

Here is Our Follow-up on the Texas Shootings

Here is our follow-up on the Texas shootings. Although this situation was tragic, we are seeing that churches are starting to make the same mistakes they always have - exclude Jesus from their preparations. Do these churches really think that they will be able to resist another attack with how they are preparing?

WARNING!

This study is full of information that you will need to incorporate into your life so that you will not be steamrolled by the devil. The articles that will be presented will REQUIRE the following:

- **You will need to know The Lord Jesus Christ PERSONALLY.** You will need to be actively talking with Him because He will be the one you will be asking for the things that will be revealed in this study. If you do NOT know Jesus Christ PERSONALLY, take the time to go and get to know Him personally, and ask Him to help you with this study.
- **If you are a Baptist, Methodist, Episcopalean, Catholic or belong to ANY denomination, you will be excluded.** You will need to go to the Lord Jesus Christ directly and ask Him if He will allow you to learn and participate in this study. NONE of this will make any sense to you without the Lord Jesus Christ opening your eyes under His guidance and tutelage.
- **If you deny the Holy Ghost through your denomination (and almost all denominations do), you will be excluded until you go to The Lord Jesus Christ directly and ask Him to help you with this study.** This study will go against ALL of the denominational teachings that you are under, and it is THIS DAY that you will

choose whom you will serve - The Lord Jesus Christ or your denomination. Choose wisely, because if you blow this off, Jesus will NOT help you when you need it most.

- **You will need to be baptised and filled with the Holy Ghost.** These teachings are the surface that the Holy Ghost will revealate to you directly so you can apply what you have learned. If you are not baptised and filled with the Holy Ghost, these teachings will NOT make any sense to you.

Now, **many of you who are reading this are quite offended by what was just posted**, correct?

The Lord has made it clear to us that this is the time of separation, Christian, **and the wheat is being separated from the tares RIGHT NOW.** Although it looks like we are inferring that those who go to 'church' are the tares, **we have been authorized to tell you that you who go to 'church' are DEFINITELY the tares, because the denominational churches you go to are NOT teaching you what you need to know so you will be able to stand against the devil.** We have shown this on this website many times, and the worst offender is the Baptist church. The 2nd worst offender is the Catholic Church, and the offshoots of the Catholic Church (Methodist, Protestant, Episcopalian, Reformed, Lutheran, etc). Mormons, Jehovah's Witnesses and the 7th Day Adventists will **need to get with Jesus PERSONALLY** so they can shed the doctrinal shackles that they have been walking under and get right with Jesus.

All we can do is exhort that you **GET OUT OF THOSE CHURCHES** and **seek out Jesus Christ for yourself.** Have The Lord Jesus Christ guide you in this study so you will be able to learn how to stand in austere situations. We have been authorized to start naming names **so you will get rightly offended and go to Jesus Christ directly and ask Him if what we are posting is correct or not.** You who are under denominations are being strangled by the doctrines of devils in those churches, and the Lord Jesus Christ **WANTS YOU TO COME OUT FROM AMONGST THEM AND BE SEPERATE** so you can be taught correctly under the guidance of the Holy Ghost.

Many Churches have decided to arm themselves

After the shootings of the Baptist Church in Texas, many churches have made the decision to bolster their security. Many churches have gotten some of their members, who may be law enforcement or ex-military, to help them come up with a way to protect the congregation from being harmed if the church was attacked. Although this is definitely a good thing, as many people are now more cognizant of the issues and dangers that they may face, they **STILL** lack the things that they will need to ensure that everyone stays safe.

the Power of Jesus has been short circuited by the pastor and Baptist Doctrine

In our last article, we showed that the fight was spiritual, and now 26 people are dead and 20 injured because they are down here unarmed and unprepared for the devil's intrusions. It is because of Baptist Doctrine, which plays down the power of The Lord Jesus Christ and grieves the Holy Ghost by saying that the acts that the apostles performed 'are not for today', that many of the people were sitting ducks in that church. If The Lord Jesus Christ is our Saviour, why didn't He save those in the church as they were being shot up?

I love everything
about you except
the fact that you're
not mine.

Jesus didn't move to save the
people because those people
were NOT His

It is going to be a shock to you to learn that those people, under Baptist Doctrine, were NOT of Christ, even though they thought they were.

How do we know?

The people were **yoked to and had their allegiance with Baptist Doctrine**, since that is who their god is. The Baptist Doctrine denies the power of the Holy Ghost, so as those people were being massacred by the devil's people, Jesus just sat there. Yes, Christian, Jesus sat there and did not do anything because those people were not trusting in Jesus, but the Baptist Doctrine that the pastor has been preaching. As you can see, that doctrine did those people a lot of good, didn't it?

You can know
about God
and still not
know God.

Can you now see how important it is to KNOW Jesus personally?

When you are IN Jesus, and when you follow Him and obey Him, He knows you and makes His abode IN you. If the devil comes against you, and you are a 'Christian', the devil will have a field day with you. However, if you are a Disciple of Jesus Christ, Jesus knows you, and Jesus will move to come and assist you. We have heard of the devil attacking households and because the head of the household was in Order and obedient to Jesus, Jesus personally stepped in to save that household from being destroyed.

You can see in real time how that tripe of once saved, always saved is NOT true. If their confession(s) of faith were true, then Jesus would have moved to save the people in the congregation. Instead, we see people perish. Didn't they make that confession that they were ALWAYS saved an 'no man can pluck them out of God's hand'?

You can see firsthand **that ETERNAL SECURITY is NO security if you are NOT in Christ.**

You need to know Jesus Personally, Christian, You need to make sure that Jesus knows YOU, and He will know you if you are obedient to Him. He will know you if you do as He says and follow Him. He will know you if you Pick up your cross Daily and Follow HIM.

This should be your first red flag, Christian. If you did what 'they' said and people still got killed, are you truly in the faith?

As usual, people continue to EXCLUDE Jesus Christ in their preparations against attacks

We are seeing people who think carnal weapons are the only means to keep them safe, but they are neglecting to **recognize the type of warfare they are in**. We are not looking at just some dirtbag who wants to hurt someone, but what SPIRIT those dirtbags are of.

- Why is it so hard for people to see **that we have a spiritual component to our warfare?**
- Do you not think that Jesus would know this?
- **Have we asked Jesus what HE thinks?**
- **Have we consulted with Him at all?**

You would think that the church leadership would at least talk about how they are going to survive this by consulting with Jesus, correct?

Unfortunately, this is not the case. Sadly, many churches are doing what THEY think is right, and are kicking Jesus to the curb. How long will it be until the devil sends another strike force to a 'prepared and armed' church, **only to wipe it out because they are preparing for the WRONG TYPE of warfare?** This is like taking a water gun (carnal weapons) to a gunfight (spiritual weapons), and nobody seems to understand that **you**

have to prepare for ALL aspects of your fight, and that fight could be more than you think it is.

We have heard about the visions people have had of church massacres

We have heard of the visions that some have had that said that the churches will be infiltrated and massacres will happen as gunmen burst into the church and start shooting. **We know that the devil will not burst anywhere where he does not have any power.** Of all places, the church should have the power of the Lord Jesus Christ on it, if nothing else.

This tells us that the devil will sacrifice some of the churches that he controls to make a point and put fear into the church people so he can continue to control them. **A church with the power and the authority of the Lord Jesus Christ on it will not tolerate an attack, as the people in that church will be armed to the teeth, and when the**

gunmen burst in, they will be met by many angry people full of the Holy Ghost with firearms.

Forget about being passive, Christian, as we are commanded by the Lord Jesus Christ Himself – ‘resist the devil and He will flee from you’. We are to stand and stand therefore to FIGHT the devil; however, many churches and many pastors are preaching a ‘non-violent’ gospel which is disarming the people who ascribe to it.

How are you going to resist the devil if you are ‘non-violent’ when the devil is VERY violent?

The devil only understands one thing – POWER – and the Lord Jesus Christ will liberally and freely give you that power if you are a Disciple of His. That ‘non-violent’ doctrine is **ERROR** and the sooner that the ‘churchgoers’ learn to actually take some time to read and talk with the Lord Jesus Christ personally about this, they will continue to be destroyed.

Understanding the attacks

If you think that having guns in your congregations to ward off attacks will be enough, you are sadly mistaken. **You have to understand that the attacks against your churches will be SPIRITUAL attacks housed in carnal vessels.** It is not the vessel that is the problem; it is the spirit behind the vessel that you want to defeat first.

As a spirit takes over a body (or vessel), that spirit will instruct the body to do its bidding. Through spiritual weapons, which will be **fear, intimidation, panic and surprise**, many will be frozen in place, and the spirit in the vessel will then use a carnal weapon to destroy their target. Surprise is usually the best spiritual weapon, as the target(s) become frozen so they can be easily taken out. **To be effective, you have to defeat the spiritual attack FIRST and then you can easily overcome the carnal vessel.**

Many of these churches are foolishly putting the people in the congregation that they are trying to protect in harm's way because they think that just the carnal weapon is the most effective and ONLY weapon they will need.

It is NOT.

The Lord Jesus Christ has the weapons you need that He will give freely **ONLY** to those who are Disciples of Christ

The Lord Jesus Christ will freely give you ALL of the spiritual weapons that you will need to stave off an attack against a church **IF and only IF you are a Disciple of Christ**. If you are 'just believing' in Jesus, like most 'Christians', you are NOT one of His, as **Jesus will only protect those who are truly His**, and those that are truly His will be the ones who will obey His commandments, deny themselves and pick up their cross daily, and will give themselves FULLY to Him and let Him guide their lives. Through the Holy Ghost, He will guide you as to what you need to do to not only disempower the spiritual attack, but to actually cause the spirits who are perpetrating the attacks to flee, leaving the vessels behind to be destroyed. It is here, through the guidance of the Holy Ghost, where you will be able to save a person who was on a one-way ticket to hell forever.

Why worry about Jihadists?

Where these churches that are arming themselves are in **ERROR** is **their refusal to teach about the Holy Ghost. Many of these pastors don't even know Jesus personally, are NOT Disciples of Christ, and many are not even born again!** You are putting your life in the hands of someone who is **ignorant of the promises of God and His Holy Spirit** who will run to save themselves if there was an attack.

You heard the correctly. They will **SAVE THEMSELVES FIRST**, and leave you to get shot up, **as you are unprepared and unarmed because of the doctrines that you have been taught all of your life in the church.**

What about the Jihadists that have been brought in to try and take America down?

Many of you are concerned about Jihadists who will come against the church with force and weaponry. What did Jesus say about loving your enemies? The Jihadists are controlled by spirits who HATE Jesus, but does that mean they should not have a chance at redemption? It is only through the Holy Ghost will you be able to see the redemptive power of Jesus, as only He can make a mortal enemy into an important ally. You saw this with Saul, who was a 'Pharisee of the Pharisees', as he put it, who routinely persecuted those who followed Jesus.

The fact of the matter is that IF you really knew the Holy Ghost, **you would know that He, the Holy Ghost, is your commanding Officer while Jesus is your Commander in Chief.** The Holy Ghost would have trained you on how to deal with these hate filled Jihadists, and you would get real-time instruction from the Holy Ghost as you face off against these guys.

This little tidbit of information alone should tell you that when you fight the battles for Christ as a Soldier of the Living God, **YOU are prepared, trained and ready to go on missions that you will be sent upon.** All of this is to further the Kingdom of God, and you would already know that if you face an enemy, you would do your best to excise the demon from that person and save the vessel, as the vessel is precious to the Lord Jesus Christ. **You would destroy that vessel ONLY if you have permission from the Holy Ghost, so the blood of that person is NOT on your hands.**

If the pastors who are arming their churches knew what we have just posted, they would know better to just go in with carnal weapons. If a dirtbag came into the church, and 4-5 people shot him on their own, **THEY would be held accountable for killing that person.** If the Holy Ghost gives you permission to shoot a vessel that cannot be redeemed, you are just following orders, and that person's death is NOT on your hands.

Can you see why NOT having the Holy Ghost is a REAL problem?

Can you see why many 'good' people who are carrying can run into issues and problems with Jesus when they are being judged? This does sound incredible, doesn't it?

Just look at what happened to Ananias and Sapphira in the **book of Acts Chapter 5**, as Peter confronted them for their lies and they both dropped dead right there in the gathering with all of the people standing there. **Now, did Peter actually kill those people?** The answer is no, **but the Holy Ghost did for lying to Him** (that should give you pause right there at how Powerful the Holy Ghost really is - that same Holy Ghost your pastors 'poo-pooed' as 'not being for today'). In the coming conflicts, those who are Disciples of Jesus on the front lines will do as the Spirit of God will tell them, and they will ONLY discharge their arms when they are told to. If they discharge their arms on their own, then THEY are responsible for taking a life.

Think about that as you are preparing for conflict.

Does the Lord Jesus Christ admit murderers who have not repented into the Kingdom of God? Busting a cap in someone WITHOUT permission from the Holy Ghost is not going to bode well for you, Christian.

Go ahead and ask Jesus Yourself if what we have posted is true. Don't ever take our word for anything; check all of this out with the Lord Jesus Christ personally and do what He tells you to do.

Everyone must learn about Spiritual Warfare

It is important and imperative that these pastors learn about spiritual warfare. **Most of these pastors refuse to learn about this because their denomination forbids it.** Christian, your denomination will cost you your life because of their doctrine, which is not even Biblical. **You will not be prepared nor ready to be able to defend yourselves when the time comes.**

The best thing you can do now, Christian, is to **GET OUT OF THOSE DENOMINATIONAL CHURCHES NOW because you are a sitting duck.** Take the time you have now to get with the Lord Jesus Christ directly and learn about Spiritual warfare from Him directly so YOU will be prepared. Ask Jesus to show you the spiritual weapons He has for you and to teach you how to use them.

There is an insane Cherub angel that is authorizing these attacks and he is trying to put his spirit, FEAR, in the churches. As Disciples of Christ, we are not to subject ourselves to the spirit of fear, but to the Spirit of the Lord, the Holy Ghost, who will guide us in all truth. Since **these pastors are denying the POWER of Christ by their teachings, GET AWAY FROM THEM** and ask Jesus directly what you will need to do to protect yourself, your family, and your household when attacks occur.

**NOT
TODAY,
SATAN.
NOT
TODAY.**

When attacked, your mindset needs to be: You Picked the **WRONG** Disciple of Christ to mess with

You have to understand that the devil is going to continue to send his minions to attack your churches, homes, households and marriages. Do you think that He is going to stop? **To get the devil to leave you alone, you have to MAKE HIM LEAVE YOU ALONE.** The Only way to make the devil leave you alone is to always have more POWER than He has, and this is accomplished through the Lord Jesus Christ, as **He will give you His authority if He deems you worthy of having His authority.**

It is too bad these pastors do not know that.

So, Christian, you have to look out for yourself and your family, **because the pastor(s) you are listening to have no clue as to what to do.** They **do not know Christ**; they **do not seek Christ out**; they are doing everything under their own power and you MAY be caught in the crossfire if there is a conflict because not only are you unprepared, they are too scared to do anything other than save their OWN skins.

When you are trained and prepared by the Holy Ghost to deal with the devil and his attacks, your mindset is 'Not Today, Satan, Not today'. You then will know what to do to stomp the guts out of the devil and watch him flee like the girl he is.

As we close this article, We found some old Glock commercials that succinctly sum up the mindset you need to have when the devil comes against you. There are three commercials we feel you should take a look at.

The first one is a young lady that an intruder tries to scare, and you can see it [here](#).

The second one is a guy stalked by three hoodlums, and you can see it [here](#).

The third one is a thug that tries to rob a diner, and you can see it [here](#).

We are in no way trying to sell any guns, but the commercials show that mindset that Christians need to get and keep close. You step out and confront the devil AS the Holy Ghost instructs you to; you will become bold and be available to be used by the Lord Jesus Christ for His purposes.

Don't be stupid and go out and do ANYTHING on your own, Christian. Always confer with and get approval from the Lord Jesus Christ FIRST; ask Jesus to send the Holy Ghost to you so you can be properly trained for conflict and by all means, stay under the governance of the Holy Ghost at all times.

This will help you, Christian.

What we have just posted will not make any sense to those who are not baptised by the Holy Ghost. Take this time to go to Jesus Christ directly and have Him give you the understanding you may need. Get under the guidance of the Holy Ghost through the Lord Jesus Christ and have the Holy Ghost revealate to you what you have just read. Don't take our word for ANYTHING; go direct to the Lord Jesus Christ and talk to Him about this and do what He tells you to do.

Here is Our Challenge to all of you:

We challenge you to go to Jesus directly **RIGHT NOW** and ask Him if what is shown here is true. Use this as a means to start a conversation with The Lord Jesus Christ and sit with Him and ask Him questions. Start with **(asking out loud):**

“Jesus, is what I just read true?”

He will answer you, Christian; use this as an opportunity to start the conversation with the Lord Jesus Christ. Keep talking with Him. Get to know Him and He will start to reveal Himself to you.

You need to find out for yourself if what you support or believe is true, and what better way to find out than to ask the Lord Himself? You need to find out for yourself and work out **YOUR** salvation for **YOU**, as the scriptures tell us to.
