastor espouses the doctrine of Once Saved, Always Saved**, and this is disappointing. We have shown that this doctrine of Once Saved, Always Saved is demonic and those who espouse this doctrine and THINK they are saved are really not saved all;
- **Since Once Saved, Always Saved is being taught by him, we KNOW that this Pastor is NOT SAVED HIMSELF**. Now He THINKS he is saved, but the Lord Jesus Christ does NOT know him. If Steven was to die today, he would NOT make it into the Kingdom of God;

- **Since Steven believes in Once Saved, Always Saved, he is NOT filled with the Holy Ghost at all.** He is deluding himself and his whole congregation because he tries to act like a person who is a follower of Christ, but you can see that he is not.
- **When Steven does teach, we can see that he does know his Bible pretty well, but what is missing is the anointing of the Holy Ghost.** Those who have been filled with the Holy Ghost can see immediately that there is NO Holy Ghost anointing on this gentleman, so all of the histrionics he goes through as 'Hard Preaching' is nothing but a show. If Steven was filled with the Holy Ghost, that 'Hard Preaching' would not only come naturally, but it will convict everyone who is in the pews as well as those who are watching via Social media.
- **What Steven gets the most criticism for is his doctrinal errors, especially those concerning Eternal Security and Salvation.** Those who know the Lord Jesus Christ as followers of Christ can see that his doctrine goes against the Bible, but it does NOT go against the Baptist Doctrine. **Steven is a slave to Baptist Doctrine**, and we can see that in his teachings when he teaches falsehoods.
- **We can also see that Steven has NOT had the Bible revealed to Him via the Holy Ghost, and that is mostly because he does not believe that the Holy Ghost is for today.** These are errors that he preaches that almost always have to do with salvation.
- **We will say that although Steven does well to do 'Soul winning', his metrics are skewered because all of those people he 'won' to Christ are NOT 'won' at all.** Those people agreed with Steven, but unless they are filled with the Holy Ghost, they will NOT ever be allowed into the Kingdom of God. All Steven did was get those whom he 'won' to agree with him - that's all. Since Steven is not following Jesus anyway (mostly because he ascribes to '**Once Saved, Always Saved**', a doctrine of demons), what exactly did Steven do? Did a devil who THINKS he is a Christian convert a sinner who is already a devil?

We are praying that Steven gets saved for REAL and dumps the Baptist Doctrine so he will REALLY be on fire for the Lord Jesus Christ. Steven has been on record showing his disdain for homosexuals, and everyone who is a REAL Disciple or follower of Christ knows that it is the demon in the homosexual that we are targeting, NOT the person. When Steven learns how to cast out devils, then he will see that the homosexuals will stay far, far away from him. It is the Authority of the Lord Jesus Christ and the POWER of the Holy Ghost that work together through the chosen vessel (a Disciple of Christ) that will manifest when that vessel confronts unclean spirits.

Steven has NONE of these qualities because he is NOT saved nor sanctified unto Christ. The Holy Ghost will NOT fall upon Steven until He gives his life to the Lord Jesus Christ for real.

Those doctrinal errors will be cleaned up if Steven would be led by the Holy Ghost. Steven would know by nature that some of the things he is saying and teaching is error. We know and understand that a pastor is going to be wrong sometimes, but that pastor would catch his error and correct it. The people learning from that pastor will understand as well, as the pastor is only human.

If you are reading this narrative, and you know Pastor Steven Anderson, **assess what we are saying and run what you have heard by the Lord Jesus Christ FIRST** and see what He thinks, as what Jesus thinks is what matters. We can see that there are a LOT of Independent Fundamental Baptist Bible-Believing KJV Only churches popping up all over, and we would strongly suggest that those IFB Churches drop the Baptist Doctrine and follow Jesus for REAL. Steven and these IFB churches have a real opportunity here to be firebrands for the Lord Jesus Christ IF they would just accept Jesus for real and get filled with the Holy Ghost.

We would have used Steven Anderson's **Marching to Zion** study to understand what is going on about the lies that the State of Israel is telling the world, **but we were forbidden from quoting this work by the Lord Jesus Christ Himself because the SPIRIT behind the work was wrong.** Could you imagine what that work would have been like if the Holy Ghost had anointed it? Right now, the work is a good academic study, but it does not have the POWER that could have been behind it if the Holy Ghost has anointed it.

Finally, people are fed up with the tutti-fruitti, milquetoast, soft, sissy gospel that many of these churches are teaching, especially the Baptist churches. We also know that a MAJORITY of these Baptist Churches are run by Freemasons, so you are NOT getting the

Full gospel as these freemasons are of the devil, so are we surprised when we see the Holy Ghost diminished in these churches? Everyone knows that the devil has no power against the Holy Ghost, so the devil is going to do what he can to enslave as many as he can and keep the Holy Ghost away from the church so the people will NOT confront him and fight him.

It is the perfect strategy for that sick, demented Cherub angel that is running around down here unchecked.

Many of the people in these churches are getting spiritual candy that is making the people sick and lukewarm. Steven is on the right track; he is doing what pastors should do – teach and challenge his audience to get BETTER in the Lord Jesus Christ. Right now, Steven is DENYING the POWER of Christ and hopefully he will fix that in the near future.

We challenge anyone reading this assessment to go to the Lord Jesus Christ DIRECTLY and ask Him what He thinks. The answer you get may surprise you.

We also challenge Pastor Steven Anderson to do the same – go to Jesus in your prayer closet and ask Him directly if what we have posted is true or not. Shed off that Demonic Baptist doctrine crap and be for REAL with Jesus. **We believe that Jesus wants to use you mightily in the future, but He will NOT do so until you shed that demonic Baptist doctrine.**

Those who teach are held To a higher standard

We point out a lot of things on this website, and we know that we BETTER have our facts straight and every 't' crossed and every 'i' dotted. We know that when we are judged by the Lord Jesus Christ, He is going to judge us harsher than others because **if we lead just one person astray, that could be it for us.** We also run everything by the Lord Jesus Christ before we post ANYTHING. We make sure that He is pleased with the content, the language, and the tone of what is being posted. Jesus or the Holy Ghost will have us change and rewrite something that is not right to them BEFORE we publish what we do.

As the ones who write the articles and maintain this site, we are not preachers or pastors; we are just regular Disciples of Christ that KNOW our Lord and Saviour Jesus Christ personally. We also know the Holy Ghost, as Jesus will send the Holy Ghost to all of those who wish to be His disciples. We have endured our time in the wilderness where we were stripped of all things worldly and then taught what the Holy Ghost wanted to teach us. This is how we know that many of these pastors, especially the Baptist ones, are NOT of

Jesus. If they were at least born again, **they would know that Jesus is VERY protective of the Holy Ghost, and Jesus Himself will strike you down if you grieve the Holy Ghost.** Many of us Disciples of Christ know that you do not fool around with Jesus, and you do not misrepresent Him, as you will have to answer to an angry Jesus, and that is NOT pretty.

Many of these pastors have no fear or reverence of the Lord Jesus Christ **because they are NOT OF JESUS CHRIST; they do NOT KNOW HIM.** These are the wolves in the church that the apostles have talked about. These are the people who are 'ravenous wolves' in sheep's clothing. These are the Joel Osteens and the Creflo Dollars of the pastoring world who are in it for the money and could care less about the people whom they are taking money from.

Repent Christian, and seek out Jesus so you can be saved properly

Now that you know why the Holy Ghost is shunned in most denomination churches and why the Holy Ghost will not go anywhere NEAR any of the others, **you have to go and seek out Jesus for yourself, Christian. GET OUT OF THESE CHURCHES because they do not have any power and they are NOT safe.** The Texas Shooting proved that, as we have written articles about the shooting itself (see our conclusions [here](#)) and about the aftermath of the shooting (see our conclusions [here](#)). Because the Holy Ghost was 'not for today', **26 people were killed in an attack that left 20 people wounded.** That church was unarmed physically and spiritually, and you can see how well that 'Baptist doctrine' worked to save those people who were attacked.

Because many do not know about the Holy Ghost, the devil is running roughshod over marriages and destroying them, as well as households, destroying them and enslaving all of the people in those households. How many young girls are now whores because they were enslaved by the devil (we cover one of the inroads to legally enslave your children in our article [here](#)). Did their parents know how to protect their children? (The answer is NO.)

How many young boys are being sodomized and through oral sex, are ejaculating into all types of mouths, male and female? Every other day, you read in the paper about young boys who are having sex with their older, married, teachers who were caught and arrested.

Why is this the case?

It is because the pastors are not doing their jobs leading people to Christ. Those young boys are being milked like cows and those teachers, male and female, are **drinking down semen so they can get power for their witchcraft.** You think Harry Potter was an accident? Do you think that Eddie Long sucked on ding-a-lings just because?

C'mon, man, be serious for once.

Seek out the Lord Jesus Christ, Christian, and give your life to Him so he can clean you up and set you straight. Become His Disciple, and you will be given His power and authority, if He deems you worthy, to stand against the devil and defeat him. Jesus will give you all of the weapons you need plus some to ward off the devil and make him flee in his high heels as fast as he can.

Until the current church is destroyed, we will continue to see the debauchery and filth that is all around us. It will be when the NEW church is formed and raised up when people will see Jesus in His majesty and power, and that new church will not roll over for the devil as this one has. This is coming, Christian, so get with Jesus and have HIM pick the church you go to so you can be assured that you will be taught and nurtured as you are supposed to.

Here is Our Challenge to you, Christian

OK, so you have read about how the churches are chasing off the Holy Ghost. We challenge you to go to Jesus directly **RIGHT NOW** and ask Him if what is shown here is true. Use this as a means to start a conversation with The Lord Jesus Christ and sit with Him and ask Him questions. Start with **(asking out loud):**

“Jesus, is what I just read true?”

He will answer you, Christian, and NOW you will be on the true road to salvation, knowing for **SURE** if you are going to make it or not, as Jesus would have told you. Keep talking with Him. Get to know Him and He will start to reveal Himself to you. You need to find out for yourself and work out **YOUR** salvation for **YOU**, as the scriptures tell us to.

As a part of your salvation, it is recommended that you **FORGIVE** the **pastors and the churches that were sending you to hell**. For many pastors, this is what they were taught in the seminary. **Many 'pastors' that pastor a church don't even know Jesus and are not authorized to be a pastor, as Jesus did not send them. Forgive them and pray for them** so they may escape damnation by repenting of their sin of misleading many people.

In closing, we want to give you an EXACT QUOTE we got from Jesus Himself:

"Disciples of mine will make it into my Kingdom; Christians will NOT."

Take heed, Christian, and **don't just blow this off**. What is being presented here is IMPORTANT!! Read and understand what the Lord Jesus Christ is saying to all of us. As we always say, **do not take anything we say as the gospel; ALWAYS confirm what you are reading or hearing by running it by the Lord Jesus Christ yourself**. Keep talking to Jesus and He will respond to you. Have Him explain WHY what is being said is true. Talk with the Lord Jesus Christ and get to know Him personally.

We will say this again:

We do not care what you believe, Christian, because it is **YOUR** salvation that is at stake. All we are saying is that you should **go to Jesus Christ directly and ask HIM what He thinks** and go with that truth. As we always say on this site - **don't take our word for anything. Go to the Lord Jesus Christ directly and personally ask Him** if what is being posted is true or not, and go with that.
