

**Why is it so hard for people to
ASK Jesus to settle doctrinal
disputes?**

In this article, we ask the question - WHY is it SO HARD for the people who call themselves 'Christians' to ASK Jesus if there is a doctrinal dispute? As a 'Christian' you are SUPPOSED to be following Jesus Christ, is that not correct? If that is the case, WHY are you, Christian, sitting there ARGUING about things with other 'Christians' that would take Jesus less than 5 minutes to settle? We see this all the time with the 'Once Saved, Always Saved' crowd, and now we are seeing that same phenomenon with the Hebrew Israelite crowd. When are 'Christians' going to smarten up and STOP the foolishness?

Here is the main reason why People do not ask Jesus ANYTHING

In a nutshell, **the main reason why people do not ask Jesus is because they do not know Jesus.** That is right - they do not know Jesus! They THINK they do because they have been told that they do, but if Jesus appeared in front of them TODAY and smacked them in the head, they would not know who He is.

Let's elaborate for a moment.

Many of you reading this article are a product of the church, and from the teachings of the church, you are to pray to Jesus and ask for stuff that you may need. You can see that many in the church world are always looking 'for a blessing' from the Lord. Many others are always looking 'for a word' from the Lord, usually through someone who has 'the anointing'.

Most people do not know or are ignorant of who Jesus is for real, and when they hear someone come at them and say that THEY need to know Jesus personally, they cannot understand that. They cannot understand that Jesus is not only a man, but God, exalted to being the Lord of Lords and King of Kings by the Lord of Hosts, His Father, when He ascended back up to Heaven, as shown in scripture here:

Acts 5:31 - Him hath God exalted with his right hand to be a Prince and a Saviour, for to give repentance to Israel, and forgiveness of sins.

Revelation 17:14 - These shall make war with the Lamb, and the Lamb shall overcome them: for he is Lord of lords, and King of kings: and they that are with him are called, and chosen, and faithful.

In their mind, Jesus is like a 'sugar daddy', who will give people 'stuff' when they ask for it. Why else would people always be looking for 'a blessing'? Why are they always looking for 'a word'?

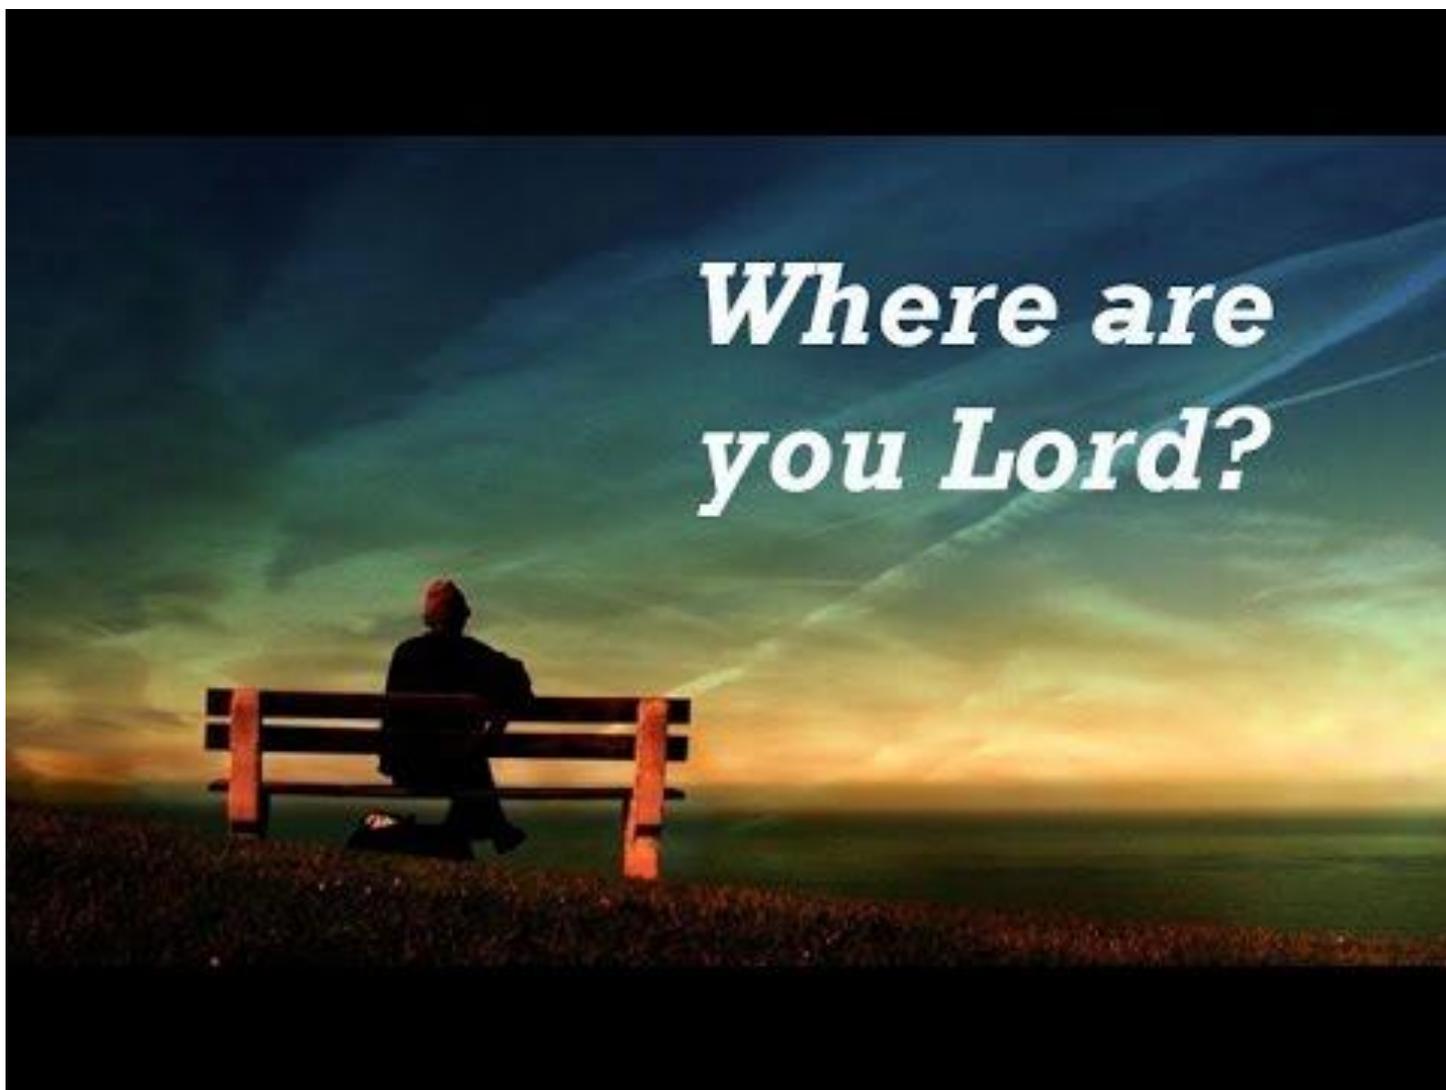

The church has indoctrinated Generations of people

The main problem we see is that the church has indoctrinated many people to believe that Jesus is there to serve THEM. That type of thinking is demonic, as Jesus is the Lord of Lords and King of Kings, and you expect Jesus to serve you?

C'mon, man.

Be serious.

YOU are here to serve Jesus, as you are living today because He wants you to live. People are here on earth to serve Him, not the other way around. In a slow, methodical way, the devil has been able to usurp the minds of millions - possibly billions of people - making them think, through church, that the Lord Jesus Christ is their personal Santa Claus.

Right now, the Lord Jesus Christ is sitting there on His throne, at the Right hand of His Father, the Lord of Hosts, patiently waiting for those who will break out of this church indoctrination and seek Him for real. This is one of the reasons why this website has been raised up, as we will challenge the doctrines of devils that the church teaches. We have been looking at why people do what they do, and we are seeing that there is deep deception in the church and when we shine a light on that deception, people don't like us.

We don't care if you don't like us, Christian. We are here to do a job - we are to proclaim the gospel, gather who will be saved, then then we are done with our mission.

The Lord Jesus Christ is our Mediator

As you already know, the Lord Jesus Christ is our mediator between mankind and The Lord of Hosts, His Father. Day and night, Jesus is there faithfully interceding for US as the devil is continually accusing us of all sorts of things day and night. You can see this is our article on how complaints are handled [here](#).

So, if Jesus is there to stand up for us when the devil accuses us in front of His Father, and He is the one that has bridged the gap so we can talk with His Father, what makes you think that He cannot settle any disputes we may have between the members of the Body of Christ?

For those who call yourself a 'Christian', you do remember that you gave your life to the Lord Jesus Christ to be your Lord and Saviour, correct? If that is the case, why on earth are you sitting down here arguing about doctrine when all you need to do is to ask Jesus to settle the dispute?

O foolish Christian, who has bewitched you?

Didn't Jesus tell us that our yoke is not heavy and our burden is light? If we are hearing Jesus, why are we making things so difficult by trying to argue people down?

- What purpose does that serve?
- Does that glorify The Lord Jesus Christ?
- Does that really work to get people to be born again?

There is a new Breed of Christian known as Disciples of Christ

There is a new breed of Christian, known as Disciples of Christ, who are full of the Holy Ghost that is NOT falling for the okie-doke and are starting to ask the questions that those in the church refuse to answer or don't know how to answer. This article will highlight some of the arguments that we are seeing and explain why we are seeing these arguments.

These Disciples of Christ will not just 'go along to get along' as the church people do. Now don't get us wrong - many of the church people are NICE people, **but they are being raped spiritually by these churches and doctrines of demons that are binding these people to the devil and not to Jesus Christ.** As Disciples of Christ, we cannot just sit there and look at these people walking along on the broad road, going to their destruction, and not say anything. This new breed of Christian will be the ones who seek out power from the Lord Jesus Christ to pull down the strongholds of the devil; these are the ones that will confront the devil and make him flee. It is in our nature to not just sit back and see people destroyed; it is in our nature to confront the wrongs and point out what is right.

Now, what does all of that have to do with why people will not seek Jesus out to settle disputes?

Those who know Jesus for REAL will ALWAYS go to Jesus to get advice, to get help, and to learn from Him as often as they can. Those who THINK they know Jesus, but are blinded in their minds by church doctrines, will not.

The real reason why people will NOT ask the Lord Jesus Christ to settle Disputes Amongst the Brethren

The real reason is - **Pride**.

Yes, **Pride**. Let's define **pride** so we know what we are talking about.

Pride is defined as:

noun

1. a high or inordinate opinion of one's own dignity, importance, merit, or superiority, whether as cherished in the mind or as displayed in bearing, conduct, etc.
2. the state or feeling of being proud.
3. a becoming or dignified sense of what is due to oneself or one's position or character; self-respect; self-esteem.
4. pleasure or satisfaction taken in something done by or belonging to oneself or believed to reflect credit upon oneself:
5. something that causes a person or persons to be proud:
6. the best of a group, class, society, etc.:
7. the most flourishing state or period:

Now that we know what the problem is, let's remember that the Lord Jesus Christ and His Father HATE the spirit of Pride. It does not matter who you are, or what you have done - the Lord HATES pride and He will deal with anyone who is prideful swiftly and harshly, especially if they have been told and warned about their pride.

Pride is what caused satan to call, so if there is a doctrinal dispute, and if one side or both sides REFUSE to call on Jesus to settle the dispute, then you know that these people are NOT of the brethren, as they have satan's spirit of pride, and that the Lord is going to bring them down low quick, fast, and in a hurry. This is why the Lord tells us to NOT argue with anyone, especially about the gospel, and we are to kick off the dust from our feet as a witness against the people you were ministering to.

In the next few paragraphs, we will show you how this PRIDE has defiled the church and the Body of Christ.

Once Saved, Always Saved

In this doctrine, people are being told that all they have to do is say a prayer confessing Jesus is Lord, and they are saved eternally by the Lord. You have seen many a person debate this on YouTube, and every time you look at the comments under the videos, you see strife, division and conflict. Many of you reading this article have seen this happen in your own experience.

So, without going into this too deeply, let's look at the conflict.

Those who are proponents of once saved always saved say that all you need to do is 'believe' and you are saved. They quote scripture showing the promises of God stating that they will be saved for eternity, and that no man can pluck them out of His hand.

There are others that are saying that you are NOT saved until you have completed your race on earth, and then you are saved if you endure to the end. There is Scripture that is bandied about that shows that we need to be vigilant and in the faith, working out our salvation with fear and trembling.

We have one camp that says all you need to believe, and you are saved, and the other camp that says that we are to work out our salvation and endure to the end.

Who is right?

We see the endless debates between the two camps, and each is more entrenched than the other.

Here is a novel thought - **why not ask Jesus what He thinks and settle this once and for all?**

The first and foremost reason why we have these arguments is because the churches teach that ALL of the answers of life come from the Bible. They will tell you to your face:

“You need to read your bible”.

Church indoctrination has taught them that they do NOT need to talk to Jesus at all, and if you want to talk or hear from Jesus, you need to be reading your bible. Of course, if you do not understand something you do read in the bible, THEY have the answers you need.

- What about asking Jesus directly??
- What about receiving teaching and reproof from the Holy Ghost?
- What about getting revelation that will help the body of Christ?

This is why the churches today are of the devil, and many churches push the Once Saved, Always Saved doctrine as canon (word directly from the Lord Himself). Many pastors are telling people that the “Holy Ghost is not for today” and that pastor will step in to be the final arbiter of the debate relying on his training in the seminary of church doctrine.

We also have these arguments because there is the spirit of PRIDE involved, which the Lord absolutely HATES.

A real Disciple of Christ would not think twice to ask Jesus about this issue. Jesus would have told them what He thinks, and taught them correctly that He is the final arbiter who decides if they get into the Kingdom of God or if they perish. He has gone so far as to show what He is looking for from his disciples when they are judged, so why is there any issue?

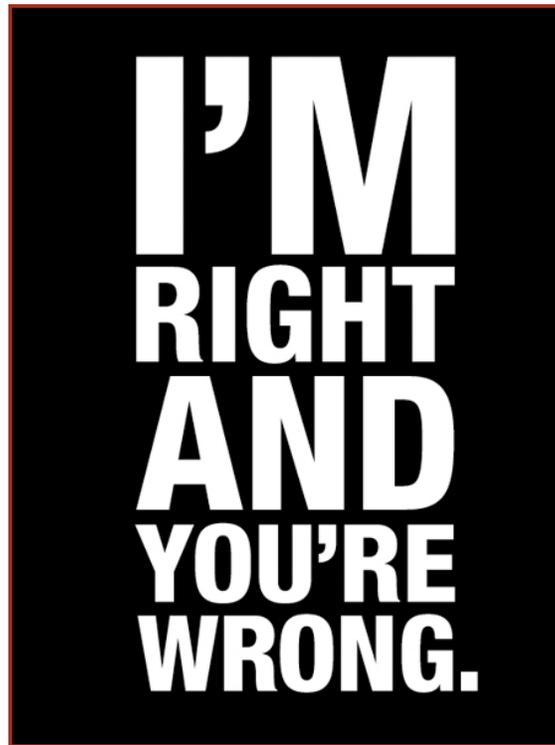

Pride.

The ones who are touting the 'believing' only **are willing to defend and believe a lie before they will EVER admit they were wrong.** What is it to people if they just admit that they were wrong and they did not have all of the facts or that the Lord showed them that they were in error that they are fixing?

Pride.

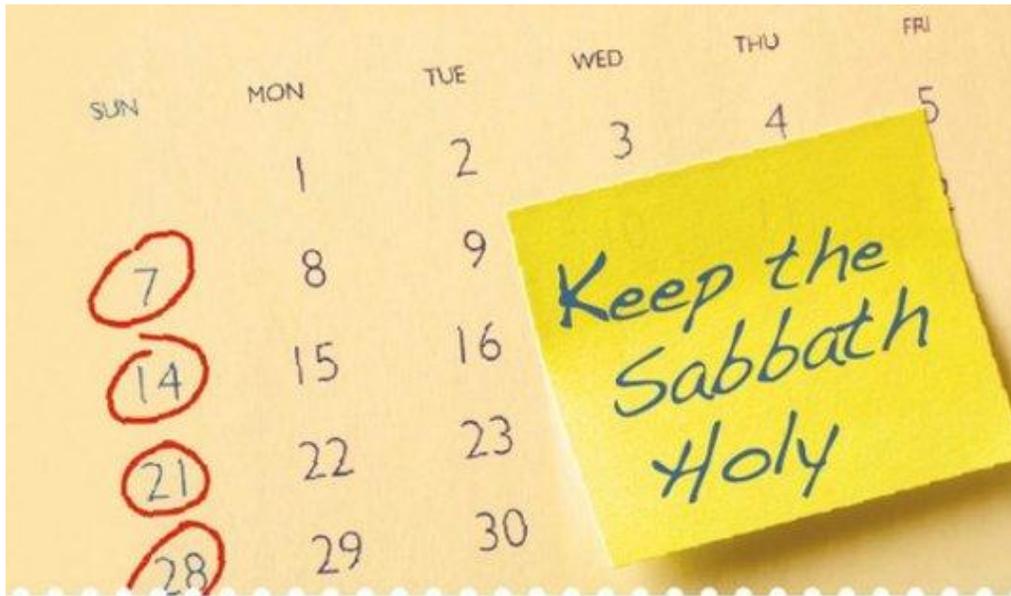

These people would rather see you in hell with them before they will admit that they were wrong. We get it that being wrong and looking foolish is something that no one wants to experience, but are you going to be liked and admired over what is right or are you going to swallow your pride and do the right thing?

Pride.

This is what is causing many in this particular case to entrench themselves. They will NOT ask Jesus because what if they are wrong? **They are more interested in looking like a 'prophet of Gawd'** than proclaiming the gospel as they were supposed to.

Any disciple of Christ knows **that you need to strip off that pride quick, fast, and in a hurry** and get in line with the one who is going to judge you and determine if you make it into the 'Promised Land', better known as the Kingdom of God, or not. You quickly learn how to identify pride; the Lord of Hosts may humble you down so you will not be lifted up by pride. You may be punished because of your pride. Pride will kill and damn more people - billions - because NONE of them will make it into the Kingdom of God.

Let's take a look at Sabbath day Worship

OK, here is another example that is relevant today. Many people are striving to keep the sabbath day as it states in scripture, and there are many who say that Jesus is the sabbath and that we are to rest in Him.

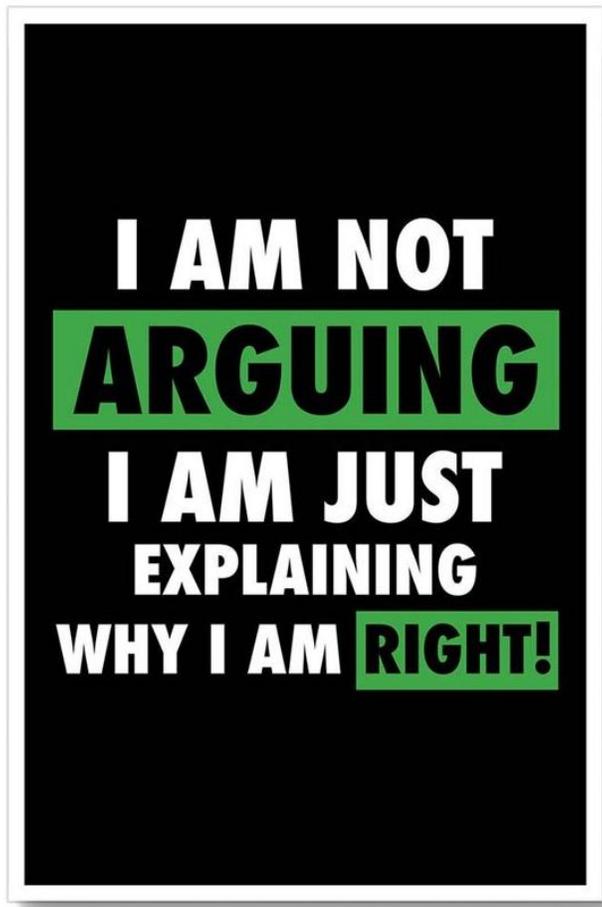

We are not going to argue this point, because it is not up to us to make you believe anything. However, we are seeing that like the Once Saved, Always Saved debate, this debate has the same characteristics in it. So let's recap again what this debate is all about:

- There is a camp that says that you have to observe the sabbath, as this is what is commanded of people in the old testament.
- There is a camp that says that you are to Rest in Jesus, as He is the Lord of the sabbath.

We see the endless debates between the two camps, and each is more entrenched than the other.

So who is right?

Here is a novel thought - **why not ask Jesus what He thinks and settle this once and for all?**

Here we see that spirit of PRIDE that has popped up its ugly head yet again.

We already know that the Lord of Hosts set the sabbath as a day of REST for mankind. Under the Old Testament, this was a commandment that was required of all that the Lord of Hosts Governed.

Under the New Testament, Jesus is the Lord of the sabbath, which mean that He governs the sabbath. This is shown in the gospels where Jesus would deliberately heal people on the sabbath and challenged the Pharisees and scribes when they complained about it. **As the Lord of the sabbath, Jesus could do whatever He chose to do on that sabbath**, and this is why the Pharisees were NOT able to overcome Jesus and plotted to kill Him.

Jesus would tell you to rest in Him, and continue to obey His commandments. **There is no need for a sabbath day to rest when you can rest EVERY DAY in Jesus!!** That is the answer you would get from Jesus. **Don't take our word for anything**, though; sit with Him and **ask Him this question and see what He says**.

So, why is it that those who insist on the sabbath will not like us right about now?

Pride.

You can see that they are 'proud' of worshipping the sabbath when Jesus is saying to worship HIM and He will give you rest (scripture). These **people who cling onto worshipping the sabbath will NEVER admit that they are wrong** because they do not know Jesus and this would make them look bad to their 'peeps'.

Pride.

The same thing that caused satan to fall is what is going to damn people to hell because they will not listen. These people have already discounted Jesus, **and have decided amongst themselves that THEY are right because they are following the Bible.** What these people are missing is that they are following the OLD covenant, and have discounted the new covenant. They are walking away from their repentance that is available to them in Jesus and clinging onto the old ways.

Pride.

These people are willing to go to hell believing that they are right before they will repent and accept the grace and forgiveness from the only person in the Universe that can save them.

This is a sad state of affairs, Christian. many will perish and they will always remember when they were told they were in error and they would NOT listen. There are many in hell today who wish they had another chance to make things right. This is what is meant by working out your salvation with fear and trembling, Christian. **We are given time to deal with these lies and half-truths and get right with Jesus NOW before you die.** This is the 'working out' part, Christian, and this is what many will NOT do because they think they are right.

Sad.

Conclusion

Now that you can see why people will not seek out Jesus to settle doctrinal disputes, take matters to work out with Jesus to deal with your pride. There are many more disputes that we can talk about, but the underlying cause of ALL of those disputes is PRIDE. Be wise, Christian, and get with Jesus and have Him settle in your mind and heart the conflicts you may encounter. Jesus is working now to get those who will seek Him out of the churches before He destroys them all. If those people who hear these messages refuse to listen, they will perish along with the churches that will be destroyed. In the coming days, the Lord will ONLY protect and provide for those who re His.

- **What is the Hebrew Israelite going to do** when there are supernatural forces that are killing people all around them? Do they have any spiritual weapons that they can use to defend themselves?
- **What is the sabbath day worshipper going to do** when they find out that they have no provision because they are NOT of Christ?
- **What is the Once Saved, Always Saved Christian going to do** when they find out that they don't even know Christ and He will NOT let them into His Kingdom and thrusts them out into utter darkness because they had not prepared themselves for the Kingdom of God?

The sad answer will be this - **Nothing.**

They will perish.

Pride.

This is a monster that KILLS.

So, what have we learned?

In the article above, we have pointed out why there are endless arguments about topics that could be settled in less than 5 minutes by the Lord Jesus Christ. We hope that you will learn to always ask Jesus to settle an issue and stop arguing continuously about something that is not that important.

If a person insists on being contrary, **LET THEM BE**. It is our job, as Disciples of Christ, **to PROCLAIM the Gospel**, and not sell it or convince people of it. They have to make an informed choice on if they are going to follow Jesus or not.

The Body of Christ does Jesus a disservice and puts Jesus to an open shame when his 'followers' sit there and snipe back and forth about things that no one is going to agree to. Proclaim the Gospel. Lift up your voice like a trumpet and proclaim Christ. **If the people do not accept it, that is NOT your problem**. They heard it, and if they reject it, **THEY are the ones that will have to answer to Jesus as to WHY they rejected His Gospel**. Your hands are free, and you are free to go and proclaim the Gospel to others who are willing to hear you.

As always, you are free to agree or disagree with what has been posted in this article. **We do not care one way or the other, as you should NOT take our word for anything.** However, we DO encourage you to **get with the Lord Jesus Christ Directly and as HIM if what you have read is true or not.** Sit with Him and talk with Him **and work out YOUR salvation by getting the defiling elements within you cleared.** If you didn't already know, **Jesus is the ONLY ONE who will let you into the Kingdom of God. Wouldn't it make sense to consult with Jesus BEFORE you are standing in front of Him being judged?** He is telling us what He will be looking for, as you can see in the article given to us by Jesus Himself **here**.

Don't fall for the lies, Christian, **and work out YOUR salvation with fear and trembling.** KNOW that you will make it because you KNOW Jesus who would have helped you get rid of what is displeasing to Him.

As always, **take NOTHING that you have seen here in this book as the truth.** It is **YOUR responsibility to study and check out everything that you see and hear**, and you have an advocate in the Lord Jesus Christ who will help you if you would just ask Him.

Take this upon yourself, Christian, as **YOU** need to get **YOUR** Bible, **YOUR** concordance, **YOUR** dictionary, **YOUR** pens/pencils, **YOUR** notepad and then **YOU** need to seek out the Lord Jesus Christ and ask Him to help **YOU** so **YOU** can make it into His Kingdom, since it will be **YOU standing alone in front of Jesus** when **YOU** are being judged.

It is **YOUR** responsibility to make sure **YOU** are in the faith and that **YOU** have completed **YOUR** sanctification during the sanctification process and **YOU** have gotten **YOUR** forgiveness and **YOU** have repented of all of **YOUR** sins before **YOU** are judged by Jesus.

Scripture tells us that hell will enlarge itself to accommodate all of the people who will be sent there because of idols like the pope, as you can see in scripture here:

Isaiah 5:14 - Therefore hell hath enlarged herself, and opened her mouth without measure: and their glory, and their multitude, and their pomp, and he that rejoiceth, shall descend into it.

Take this as a warning, Christian, as the Lord Jesus Christ is NOT desperate for people, as **there were only 8 people** who got on the ark before the flood, and **only 2 people** from the Hebrews from Egypt made it into the Promised Land.

Be wise, and stay IN Jesus so you are not lost.

Here is Our Challenge to you, Christian

We challenge you to go to Jesus directly **RIGHT NOW** and ask Him if what is shown here is true. Use this as a means to start a conversation with The Lord Jesus Christ and sit with Him and ask Him questions. Start with **(asking out loud):**

“Jesus, is what I just read true?”

He will answer you and NOW you will be on the true road to salvation, knowing for **SURE** if you are going to make it or not, as Jesus would have told you. Keep talking with Him. Get to know Him and He will start to reveal Himself to you. You need to find out for yourself and work out **YOUR** salvation for **YOU**, as the scriptures tell us to.
