

The Church Shootings in Texas

Here is our take on what happened down in Texas at that rural Baptist church where people died and what you can learn from this situation. We can see that the devil is already flexing on the church, and is daring the church to step up to him. We know that the church will not do that because they have NO POWER, and the 'Christians' that go to these churches are powerless as well. It is not wise to be down here unarmed with an insane Cherub angel running around killing, stealing and destroying!!

WARNING!!!

We will warn you that what we are presenting is going against the doctrinal teachings of many denominations. Many are going to excoriate this site because we are not following their doctrine. Many times, the people who are going to say we are teaching ' a false gospel' would be the ones that say that they have read the bible from cover to cover multiple times and will claim to be the 'authority' on the bible because they did that.

So, If you think we are full of it, that's fine. That is expected.

All we are asking for you to do is to read the content, **then go directly to the Lord Jesus Christ and confirm with HIM** what we have been posting. **Confirm with HIM** that the things that have been posted are true. **Confirm with HIM** that the conclusions are correct.

After you do that, **ask Jesus directly what YOU should do, and ask Him to lay out His plan for YOU. We do not care** what you think about us, Christian, nor do we care what you say about us. In the grander scheme of things, it does not matter. What matters is that we are presenting the gospel **UNFILTERED and not coloured by church doctrine.** What we are presenting affects **YOUR salvation,** and if you want to gamble with **YOUR salvation, that is on you.** You can blow us off if you want to, but like those **people who got killed in Texas at a church, you never know when your time will be up.** Hopefully, those people were on the road to salvation, working to get their sin off of their ledger and **not just believing that they were saved.**

As we always say, and we will repeat here - **don't take our word for anything. ALWAYS confirm what you read and/or hear with the Lord Jesus Christ and do what He tells you to do.**

Taking a good look at the situation

For this article, we are going to take a look at the situation in Texas from a SPIRITUAL point of view. Although there are a lot of speculations that you can look at, there is something about this 'attack' that stands out. We are going to take a quick look at WHY this particular church was targeted from a Spiritual point of view.

So, as outsiders looking at the situation, we see that the church was a Baptist church. Why a Baptist church? Why not a synagogue, or a Catholic Church? What is the significance of this target as opposed to the myriad of targets out there that could have been picked?

We also have looked at the church itself. It is a small, old church, and it is 'typical' of the 'Bible Belt' churches. It is also a rural church, and the congregation is not very big, about 50 people. Again, what was the significance of this particular church?

Our suspicion is that this was a test to see how people would react to a church being shot up. Was the reaction what was expected? Was there any resistance? Was the 'collateral damage' what was expected? Did this move the anti-gun legislation that it was designed to move?

There are always a LOT of questions, but we want you to look PAST all of that to who perpetrated all murders and killings. We also want to look at the significance of this particular target.

Why are churches being attacked, and in particular, why THIS church?

First, we are seeing a trend where churches are being attacked so that it will instill FEAR in everyone. This fear will drive people to cry out to their elected officials so that new legislation can be passed to restrict or to confiscate firearms from people. It is our contention that many of these elected officials are trying to disarm the American public, and in doing so, they will be able to control them better. So the question is why are these elected officials so afraid of guns in the first place, that they are sneaking around and hedging all that they do? We contend that unless something is done about the guns, they will not be able to impose on America the new Beast System that is ready to go right now.

So, they tried to threaten people with incarceration if they did not 'register' their guns, and that failed miserably. We saw how miserably in Connecticut a few years ago. We also saw the rhetoric and proposed legislation from former President Obama, and that resulted in MORE people getting firearms, with many of those people being first time gun owners. Former President Obama is, and will always be the BEST gun salesman - ever.

Nothing seems to work, correct?

Now, it seems that someone is upping the ante. They are now outright killing people to get a response from the gun owners to retaliate so they have a reason to go after the guns and take them away from the populace.

So, that brings us back to the target. What better target than a Baptist Church, a church that has NO power and no fight in them. They will be like sheep to the slaughter because of their doctrine.

Now, thinking from a spiritual perspective, if the devil wanted to make an example of someone for his purposes, he would pick the most expendable resource he has. So, again, the Baptist church will be a perfect target whom he could sacrifice to further his agenda.

Now, let's look at the devil again for a minute.

The devil, who is insane, is here to steal, kill, and destroy. So who will he pick?

- He will pick a target that will not fight him;
- He will pick a target where people have been conditioned to not fight back;
- He will pick a target that has NO Holy Ghost power;
- He will pick a target where the people are powerless;
- He will pick a target where his agenda will be furthered, whatever that agenda is;
- He will pick a target where the people will do nothing, even after he kills;
- He will pick a target that will take his crap and just sit there and do nothing.

The devil picked the perfect target - the Baptist church. Now, you may say - why are we picking on the Baptist church? We want you to see how the Baptist church, by their doctrine, disempowers the Holy Ghost who could have and probably would have prevented the carnage. We want you to see that the aftermath of this attack is exactly what the devil expected it to be.

Let's look past the obvious

As with the other killings, there is always a patsy, and as you see in the picture above, they have found another one. Who the patsy is is irrelevant. How we shot up the church is irrelevant, although you can see multiple bullet holes in the doors of the church, revealing to us that the doors were closed. From a cursory count, there were more than 2 magazines worth of bullet holes in the door alone. This also telegraphs that there was probably more than one shooter. It also telegraphs that with more than one shooter, no one had a chance to move away from their hiding place because the rounds never seemed to stop coming. So, what we are saying is that while one shooter was reloading, the other was firing. There cannot be any other speculation other than that.

Or could there be?

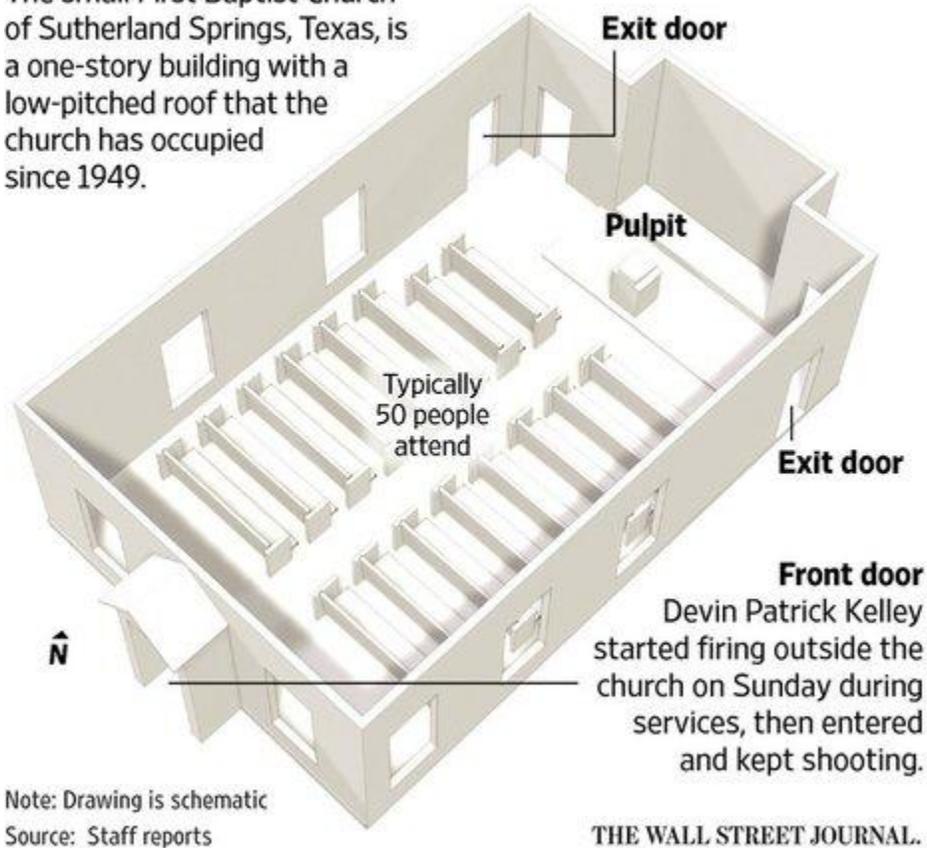

Let's say there was one shooter. After he had emptied his magazine, he would have had to reload. During the reload, there is going to be a lull where the shooter ejects the empty magazine, pulls out a new magazine and then chambers a round to continue shooting. A good shooter with practice could do this in a matter of seconds with everything set up on their platform. With what we saw on the door, and with what was going on in the church, we speculate that there were at least 5 or 6 magazines used, assuming that the rifle was an AR-15 or a AR-15 variant. To shoot and kill as many people as they did in that church, that would be a reasonable amount.

All of what we have speculated is irrelevant for this article. It did not matter if it was one shooter of 5 shooters; what mattered is the target and WHY it was a Baptist church. The devil still authorized the slaughter of innocent people in a church, mocking the people who run the church, as well as the Lord Jesus Christ Himself, as this is supposed to be His House of Prayer.

So, let's dump our speculation as being just that - speculation. We have a doofus as the patsy/supposed shooter, and many people are dead, including the pastor's daughter. This is significant, so bear with us.

Shooting in Close Quarters

The small First Baptist Church of Sutherland Springs, Texas, is a one-story building with a low-pitched roof that the church has occupied since 1949.

Why did the devil flex on this particular church?

Looking at the layout of the church, there was little or no egress if someone came in with guns blazing. It is close quarters, and with surprise, many people would be killed before they even knew what hit them. We submit that the first shots were done outside hitting the door, as the doors were riddled with bullet holes. It is almost like shooting fish in a barrel.

Could there be a defense against an attack like this one? Possibly, but it would be ineffective if there were more than 2 shooters. It certainly would be effective against the doofus patsy, because he would have run, just like the shooter did at the Walmart in Colorado. We believe that the shooter in Colorado ran because he saw people with firearms that would shoot back.

We believe that the Baptist church was a perfect target because they are a bible-believing church, and Bible-believing churches do NOT follow Jesus. Many Baptists are caught up

in their doctrine, which says that the gifts of the Holy Spirit in Acts is NOT for today. They believe in the Bible - King James Only - but they do NOT believe on Jesus nor do they believe on the Holy Ghost. Because the Baptists have grieved the Holy Ghost with that doctrine, He was nowhere near that church when He was needed the most.

How do we know that this is the doctrine of the Baptist Church?

Here is an example of a teaching that disempowers people in the church. Watch this clip [here](#). The clip is only 4 minutes long.

In this clip, the pastor talks about casting out demons and healing the sick, saying that this is not something that is for Christians to worry about, even though it is diametrically opposed to scripture. In fact, the Lord Jesus Christ commands Disciples of Christ to use His Name (or better stated, authority) to cast out devils and to heal the sick. Every Disciple of Christ has that authority as long as that Disciple is IN Christ.

So why is the pastor saying that this is NOT for a 'Christian' to worry about?

We firmly believe that it is because of **Baptist Doctrine**, as that doctrine seem to teach that supernatural acts are NOT for today. You can clearly see that the devil is using all of the supernatural means he can to subjugate and enslave people **every day, and we are not to use the weapons that the Lord Jesus Christ has given us to fight that supernatural being because it is not a part of 'their' doctrine?**

That doesn't even pass the giggle test.

If we were in a fight, we would want to know how to use ALL of the weapons at our disposal, including the ray guns, laser weapons or even a rock if we could use it to defeat that fool from disturbing our lives.

The fact of the matter is that we, on earth, **are in a WAR ZONE and we BETTER get whatever weapons** - laser weapons, ray guns, bombs, grenades - and whatever else we can lay our hands on - to protect us from an insane Cherub Angel that roams around down here looking to steal, kill and destroy something or somebody, preferably a 'Christian', as he HATES 'Christians' more than he hates humans. We better NOT be walking down here unarmed when the enemy is prowling around, and yet we see a pastor collecting all of the weapons people have and is sending the people out into the street **unarmed** when the enemy is just waiting to pick people off and kill them!!

It takes supernatural weapons to ward off a supernatural being. It takes POWER to make the devil leave you alone, as the devil ONLY recognizes & respects POWER. That power comes from The Lord Jesus Christ, as we have HIS authority to stomp the devil's guts out. We cover this in a few books in this repository, and they are listed at the end of the article.

This is one of the main reasons why most 'Christians' **will NOT fight** the devil. They will sit there and get their head caved in by the devil and just take it and NOT protect themselves, as they are waiting for the Lord to protect them. Never mind that the Lord Jesus Christ has the weapons that you will need to fight the devil which He will give freely to all people that are IN Him if they would just ask Him for them. These are classic lukewarm Christians attitudes that the Lord Jesus Christ is going to spew out from His mouth.

Here is another clip from the same pastor disempowering his church. Watch the clip [here](#). The clip is a little less than 3 minutes long.

At the end of the exhortation, can you see how the pastor pooh-poohs the Acts of the Apostles? From that exhortation, if we did not know any better, we would think that you had to be an apostle to be able to have any supernatural gifts manifest in your life. At the end, he equates the supernatural gifts that Jesus gives us as 'Theater' and 'showmanship', and mentions a well-known charlatan as an example.

What did the pastor just do?

He just disempowered these people and made them think that anything that is supernatural is NOT a 'normal' part of being IN Jesus Christ. He has literally **shackled and bound those people and they are now enslaved.** Instead of guiding his people to the Lord Jesus Christ, and telling them to get with Jesus and do as He asks them, the pastor has literally shut down ANY means for the people to get anything from Jesus because now they will NEVER ask!!

Also, the title of the clip is "**Why Christians Do Not Have Apostolic Powers**". The power (or authority) that the Apostles had is the **SAME POWER** (or authority), every Disciple of Christ has, as this is given to the Disciples by the Lord Jesus Christ Personally. **It is WITH Jesus' authority that these things are done THROUGH the Disciple via the Holy Spirit, who provides the power!!**

Can you now see why the Lord asks us to give our bodies as a living sacrifice (**Romans 12:1**)? It is through the body of Christ that the power manifests. This pastor **has no idea that he has turned OFF the power that this portion of the body of Christ needs to fight the devil!!**

We can now see that this church **has NO power** (which is the Holy Spirit) or authority, and if that church was stormed by the devil, **they would be defenseless because they would have NO POWER to resist the devil!!** This is a prime example of how church doctrine that people are following disempowers them. This is how you become a lukewarm Christian.

The only thing we would tell anyone that is a part of that church or congregation is to **get OUT of there and go to the Lord Jesus Christ directly and get what He wants for you**, and not what this church is peddling. This is a classic example of how a pastor is

turning his congregation into lukewarm Christians - **and he doesn't even know that he is!!**

So what are we saying there? We are saying that the Baptist Church:

- creates lukewarm Christians;
- creates Christians that are unarmed;
- creates Christians that are unaware of the war zone they are in;
- creates Christians that do not know how to fight the devil;
- creates Christians who do NOT know how to use their armour;
- creates Christians that do NOT know how to use the sword of the spirit;
- creates an environment where people will NOT fight back;
- puts all of the people in the church at risk;
- and keeps the people in the dark about spiritual things.

Now, you must understand that you cannot use carnal weapons to defeat a spiritual enemy. The devil will get his minions to do his dirty work for him, and they will, as they are carnal. If you try shooting the devil if he appeared in front of you, he would just sit and laugh at you. However, if you knew about your armour, you at least have the sword of the spirit on you, and if you know how to wield it, the devil will run away from you in his high heels as fast as he can.

You see, the devil is a sissy angel, a matriarch, and he cannot deal with a patriarch. He has to make everything like he is so he can rule. We submit to you that because the Baptist church does not honour or teach about Jesus or the Holy Ghost as they should, putting Jesus first, that church is matriarchal in its character. The devil, who is also matriarchal, and who controls that bible-believing church, used it, killing many people to further his agenda.

This is why there is such a huge push for 'girl power', and what is amusing is that most women and men who are up for the feminist agenda have no idea that they are aiding and abetting the devil who will destroy all of them. The Lord of Hosts is a Patriarch, a Father, as He is Jesus' Father as well as our Father as we are His children. God the Father has set up how He wants things ordered, and if you are out of Order, you are left out in the cold, unprotected and naked, and susceptible to attacks by the devil.

All of this 'girl power' is usurping the authority of the men, and as men do not fiercely fight to keep their households and marriages in order, they are given up to the devil to do with as he pleases. Fighting starts at your doorstep, and if you are not willing to fight for your household, what are you willing to fight for? If you are NOT in order, the Lord of Hosts power and authority does NOT rest upon you, and you are at the whim of the insane Cherub angel who will kill and destroy you.

Look at the response

If you look at the response to the killings, you can see that the people are crying, lamenting, rubbing each other's backs, but how many of these people do you see actually asking Jesus to give them the weapons that He has for His Disciples so we can go on a devil hunt and destroy everything about the devil? Why are they not adhering to the bible, which states that 'if you resist the devil, he will flee from you'?

Do you see ANY resistance here?

In the picture above, you see grief, and you see people building shrines for people. Where is the posse to go and stomp the doodie out of the devil? Where is the teaching on how to fight this fool so he will not send his minions in to kill anyone else? Why isn't the pastor looking up scripture that shows that Jesus will give all who are His the authority and the weapons to make the devil leave them alone?

No, all we see is the usual response - crosses lining the crime scene. People leaving balloons and flowers in front of the crosses of the people who died when they didn't have to.

Where is the outrage?

Where is the posse?

Where is the spiritual response to a spiritual attack?

No, everyone wants to blame the Air Force for letting this guy have a gun when he should not have. Everyone wants to blame the proliferation of guns in society, and want to convince you that not having any weapons will be 'better for you'.

If this article seems harsh, it is meant to be. All of you 'Christians' are sitting here waiting for The Lord Jesus Christ to jump on His horse and come down here to 'save' you while you do nothing. You will sit there and let the devil kick your behind and just take it.

WHY?

What's wrong with everyone down here on this earth?

When you get to really know Jesus, you become a servant and a Disciple of Jesus. This means you will fight for Him against His enemies; you will serve Him, and you will obey Him and do as He asks of you. In return for that, you get eternal life WITH JESUS for eternity. As long as you stay IN Jesus, you will be secure with Jesus as long as Jesus is alive, which is forever, as Jesus is an eternal being. Jesus will not just let the devil run up on His servants; He would raise the standard and His servants would go and stomp the devil's guts out.

Notice that the devil always picks on those who cannot or will not defend themselves. As you read on, you will see that almost 98% of all Christians are too afraid to fight the devil, or do not know Jesus at all, but mentally ascend to knowing Jesus.

Get up off your knees, Christian, it is time to FIGHT

Although this is a tragedy, these shootings will NOT stop until you make the devil stop. You can pray all day and night; you can genuflect all you want. Until you learn how to fight spiritually, you are always going to be a victim.

The bigger tragedy is that because of church doctrine, many of you are too afraid to fight the devil. He has done a good job disempowering you, as we have shown in the 2 clips earlier. You need to get up off your knees, get angry, and then seek the Lord Jesus Christ so He can teach you and empower you to fight the devil, and not sit there and take his crap.

Unfortunately, many people, especially those in the Baptist Church, will not fight. This is a call for those in these churches to get out of those dead churches and seek out the Lord Jesus Christ and get filled with that same Holy Ghost that the Baptist doctrine says is 'not for today'. You, as a Christian, need to STOP being a Christian and to become a real Disciple of the Lord Jesus Christ. As a Disciple, you learn about authority, and you will find out real fast that a human has NO authority against any demon or devil. It is only through Jesus Christ where you get HIS authority that He will give to you to fight the devil. You will also be filled with the Holy Ghost, if Jesus sends Him to you, and you will learn what you

need to know. You will learn how to fight; you will learn how to yield; you will also be taught how to use weapons, both spiritual and carnal, that you are ignorant of right now. You will be given Armour that you must learn how to use before you go into battle.

Unfortunately, Baptists are stuck in their doctrine, and once saved, always saved is a lie that will damn you (see our conclusions [here](#)). As we always say, **don't take our word for anything. Go to The Lord Jesus Christ directly and find out if what you believe is true.** Many of you Baptists are not born again, you don't know Jesus, and are still laden with sin. You will NOT make it into the Kingdom of God as a Christian; you will only make it as a Disciple of Christ. You will have to go through the process of salvation, as you will be working on things that displease the Lord Jesus Christ until the END. It will be then and only then, when you are judged and make it, when you will be allowed into the Kingdom of God.

Let's recap the things you, as a Baptist, are ignorant of so you can get with the Lord Jesus Christ to change:

- **You will NOT make it into the Kingdom of God** if you are not 'born again';
- **You will NOT make it into the Kingdom of God** if you do not know The Lord Jesus Christ Personally;
- **You will NOT make it into the Kingdom of God** if you are not filled with the Holy Ghost;
- **You will NOT make it into the Kingdom of God** if you are not sanctified and cleaned up to Jesus' satisfaction;
- **You will NOT make it into the Kingdom of God** by just 'confessing' and 'believing' you are saved eternally;
- **You will NOT make it into the Kingdom of God** if you refuse to FIGHT Jesus' enemies;
- **You will ONLY make it into the Kingdom of God** because your salvation is IN Jesus as His servant and Disciple.

We know this is diametrically opposed to what you have been hearing from the pulpit. **However, this is not a philosophical discussion anymore. Real people are DYING because they are not prepared nor are they being taught to be prepared.** Again, **do not take our word for anything. Go and ask Jesus directly and talk to Him about what you have just read.**

Stop with the candlelight vigils and the shrines already! Get up, get prepared, and FIGHT

Look at the picture above. Look at all of the energy that is wasted on lighting candles and singing songs, when you should be girding up and sharpening your swords. You should be getting the Bible revealed to you by the Holy Ghost so He will be able to help you in the fight. You should be daring the devil to 'come over here one more time' so you can GET SOME and stomp his guts out.

But no.

We are lighting candles and hugging each other. Will this prevent or even stop another attack?

We submit the answer will be NO.

The devil already knows that you will not do anything about what he is putting on you, and so he will continue to kick your behinds until you do something. The devil is daring you to make him stop. Like every bully, the devil is going to continue to shoot up people and kill and destroy until he is stopped.

The funny thing is that the Lord Jesus Christ will freely give you the weapons, armour and authority to stop the devil from destroying your finances, marriages and households if you would just ask Him. 98% of you reading this right now have no idea of what we are talking about, and that is because you have NOT been taught by those same churches you give your 10% to every pay. They take your money, and you are down here defenseless against an insane Cherub angel who hates you and will kill you just because.

STOP going to these Baptist churches and go to the Lord Jesus Directly and learn how to fight and protect yourself, your family and your households. It is not just the Baptist churches that are binding people - you can add the Mormons, the Catholics, the Methodists the Episcopalians, the Hebrew Israelites and many more to this list.

This is not a discussion anymore, as many people are getting killed and are being sent to hell because they do not know the one who is the gatekeeper of the Kingdom of God.

Some Christians are finally getting the message

It looks like some of the churches are starting to get the message. You **MUST** be ready and able to fight as a Christian these days or else you will be run over by a truck and the devil will be driving. In the above picture, you can see that 'Gun Free Zones' are a prerequisite for tragedies like this to happen in. Isn't it interesting that people like you honour the 'Gun Free Zone' and others just ignore it and kill anyway.

However -

This is only part of the solution, as you need to not only know about the carnal weapons, but the spiritual weapons that are available to you through the Lord Jesus Christ. Right now, if you do not know Jesus personally, you have no authority. The devil can come up to you and kick your behind whenever he wants to, and you will do nothing about it but take it.

If you get with Jesus and the Holy Ghost, the devil will stop in his tracks.

Why?

For one, the devil cannot overcome the Holy Ghost, and he will run from Him. When you get filled with the Holy Ghost, He will reveal the Bible to you. What looks like a simple passage will have layers upon layers of spiritual food that you could snack on for weeks. With that spiritual food, you will grow, and as you grow, you will become bold and dare the devil to step anywhere near you. The key to all of this is being filled with the Holy Ghost, and this is exactly what Baptist doctrine downplays and dismisses.

Can you now see why the Baptist church was a perfect target?

This pastor, who was out of town when the attack was made against his church, lost his 14-year old daughter to the attack. We really feel for the pastor, and if this does not wake up the pastor to get some power in his church, then we don't know what to tell you. If nothing else, this pastor should be getting with the Lord Jesus Christ for the loss of his daughter and pestering Jesus day and night until he learns what he needs to fight the devil and get payback for the devil killing his daughter. Everyone in that church should be pestering the Lord Jesus Christ as a church and begging and pleading with Jesus to give them the Holy Ghost so they can be filled so they can go after the devil. There is a means that you can make the devil pay for his treachery, so why not use that to your advantage?

PREPARE as God will have you prepare and then FIGHT God's way

Here are the steps you will need to take:

1. **Get out** of that dead Baptist church as soon as you can.
2. **Go directly** to the Lord Jesus Christ and tell Him your plight
3. **Get filled** with the Holy Ghost and go through the process of sanctification and salvation
4. Ask the Holy Ghost to send you to the church He wants you to go to so you can be fed, nurtured and taught properly
5. Have the Holy Ghost teach you about all of the weapons that are available to you - carnal & Spiritual

6. Ask Jesus if you could be in His Martyr Corps - it is like the Special Forces/Green Berets in the Kingdom of God

If you are allowed into the Martyr Corps, your name will be written in the Book of Martyrs. You will then be trained to go toe-to-toe with the devil and you will do a lot of spiritual hand-to-hand combat with no concern for yourself. This terrifies the devil, as you will be one that will hunt that fool down like the sissy he is and make him give up what he has stolen from people and take his slaves by force.

So what are our conclusions?

Our conclusion is that the devil will not stop unless he is made to stop. There are going to be more of these killings in Gun Free Zones until there is a large enough outcry for the elected officials to 'do something'. It will be then that many will give up their guns and be enslaved in the name of 'safety'.

Get with the Lord Jesus Christ and do as He instructs you. Get out of that Baptist church and get the training that you will need. As always, **don't take our word for anything. Get with the Lord Jesus Christ directly and have Him set the plan for your life as He sees fit.**

We wish we had better news, but we do not.

Offended? Don't become a statistic

We challenge you to go to Jesus directly **RIGHT NOW** and ask Him if what we have shown you about Baptist churches is true. Use this as a means to start a conversation with The Lord Jesus Christ and sit with Him and ask Him questions. Start with **(asking out loud):**

“Jesus, is what I just read true?”

He will answer you, Christian, and NOW you will be on the true road to salvation, knowing for **SURE** if you are going to make it or not, as Jesus would have told you. Keep talking with Him. Get to know Him and He will start to reveal Himself to you. You need to find out for yourself and work out **YOUR** salvation for **YOU**, as the scriptures tell us to.

Forgiveness
is for YOU...
so that YOU
do not have
to carry the
burden.

As a part of your salvation, it is recommended that you **FORGIVE** the pastors and the churches that were sending you to hell. For many pastors, this is what they were taught in the seminary. **Many 'pastors' that pastor a church don't even know Jesus and are not authorized to be a pastor, as Jesus did not send them. Forgive them and pray for them** so they may escape damnation by repenting of their sin of misleading many people.

In closing, we want to give you an EXACT QUOTE we got from Jesus Himself:

"Disciples of mine will make it into my Kingdom; Christians will NOT."

Take heed, Christian, and **don't just blow this off**. What is being presented here is IMPORTANT!! Read and understand what the Lord Jesus Christ is saying to all of us. As we always say, **do not take anything we say as the gospel; ALWAYS confirm what you are reading or hearing by running it by the Lord Jesus Christ yourself**. Keep talking to Jesus and He will respond to you. Have Him explain WHY what is being said is true. Talk with the Lord Jesus Christ and get to know Him personally.

Here is Our Challenge to all of you:

We challenge you to go to Jesus directly **RIGHT NOW** and ask Him if what is shown here is true. Use this as a means to start a conversation with The Lord Jesus Christ and sit with Him and ask Him questions. Start with **(asking out loud):**

“Jesus, is what I just read true?”

He will answer you, Christian; use this as an opportunity to start the conversation with the Lord Jesus Christ. Keep talking with Him. Get to know Him and He will start to reveal Himself to you.

You need to find out for yourself if what you support or believe is true, and what better way to find out than to ask the Lord Himself? You need to find out for yourself and work out **YOUR** salvation for **YOU**, as the scriptures tell us to.
